Pruitt (1891–1967) was for some forty years the de facto documentarian of Lowndes County, Mississippi, and its county seat, Columbus--known to locals as "Possum Town." His body of work recalls many FSA photographers, but Pruitt was not an outsider with an agenda; he was a community member with intimate knowledge of the town and its residents. He photographed his fellow white citizens and Black ones as well, in circumstances ranging from the mundane to the horrific: family picnics, parades, river baptisms, carnivals, fires, funerals, two of Mississippi's last public and legal executions by hanging, and a lynching. From formal portraits to candid images of events in the moment, Pruitt's documentary of a specific yet representative southern town offers viewers today an invitation to meditate on the interrelations of photography, community, race, and historical memory. Columbus native Berkley Hudson was photographed by Pruitt, and for more than three decades he has considered and curated Pruitt's expansive archive, both as a scholar of media and visual journalism and as a community member. This stunning book presents Pruitt's photography as never before, combining more than 190 images with a biographical introduction and Hudson's short essays and reflective captions on subjects such as religion, ethnic identity, the ordinary graces of everyday life, and the exercise of brutal power. Rabbit likes to leap before she looks. Possum is a little more cautious. Together, they are a dynamic duo ready to charm fans of Frog and Toad or Toot & Puddle! Rabbit has been preparing all day for her best friend Possum's visit, but when the time comes she finds Possum fast asleep. No matter what Rabbit does, she just can't wake him up. But then a rustle in the bushes frightens Possum and sends him up a tree—where he gets very, very stuck. Rabbit has any number of ideas to get him down.

Unfortunately, they all make Possum a little...uneasy. But best friends never give up. With a little creativity—and a big surprise—Rabbit just might be able to save the day. These unlikely friends and their upbeat humor are just right for fans of Eric Rohmann's *My Friend Rabbit* and Kelly Bingham's *Z Is for Moose*. A beautiful new paperback edition of this classic story. *A Possum's Tail* follows Samuel Drew and his dog as they make their way to visit the possums at London Zoo. Orangutans don't swim; it doesn't come naturally to them. But Surya shows that adventures await those who are willing to try something new. Set on a preserve for endangered animals, The Institute of Greatly Endangered and Rare Species (T.I.G.E.R.S.), here is another true tale of an original orangutan—the first ever known to swim!
