The Christmas Spirit Sep 11 2021 Thirty-something New York City native Charlene Dickenson has never been good at letting things go, which is why she finds herself mildly stalking her ex-boyfriend after she spots him on her way to work. When this leads to her untimely death in a Christmas-related accident, she discovers a whole new world in the Hall of Christmas Spirits. Now she's stuck in a place where the Christmas music never ends, mistletoe hangs in every doorway, and the holiday treats will never make you full. As if learning the new rules of her afterlife isn't hard enough, Charlene must do whatever it takes to become a Ghost of Christmas Past, Present, or Future-helping mortals transform their lives like Ebenezer Scrooge-or end up like Jacob Marley and spend the rest of her existence in chains. But letting go of her pre-ghost life is harder than Charlene thought, and she can't help but break all the rules in her attempts to hold on to who she was. Her Christmas Angel May 20 2022 □□□ A Heartwarming Story of Love, Sacrifice, and Hope. Clunk. A small Christmas ornament landed next to her, and she knew what that meant. He was here. Her heart began to beat faster as she looked over to the right. Then she saw the little boy. He was sitting next to her, smiling and pointing at the book she held. "You want me to read more of this story?" After closing the Christmas store for the night, Julia encounters a sad little boy who vanishes right

before her eyes. Soon, he visits her on a regular basis and she is looking forward to their nightly play-dates at the store. As their bond strengthens, he becomes like the son she had always dreamed of—except, he already has a family. Somewhere. Julia knows that if she helps him find his family, she'd lose him forever and be alone again. Maybe she can hold on to him just a little longer... There's nothing Tony, a firefighter by trade and part-time chef in his family's Italian restaurant, wants more than to take the sweet and easily flustered manager of the Christmas store out on a date. But she keeps turning him down, no matter how hard he tries. She claims that she has to work long hours after the shop closes. But her eyes always betray her every time he asks her out. He has a nagging feeling that she is hiding something that prevents her from going on a date with him. But what if Tony holds the key to locate the little boy's family? Can Julia find the courage within her to let go of her fears and maybe even open her heart to let

true love in? It only takes a Christmas miracle... If you enjoy heartwarming sweet holiday romances with a light and charming touch of the supernatural and a mystery to solve, then you will love *Her Christmas Angel*. Note: All books can be read independently. However, since many of the characters will appear in the other books, you might enjoy them even more if you read them in order. Grab your copy now to find out if the little boy reunites with his family and if Julia & Tony will no longer have to celebrate their Christmases alone.

The Man Who Invented Christmas (Movie Tie-In) Oct 25 2022 As uplifting as the tale of Scrooge itself, this is the story of how Charles Dickens revived the signal holiday of the Western world—now a major motion picture. Just before Christmas in 1843, a debt-ridden and dispirited Charles Dickens wrote a small book he hoped would keep his creditors at bay. His publisher turned it down, so Dickens used what little money he had to put out A Christmas Carol himself. He worried it might be the end of his career as a novelist. The book immediately caused a sensation. And it breathed new life into a holiday that had fallen into disfavor, undermined by lingering Puritanism and the cold modernity of the Industrial Revolution. It was a harsh and dreary age, in desperate need of spiritual renewal, ready to embrace a book that

ended with blessings for one and all. With warmth, wit, and an infusion of Christmas cheer, Les Standiford whisks us back to Victorian England, its most beloved storyteller, and the birth of the Christmas we know best. The Man Who Invented Christmas is a rich and satisfying read for Scrooges and sentimentalist alike.
