The American Philatelist Mar 14 2021

Bjork Jun 16 2021 Icelandic pop star Bjork Gudmundsdottir has a career stretching back for over 5 years. She released her first album at the tender age of 11, and since her and the Sugarcubes imploded in the early 1990s, has blossomed into a unique artist, a devotee of the avant-garde who nevertheless enjoys an enormous popular following. Born in Reykjavik in 1965, Bjork spent her childhood shuttling between the homes of her electrician father and hippie mother. She displayed a gift for music at a very early age and developed highly eclectic tastes, showing equal enthusiasm for Stockhausen and ABBA. Her rendition of the Tina Turner hit "I Love to Love" at a school function was so impressive that it received airplay on Iceland's national radio station, and she was subsequently signed up to record an Icelandic-language album of cover versions and traditional songs. During her teens, Bjork became immersed in the battleground of Reykjavik's notoriously seditious punk scene, playing for bands such as Spit and Snot and Tappi Tíkarrass, among others. At 19, Bjork became pregnant by Kuki bandmate Þor Eldon; the birth of their son, Sindri,

Boys' Life Jan 30 2020 Boys' Life is the official youth magazine for the Boy Scouts of America. Published since 1911, it contains a proven mix of news, nature, sports, history, fiction, science, comics, and Scouting.

Billboard Aug 19 2021 In its 114th year, Billboard remains the world's premier weekly music publication and a diverse digital, events, brand, content and data licensing platform. Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music, video, gaming, media, digital and mobile entertainment issues and trends.

Vinyl Junkies Apr 07 2023 Not too far away from the flea markets, dusty attics, cluttered used record stores and Ebay is the world of the vinyl junkies. Brett Milano dives deep into the piles of old vinyl to uncover the subculture of record collecting. A vinyl junkie is not the person who has a few old 45s shoved in the cupboard from their days in high school. Vinyl Junkies are the people who will travel over 3,000 miles to hear a rare b-side by a German band that has only recorded two songs since 1962, vinyl junkies are the people who own every copy of every record produced by the favorite artist from every pressing and printing in existence, vinyl junkies are the people who may just love that black plastic more than anything else in their lives. Brett Milano traveled the U.S. seeking out the most die-hard and fanatical collectors to capture all that it means to be a vinyl junkie. Includes interviews with Thurston Moore of Sonic Youth, Peter Dinklage from R.E.M and Robert Crumb, creator of Fritz the cat and many more underground comics.

Let It Rock May 28 2022 This book is an unashamed celebration of the landmark album Slippery When Wet; Bon Jovi's most successful album to date, with sales of over 28 million copies since its 1986 release, and one of the most toe-tappingly gleeful albums to ever ring out from a pair of speakers. Everyone knows the rock classics 'Livin' On A Prayer' or 'You Give Love A Bad Name', but there isn't a bum track on the record. This is more than a 'making of' type book, because to put Slippery When Wet into context you need to understand what came before and after. It is also a handy fans' guide to the band's career with a track by track review, current thoughts on the album from top rock writers, plus bits and pieces that relate directly (or indirectly) to the legacy of a record which spent eight straight weeks at the top of the Billboard charts. The band, of course, are still with us and released an album in the spring of 2013 along with tour dates, which will heighten interest in the book. Their fan base is seriously loyal. Includes a foreword by former Kerrang! journalist and rock expert Paul Suter and an afterword by A&R supremo Derek Shulman (Simon Dupree And The Big Sound and Gentle Giant), who had the foresight to sign the band.

The Etude May 16 2021 A monthly journal for the musician, the music student, and all music lovers.

Tell Me Why Sep 07 2020 A unique combination of musical analysis and cultural history, *Tell Me Why* stands alone among Beatles books with its single-minded focus on the most important aspect of the band: its music. Riley offers a new, deeper understanding of the Beatles by closely considering each song and album they recorded in an exploration as rigorous as it is soulful. He tirelessly sifts through the Beatles discography, making clear that the legendary four were more than mere teen idols: They were brilliant innovators who mastered an extremely detailed art. Since the first publication of *Tell Me Why* in 1988, much new primary source material has appeared—Paul McCartney's authorized biography, the Anthology CDs and videos, the complete Parlophone-sequenced albums on CD, the *Live at the BBC* sessions, and the global smash 1. Riley incorporates all the new material in an update that makes this a crucial book for Beatles fans.

At This Moment: The Story of Michael Bublé Apr 02 2020 Michael Buble soared to overnight fame at the comparatively late age of 25 after performing at the Canadian Prime Minister's daughter's nuptials in 2000. Since then, the UK hit artist has sold over 25 million albums and has won two Grammy Awards. *At This Moment: The Story of Michael Bublé* tells the story of a humble fisherman's son in Vancouver who turned his back on MTV to embrace the music of the Forties, Fifties and Sixties. With exclusive details on his many recordings, including the hard-to-find pre-fame releases; his high profile love affairs; his ambivalent attitude to fame and his obsession with ice hockey.

Letters to Michael Jackson Aka King of Pop Jun 04 2020 The book is about letters sent to Michael and family and about his lyrics concerning me.

Eruption Oct 09 2020 Get a completely new look at guitar legend Eddie Van Halen with this groundbreaking oral history, composed of more than fifty hours of interviews with Eddie himself as well as his family, friends, and colleagues. When rock legend Eddie Van Halen died of cancer on October 6, 2020, the entire world seemed to stop and grieve. Since his band Van Halen burst onto the scene with their self-titled debut album in 1978, Eddie had been hailed as an icon not only to fans of rock music and heavy metal, but to performers across all genres and around the world. Van Halen's debut sounded unlike anything that listeners had heard before and remains a quintessential rock album of the era. Over the course of more than four decades, Eddie gained renown for his innovative guitar playing, and particularly for popularizing the tapping guitar solo technique. Unfortunately for Eddie and his legions of fans, he died before he was ever able to put his life down to paper in his own words, and much of his compelling backstory has remained elusive—until now. In *Eruption*, music journalists Brad Tolinski and Chris Gill share with fans, new and old alike, a candid, compulsively readable, and definitive oral history of the most influential rock guitarist since Jimi Hendrix. It is based on more than 50+ hours of unreleased interviews they recorded with Eddie Van Halen over the years, most of them conducted at the legendary 5150 studios at Ed's home in Los Angeles. The heart of *Eruption* is drawn from these intimate and wide-ranging talks, as well as conversations with family, friends, and colleagues. In addition to discussing his greatest triumphs as a groundbreaking musician, including an unprecedented dive into Van Halen's masterpiece 1984, the book also takes an unflinching look at Eddie's early struggles as young Dutch immigrant unable to speak the English language, which resulted in lifelong issues with social anxiety and substance abuse. *Eruption: Conversations with Eddie Van Halen* also examines his brilliance as an inventor who changed the face of guitar manufacturing. As entertaining as it is revealing, *Eruption* is the closest readers will ever get to hearing Eddie's side of the story when it comes to his extraordinary life.

25 Years of Grace Jan 24 2022 Jeff Buckley made only one album, but the one he made has proved to be seminal. *Grace* emerged at a time when grunge gripped the charts. Buckley's refined melodies and wide vocal range made him stand apart from his contemporaries. His rendition of Leonard Cohen's "Hallelujah" is arguably the most memorable version ever recorded. His talent awed industry giants and moved the hearts of fans spanning generations. *Grace* made clear a remarkably talented force had come upon the world, and it promised a wellspring of astonishing music for years to come. But Buckley's untimely death in 1997 left his fans to wonder about all the sonic magic that could have been and to hold dear the few but brilliant songs he left behind. In the wake of his passing, Buckley has continued to garner new fans and influence countless artists. And while a number of posthumous releases of unpolished, deep cuts have helped satiate listeners over the years, it is his official studio album *Grace* that reverberates with timelessness: at its release in 1994, the album sounded like nothing that had come before--and no album has repeated its essence since. Photographer Merri Cyr was there along the way. She has documented Buckley's career from his days at the East Village coffee shop *Sin-é* to his iconic *Grace* cover shoot to his rigorous tour around the world as he promoted his unprecedented debut. In *25 Years of Grace*, Cyr joins forces with

Jeff Buckley biographer Jeff Apter (*A Pure Drop: The Life of Jeff Buckley*) to produce an illustrated tribute to this classic album in celebration of its twenty-fifth anniversary. The book features brand new interviews with Buckley insiders--Matt Johnson, Mick Grøndahl, Michael Tighe, Gary Lucas, Karl Berger, Andy Wallace, George Stein, Steve Berkowitz, and others--revealing the details about Buckley's signing to a major label, the role of the band in creating arrangements, finding the right creative direction for the multifaceted songsmith, the songwriting process and final song selections, key meetings and collaborations, recording techniques, memorable moments in the studio, and more. The book also includes reflections about Buckley and Grace from an array of music artists--Butch Walker, Pete Yorn, Jimmy Gnecco, Glen Hansard, Holly Miranda, and Lenny Kaye, to name a few. Lavishly illustrated with many never-before-seen photographs, *25 Years of Grace* takes a fresh look at the making and legacy of this classic album.

Classic Albums by Women Dec 03 2022 Across the genres, across the generations, across the board, this book presents over one hundred inspirational albums by women, from top-selling hits to the indie and obscure. Classic Album Sundays - the world's most popular album listening event and content platform - initiated an #AlbumsByWomen campaign in support of International Women's Day 2018. The hashtag soon grew into a movement, devoted to women's musicality and the power of the female voice. Collaborators shared photographs and commentary on their favourite albums by female artists, gathered together here in a single volume. Pick up any other book on the theme of 'Albums You Must Hear Before You Die', and you'll confront a heavy gender bias. This project redresses the gender imbalance: an overdue celebration of women's creativity and musicianship within a male-dominated sphere. It features over a hundred submissions from high-profile musicians including Pink Floyd's Nick Mason, Peter Hook, Nina Kraviz, Black Madonna, Gilles Peterson, Rankin, KT Tunstall, John Grant and more. AUTHOR: Colleen 'Cosmo' Murphy is a highly respected and experienced musical selector and curator, founder of the album-listening event and content hub Classic Album Sundays, and an authority on music, sound and the vinyl renaissance. She was mentored by David Mancuso at his seminal Loft parties in New York City. Together they co-produced the compilation series David Mancuso Presents The Loft and worked on David's record label The Loft Audiophile Library of Music. Colleen is one of the musical hosts at The Loft, the co-founder of the Lucky Cloud Loft parties in London and DJs internationally on the world's best sound systems and dance floors. She founded Classic Album Sundays as a stance against the increasing devaluation of music and sound. What began as a passion project is now the world's most popular album listening event with satellites in four continents, and the website and social media channels host content on classic albums and artists such as interviews, videos, playlists and more. She has been a radio host, DJ and programme director since the age of fourteen and today hosts Cosmodelica and Classic Album Sundays Worldwide on Worldwide FM and a Classic Album Sundays series on Studio 360 with Kurt Andersen. She is the writer and host of BBC 6 Music's ongoing album series Sounds of a City and BBC Radio 4's doc series Turntable Tales. As a producer Colleen has remixed The Rapture, Fat Freddy's Drop, Beardyman, Candi Staton, Two Bears, Phenomenal Handclap Band, Cantoma, Horace Andy, Chaka Khan and more under her Cosmodelica moniker and as DarkStarr Diskotek with Ashley Beedle. Along with former Captain Beefheart guitarist Gary Lucas, she recorded and produced as Wild Rumpus. SELLING POINTS: * 100+ of the best albums by women, as chosen by musicians, DJs, producers, journalists, radio hosts and music industry insiders * Contributors include Nina Kraviz (DJ), Nick Mason (Pink Floyd), KT Tunstall (musician), Jamie XX (The XX, DJ), Black Madonna (DJ), Rankin (photographer), John Grant (musician) and Peter Hook (Joy Division, New Order, Peter Hook & The Light), on albums by Billie Holiday, Kate Bush, Madonna, Joni Mitchell, Patti Smith, PJ Harvey, Nina Simone and many more * An overdue celebration of women's significant and compelling contributions to music

Idol Talk Aug 31 2022 ? In the midst of acne, social anxiety and training bras are the teen idols that make adolescent life a little more bearable. Whether their cutouts are plastered on bedroom walls or hidden behind locker doors, there is no denying the impact of these stars on young women. This collection of new essays explores with tenderness and humor the teen crushes of the past 60 years—from Elvis to John Lennon to Whitney Houston—who have influenced the choices of women, romantically or otherwise, well into adulthood.

Mekeel's Weekly Stamp News Nov 09 2020

Tribute: Whitney Houston Sep 19 2021 Iconic superstar, Whitney Houston broke records in the music and movie industry. She was an idol to millions and adored all over the world. Some even said she had the voice of an angel, but the demons of her past was a creeping ghost on her life which was tragically taken away too soon. Take a look at her past and how she changed the world with just the sound of her voice. This is the life and death of Whitney Houston.

Jet Oct 01 2022 The weekly source of African American political and entertainment news.

Stevie Wonder's Songs in the Key of Life Jul 30 2022 Like all double albums, Songs in the Key of Life is imperfect but audacious. If its titular concern - life - doesn't exactly allow for rigid focus, it's still a fiercely inspired collection of songs and one of the definitive soul records of the 1970s. Stevie Wonder was unable to control the springs of his creativity during that decade. Upon turning 21 in 1971, he freed himself from the Motown contract he'd been saddled with as a child performer, renegotiated the terms, and unleashed hundreds of songs to tape. Over the next five years, Wonder would amass countless recordings and release his five greatest albums - as prolific a golden period as there has ever been in contemporary music. But Songs in the Key of Life is different from the four albums that preceded it; it's an overstuffed, overjoyed, maddeningly ambitious encapsulation of all the progress Stevie Wonder had made in that short space of time. Zeth Lundy's book, in keeping with the album's themes, is structured as a life cycle. It's divided into the following sections: Birth; Innocence/Adolescence; Experience/Adulthood; Death; Rebirth. Within this framework, Zeth Lundy covers Stevie Wonder's excessive work habits and recording methodology, his reliance on synthesizers, the album's place in the gospel-inspired progression of 1970s R'n'B, and many other subjects.

Billboard Mar 02 2020 In its 114th year, Billboard remains the world's premier weekly music publication and a diverse digital, events, brand, content and data licensing platform. Publishers' Circular and Booksellers' Record of British and Foreign Literature Jul 06 2020

Def Leppard Mar 26 2022 Def Leppard are an English rock band formed in 1977 in Sheffield, England, UK, as part of the new wave of the British heavy metal movement. The members of the group's longest lasting line-up since 1992, have been Joe Elliott (lead vocals), Rick Savage (bass, backing vocals), Rick Allen (drums, backing vocals), Phil Collen (guitars, backing vocals), and Vivian Campbell (guitars, backing vocals). The band's greatest success came between the early 1980s and the early 1990s. Their 1981 album, High 'n' Dry, was produced by Robert John "Mutt" Lange, who helped them begin to define their style, the L.P.'s standout track "Bringin' On the Heartbreak" becoming one of the first rock videos played on MTV in 1982. The band's next studio album, Pyromania, was released in January 1983, with "Photograph" and "Rock of Ages" as the lead singles, the L.P. being certified diamond (10× platinum), in the U.S.. In 2003, the album was ranked # 384 on Rolling Stone's 500 Greatest Albums of All Time. Def Leppard's 4th L.P., Hysteria, released in 1987, topped the UK and U.S. album charts. As of 2009, it had exceeded the success of Pyromania, being certified 12× platinum for sales of over 12 million in the U.S., having gone on to sell over 25 million copies worldwide. The L.P. produced 7 hit singles, including the U.S. Billboard Hot 100 # 1 "Love Bites", "Pour Some Sugar on Me", "Hysteria", "Armageddon It", "Animal", "Rocket", and "Women". Their next studio album, Adrenalize, the first following the death of guitarist Steve Clark, topped the UK and U.S. charts in 1992, producing several hit singles, including "Let's Get Rocked" and "Have You Ever Needed Someone So Bad". The following year's, Retro Active, included the acoustic hit single "Two Steps Behind" then their greatest-hits album Vault, issued in 1995, featured the UK hit "When Love & Hate Collide". Def Leppard have sold more than 100 million records worldwide, being one of only 5 rock bands with 2 original studio L.P.s which have sold over 10 million copies in the U.S. The group were ranked No. 31 in VH1's "100 Greatest Artists of Hard Rock" and ranked No. 70 in the "100 Greatest Artists of All Time".

Michael Jackson Rocked the World and Lives Forever Dec 23 2021 Michael Jackson Rocked the World and Lives Forever is an honorable compilation and a rare collectible that is a true tribute to the life and career of Michael Jackson, the world's most proficient entertainer that ever set foot on a stage! He was a masterful entertainer, prominent all over the world. This volume is a glimpse through the window at some of his brilliance. It considerately peels back all the layers of his genius career and allows the reader to take a breathtaking look inside of the magnificent world that shined for him during his tenure. This book is written reverentially, and is conceivably the most positive, respectable reference on the market about the superstar. While covering his life and career, it also allows the reader to walk with the superstar through the darkest storms of his journey and witness firsthand his will to stand! Michael Jackson never gave up or took himself out of the ring no matter how devastating the blow! The pain that injured his soul and found a home inside of his heart never altered his goal to strive for excellence at all costs, to bring nothing but perfection to his performance to showcase to the world. This is his legacy for the world!

Focus On: 100 Most Popular American Dance Musicians Apr 26 2022

Latin Music: Musicians, Genres, and Themes [2 volumes] Dec 11 2020 Eight years in the making, Latin Music: Musicians, Genres, and Themes is the definitive work on the topic, providing an unparalleled resource for students and scholars of music, Latino culture, Hispanic civilization, popular culture, and Latin American countries. Comprising work from nearly 50 contributors from Spain, Latin America, the Caribbean, and the United States, this two-volume work showcases how Latin music—regardless of its specific form or cultural origins—is the passionate expression of a people in constant dialogue with the world. The entries in this expansive encyclopedia range over topics as diverse as musical instruments, record cover art, festivals and celebrations, the institution of slavery, feminism, and patriotism. The music, traditions, and history of more than two dozen countries—such as Argentina, Brazil, Costa Rica, Cuba, El Salvador, Guatemala, Honduras, Mexico, Panama, Spain, and Venezuela—are detailed, allowing readers to see past common stereotypes and appreciate the many different forms of this broadly defined art form.

That's All Aug 07 2020 This new, updated edition of "That's All: Bobby Darin On Record, Stage & Screen" (called "the ultimate Darin reference book" by Billboard magazine) chronicles the life and professional accomplishments of the classic pop singer ("Mack The Knife," "Beyond The Sea"), Rock and Roll Hall of Fame inductee, and show business icon Bobby Darin (1936-1973). Singer, songwriter, actor, television personality, musician, teen idol, and consummate Las Vegas entertainer, Bobby Darin had "the most interesting career of any performer

of the second half of the 20th century," according to author Jeff Bleiel. Based on extensive archival research and interviews with over 25 professional associates (including producers, arrangers, musicians, and actors) who worked with Darin. --

The Mojo Collection Oct 21 2021 The greatest albums of all time . . . and how they happened. Organised chronologically and spanning seven decades, The MOJO Collection presents an authoritative and engaging guide to the history of the pop album via hundreds of long-playing masterpieces, from the much-loved to the little known. From The Beatles to The Verve, from Duke Ellington to King Tubby and from Peggy Lee to Sly Stone, hundreds of albums are covered in detail with chart histories, full track and personnel listings and further listening suggestions. There's also exhaustive coverage of the soundtrack and hit collections that every home should have. Like all collections, there are records you listen to constantly, albums you've forgotten, albums you hardly play, albums you love guiltily and albums you thought you were alone in treasuring, proving The MOJO Collection to be an essential purchase for those who love and live music.
