The Life of the Automobile Jun 24 2020 The Life of the Automobile is the first comprehensive world history of the car. The automobile has arguably shaped the modern era more profoundly than any other human invention, and author Steven Parissien examines the impact, development, and significance of the automobile over its turbulent and colorful 130-year history. Readers learn the grand and turbulent history of the motor car, from its earliest appearance in the 1880s—as little more than a powered quadricycle—and the innovations of the early pioneer carmakers. The author examines the advances of the interwar era, the Golden Age of the 1950s, and the iconic years of the 1960s to the decades of doubt and uncertainty following the oil crisis of 1973, the global mergers of the 1990s, the bailouts of the early twenty-first century, and the emergence of the electric car. This is not just a story of horsepower and performance but a tale of extraordinary people: of intuitive carmakers such as Karl Benz, Sir Henry Royce, Giovanni Agnelli (Fiat), André Citroën, and Louis Renault; of exceptionally gifted designers such as the eccentric, Ohio-born Chris Bangle (BMW); and of visionary industrialists such as Henry Ford, Ferdinand Porsche (the Volkswagen Beetle), and Gene Bordinat (the Ford Mustang), among numerous other game changers. Above all, this comprehensive history demonstrates how the epic story of the car mirrors the history of the modern era, from the brave hopes and soaring ambitions of the early twentieth century to the cynicism and ecological concerns of a century later. Bringing to life the flamboyant entrepreneurs, shrewd businessmen, and gifted engineers that worked behind the scenes to bring us

horsepower and performance, *The Life of the Automobile* is a globe-spanning account of the auto industry that is sure to rev the engines of entrepreneurs and gearheads alike.

*The Life of the Mind* Oct 29 2020 ONE OF THE BEST BOOKS OF THE YEAR: Time, NPR, The Atlantic, Electric Lit,

Thrillist, LitHub, Kirkus Reviews • A witty, intelligent novel of an American woman on the edge, by a brilliant new voice in fiction—“the glorious love child of Ottessa Moshfegh and Sally Rooney” (Publishers Weekly, starred review) “[A] jewel of a debut . . . abundantly satisfying.”—Jia Tolentino, *The New Yorker* As an adjunct professor of English in New York City with little hope of finding a permanent position, Dorothy feels “like a janitor in the temple who continued to sweep because she had nowhere else to be but who had lost her belief in the essential sanctity of the enterprise.” No one but her boyfriend knows that she’s just had a miscarriage—not her mother, her best friend, or her therapists (Dorothy has two of them). She wasn’t even sure she wanted to be a mother. So why does Dorothy feel like a failure? *The Life of the Mind* is a book about endings—of youth, of ambition, of possibility, but also of the meaning that an inquiring mind can find in the mess of daily experience. Mordant and remorselessly wise, this jewel of a debut cuts incisively into life as we live it, and how we think of it.

*The Secret Life of a Black Aspie* Apr 03 2021 "Pralhad was born on a former plantation in Virginia in 1954. This memoir ... is his story ... Rooted in black folklore and cultural ambience, and offering new perspectives on autism and more, [his book intends to] inspire and delight readers and deepen our understanding of the marginal spaces of human existence"-- Amazon.com.

*Last Week Tonight with John Oliver Presents a Day in the Life*

*of Marlon Bundo* Mar 22 2020 100% of Last Week Tonight's proceeds will be donated to The Trevor Project and AIDS United. HBO's Emmy-winning Last Week Tonight with John Oliver presents a children's picture book about a Very Special boy bunny who falls in love with another boy bunny. Meet Marlon Bundo, a lonely bunny who lives with his Grampa, Mike Pence - the Vice President of the United States. But on this Very Special Day, Marlon's life is about to change forever... With its message of tolerance and advocacy, this charming children's book explores issues of same sex marriage and democracy. Sweet, funny, and beautifully illustrated, this book is dedicated to every bunny who has ever felt different.

**The Life of a Colonial Blacksmith** Mar 02 2021 Colonial blacksmiths not only fashioned objects from iron, but they were also sometimes involved in other trades, such as veterinary medicine. Readers will follow a day in the life of a blacksmith in this graphic book. Based on the life of a real blacksmith of record.

*My Life as a Book* Apr 27 2023 Summer's finally here, and Derek Fallon is looking forward to pelting the UPS truck with water balloons, climbing onto the garage roof, and conducting silly investigations. But when his parents decide to send him to Learning Camp, Derek's dreams of fun come to an end. Ever since he's been labeled a "reluctant reader," his mom has pushed him to read "real" books-something other than his beloved Calvin & Hobbes. As Derek forges unexpected friendships and uncovers a family secret involving himself (in diapers! no less), he realizes that adventures and surprises are around the corner, complete with curve balls. *My Life as a Book* is a 2011 Bank Street - Best Children's Book of the Year.

**Wife of the Life of the Party** Aug 19 2022 *Wife of the Life of the Party* is the memoir of the late Lita Grey Chaplin (1908-

1995), the only one of Chaplin's wives to have written an account of life with Chaplin. Her memoir is an extraordinary Hollywood story of someone who was there from the very beginning. Born Lillita Louise MacMurray in Hollywood, she began her career at twelve with the Charlie Chaplin Film Company, when Chaplin selected her to appear with him as the flirting angel in *The Kid*. When she was fifteen, Chaplin signed her as the leading lady in *The Gold Rush* and changed her name to Lita Grey. She was forced to leave the production when, at the age of sixteen, she became pregnant with Chaplin's child. She married Chaplin in Empalme, Mexico in November 1924. The Chaplins stayed together for two years. Lita bore Chaplin two sons: Charles Chaplin, Jr. and Sydney Chaplin. In November 1926, after Lita discovered that Chaplin was having an affair with Merna Kennedy (Lita's best friend, whom she had persuaded Chaplin to hire as the leading lady in *The Circus*), Lita left Chaplin and filed for divorce. It was one of the first divorce cases to receive a public airing. The divorce complaint ran a staggering 42 pages and fed scandal with its revelations about the private life of Charles Chaplin. Lita's divorce settlement of \$825,000 was the largest in American history at the time. Lita authorized the publication of another biography, *My Life with Chaplin*, in 1966. The book was mainly the creation of her co-author, Morton Cooper, who re-wrote her manuscript. Lita was never happy with the many inaccuracies and distortions of that book. *Wife of the Life of the Party* is not to be seen as a supplement to her early book, but rather Lita's own version of her life, told for the first time.

### **A Life of Being, Having, and Doing Enough** Nov 10 2021

From the moment we are born, we are seekers. Our culture obsessively promotes the pursuit of money, success and self-improvement. At the end of each activity-jammed day, though,

we collapse into bed discouraged by everything we have not checked off on our to-do lists, in despair that whatever we have accomplished is never enough. Worse still, when our dreams become derailed by the inherent tragedies of life—job loss, financial peril, sickness, or the death of a loved one—we feel devastated by the pain and injustice of it all. Nationally renowned author, therapist, and minister Wayne Muller offers healing for the perpetually stressed in *A Life of Being, Having, and Doing Enough*. By learning compassion and mercy for ourselves and by recognizing what is most profoundly true about who we are and what we need, we can gain the self-acceptance so that whatever we choose to do, in this moment, it is wholly enough. Muller mixes the writings of great spiritual and political leaders with inspirational anecdotes from his own life, inviting us to derive more satisfaction from less and pull gratitude out of the ashes of grief. The answer to what he describes as "authentic happiness" lies not in seeing the glass as half full instead of half empty. In reality, he writes, the glass is always half full and half empty. The world is neither broken nor whole, but eternally engaged in rhythms between joy and sorrow. With Muller's guidance, we may find ourselves on the most courageous spiritual pilgrimage of our lives.

### **The Death and Life of Great American Cities** Dec 11 2021

Thirty years after its publication, *The Death and Life of Great American Cities* was described by *The New York Times* as "perhaps the most influential single work in the history of town planning....[It] can also be seen in a much larger context. It is first of all a work of literature; the descriptions of street life as a kind of ballet and the biting satiric account of traditional planning theory can still be read for pleasure even by those who long ago absorbed and appropriated the book's arguments." Jane Jacobs, an editor and writer on architecture in New York City in

the early sixties, argued that urban diversity and vitality were being destroyed by powerful architects and city planners.

Rigorous, sane, and delightfully epigrammatic, Jacobs's small masterpiece is a blueprint for the humanistic management of cities. It is sensible, knowledgeable, readable, indispensable.

The author has written a new foreword for this Modern Library edition.

**The Life of a Miner** Jul 26 2020 Describes the hard rock mining industry that developed in the American west following the gold rush, including the operations of a mine and the lives of the miners and their families.

*A Life in Books* Feb 25 2023 "A Life In Books is an illuminated novel containing 101 books within it, all written by Lehrer's protagonist, author Bleu Mobley, who finds himself in prison looking back on his life and career. Mobley's autobiography/apologia is paired with a review of all 101 of his books. Each book is represented by its first-edition cover design and catalogue copy, and more than a third of his books are excerpted. The resulting retrospective contrasts the published writings (which read like short stories) with the author's confessional memoir, forming a most unusual portrait of a well-intentioned, obsessively inventive (but ethically challenged) visionary."--Publisher description.

The Second Life of Mirielle West Jun 17 2022 The glamorous world of a silent film star's wife abruptly crumbles when she's forcibly quarantined at the Carville Lepers Home in this page-turning story of courage, resilience, and reinvention set in 1920s Louisiana and Los Angeles. Based on little-known history, this timely book will strike a chord with readers of Fiona Davis, Tracey Lange, and Marie Benedict. Based on the true story of America's only leper colony, *The Second Life of Mirielle West* brings vividly to life the Louisiana institution known as Carville,

where thousands of people were stripped of their civil rights, branded as lepers, and forcibly quarantined throughout the entire 20th century. For Mirielle West, a 1920's socialite married to a silent film star, the isolation and powerlessness of the Louisiana Leper Home is an unimaginable fall from her intoxicatingly chic life of bootlegged champagne and the star-studded parties of Hollywood's Golden Age. When a doctor notices a pale patch of skin on her hand, she's immediately branded a leper and carted hundreds of miles from home to Carville, taking a new name to spare her family and famous husband the shame that accompanies the disease. At first she hopes her exile will be brief, but those sent to Carville are more prisoners than patients and their disease has no cure. Instead she must find community and purpose within its walls, struggling to redefine her self-worth while fighting an unchosen fate. As a registered nurse, Amanda Skenandore's medical background adds layers of detail and authenticity to the experiences of patients and medical professionals at Carville – the isolation, stigma, experimental treatments, and disparate community. A tale of repulsion, resilience, and the Roaring '20s, *The Second Life of Mirielle West* is also the story of a health crisis in America's past, made all the more poignant by the author's experiences during another, all-too-recent crisis. PRAISE FOR AMANDA SKENANDORE'S BETWEEN EARTH AND SKY “Intensely emotional...Skenandore's deeply introspective and moving novel will appeal to readers of American history.” —Publishers Weekly

**One Day in the Life of Ivan Denisovich** Oct 09 2021 “Stark . . . the story of how one falsely accused convict and his fellow prisoners survived or perished in an arctic slave labor camp after the war.”—Time From the icy blast of reveille through the sweet release of sleep, Ivan Denisovich endures. A common carpenter,

he is one of millions viciously imprisoned for countless years on baseless charges, sentenced to the waking nightmare of the Soviet work camps in Siberia. Even in the face of degrading hatred, where life is reduced to a bowl of gruel and a rare cigarette, hope and dignity prevail. This powerful novel of fact is a scathing indictment of Communist tyranny, and an eloquent affirmation of the human spirit. The prodigious works of Alexander Solzhenitsyn, including his acclaimed *The Gulag Archipelago*, have secured his place in the great tradition of Russian literary giants. Ironically, *One Day in the Life of Ivan Denisovich* is the only one of his works permitted publication in his native land. Praise for *One Day in the Life of Ivan Denisovich* “Cannot fail to arouse bitterness and pain in the heart of the reader. A literary and political event of the first magnitude.”—*New Statesman* “Both as a political tract and as a literary work, it is in the *Doctor Zhivago* category.”—*Washington Post* “Dramatic . . . outspoken . . . graphically detailed . . . a moving human record.”—*Library Journal*

**The Secret Life of Plants** Feb 01 2021 Explore the inner world of plants and its fascinating relation to mankind, as uncovered by the latest discoveries of science. A perennial bestseller. In this truly revolutionary and beloved work, drawn from remarkable research, Peter Tompkins and Christopher Bird cast light on the rich psychic universe of plants. Now available in a new edition, *The Secret Life of Plants* explores plants' response to human care and nurturing, their ability to communicate with man, plants' surprising reaction to music, their lie-detection abilities, their creative powers, and much more. Tompkins and Bird's classic book affirms the depth of humanity's relationship with nature and adds special urgency to the cause of protecting the environment that nourishes us.

**The Book of Life (Movie Tie-In)** Feb 13 2022 The #1 New York Times-bestselling third installment of the All Souls series, and the basis for the final season of "A Discovery of Witches," coming soon to AMC+, Sundance Now, and Shudder. In *The Book of Life* Diana and Matthew time-travel back from Elizabethan London to make a dramatic return to the present--facing new crises and old enemies. At Matthew's ancestral home, Sept-Tours, they reunite with the beloved cast of characters from *A Discovery of Witches*--with one significant exception. But the real threat to their future has yet to be revealed, and when it is, the search for Ashmole 782 and its missing pages takes on even more urgency. In the third volume of the All Souls series, Harkness deepens her themes of power and passion, family and caring, past deeds and their present consequences. In palatial homes and university laboratories, using ancient knowledge and modern science, from the hills of the Auvergne to Venice and beyond, the couple at last learn what the witches discovered so many centuries ago.

**The Bookish Life of Nina Hill** May 04 2021 Instant USA Today bestseller! "Abbi Waxman is both irreverent and thoughtful."—#1 New York Times bestselling author Emily Giffin "Meet our bookish millennial heroine—a modern-day Elizabeth Bennet, if you will... Waxman's wit and wry humor stand out. She is funny and imaginative, and "Bookish" lands a step above run-of-the-mill romantic comedy fare."—The Washington Post "Abbi Waxman offers up a quirky, eccentric romance that will charm any bookworm.... For anyone who's ever wondered if their greatest romance might come between the pages of books they read, Waxman offers a heartwarming tribute to that possibility."--Entertainment Weekly The author of *Other People's Houses* and *The Garden of Small Beginnings* delivers a quirky and charming novel chronicling the life of confirmed

introvert Nina Hill as she does her best to fly under everyone's radar. Meet *Nina Hill*: A young woman supremely confident in her own...shell. The only child of a single mother, Nina has her life just as she wants it: a job in a bookstore, a kick-butt trivia team, a world-class planner and a cat named Phil. If she sometimes suspects there might be more to life than reading, she just shrugs and picks up a new book. When the father Nina never knew existed suddenly dies, leaving behind innumerable sisters, brothers, nieces, and nephews, Nina is horrified. They all live close by! They're all—or mostly all—excited to meet her! She'll have to Speak. To. Strangers. It's a disaster! And as if that wasn't enough, Tom, her trivia nemesis, has turned out to be cute, funny, and deeply interested in getting to know her. Doesn't he realize what a terrible idea that is? Nina considers her options. 1. Completely change her name and appearance. (Too drastic, plus she likes her hair.) 2. Flee to a deserted island. (Hard pass, see: coffee). 3. Hide in a corner of her apartment and rock back and forth. (Already doing it.) It's time for Nina to come out of her comfortable shell, but she isn't convinced real life could ever live up to fiction. It's going to take a brand-new family, a persistent suitor, and the combined effects of ice cream and trivia to make her turn her own fresh page.

**The Death and Life of the Great Lakes** Jul 18 2022 New York Times Bestseller Winner of the Los Angeles Times Book Prize Winner of the J. Anthony Lukas Award "Nimbly splices together history, science, reporting and personal experiences into a taut and cautiously hopeful narrative.... Egan's book is bursting with life (and yes, death)." —Robert Moor, New York Times Book Review The Great Lakes—Erie, Huron, Michigan, Ontario, and Superior—hold 20 percent of the world's supply of surface fresh water and provide sustenance, work, and recreation for tens of millions of Americans. But they are under threat as

never before, and their problems are spreading across the continent. *The Death and Life of the Great Lakes* is prize-winning reporter Dan Egan's compulsively readable portrait of an ecological catastrophe happening right before our eyes, blending the epic story of the lakes with an examination of the perils they face and the ways we can restore and preserve them for generations to come.

**The Secret Life of Books** Aug 07 2021 We love books. We take them to bed with us. They weigh down our suitcases on holiday. We display them on our bookshelves, give them as gifts, write our names in them. We take them for granted. And all the time, our books are leading a double life. *The Secret Life of Books* is about everything that isn't just the words. It's about how books transform us as individuals, the stories they tell us about ourselves. It's about how books - and readers - have evolved over time. And it's about why, even with the arrival of other media, books still have the power to change our lives. In this stylish and thought-provoking meditation, Tom Mole looks at everything from binding innovations to binding errors, to books defaced by lovers, to those imprisoning professors in their offices, to books in art, to burned books, to the books that create nations, to those we'll leave behind. A striking text in a stunning package, it will change how you think about books.

**The Social Life of Books** Jul 06 2021 "A lively survey...her research and insights make us conscious of how we, today, use books."—John Sutherland, *The New York Times Book Review* Two centuries before the advent of radio, television, and motion pictures, books were a cherished form of popular entertainment and an integral component of domestic social life. In this fascinating and vivid history, Abigail Williams explores the ways in which shared reading shaped the lives and literary culture of the eighteenth century, offering new perspectives on

how books have been used by their readers, and the part they have played in middle-class homes and families. Drawing on marginalia, letters and diaries, library catalogues, elocution manuals, subscription lists, and more, Williams offers fresh and fascinating insights into reading, performance, and the history of middle-class home life. “Williams’s charming pageant of anecdotes...conjures a world strikingly different from our own but surprisingly similar in many ways, a time when reading was on the rise and whole worlds sprang up around it.”—The Washington Post

The Secret Life of Bees Sep 08 2021 After her mother's death, Lily Owens and her African-American maid seek refuge from the racism of their South Carolina hometown with eccentric beekeeping sisters in this coming of age story representing the letter “K” in a new series of twenty-six collectible editions.

**Insignificant Events in the Life of a Cactus** Apr 15 2022 New friends and a mystery help Aven, thirteen, adjust to middle school and life at a dying western theme park in a new state, where her being born armless presents many challenges.

**The Life of a Foxhound** Jan 20 2020

Incidents in the Life of a Slave Girl : Written by Herself Aug 27 2020

*The Hidden Life of Trees: What They Feel, How They Communicate* Apr 22 2020 Sunday Times Bestseller ‘A paradigm-smashing chronicle of joyous entanglement’ Charles Foster Waterstones Non-Fiction Book of the Month (September) Are trees social beings? How do trees live? Do they feel pain or have awareness of their surroundings?

*Dante's New Life of the Book* Mar 26 2023 Dante's Vita nuova has taken on a wide variety of different forms since its first publication in 1294. How could one work have generated such different physical forms? Through examining the work's

transformations in manuscripts, printed books, translations, and adaptations, Eisner reconceives of the relationship between the work and its reception. *Dante's New Life of the Book* investigates how these different material manifestations participate in the work, drawing attention to its distinctive elements. Dante framed his book as an attempt to understand his own experiences through the experimental form of the book, and later scribes, editors, and translators use different material forms to embody their interpretations of Dante's collection of thirty-one poems surrounded by prose narrative and commentary. Traveling from Boccaccio's Florence to contemporary Hollywood with stops in Emerson's Cambridge, Rossetti's London, Nerval's Paris, Mandelstam's Russia, De Campos's Brazil, and Pamuk's Istanbul, this study builds on extensive archival research to show how Dante's strange poetic forms, including incomplete canzoni and sonnets with two beginnings, continue to challenge readers. Each chapter focuses on how one of these distinctive features has been treated over time, offering new perspectives on topics such as Dante's love of Beatrice, his relationship with Guido Cavalcanti, and his attraction to another woman. Numerous illustrations show the entanglement of the work's poetic form and its material survival. Eisner provides a fresh reading of Dante's innovations, demonstrating the value of this philological analysis of the work's survival in the world.

**A Book of Life** Nov 22 2022 Charts a path to a spiritually rich Judaism, explaining traditional rituals and offering new ones for modern life. Encourages daily spiritual awareness as we seek the two fundamental goals of Judaism: to become better humans and to be in God's presence.

*Your Life Is a Book - And It's Time to Write It!* Mar 14 2022 Do you have a story that you just have to tell? Do you seek to preserve your life history as a gift for loved ones, or to pay

tribute to those who have meant the most to you? Do you yearn to write about one major life experience to inspire others? You're not alone. The desire to write our life story is a timeless, universal urge. Somewhere inside us we know that writing a book about our life will touch those we love, while enriching our lives in today's cell phone-laptop lifestyle. They want to hear all the stories that have shaped your life. *Your Life Is a Book - And It's Time to Write It! An A-to-Z Guide to Help Anyone Write Their Life Story* will take you on the journey of creating your memoir, autobiography, or life story. It doesn't matter how old or how young you are, or whether you've written a lot, a little, or not at all. Through practical tools, lively writing exercises, engaging questions, and helpful illustrations, you'll receive the guidance and encouragement you need from an expert life-writing teacher. Start writing your life story today! Kevin Quirk, M.A., has been helping ordinary people of all ages and backgrounds write their life stories as ghostwriter, personal historian, and *Writing Your Life Story* teacher since 1998. A former journalist and founder of *Life Is a Book*, he is coauthor of *Brace for Impact: Miracle on the Hudson Survivors Share Their Stories of Near Death and Hope for New Life*.

**The Life of a Maine Lobsterman** Jan 24 2023

**Road of the Damned** Nov 29 2020 Book 2 in the hit zombie series readers have described as, "Stephen King's 'The Stand' meets 'The Walking Dead'." In the weeks after a virus decimated humanity and left less than 5,000 people alive in the U.S., a diverse group of survivors struggles to stay alive. Farmer, Wim Wagner has abandoned the safety of his farm in hopes of finding Ramey, the mysterious girl who flitted in and out of life in the

midst of the outbreak. But, Ramey is on the road searching for her father and trying to locate the mysterious X on a map that promises safety. Meanwhile, survivors like Jorge and Bundy find themselves lost on the road, trying to locate other human beings and fighting off hordes of zombies. Some rescue missions end in success, but others in tragedy. Teenager, Mitch is trapped in a secret, underground bunker along with his mother and thousands of the undead. Mina has escaped the hospital after killing her father when he turned into a zombie. Grady desperately attempts to protect his autistic son after the boy died and returned as one of the undead. They're only a few of the men and women fighting survival in a world where the dead have returned to life and overtaken the country. Will they find each other on the road or are they destined to life and die alone?\*\*\*\*\*A post-apocalyptic, dystopian horror story, "Road of the Damned" is book 2 of the "Life of the Dead" saga. It tells the story of multiple men and women from all walks of life, dealing with a zombie apocalypse. Wim - a 30 year old farmer. Ramey - a high school drop out. Mead - a washed up line cook. Bundy - a 500 pound prisoner. Jorge - an army medic. Emory - a 80 year old millionaire. Juli - a lonely but resourceful suburbanite. Grady - father to an autistic son. Mitch - the spoiled son to a US Senator. Mina - a housekeeper caring for her abusive father. Solomon - a violent and cunning businessman. Aben - a homeless war veteran. What readers are saying: "I f\*\*\*\*\*g love this book, man!" Nathan "It's Stephen King's The Stand meets The Walking Dead! Graphic and well written with fully developed characters. Read it in a few hours. Can't wait for the next book!!" Audrey S. "One of the best I've read in a long time." Bill H. "Disgusting, poignant and fun." Rachel S. "Loved this book! There are a lot of characters to meet and I can't wait to see if any of them cross paths in the series. It's a quick and easy read with a lot of action and some

intense scenes! Looking forward to the next one." Amazon Customer "Holy Nutballs - This was Amazing" Amazon Reviewer "Just loving this story, can't wait for the next part. The characters are good and I like the authors style of writing and structure." Book Demon "4.5 stars. A good/solid zombie story with plenty of diverse characters." Dave "I really could not put this read down until it was done. The beginnings of all the characters were great and I can't wait to read what's in store for the next sequel. Thank you for a great, great read!! "

KennG "The characters, in my opinion, were excellently written and developed. A very good book to read to occupy your time."

Marcus

**The Hidden Life of a Toad** Sep 20 2022 In jaw-dropping photos, Doug Wechsler captures the life cycle of the American toad from egg to tadpole to adult. To get these images, Wechsler sat in a pond wearing waders, went out night after night in search of toads, and cut his own glass to make a home aquarium. The resulting photos reveal metamorphosis in extreme close-up as readers have never seen it before. Budding naturalists will be transfixed by this unprecedented peek into the secrets of tadpole transformation. A book that encourages observation and conservation and may start some young biologists off on their own lifelong quests to understand animals — Kirkus Reviews, starred review A fascinating look at toad development — Booklist, starred review Suitable for libraries needing to bolster their early nonfiction collections — School Library Journal A remarkable visual chronicle of an easily overlooked creature — Bulletin of the Center for Children's Books Chicago Public Library's 2017 Best of the Best Books selection 2018 Green Earth Book Honor for Children's nonfiction

**Carry Out, Carry On** Jun 05 2021 "Carry Out, Carry On" is a must-read book that shares incredible journey of a chef and

restaurant owner through the chaotic pandemic of 2020. Throughout his book, Chef Jon Bonnell journals the struggles, sadness, perseverance, and unprecedented happenings through the eyes of an insider in the foodservice business. Throughout this unforgettable book, Bonnell leads readers step by step through the hardships of 2020. The pandemic has impacted everyone in some manner, so his experience is unique, but also deeply relatable. Regardless of your industry, this is an essential read filled with wild stories, unfathomable struggles, family challenges, and a steadfast desire to come through this unique time stronger on the other side.

*A Little Life* Dec 23 2022 NATIONAL BESTSELLER • A stunning “portrait of the enduring grace of friendship” (NPR) about the families we are born into, and those that we make for ourselves. A masterful depiction of love in the twenty-first century. NATIONAL BOOK AWARD FINALIST • MAN BOOKER PRIZE FINALIST • WINNER OF THE KIRKUS PRIZE A Little Life follows four college classmates—broke, adrift, and buoyed only by their friendship and ambition—as they move to New York in search of fame and fortune. While their relationships, which are tinged by addiction, success, and pride, deepen over the decades, the men are held together by their devotion to the brilliant, enigmatic Jude, a man scarred by an unspeakable childhood trauma. A hymn to brotherly bonds and a masterful depiction of love in the twenty-first century, Hanya Yanagihara’s stunning novel is about the families we are born into, and those that we make for ourselves. Look for Hanya Yanagihara’s bestselling new novel, *To Paradise*, available now.

**The Life of Our Lord** Dec 19 2019 Charles Dickens's other Christmas classic, with a new introduction by Dickens's great-great-grandson, Gerald Charles Dickens. Charles Dickens wrote *The Life of Our Lord* during the years 1846-1849, just about the time he was completing *David Copperfield*. In this charming,

simple retelling of the life of Jesus Christ, adapted from the Gospel of St. Luke, Dickens hoped to teach his young children about religion and faith. Since he wrote it exclusively for his children, Dickens refused to allow publication. For eighty-five years the manuscript was guarded as a precious family secret, and it was handed down from one relative to the next. When Dickens died in 1870, it was left to his sister-in-law, Georgina Hogarth. From there it fell to Dickens's son, Sir Henry Fielding Dickens, with the admonition that it should not be published while any child of Dickens lived. Just before the 1933 holidays, Sir Henry, then the only living child of Dickens, died, leaving his father's manuscript to his wife and children. He also bequeathed to them the right to make the decision to publish *The Life of Our Lord*. By majority vote, Sir Henry's widow and children decided to publish the book in London. In 1934, Simon & Schuster published the first American edition, which became one of the year's biggest bestsellers.

*The Life of the Drama* Oct 21 2022 (Applause Books). "Eric Bentley's radical new look at the grammar of theatre...is a work of exceptional virtue... The book justifies its title by being precisely about the ways in which life manifests itself in the theatre...This is a book to be read again and again." Frank Kermode, *The New York Review of Books*

***The Immortal Life of Henrietta Lacks*** Jan 12 2022 #1 NEW YORK TIMES BESTSELLER • “The story of modern medicine and bioethics—and, indeed, race relations—is refracted beautifully, and movingly.”—Entertainment Weekly NOW A MAJOR MOTION PICTURE FROM HBO® STARRING OPRAH WINFREY AND ROSE BYRNE • ONE OF THE “MOST INFLUENTIAL” (CNN), “DEFINING” (LITHUB), AND “BEST” (THE PHILADELPHIA INQUIRER) BOOKS OF THE DECADE • ONE OF ESSENCE’S 50 MOST

IMPACTFUL BLACK BOOKS OF THE PAST 50 YEARS •  
WINNER OF THE CHICAGO TRIBUNE HEARTLAND  
PRIZE FOR NONFICTION NAMED ONE OF THE BEST  
BOOKS OF THE YEAR BY The New York Times Book  
Review • Entertainment Weekly • O: The Oprah Magazine •  
NPR • Financial Times • New York • Independent (U.K.) •  
Times (U.K.) • Publishers Weekly • Library Journal • Kirkus  
Reviews • Booklist • Globe and Mail Her name was Henrietta  
Lacks, but scientists know her as HeLa. She was a poor  
Southern tobacco farmer who worked the same land as her slave  
ancestors, yet her cells—taken without her knowledge—became  
one of the most important tools in medicine: The first  
“immortal” human cells grown in culture, which are still alive  
today, though she has been dead for more than sixty years. HeLa  
cells were vital for developing the polio vaccine; uncovered  
secrets of cancer, viruses, and the atom bomb’s effects; helped  
lead to important advances like in vitro fertilization, cloning, and  
gene mapping; and have been bought and sold by the billions.  
Yet Henrietta Lacks remains virtually unknown, buried in an  
unmarked grave. Henrietta’s family did not learn of her  
“immortality” until more than twenty years after her death, when  
scientists investigating HeLa began using her husband and  
children in research without informed consent. And though the  
cells had launched a multimillion-dollar industry that sells  
human biological materials, her family never saw any of the  
profits. As Rebecca Skloot so brilliantly shows, the story of the  
Lacks family—past and present—is inextricably connected to  
the dark history of experimentation on African Americans, the  
birth of bioethics, and the legal battles over whether we control  
the stuff we are made of. Over the decade it took to uncover this  
story, Rebecca became enmeshed in the lives of the Lacks  
family—especially Henrietta’s daughter Deborah. Deborah was

consumed with questions: Had scientists cloned her mother? Had they killed her to harvest her cells? And if her mother was so important to medicine, why couldn't her children afford health insurance? Intimate in feeling, astonishing in scope, and impossible to put down, *The Immortal Life of Henrietta Lacks* captures the beauty and drama of scientific discovery, as well as its human consequences.

The Secret Life of Groceries Feb 19 2020 In the tradition of *Fast Food Nation* and *The Omnivore's Dilemma*, an extraordinary investigation into the human lives at the heart of the American grocery store What does it take to run the American supermarket? How do products get to shelves? Who sets the price? And who suffers the consequences of increased convenience and efficiency? In this alarming exposé, author Benjamin Lorr pulls back the curtain on this highly secretive industry. Combining deep sourcing, immersive reporting, and compulsively readable prose, Lorr leads a wild investigation in which we learn: • The secrets of Trader Joe's success from Trader Joe himself • Why truckers call their job "sharecropping on wheels" • What it takes for a product to earn certification labels like "organic" and "fair trade" • The struggles entrepreneurs face as they fight for shelf space, including essential tips, tricks, and traps for any new food business • The truth behind the alarming slave trade in the shrimp industry The result is a page-turning portrait of an industry in flux, filled with the passion, ingenuity, and exploitation required to make this everyday miracle continue to function. The product of five years of research and hundreds of interviews across every level of the industry, *The Secret Life of Groceries* delivers powerful social commentary on the inherently American quest for more and the social costs therein.

The Political Life of an Epidemic Sep 27 2020 Reveals how the

crisis of Zimbabwe's cholera outbreak of 2008-9 had profound implications for political institutions and citizenship.

**A DAY IN THE LIFE OF A PRESIDENT** Dec 31 2020 This is a story that spans from 1955 to sometime about 2045. It is a four-part story of a family originating from Cape Coast and Dowyaaniyili in the Northern Region, the story of a northern prince Dowbia Zangina that marries a German/Fante screen idol called Mercedes Huntman who loves him dearly and agree to move with him to the Dowyaaniyili, where he becomes chief after the death of his father. A military government throws him into Nsawam Medium Prison for allegedly collaborating with his journalist friend Ernest Dzigbordi to overthrow the military junta, and regains his freedom when a democratically elected government takes over. Their Granddaughter Raabia Sedzro goes into politics and becomes the first woman president of her country. She is a successful president and all her good works are cut short when she is assassinated in 2031. The story of President Lankwei Addison takes the reader into campaign travels to the hinterland of Ghana, including some factual events in the governments of Presidents Rawlings, Kufuor, and Atta Mills. Part Four of the story is drum narrations of historical occurrences not told in the first three parts. As recorded by a media guru Dowbia Yousif, the grandson of Mercedes Huntman.

**The Art of the Book of Life** May 24 2020 A tale packed with adventure, *The Book of Life* celebrates the power of friendship and family, and the courage to follow your dreams. To determine whether the heart of humankind is pure and good, two godlike beings engage in an otherworldly wager during Mexico's annual Day of the Dead celebration. They tether two friends, Manolo and Joaquin, into vying for the heart of the beautiful and fiercely independent Maria, with comical and sometimes dangerous consequences. This volume is an inspirational

behind-the-scenes look at the making of the animated feature film *The Book of Life*, from visionary producer Guillermo del Toro (*Pan's Labyrinth*) and director Jorge R. Gutierrez (*El Tigre: The Adventures of Manny Rivera*).
