The Primordial Violence Spank Me Twice Lots of Love and a Spanking! The Life and Times of Stanley Spank The Story about Ping Spanking Is a Global Phenomenon African American Children

A CHOICE Outstanding Academic Title 2014! Why do parents hit those they love? What effect does it have on children? What can be done to end this pattern? These are some of the questions explored in *The Primordial Violence*. Featuring longitudinal data from over 7,000 U.S. families as well as results from a 32 nation study, the book presents the latest research on the extent to which spanking is used in different cultures and the subsequent effects of its use on children and on society. Evidence that shows the relationship between spanking and the subsequent slowing of cognitive development and increase in antisocial and criminal behavior is shown. Both cross-sectional and longitudinal studies are explored in an accessible fashion. An abundance of high quality research has produced findings that are highly consistent from study to study which show that spanking is a risk factor for aggressive behavior and other social and psychological problems. Because of these findings, the authors argue for policy changes and recommend a drastic reduction in the use of spanking. Policy and practical implications are explored in most chapters. The Primordial Violence highlights: The benefits of avoiding spanking such as the development of better interpersonal skills and higher academic achievement; The link between spanking and behavioral problems and crime; The extent to which spanking is declining and why despite the unusually high level of agreement between numerous studies which found harmful effects from spanking, most parents continue to spank. Part 1 documents the worldwide use of spanking and why parents spank. The possible adverse effects of spanking on children's behavior and academic achievement, and the potential for violence and criminal behavior in later life, are explored in Parts 2, 3, and 4. Part 5 examines trends in spanking, and suggests what can be done to lower the percent of parents who spank. Contradictory opinions about whether to spank are explored. The book concludes with a call for change in this aspect of parenting which will have profound benefits, for the children and families involved, and society as a whole. Intended for a general audience of readers who are interested in child development and parenting and for advanced undergraduate and/or graduate courses in child abuse, family violence, juvenile delinquency, criminal behavior, social development, sociology of the family, or parenting and family relations taught in psychology, human development, family studies, criminology, education, social work, sociology, and social policy. This book offers parents and teachers constructive methods of discipline, useful for everyday situations. It documents the long-term negative effects of spanking?how it brutalizes kids and creates violent adults. Irwin Hyman, an expert in the field of home and school discipline, explains in a passionate and compelling style why spanking or hitting children is abusive, destructive, and counterproductive. He then gives common sense advice on alternative forms of discipline, which help to raise happy and emotionally stable children. This book is for parents who want a close relationship with their children, and want their children to learn self-control, but don't know how to get there. This book focuses on love and communication, and details the careful use of controlled spanking as a deterrent to misbehavior. Revised edition with lots of personal comments from happy customers. In this audiobook, you will discover a simple and straightforward approach to discipline your child efficiently and feeling you are doing the right thing for them and your family. To get an idea, you will find these chapters in the audiobook: Various methods of child disciplineWhat is spankingWhy you shouldn't spank your toddler or babyIf you slip and spank or slap your childWhen does spanking become dangerousChild discipline can prove to be relatively difficult, and often a parent loses control over their own emotions. However, bringing into a record, each of the points covered in this audiobook and applying them to your own life as strategies of overcoming your tendency to discipline your child the old way. Here, you will find out that not only you are more successful at reducing the circumstances of bad ways of discipline your child, but you will have much promising understanding as to why you are devastated with sudden urges to spank your child when they do not listen to you Boys will be boys...bad, bad boys who like to get spanked. A 12-story contemporary spank-a-palooza... The complete collection of Ms. Redde's first twelve contemporary domestic discipline and public correction tales. Includes every word of these previously published stories: *Spank the Hitchhiker *Spank the Undergrad *Spank the Coed *Spank the Trainee *The Paddle *The Flogger *The Riding Crop *Spanked by the Bad Prof *Spanked by the Bad Neighbor * Spanked by the Bad MILF * Spanked by the Bad John * Spanked by the Bad Cop A red-hot collection with a strong focus on over-the-knee and over-the-lap public correction of college-age girls. If you're offended by frank depictions of such activities between consenting adults, run for your life. Ms. Redde is not writing for the bashful. Keywords and related themes include: story collections, spanking, over-the-knee, domestic discipline. Now with 5 brand new games! That makes 15 games total! Are you looking for a way to structure your play? Seeking some light kink and spanking in your relationship? Wish there was a resource to help you get started and follow-through? These 10 spanking games should be just what you need. This book was born out of removing the work and stress of setting up a light scene. The work involved in setting up a full session was often a non-starter. We all have busy lives and at times you need someone (or something) that will tell you exactly what to do. My partner and I needed a resource that would allow us to explore some of our erotic discipline interests as well as other kink areas. With that in mind, we began searching for tools that would help us facilitate our play. Having played a lot of board games in my life, we were looking for something that would cover the setup, game play, and win condition/goal. Sadly, in reading books, blogs, and other resources, nothing quite fit the bill. There were many books describing the 'what', but not a lot on the how. Even those resources that described the 'how', were never specific enough to provide an easy to follow guide. What I did find that we latched onto were a couple of spanking games. These typically didn't have thorough outlines and lacked the beginning, middle, and end we sought for our play, but they did give us a launching off point. When you can't find what you are looking for, it might just be time to create it yourself. So, that's what we did. We formalized various games with clear rules on the setup, how to play through the game, and, where desired, a reward. This provided a means to have a spanking session without the creative burden. In these games, we included aspects of randomness and competition. No two play-through's are exactly the same, so the spice of spontaneity is still present. You'll also find that we've worked to keep these customizable, so whether your play leans towards the erotic or corporal, it is easy to adapt for your specific style. As we thought of how these games benefited us, we wondered if others might also be looking for something similar. Our hope is that this book provides for you what we gained through our own labor on the project - a means to facilitate some organized fun and explore with your partner. Book Contents: Introduction Before You Get Started Chapter 1 - Random Card Draw Spanking Game Chapter 2 - Spanking Card Match Game Chapter 3 - Spanking Dice War Chapter 4 - Spanking Quiz Night Chapter 5 - Spanking Dice Game for Six Implement Chapter 6 - Guess That Implement Spanking Game Chapter 7 - 30 Square Spanking Board Game Chapter 8 - Monopoly Spanking Game Chapter 9 - Don't Cum Spanking Game Chapter 10 - The Punishment Log Conclusion Chapter 11 - The Roll More, Spank More Spanking Game Chapter 12 - The Random Escalating Outcome Dice Spanking Game Chapter 13 - Spanking Card War Game Chapter 14 - Spanking Card +/- Game Chapter 15 - Spanking Mastermind Game She has a tiny little shopping problem that may need some special intervention... Eliza and her sweet husband Davis really want to save up for a house so they can get out of their crappy little apartment and finally start a family. After meeting with a financial planner, she promises that she will stop spending money, but when Black Friday comes, it's impossible to resist all those awesome deals! Davis is frustrated with his younger wife's spoiled and selfish behavior. Talking about it isn't helping, so when their financial planner suggests a little old-fashioned discipline, he decides to give it a try. Normally he's not one for domination, but Davis is as surprised as his wife to discover that not only is spanking effective, it's also extremely exciting. This book includes explicit sexual activity between consenting adults. It is intended for mature audiences only. In the context of growing diversity, Shirley A. Hill examines the work parents do in raising their children. Based on interviews and survey data, *African American Children* includes blacks of various social classes as well as a comparative sample of whites. It covers major areas of child socialization: teaching values, discipline strategies, gender socialization, racial socialization, extended families -- showing how both race and class make a difference, and emphasizing patterns that challenge existing research that views black families as a monolithic group. Recent divorcee Amy needs to get in shape. Trainer Marcus offers her an unconventional training plan: submit to his discipline no questions asked and in return he will help her lose 25 pounds and become fit and desirable again.As Amy struggles to adopt new habits she finds that spanking and humiliation help improve her performance. She soon learns her new trainer makes spanking house calls, and that poor performance in the gym leads to an especially humiliating punishment.But will she get a reward from her spanking trainer when she succeeds?The book includes discipline including explicit spanking scenes, pain, humiliation and consensual sex. It is intended for mature audiences only.The Divorce Recovery Series is a series of standalone stories. Book One: Spanking Justice Book Two: A Punishing Workout Book Three: A Punishing Budget More stories coming soon. Click on the author link above to find more exciting stories by Reba Bale. This Brief reviews the past, present, and future use of school corporal punishment in the United States, a practice that remains legal in 19 states as it is constitutionally permitted according to the U.S. Supreme Court. As a result of school corporal punishment, nearly 200,000 children are paddled in schools each year. Most Americans are unaware of this fact or the physical injuries sustained by countless school children who are hit with objects by school personnel in the name of discipline. Therefore, *Corporal Punishment in U.S. Public Schools* begins by summarizing the legal basis for school corporal punishment and trends in Americans' attitudes about it. It then presents trends in the use of school corporal punishment in the United States over time to establish its past and current prevalence. It then discusses what is known about the effects of school corporal punishment on children, though with so little research on this topic, much of the relevant literature is focused on parents' use of corporal punishment with their children. It also provides results from a policy analysis that examines the effect of state-level school corporal punishment bans on trends in juvenile crime. It concludes by discussing potential legal, policy, and advocacy avenues for abolition of school corporal punishment at the state and federal levels as well as summarizing how school corporal punishment is being used and what its potential implications are for thousands of individual students and for the society at large. As school corporal punishment becomes more and more regulated at the state level, *Corporal Punishment in U.S. Public Schools* serves an essential guide for policymakers and advocates across the country as well as for researchers, scientist-practitioners, and graduate students. If you feel trapped between extremes when you're disciplining your children, you'll appreciate the time-tested advice in this classic guide. You don't have to spank your children to get them to behave--and you don't have to worry that you're spoiling them, either. Drawing from four major child guidance philosophies, parent educator Elizabeth Crary provides dozens of examples and exercises to help you find the best way to rear your children. Without Spanking or Spoling will also help you understand: A Deadspin columnist presents a heartfelt account about the ups and downs of raising a family in modern America that shares brutally honest insights into the coping mechanisms employed by today's parents, in a memoir that also shares his positive views on the strengths of American parenting. Three fun short stories about Santa spanking and/or being spanked. Janey's life is out of control. She spends too much money, can't seem to keep her house clean, and is totally disorganized. Santa says he can help her but there'll be consequences if she doesn't do what he tells her. Will Janey let Santa help her? Abbie's job is running the Santa visiting center at the mall. But one of her Santa's can't get to work on time. He has a suggestion for how to bring him in line, but will Abbie go for it? If she does, will she get more than she bargained for? Beth is exhausted from working overtime and trying to get her new house ready for hosting her first family Christmas. While having nothing but problems getting her tree trimmed and the rest of her decorations up on Christmas Eve, Santa pays her a visit and gets on her nerves telling her she isn't doing anything right. Beth gets sassy and it doesn't go over well with Santa. How will he handle her mouthy wise cracks? Warning: This story contains scenes involving adult spanking. Explicit sex scenes. If you are or may be offended by such material, please don't buy this book! Deri is a college senior with a brand new job assisting a handsome, middle aged English Teacher who has a fondness for spanking his pretty assistants. Deri can't seem to stay out of trouble and she gets spanked by her roommates as well as the rugged Mr. Strong. Book five of the Deri Redapple spanking series. "A gospel-infused framework for the kind of loving correction that will help all of us train up a child in the way he or she should go." Bob Lepine, Cohost, FamilyLife Today Parenting can be a challenge. Sometimes it seems like all we do is give directions and all children do is disobey. How can we promote good behavior and a peaceful home without becoming harsh drill sergeants on the one hand or passive pushovers on the other? This book aims to help you better understand loving correction through clear steps and practical tips aimed at transforming not only your children's behavior but also their hearts. Rooted in three principles—keep it God-centered, always mean what you say, and reward obedience rather than disobedience—this is a guide to consistent, faithful discipline that mirrors the grace-giving, truth-speaking God of the Bible and sets the tone for a loving, joy-filled home. Charles Nicholas is the housemaster of Saint Samantha's school for girls in Norfolk, England, and his wife Sarah is the Matron. Charles and his wife love to spank naughty girls on their bare bottoms and there's plenty of opportunity at the school. Lucy and Ella try to get out of sports day by pretending to be sick and they're severely punished. Lilly Armstrong gets spanked in the staff room for her birthday, and on the same day, Amelia and Jasmine are caught making out in the changing room so they have to be punished. Charles gets the opportunity to spank a parent and two girls on Sports day. This is book four in the series, and to get the full story you should probably read the other books first. In this book, you will find a middle-aged man and his wife who both love to spank naughty girls and their teachers on their bare bottoms with a hand, leather slipper, hairbrush and cane. There's also lesbian spanking and orgasms and if this is not your thing don't read any further. Spanking Is a Global Phenomenon looks at this traditional method of corporal punishment from a deep perspective, placing it in its historical context, and from a wide point of view, comparing changing attitudes across cultures and generations. The result of this survey by Fenold Alexis is a work on a topic broadly connected to people's lives, but rarely examined in such detail. The approach of *Spanking Is a Global Phenomenon* takes the reader through the history and tradition of spanking, the roles of culture and religions, the connections to slavery, the laws governing spanking, and a survey of attitudes and practices by gender and generation. In the end, *Spanking Is a Global Phenomenon* provides a comprehensive look at a widespread and deeply rooted parenting practice that tends not to garner such thorough attention. Fenold Alexis explores spanking's scriptural and historical background, surveys its legal and cultural contexts in contemporary culture, and suggests ways for parents to administer alternative forms of discipline that work. Spanked: How Hitting Our Children is Harming Ourselves is a historical and cultural analysis of the long accepted practice of hitting children for learning and obedience. The book begins with understanding who spansks and how the practice of using a hand to hit the buttocks of children evolved. Erickson explores the cultural factors from historical magazine articles and parenting books to contemporary beliefs that support this type of discipline. Spanking's connections to a variety of topics are clarified, including the feelings of parents, perceptions of children, potential child abuse, school corporal punishment, attachment and bonding, the legal language that allows hitting of one's children but not others, and international perspectives on physical punishment. The book invites an exploration of who we are as parents, and as a society, and what family leadership really means. Book group questions for families, professionals, and organizations lend the book useful for conversation and dialogue in libraries, living rooms, offices, and classrooms. Erickson gives readers an open platform to discuss respectfully what we are really communicating when we spank children. A coming-of-age story about a young man called Stanley Spank who lives the life of a champion layabout with his best mate Jerry Dooley, supplemented by his hard-working parents, Greg and Brenda Spank. Stanley's life is one of endless days of nothing except for drinking, smoking, and fantasising about a life that seemed out of reach. Things change when Jerry lands a job abroad, leaving Stanley to rethink his own life choices, and out of a random act of desperation, a lucky break is bestowed upon Stanley that transforms his life. The self-styled lazy layabout is thrown into a world of glamour and fast women with lots of cash, and he is taken on a journey into the fast lane where, along the way, he meets a beautiful girl called Ami. Stanley's life is turned around, and the lure of earning good money along with female attention and a lifestyle he could only dream becomes a complex moral dilemma. A fun tale of twists and larger-than-life characters, which are interwoven into Stanley's journey of growth and experiences, *The Life and Times of Stanley Spank* will endear, delight, shock, and question the morality of his decisions as this small-town boy becomes the centre of a lot of people's lives without realising it. Ticket to a Spanking by Jude Mason If you have a kinky young couple into the spanking lifestyle, and you add a female friend who's intrigued by it, fun things can happen. Add a ticket for speeding and the fella's desire to expose his masochist needs; you definitely have the makings for an afternoon of naughty pleasures. Julie's the dominant wife, Ken, the naughty husband and Chris, well she's just plain curious about it all and very horny. Ken's speeding ticket brings these three together for an afternoon of sexy, painful pleasure. He gets his butt warmed, Julie gets to show her girlfriend just how much fun a spanking can be. And Chris is inspired to try it all on her own wayward husband. Will Ken find 'release' from the two sexy women or will his rampant erection go unattended, unlike his rosy red bum? Rein Me In by Amber Skyze Delia is happy being a stay-at-home wife, spending her husband's money. Only problem? Scott doesn't share her enthusiasm. Yes, he wants his wife to enjoy the finer things in life, but he wants her to stay within a budget. Delia can't stick to a budget. To teach her a lesson, Scott paddles her. Who knew getting spanked could be so arousing? Not Delia, but now that Scott's turned her on, she wants more. In fact, she might go over her limit just to feel the heightened orgasms. Can Scott rein her in before they both end up in the poorhouse? Road Trip by Tara S. Nichols After a long, cold winter spent indoors, a drive in the country to an unknown destination is just what Mona needs. The simple act of going for a drive has sensuous effects on the kinky, urban girl, something, Jess, her boyfriend, is well aware of. Mona grows more and more aroused with each deserted side road they pass and Jess shows no sign of stopping. Seeing he isn't about to pull over and do her right, she starts to tease him as best she can in the little space she is provided, hoping to rile him up enough to give her a spanking. When she finally succeeds in driving Jess to distraction, Mona can only hope she's been naughty enough. Lip Service by Keta Diablo After their recent tiff, Bryan took off for Japan on business and left Navarre home to stew. Now Bryan is expected home after two long weeks, but fate has other plans--mechanical problems with his plane and no rental cars available. So what's a desperate man to do? Find his own means to get to the man he loves. When Navarre finally arrives at Bryan's hotel, he has second thoughts about challenging fate. Bryan has company in his room! Special Content Alert: Spanking, Menage, M/M Excerpt: Follow Road Trip by Tara S. Nichols: Jess scooped up another handful. "More?" I nodded and he pressed it against my pussy. I would have sucked in a sharp breath had it not been for the cock gag in my mouth. With no other outlet, I allowed the rubber bung invading my mouth to take the brunt of my reaction, sucking and biting

it. Merciless in his pursuit, Jess moved the snow in small circles, working the frozen mass against my clit until water trickled down the insides of my thighs. Although intensely cold at first, the snow melted quickly against the heat of my sex, and soon Jess had nothing to torment me with. Undaunted, he picked up the pitiful looking board and gave it a test swing. "So, are you still game?" The thought of the board slapping against my ass brought a new flood between my legs. Muddy and decayed, the board would no doubt leave a dirty mark across my cheeks. The thought of allowing it to touch my skin repulsed me, yet I nodded. I couldn't imagine anything I'd like better. In these male HOH domestic discipline stories you will meet all kinds of women from conservative homemakers to business women. These very different women one thing in common. They all get spanked when they get into car trouble. These stories contain the spanking of adult women. A Powerful Approach to Bringing God's Grace to Kids Did you know that the way we deal (or don't deal) with our kids' misbehavior shapes their beliefs about themselves, the world, and God? Therefore it's vital to connect with their hearts--not just their minds--amid the daily behavior battles. With warmth and grace, Jim and Lynne Jackson, founders of Connected Families, offer four tried-and-true keys to handling any behavioral issues with love, truth, and authority. You will learn practical ways to communicate messages of grace and truth, how to discipline in a way that motivates your child, and how to keep your relationship strong, not antagonistic. Discipline is more than just a short-term attempt to modify your child's actions--it's a long-term investment to help them build faith, wisdom, and character for life. When you discover a better path to discipline, you'll find a more well-behaved--and well-believed--kid. Since 1933, The Story About Ping has captivated generations of readers, but never before has it been available in a mass-market paperback format. No one can deny the appeal of the book's hero, Ping, the spirited little duck who lives on a boat on the Yangtze River. Ping's misadventures one night while exploring the world around his home form the basis of this timeless classic, which is brought to life by Kurt Wiese's warm and poignant illustrations. My mom is really busy! Mom can do a thousand things at the same time. But sometimes, Mom says time flies by too fast. So Mom finds the time to be just with us! Maggie and Ethan's mom has a busy schedule filled with packing lunches, carpools, and work emails. When Maggie and Ethan seem to be growing up too quickly, their mom slows time down with a tickle fight, watching the clouds float by, or taking a family walk in the woods. A Note to Parents and Caregivers by Julia Martin Burch, PhD, provides strategies for creating and savouring family time amid a busy schedule. A challenge to the cultural tradition of corporal punishment in Black homes and its connections to racial violence in America Why do so many African Americans have such a special attachment to whupping children? Studies show that nearly 80 percent of black parents see spanking, popping, pinching, and beating as reasonable, effective ways to teach respect and to protect black children from the streets, incarceration, encounters with racism, or worse. However, the consequences of this widely accepted approach to child-rearing are far-reaching and seldom discussed. Dr. Stacey Patton's extensive research suggests that corporal punishment is a crucial factor in explaining why black folks are subject to disproportionately higher rates of school suspensions and expulsions, criminal prosecutions, improper mental health diagnoses, child abuse cases, and foster care placements, which too often funnel abused and traumatized children into the prison system. Weaving together race, religion, history, popular culture, science, policing, psychology, and personal testimonies, Dr. Patton connects what happens at home to what happens in the streets in a way that is thought-provoking, unforgettable, and deeply sobering. Spare the Kids is not just a book. It is part of a growing national movement to provide positive, nonviolent discipline practices to those rearing, teaching, and caring for children of color. An epic series A voluminous series. Recommend getting the entire volume. Lots of spanking and exploration as the women and girls discover the pains and pleasures of a bit of discipline. The women find they enjoy giving as much as getting. Hazel Miller is the sports coach at St. Samantha's School for Girls, a private girls' school in the South East of England. Hazel is responsible for all sports, but she tends to focus on one each term. Last year, it was the beach volleyball team, but this term, it's indoor soccer. In this book, Hazel is spanked by Anna's mother, and three more girls are spanked for playing badly. Sally is feeling left out because she's playing so well, so Hazel spans her, and then Shirley gets spanked for getting a red card in a match. Anna's mother starts to spank her daughter, and Hazel goes back to see Mrs Patel. To spank or not to spank? If you are a parent, you have most likely already asked yourself this question - should you spank your child? And if so, how should you go about it? Spanking is an effective punishment and discipline method when done right. This book will take you through the principles of ethical and constructive spanking, followed by a step-by-step guide on how to spank your child with love. Punishing your child can hurt you more than it does him/her. Responsible parents will do everything they can to mold their children to principled and compassionate individuals, including an occasional whip. However, spanking your child could have the opposite effects if you don't do it right. Unfortunately, lack of knowledge, or willful breaking of the spanking rules, will have the same negative results on your child's psychology. It is your responsibility as a parent to educate yourself in spanking, or not to do it all. In this collection of personal confessions, women describe in intimate detail their most memorable spankings, the stories behind their spanking fetishes and the desires beneath their compulsion to be spanked again and again. Erotica author and researcher Gabriella Luciano interviewed hundreds of women about their experiences getting spanked. From those, she distilled this handpicked assortment of the most vivid, extraordinary and extreme stories. From a kinky affair with a demanding professor, to a strict Columbian step-father, to the extremes of domestic discipline, to a raw fling on the dark streets of New York, to spanking addictions of young women looking for love, these candid stories reveal the complex feelings behind the overpowering desire to be spanked. Beth is a waitress who can't seem to get to work on time. Her boss is getting tired of her behavior and takes matters in hand. The naughty waitress has to choose between being fired or receiving a spanking. Enjoy the escapades of Beth and her roommate, Annie, as they navigate wild sex, corporal punishment, and their own tender relationship. Beth and Annie share lovers, showers and gentle affection in this fun tale. By using positive methods of discipline parents have the opportunity to provide their children with an optimal home environment for healthy emotional growth and development. A child rearing expert presents a study of child-directed discipline, offering a common sense approach to the issue of discipline, parental authority, and self-esteem. Do you want to know how you can get your kids to do their chores? Do you want to stop lecturing, reminding and nagging your kids? Are you wondering if it is worth it to discipline your kids when they won't stay in a chair for a time-out? Joey and Carla Link reach beyond typical parenting advice to give you honest understanding, encouragement and practical steps that work to get obedient children. They share: Why parents can't get their kids to behave What obedience is What How to get your kids to obey Help for single parents "Have you ever wanted an instruction manual for parenting? Look no further: this is the book you've been waiting for. With refreshing honesty and practical instruction, Joey and Carla Link have put together a great resource for parents. If you have kids, you need this book." - Jill Savage, founder and CEO of Hearts at Home and author of Real Moms ... Real Jesus "The biblical and practical teaching Joey and Carla Link share is something every parent should read. It has given us clear expectations-what we as parents can require of our kids and what our kids know is expected of them. People are happy to be around our kids instead of being happy when we leave! We are confident this book will be a good beginning for parents, no matter the ages of their children." - US Representative Bill and Natalie Huizenga, Michigan Best friend Betsy and Anna are going to Betsy's parents house during break from college. These naughty girls and their mischief earn them a spanking with Betsy's father's belt. Did Anna cause them to get a spanking on purpose because she like it? Read this fun naughty story as the girls end up over his knee as well as spanked with a belt. They also discover some sexy and naughty secrets about each other. It is lots of fun!!! As Jill and I were ready to go to college and start a new chapter in our lives, I can tell you this about how Jill and I were raised by our parents. Understanding that the first job of a parent is to protect their children and teach their children to be responsible adults, what could I say? Our parents did the best job that a parent could do. Both Jill and I are the most loving and obedient and smart and responsible kids anyone could ever want. We did not drink, gamble, sniff glue, smoke, take dope, or get pregnant. We both got great marks in school. Over the past five years, of the hairbrush era, Jill was spanked only 6 times. That was not a lot over 5 years. Jill turned out to be such a confident and responsible young lady. I was even impressed with her. Mom taught her well and Jill learned well. Over that same five years, I was spanked 13 times and I was caned that last time to total 14 times I was punished. However, that was only three times per year. I never was punished when I did not deserve to be punished, so I earned every one of those Spankings. However, I turned out to be the most respectful and loving and nice son anyone could ask for. Yes, and obedient too. But, never once did I ever think that my Mom was mean to me or too hard on me. My Mom did what she had to do to get me through those growing years that were so much trouble for many of my friends. Looking back on all the pain and embarrassment and humiliation, I appreciated my Mom for caring enough to be my Mom and not my friend when I needed a Mom. Mom was my friend the rest of the time. Jill and I get along better than any other siblings we know. Jill and I truly care about one another and understand our perspective roles in our growing up process together. As a result, Jill got me a room in the same house she and a few friend rented as their own personal college dorm. How great is that going to be, me and five girls in the same house, I can't wait!!!!!!! The author clearly presents the issue of spanking in a clear manner, and presents alternative ways of discipline. # Written in an easy-to-read style so families can read and learn together. Statistics show that the most violent institution in America today is not the federal prison system. It is the family! the chances of getting assaulted and injured by someone else in your lifetime are greater in your family by far than in any other group of people you are likely to be around. Why is the family so violent? According to the authors, one of the main reasons is our belief as a society that physical punishment is an acceptable. and it all starts with the belief that spanking is good for our children. In this insightful, well-researched book, Dr. Marshall reveals: # Hitting a child causes more behavioral problems than it solves # Spanking has been found to increase aggression in children # Cases of poor self-image and depression have been traced to childhood corporal punishment # Repetition of one's own childhood experience is a poor substitute for informed parenting Parents who explore this book will be amply rewarded as they learn alternatives to spanking. [CLICK HERE TO ADD AN AUTHOR BIO.](#) [CLICK HERE TO ADD A CUSTOMER REVIEW.](#) [CLICK HERE TO ADD AN EDITORIAL REVIEW.](#) In a world of modern, involved, caring parents, why are so many kids aggressive and cruel? Where is intelligence hidden in the brain, and why does that matter? Why do cross-racial friendships decrease in schools that are more integrated? If 98% of kids think lying is morally wrong, then why do 98% of kids lie? What's the single most important thing that helps infants learn language? NurtureShock is a groundbreaking collaboration between award-winning science journalists Po Bronson and Ashley Merryman. They argue that when it comes to children, we've mistaken good intentions for good ideas. With impeccable storytelling and razor-sharp analysis, they demonstrate that many of modern society's strategies for nurturing children are in fact backfiring--because key twists in the science have been overlooked. Nothing like a parenting manual, the authors' work is an insightful exploration of themes and issues that transcend children's (and adults') lives.
