Eventually, you will completely discover a extra experience and endowment by spending more cash. still when? attain you bow to that you require to get those every needs similar to having significantly cash? Why dont you try to acquire something basic in the beginning? Thats something that will lead you to understand even more roughly speaking the globe, experience, some places, taking into account history, amusement, and a lot more?

It is your extremely own period to behave reviewing habit. in the midst of guides you could enjoy now is **William Wallace Brave Heart Daizer** below.

If you ally dependence such a referred **William Wallace Brave Heart Daizer** ebook that will manage to pay for you worth, get the certainly best seller from us currently from several preferred authors. If you want to droll books, lots of novels, tale, jokes, and more fictions collections are in addition to launched, from best seller to one of the most current released.

You may not be perplexed to enjoy all books collections William Wallace Brave Heart Daizer that we will definitely offer. It is not on the subject of the costs. Its virtually what you dependence currently. This William Wallace Brave Heart Daizer, as one of the most functional sellers here will utterly be in the course of the best options to review.

When somebody should go to the book stores, search creation by shop, shelf by shelf, it is essentially problematic. This is why we give the ebook compilations in this website. It will entirely ease you to look guide **William Wallace Brave Heart Daizer** as you such as.

By searching the title, publisher, or authors of guide you really want, you can discover them rapidly. In the house, workplace, or perhaps in your method can be every best area within net connections. If you target to download and install the William Wallace Brave Heart Daizer, it is unconditionally simple then, back currently we extend the join to buy and create bargains to download and install William Wallace Brave Heart Daizer in view of that simple!

This is likewise one of the factors by obtaining the soft documents of this **William Wallace Brave Heart Daizer** by online. You might not require more times to spend to go to the books opening as competently as search for them. In some cases, you likewise reach not discover the proclamation William Wallace Brave Heart Daizer that you are looking for. It will enormously squander the time.

However below, subsequently you visit this web page, it will be thus definitely easy to acquire as competently as download lead William Wallace Brave Heart Daizer

It will not believe many period as we notify before. You can realize it even if put on an act something else at house and even in your workplace. correspondingly easy! So, are you question? Just exercise just what we provide under as competently as review **William Wallace Brave Heart Daizer** what you in imitation of to read!

William Wallace set an example of constancy and perseverance and became the Guardian of Scotland. Even his terrible death in London in 1305 can be seen as a victory as it provided inspiration for continuance of struggle against English domination. This book investigates various aspects of Wallace's life and character. The work of leading authorities on Scottish history is brought together in this accurate and sophisticated portrait of Scotland from Roman times to the present day. Follows the life and times of a 13th century Scottish patriot trying to free his country of English rule. Movie-tie stars Mel Gibson. The film Braveheart was a great inspiration to people all over the world. This is the true story of Braveheart, William Wallace, Scotland's great liberator. Ross chronicles his effect on the landscape of Scotland as we know it today. This book will hold the attention of the casual reader and entice the more knowledgeable historian. NEW YORK TIMES BESTSELLER The “paradigm-influencing” book (Christianity Today) that is fundamentally transforming our understanding of white evangelicalism in America. Jesus and John Wayne is a sweeping, revisionist history of the last seventy-five years of white evangelicalism, revealing how evangelicals have worked to replace the Jesus of the Gospels with an idol of rugged masculinity and Christian nationalism—or in the words of one modern chaplain, with “a spiritual badass.” As acclaimed scholar Kristin Du Mez explains, the key to understanding this transformation is to recognize the centrality of popular culture in contemporary American evangelicalism. Many of today’s evangelicals might not be theologically astute, but they know their VeggieTales, they’ve read John Eldredge’s Wild at Heart, and they learned about purity before they learned about sex—and they have a silver ring to prove it. Evangelical books, films, music, clothing, and merchandise shape the beliefs of millions. And evangelical culture is teeming with muscular heroes—mythical warriors and rugged soldiers, men like Oliver North, Ronald Reagan, Mel Gibson, and the Duck Dynasty clan, who assert white masculine power in defense of “Christian America.” Chief among these evangelical legends is John Wayne, an icon of a lost time when men were uncowed by political correctness, unafraid to tell it like it was, and did what needed to be done. Challenging the commonly held assumption that the “moral majority” backed Donald Trump in 2016 and 2020 for purely pragmatic reasons, Du Mez reveals that Trump in fact represented the fulfillment, rather than the betrayal, of white evangelicals’ most deeply held values: patriarchy, authoritarian rule, aggressive foreign policy, fear of Islam, ambivalence toward #MeToo, and opposition to Black Lives Matter and the LGBTQ community. A much-needed reexamination of perhaps the most influential subculture in this country, Jesus and John Wayne shows that, far from adhering to biblical principles, modern white evangelicals have remade their faith, with enduring consequences for all Americans. Ronald McNair Scott recounts the story of one of the most remarkable and admirable medieval kings, from when Robert the Bruce had himself crowned King of Scots at Scone to his death, when his faithful follower, the legendary 'Black' Douglas, bore his heart in a silver casket to the Holy Land --from dust jacket. In the pre-dawn hours of August 24th, 1305, in London’s Smithfield Prison, the outlaw William Wallace—hero of all the Scots and deadly enemy of King Edward of England—sits awaiting the dawn, when he is to be hanged and then drawn and quartered. This brutal sundering of his body is the revenge of the English. Wallace is visited by a Scottish priest who has come to hear his last confession, a priest who knows Wallace like a brother. Wallace's confession—the tale that follows—is all the more remarkable because it comes from real life. We follow Wallace through his many lives—as outlaw and fugitive, hero and patriot, rebel and kingmaker. His exploits and escapades, desperate struggles and victorious campaigns are all here, as are the high ideals and fierce patriotism that drove him

to abandon the people he loved to save his country. William Wallace is the first heroic figure from the Scottish Wars of Independence, a man whose fame has reached far beyond his homeland. Wallace served as a subject for the Academy Award-winning film *Braveheart*. In *The Forest Laird*, Jack Whyte's masterful storytelling breathes life into Wallace's tale, giving readers an amazing character study of the man who helped shape Scotland's future. Providing a factual biography of the Scottish hero William Wallace, this book contains a strong narrative, and discusses the motives of the legendary character in a manner which uncovers many previously hidden points. his captivating melody arranged by Star Edwards is now available for your enjoyment! The dynamic song of *Brave Heart* weaves through the movie score capturing the historical tension of freedom fighter William Wallace and his victorious quest to rally up support from his fellow clans and Robert the Bruce to defeat the English. All scores include the opening Introduction, Secret Wedding and the main *Brave Heart* theme song. For harp: the lowest note played is F below low C on all versions; suitable for harps with 33 strings +. Intermediate level *Brave Heart Ensemble Series* is available in 5 versions: Harp Harp and Flute Harp and Cello Harp, Cello and Flute Harp, Cello, Flute and Violin *Braveheart* is the true story of William Wallace, who led the Scottish people to fight for the country they loved. This is the book we longed for as we researched the Wallace family tree! It spans 30 generations 1076 2003. The surname, Wallace, originated with "Richard of Wales", born in Wales approximately 1076. He moved to Scotland, where he prospered and founded a town known to this day as Riccarton in Ayrshire. He is the great, great grandfather of Sir William Wallace Brave-heart - Defender of Scotland. English political pressure and religious turmoil caused many Scots to flee Scotland, settling in Ulster, Ireland. Later, religious turmoil in Ulster caused massive migration to America in the mid 1600's. Matthew Wallace, born 1630, in Raphoe, County Donegal, Ireland, arrived in Maryland in 1648. Settling in Somerset County, he became a planter and with fellow immigrants from Ireland, John McKnight and William Alexander, became known as "the Three Kings of Manokin." As the family grew, it began "moving on", some to New England, some to Virginia, others to North Carolina. Today, Wallaces referenced in this book reside in 47 of the 50 United States. Commodore Perry, President Polk, George Wythe, Lew Wallace, Physicians, Clergy, Educators, Military and Civil service are part of this Wallace Saga. This book examines literary examples concerning William Wallace against the background of various historical sources and evaluates the construction, the changes, and the relevance of this Scottish national myth. For over 700 years, William Wallace has been fascinating people. What he achieved for his country is almost unbelievable. Already during his lifetime, Wallace's reputation must have been legendary. Over the centuries, a powerful myth has been created around his person, which was fostered by diverse writers, and even by Hollywood. There have been several periods throughout Scottish history when the interest in William Wallace intensified enormously, resulting in an increase of literary publications on the freedom fighter. These climaxes appeared whenever the Scots were dissatisfied with the English rule and brought the old animosity between England and Scotland to new life. These tensions caused many writers to revive memories of Wallace and his ideals by projecting the medieval story into their own time. Thus, more and more bits and pieces were added to the myth whose message seems to have had tremendous effects on the Scots. Wallace's unfulfilled quest of freeing Scotland even became an issue in several programs of political parties. With the release of the film "*Braveheart*" in the mid-1990s, the Wallace cult was reborn once more. Was it the prevailing political situation that stimulated such an overwhelming enthusiasm for William Wallace again? Did the Wallace myth influence the Devolution Movement? Is Wallace's spirit still alive today? Do the Scots still cherish what he fought for, and will they finally achieve his goal of a fully independent Scottish Nation? With regard to the current political situation, the author finds interesting answers to these questions and discusses the chances for a possible Scottish independence. "Every man dies. Not every man really lives." —William Wallace, *Braveheart* More than twenty years ago *Braveheart* captured the hearts of moviegoers around the world. The film was nominated for ten Academy Awards, winning five. Now, for the first time, author and screenwriter Randall Wallace shares the journey that led him to the famous Scottish warrior and how telling the story of William Wallace changed the direction of his life and career—from that surprising first moment in Edinburgh, Scotland, to selling the script to a major Hollywood studio. Part autobiography, part master class, *Living the Braveheart Life* invites us to explore five major archetypes in *Braveheart* that resonate not only in Randall's life but in the modern-day lives of

both men and women: the Father, Teacher, Warrior, Sage, and Outlaw. Join blockbuster film director Randall Wallace on the journey of his creative and personal life. Discover why thousands of moviegoers continue to say *Braveheart* is their all-time favorite film and how its creator and architect came to believe that he must write as if his life depended on it. *Living the Braveheart Life* is a challenge to all of us to engage in the greatest battle of all—the one inside the human heart. "I don't think I've ever read anything like it . . . a prescription for what ails the contemporary soul." —Steven Pressfield, screenwriter & author of *The War of Art* Front Flap During his prolific Hollywood career, Randall Wallace has amassed an enviable body of work. Films such as *The Man in the Iron Mask*, *We Were Soldiers*, and *Secretariat* have become box office standards. Yet no film defines his life and career more than *Braveheart*, written from a well of deep personal passion, steeped in years of reflection. With roots in small-town Tennessee, Randall's hunger for adventure and unlimited horizons leads him to Duke University. There he sits under the tutelage of Thomas A. Langford, whose infectious love and learning and faith light up a classroom and a young man's vision of life's possibilities. A decade later, while on a trip to Scotland, Randall is introduced to an unfamiliar statue with an inscription that bears his last name. After hearing the first fragments of the Scottish hero's tale, Randall recognizes the seeds of a truly great story. His William Wallace and his band of warriors forever changed the way we view love, war, and freedom. *Living the Braveheart Life* is a personal narrative of how an epic feature film came to life and breathed life into its author. It is the kind of book that will change the way we approach our internal battles, creative or personal. Welcome to a master class in storytelling from the consummate storyteller. Amid the color, pageantry, and violence of 13th-century Scotland unfurls the resplendent tale of the legendary William Wallace, farmer by birth, rebel by fate, who banded together his valiant army of Scots to crush the cruel tyranny of the English Plantagenet king. Did you know that... Fifty percent of successful business owners plan to exit their companies before 2020? Yet millions of business owners have no plans for succession. For owners that have a plan, those strategies can easily fail due to inadequate transition tactics, poor implementation, and mismanaged processes. Randy M. Long, JD, CFP®, CExp(tm), created *The BraveHeart Planning Process*(tm) to ensure a successful business transition for you, the owner, and your family. The transition out of your business is likely the largest financial transaction of your life ---- generally 70-90 percent of your net worth. The sooner you start preparing, the better your chances to exit well. *The BraveHeart Planning Process*(tm) will help you create and execute your own roadmap for a successful business exit. When complete, your plan should provide for a transition when you want, to whom you want, for the amount you need for financial independence. And, it strengthens your family along the way. Randy has advised hundreds of business owners over a thirty-year career, involving the sale or transition of their businesses. He has also prepared and administered many estate plans for families who left their businesses to their children. He knows what works and what doesn't. He understands business decisions that build families--and those that destroy them. This is planning at the nexus of business and family. Owning a business is not for the faint of heart. As you grow and ultimately transition your business, you should do so with a commitment to both live and leave a legacy that endures for generations. It's time for you to get started! Sir William Wallace of Ellerslie is one of history's greatest heroes, but also one of its greatest enigmas - a shadowy figure whose edges have been blurred by myth and legend. Even the date and place of his birth have been mis-stated - until now. James Mackay uses all his skills as a historical detective to produce this definitive biography, telling the incredible story of a man who, without wealth or noble birth, rose to become Guardian of Scotland. William Wallace, with superb generalship and tactical genius, led a country with no previous warlike tradition to triumph gloriously over the much larger, better-armed and better-trained English forces. Seven hundred years later, the heroism and betrayal, the valiant deeds and the dark atrocities, and the struggle of a small nation against a brutal and powerful empire, still create a compelling tale. From the New York Times bestselling author of *Pearl Harbor* and Oscar-nominated writer of *Braveheart* comes an epic historical page-turner: the gripping, unforgettable story of a patriot's secret mission in Russia to save America from certain defeat on the eve of the Revolutionary War. A brilliant soldier and passionate patriot, Virginia cavalryman Kieran Selkirk is summoned to a clandestine meeting in the winter of 1774. There he finds none other than Benjamin Franklin, who reveals that the British have asked Catherine the Great, the ruthless and mysterious ruler of Russia, to provide twenty thousand of her soldiers to help stamp out the revolution brewing in America.

Such a force, fresh from brutal warfare with the Turks, would crush all hope of American independence. Selkirk's assignment is straightforward -- and astounding. He is to travel to Russia disguised as a British mercenary, offer his services to the Tsarina in putting down a Cossack rebellion that threatens her throne, and convince her not to join the British in their war with America. To succeed, he must cross savage terrain, battle starving wolves, avoid secret assassins, fight marauding Cossacks, and contend with a court of seductive young women. In a narrative full of passion and peril, of battles on horseback and wars within the human soul, Selkirk's mission meets with thrilling surprises, including a romantic face-off with the legendary Catherine herself. Told with the hand of a master storyteller, *Love and Honor* is perhaps Wallace's most ambitious project yet, taking readers back to the eighteenth century in a patriotic novel brimming with romance and heroism on the grandest scale. Exotically transporting yet deeply American, *Love and Honor* captures the fight for good over evil, integrity and compassion over cruelty, and true love over all. Since cinema's earliest days, literary adaptation has provided the movies with stories; and so we use literary terms like metaphor, metonymy and synecdoche to describe visual things. But there is another way of looking at film, and that is through its relationship with the visual arts -- mainly painting, the oldest of the art forms. *Art History for Filmmakers* is an inspiring guide to how images from art can be used by filmmakers to establish period detail, and to teach composition, color theory and lighting. The book looks at the key moments in the development of the Western painting, and how these became part of the Western visual culture from which cinema emerges, before exploring how paintings can be representative of different genres, such as horror, sex, violence, realism and fantasy, and how the images in these paintings connect with cinema. Insightful case studies explore the links between art and cinema through the work of seven high-profile filmmakers, including Peter Greenaway, Peter Webber, Jack Cardiff, Martin Scorsese, Guillermo del Toro, Quentin Tarantino and Stan Douglas. A range of practical exercises are included in the text, which can be carried out singly or in small teams. Featuring stunning full-color images, *Art History for Filmmakers* provides budding filmmakers with a practical guide to how images from art can help to develop their understanding of the visual language of film.

*Un seul homme pouvait défier son Roi. Un seul homme pouvait captiver une Reine. Un seul homme pouvait enflammer un pays. A la fin du XIIIe siècle, aux heures les plus sombres de l'histoire de l'Ecosse, alors que le roi Edward 1er d'Angleterre s'est emparé du pays, réduisant le peuple écossais à la misère, surgit l'homme qui donnera le signal de la révolte. William Wallace n'a plus rien à perdre : sa famille a été exterminée, sa femme assassinée. Armé d'un courage exceptionnel et d'une détermination farouche, Wallace va réussir à lever une armée de paysans et à se dresser contre l'occupant anglais. Premières batailles, premières victoires. Les Ecossais reprennent espoir, et Wallace trouve en Isabelle, belle-fille du roi d'Angleterre, une alliée inattendue. Au cœur d'un pays déchiré, ils vivront une passion fulgurante. Mais les Anglais supporteront-ils longtemps leur échec ? Les nobles écossais eux-mêmes accepteront-ils la prise de pouvoir de cet homme obscur devenu le héros de toute une nation ? Wallace, adulé et haï, encourt les pires dangers. Sans faillir, il vivra jusqu'au bout son destin. Un destin sauvage et tragique, comme la terre d'Ecosse...* " *Braveheart* " : un film-épopée réalisé par Mel Gibson avec Mel Gibson (Wallace) et Sophie Marceau (Isabelle). At the end of the 13th century, Scotland was a blood-torn country suffering under the harsh domination of a tyrant usurper, the hated Plantagenet, Edward Longshanks. During the appalling violence of those unsettled days, one man rose to become leader of the Scots. That man was William Wallace. Motivated at first by revenge for the slaughter of his father, Wallace vowed to cleanse his country of the English and set the rightful king, Robert the Bruce, upon the Scottish throne. Though Wallace was a heroic figure, he was but a man - and his chosen path was to lead him through grievous danger and personal tragedy before the final outcome . . . Praise for Nigel Tranter: 'One of Scotland's most prolific and respected writers' *Times* 'Through his imaginative dialogue, he provides a voice for Scotland's heroes' *Scotland on Sunday* The Wallace catalogs the sheer brutality of war. We are regaled with such detailed accounts of the sacking of towns and the burning down of buildings full of screaming inhabitants that the smells and sounds, as well as the terrible sights, of war are graphically conveyed in language which seems designed not only to express Wallace's rage and Hary's antipathy but also to incite hatred of the English in his readers. Robert the Bruce (1274-1329) was the famous unifier of Scotland and defeater of the English at Bannockburn - the legendary hero responsible for Scottish independence. Michael Penman retells the story of Robert's rise - his part in William Wallace's revolt

against Edward I, his seizing of the Scottish throne after murdering his great rival John Comyn, his excommunication, and devastating battles against an enemy Scottish coalition - climaxing in his victory over Edward II's forces in June 1314. He then draws attention to the second part of the king's life after the victory that made his name. In one of the most dramatic clashes in Scottish history, this book details both the preliminary events at Stirling Bridge and the defiant battle between King Edward I and William Wallace at Falkirk, igniting a flame of Scottish rebellion that would ultimately lead Robert the Bruce to the Scottish throne. William Wallace of Elderslie, younger son of a country knight, came to fame through his active opposition to the aggressive imperialism of England's King Edward I. This work cuts through the myths still perpetuated today to produce a biography of Wallace driven by contemporary medieval records rather than Victorian legends. At the turn of the fourteenth century in Scotland, young Archie Forbes becomes involved with both William Wallace and Robert the Bruce in the struggle for Scottish independence from English rule. \*Includes pictures \*Includes accounts of the major battles of the Scottish Wars of Independence \*Includes online resources and a bibliography for further reading \*Includes a table of contents "A false usurper sinks in every foe And liberty returns with every blow." - Blind Harry From their very beginnings, England and Scotland fought each other. Emerging as unified nations from the early medieval period, their shared border and inter-related aristocracy created endless causes of conflict, from local raiders known as border reivers to full blown wars between their monarchies. Every century from the 11th to the 16th was colored by such violence, and there were periods when not a decade went by without some act of violence marring the peace. Out of all of this, the most bitterly remembered conflict is Edward I's invasion during the late 13th century. After Edward's death, the English were eventually beaten back at the famous Battle of Bannockburn in 1314, and thus the early 14th century was a period featuring some of Scotland's greatest national heroes, including William Wallace and Robert the Bruce. It still resonates in the Scottish national memory, all the more so following its memorable but wildly inaccurate depiction in the 1995 film *Braveheart*, which had Scottish audiences cheering in cinemas. William Wallace is one of the most famous freedom fighters in history, and over 700 years after his death he is still remembered as Scotland's beloved hero. But while the movie *Braveheart* helped make him a household name, and he is commemorated across Scotland as a natural leader and a loyal son of his homeland, he is also "the most mysterious of the leaders of the Scottish resistance to Edward I." This is because, paradoxically, the very famous soldier is also one of the least well known. In fact, the mystery surrounding Wallace is figuring out precisely, or even vaguely, who he was. Where did this champion of Scottish independence come from? Who was his family? What did he do before emerging from obscurity with the brutal murder of William Heselrig, the English sheriff of Lanark, in May 1297? So little evidence on Wallace's life exists that answering even the most basic questions about him can be a challenge. Piecing together the story of William Wallace's life is an exercise in asking more questions than can be answered, and often in looking at just as much conjecture as proof. This book attempts to separate fact from fiction while looking at the life and fighting of the man who inspired *Braveheart*. Though it's often forgotten today, Robert the Bruce was a bit shiftier, if only out of necessity. Robert the Bruce has become a figure of Scottish national legend, renowned as the man who threw off the shackles of English oppression, but prior to 1306, this Anglo-Scottish nobleman did little to cover himself in glory or to earn a reputation as a hero of the national cause. A member of one of Scotland's leading noble families, Bruce inherited his grandfather's claim to the right to be King of the Scots. That older Bruce had been one of the two leading competitors in the Great Cause, and the family still held ambitions toward the throne. They also held resentments dating back to that disputed inheritance against the Balliol clan and their supporters the Comyns. Of course, this was all forgiven and forgotten after Bannockburn and Bruce's rise to the Scottish throne, which he held for over two decades. This book analyzes the lives of William Wallace and Robert the Bruce. Along with pictures of important people, places, and events, you will learn about the two Scottish heroes like never before. Wallace earned a place in history for his successful efforts in leading the Scottish resistance forces who had been rallying against English rule since Scotland was conquered in 1296. "The original story of the real braveheart, Sir William Wallace. Racy, blood on every page, violently anglophobic, grossly embellished, vulgar and disgusting, clumsy and stilted, a literary failure, a great epic." "Whatever the verdict on *Blind Harry*, this is the book which has done more than any other to frame the notion of Scotland's national identity. Despite its numerous 'historical inaccuracies', it

remains the principal source for what we now know about the life of Wallace. The novel and film Braveheart were based on the 1722 Hamilton edition of this epic poem. Burns, Wordsworth, Byron and others were greatly influenced by this version 'wherein the old obsolete words are rendered more intelligible', which is said to be the book, next to the Bible, most commonly found in Scottish households in the eighteenth century. Burns even admits to having 'borrowed... a couplet worthy of Homer' directly from Hamilton's version of Blind Harry to include in 'Scots wha hae'. "Elspeth King, in her introduction to this, the first accessible edition of Blind Harry in verse form since 1859, draws parallels between the situation in Scotland at the time of Wallace and that in Bosnia and Chechnya in the 1990s. Seven hundred years to the day after the Battle of Stirling Bridge, the 'Settled Will of the Scottish People' was expressed in the devolution referendum of 11 September 1997. She describes this as a landmark opportunity for mature reflection on how the nation has been shaped, and sees Blind Harry's Wallace as an essential and compelling text for this purpose. Book jacket."--BOOK JACKET. Contemporary/ British English 'Sons of Scotland! You have come here to fight as free men. If you fight, perhaps you'll die. If you run, you may live for a time. But at what cost?' Braveheart is the story of William Wallace, who gave hope to Scottish people in their fight to be free. A new series of colorful, imaginative, magical adventures with Wallace The Brave, recently awarded the Reuben Award for Best Newspaper Comic Strip by the National Cartoonist Society. The world of Wallace The Brave is one of imagination, discovery, and wonder, as Wallace and his friends

explore the coastal surroundings of Snug Harbor, Rhode Island, uncovering new mysteries, adventure, and mischief wherever they turn. Brought to life by the wonderfully detailed ink-and-watercolor art of Will Henry, Wallace The Brave (named the 2018 Newspaper Comic Strip of the Year) will delight young readers as well as their parents, who will recognize a camaraderie and heart similar to classic strips like Calvin & Hobbes. 2012 Christy Award finalist, Contemporary series category. Andrew Jones was once one of the few surgeons in the world to have that rare, God-given ability called The Touch. But after failing to save his young fiancée, Faith, at the scene of a car accident, Jones abandons his gift and shuns the operating room. Lara Blair owns a Chicago-based biomedical engineering company developing a surgical tool that will duplicate precisely the movement of a surgeon's hands, reducing or eliminating failed surgical procedures. Lara has pursued the best surgeons in the world to test this surgical tool, and all of them have failed. As Lara pursues Jones's skill for her project, Jones's stubborn resistance cracks, and he begins to open up to her about the wounds that still haunt him. But when Jones discovers the urgency behind Lara's work, he must choose to move beyond his past. As each is forced to surrender secret fears, they are bonded together through the lives of the people Jones serves and by the healing secret that Faith left behind. Welcome to Snug Harbor! Will Henry's Wallace the Brave is a whimsical comic strip that centers around a bold and curious little boy named Wallace, his best friend Spud and the new girl in town, Amelia. Wallace lives in the quaint and funky town of Snug Harbor with his fisherman father, plant loving mother and feral little brother, Sterling.
