The Meaning of the Holy Qur'an for School Children is a graphic-intensive translation of the Qur'an tailored to the needs and interests of young readers. Scholars have analyzed the Holy Quran for centuries, adopting practices and guidelines drawn from its wisdom. Their studies, however, focus on the literal meaning of its verses. In this ground-breaking work, Sahal A. Mohamed uses a numerological approach to interpret the hidden meanings in the holy book. He begins with a simple question: If the Quran is truly the word of Allah, can this be shown mathematically? Through simple equations, his study uncovers correlations and patterns that prove the holy text is beyond the ability of any human, and is indeed the work of the Almighty. From the central tenets of the

Islamic faith to the complexities of the human body, these numerical correlations show that the Holy Quran reflects Allah's mastery not only in its content, but in the very structure of the book itself. Its secrets are astounding in their elegance, and will help to unlock a greater understanding of our life on Earth and the foundations of space and time. The Holy Qur'an is the Word of God whose truth was revealed to Muhammad by the Angel Gabriel. It is divided into 14 Suras or chapters, and was traditionally transmitted by word of mouth. Too often we are tempted into thinking how wrong other people's religions and scriptures are, rather than focusing on what's right about our own. We act like some of our politicians during election campaigns rather than following the teachings of our own holy books. Breaking the trend, author Dr. Ejaz Naqvi provides an objective, topic-by-topic review of the two most read books in the world—the Holy Bible and the Holy Quran. The Quran: With or Against the Bible? addresses the key themes of the Quran and answers commonly asked questions in search of finding common ground: • Who wrote the Quran? • Who is the “God” of the Quran? • What is the Quranic view of the prophets, especially Moses and Jesus? • What does the Quran teach about interfaith relations? • Does the Quran promote peace and harmony between Muslims and the People of the Book, or does it promote violence? • How does the Quran compare to the Bible on important themes like worshipping God, the prophets, human rights, moral values, and fighting for justice and human dignity? • Does the Quran render women as second-class citizens? Dispelling major myths, The Quran: With or Against the Bible? Systematically analyzes and compares the similarities in the paths of guidance the two scriptures have bestowed upon mankind. The Koran is sometimes called simply al-Kit`b ("the Book"), adh-dhikr ("the Reminder") or al-furq`n ("the Discernment").
