When he agrees to aid her in putting Evan Faraday behind bars where he belongs, she must trust the sexy lawyer with her life and that of a precious baby's. Will Kate learn to trust Ben in time to save herself, and will they have a chance to explore the love blossoming between them before it's too late? An Avon Romance Who is the mysterious X? NEW YORK TIMES BESTSELLER • For fans of Release Me comes a series of three enigmatic and powerful men, and the striking women who can bring them to their knees. I knew better than to risk my heart. But fierce passion comes at a high price. I grew up believing in right and wrong, good and evil, black and white. I knew better than to trust. And then I met Tyler Sharp. Bold, charming, and dangerously sexy, Tyler always gets what he wants. But his smile can be deceiving, his dealings sordid, his ambitions ruthless. I thought I was the one woman strong enough to resist him, but our need for each other was too urgent to deny. One look and I was in trouble. One touch and I was hooked. One night and I became his. And now that I've fallen, there's no going back. Heated is intended for mature audiences. FIRST TIME IN PRINT: THE BONUS STORY "TAKE ME" Praise for Heated "A steamy story with a dark edge. Recommended for those seeking crime drama with spice."—Library Journal "Kenner may very well have cornered the market on sinfully attractive, dominant antiheroes and the women who swoon for them, and this second installment of her Most Wanted series goes a long way toward solidifying that claim. Her characters' scorching, scandalous affair explores the very nature of attraction and desire, redeeming and changing them beyond measure. . . . Fans will no doubt love the games of power, overwhelming passion and self-defining relationship that Kenner has crafted, and come away eager for more."—RT Book Reviews "The plot is complex, the characters engaging, and J. Kenner's passionate writing brings it all perfectly together."—Harlequin Junkie "In Julie Kenner's typical masterful storytelling, nothing is as it seems. We are taken deeply into the plot twists and the danger of this . . . journey. The chemistry first felt by both Tyler and Sloanne during their first encounter roars into an all-consuming fire neither one can put out. . . . Take the same journey I did

and you will not be disappointed!"—As You Wish Reviews New York Times bestselling author J. Kenner follows up her breathtaking Stark Trilogy with three sizzling standalone novels featuring unforgettable alpha males—and the seductive games they play. This is the series that led RT Book Reviews to proclaim, "Kenner may very well have cornered the market on sinfully attractive, dominant antiheroes and the women who swoon for them." Now all three installments are available in one addictive ebook bundle: WANTED He is everything I crave, all I desperately want—and he is everything I can't have. Evan Black embodies my every fantasy. He is brilliant, fierce, and devastatingly handsome. But he is also headstrong, dangerous, and burdened with secrets. My family warned me to stay away, that I could never handle Evan's dark dealings or scarred past. Maybe I should have listened. Maybe I should have run. But our desire is undeniable, and some temptations you just can't fight. And from the moment we touch—the passion between us consuming us both—I know that I will never be the same. HEATED I knew better than to risk my heart. But fierce passion comes at a high price. I grew up believing in right and wrong, good and evil, black and white. I knew better than to trust. And then I met Tyler Sharp. Bold, charming, and dangerously sexy, Tyler always gets what he wants. But his smile can be deceiving, his dealings sordid, his ambitions ruthless. And now that I've fallen, there's no going back. IGNITED He promised to take me as far as I could go—and I wanted to go to the edge. My whole life has been a cover, a con, a lie. I was born into the grift, raised on the thrill of playing someone I'm not. As a rule, I never let anyone get too close—until Cole August makes it impossible for me to stay away. Cole is tough, sexy, and intensely loyal, yet his secrets are dark and his scars run deep. Not many women can handle his past, or the truth behind his fierce demands. But something about him beckons me—and our desire is a game I must play. I know he's dangerous, that even his touch is trouble, but what is passion without a little risk? Praise for the Most

Wanted series “Wanted is another J. Kenner masterpiece. . . . This was an intriguing look at self-discovery and forbidden love all wrapped into a neat little action suspense package. There was plenty of sexual tension and eventually action. Evan was hot, hot, hot! Together, they were combustible. But can we expect anything less from J. Kenner?”—Reading Haven “A steamy story with a dark edge. Recommended for those seeking crime drama with spice.”—Library Journal, on Heated “[Kenner’s] characters’ scorching, scandalous affair explores the very nature of attraction and desire, redeeming and changing them beyond measure.”—RT Book Reviews, on Heated “Ignited delivers both scorching hot scenes along with the evolution and unpeeling of emotional barriers built by past dark secrets.
