The Harbinger Companion with Study Guide Dec 27 2022 A companion to "The Harbinger" answers questions raised by the text and delves into the mysteries it reveals, in a work that can be used for individual study, Bible studies and small groups, and congregational teaching.

The Late Great Planet Earth Jun 28 2020 The impact of The Late Great Planet Earth cannot be overstated. The New York Times called it the "no. 1 non-fiction bestseller of the decade." For Christians and non-Christians of the 1970s, Hal Lindsey's blockbuster served as a wake-up call on events soon to come and events already unfolding -- all leading up to the greatest event of all: the return of Jesus Christ. The years since have confirmed Lindsey's insights into what biblical prophecy says about the times we live in. Whether you're a church-going believer or someone who wouldn't darken the door of a Christian institution, the Bible has much to tell you about the imminent future of this planet. In the midst of an out-of-control generation, it reveals a grand design that's unfolding exactly according to plan. The rebirth of Israel. The threat of war in the Middle East. An increase in natural catastrophes. The revival of Satanism and witchcraft. These and other signs, foreseen by prophets from Moses to Jesus, portend the coming of an antichrist . . . of a war which will bring humanity to the brink of destruction . . . and of incredible deliverance for a desperate, dying planet.

Ordinary Feb 23 2020 Radical. Crazy. Transformative and restless. Every word we read these days seems to suggest there's a "next-best-thing," if only we would change our comfortable, compromising lives. In fact, the greatest fear most Christians have is boredom—the sense that they are missing out on the radical life Jesus promised. One thing is certain. No one wants to be "ordinary." Yet pastor and author Michael Horton believes that our attempts to measure our spiritual growth by our experiences, constantly seeking after the next big breakthrough, have left many Christians disillusioned and disappointed. There's nothing wrong with an energetic faith; the danger is that we can burn ourselves out on restless anxieties and unrealistic expectations. What's needed is not another program or a fresh approach to spiritual growth; it's a renewed appreciation for the commonplace. Far from a call to low expectations and passivity, Horton invites readers to recover their sense of joy in the ordinary. He provides a guide to a sustainable discipleship that happens over the long haul—not a quick fix that leaves readers empty with unfulfilled promises. Convicting and ultimately empowering, Ordinary is not a call to do less; it's an invitation to experience the elusive joy of the ordinary Christian life.

including *The Harbinger*, *The Book of Mysteries*, and *The Oracle* Is America heading to judgment? What lies ahead? Discover what no book has ever revealed . . . until now! Are the unprecedented crises of our times, the signs and warnings of coming judgment? Does an ancient mystery hold the secret to the events of our times, and the future of America and the world? Is this mystery even behind the shakings that have now overtaken the world and America? How much time do we have left? In 2012, Jonathan Cahn caused a worldwide sensation with the release of his first book and massive bestseller *The Harbinger*. It was hailed as "stunning," "prophetic" "mind-blowing," and "astonishing." Cahn followed it with bestseller after bestseller but he has always held off on writing a sequel. But now, for the first time, Cahn opens up what could not be unlocked before - the mysteries that couldn't be revealed until the present time, the manifestations that have taken place since *The Harbinger* came out and up to the present hour, and the mysteries of what is yet to come. Ever since *The Harbinger* was released, people have been asking... Is an ancient mystery determining America's future? Have the harbingers of judgment continued to manifest on American soil? Is America closer now than ever before to judgment and what lies ahead for America and the world? *The Harbinger* ended by speaking of what was yet to come. That which was written is now coming true. After years of holding back, because he believed it wasn't yet the time, Jonathan Cahn has now written the sequel. *The Harbinger II* is being hailed as "a prophetic masterpiece" even more powerful and stunning than the first book and will take the mystery to new dimensions and disclose what could not be revealed in *The Harbinger* or until now. *The Harbinger II* will open up the mysteries of the Gate, the Watchmen, the Mystery Ship, the Word in the Ruins, the Book of Days, the Image, the Judgment Tree, the Children of the Ruins, the Convergence, the Handwriting on the Wall, and much more. It will ultimately reveal the mystery of what is yet to come, including the Shakings, the Plague, the Western Terrace, the Island, the Day of the Watchman, and more. As in the first book, the mysteries and revelations of *The Harbinger II* are completely real and are determining the course of world events to this day. And the mysteries are, likewise, revealed through a narrative. In *The Harbinger II*, the reader will witness the return of Nouriel, Ana Goren, and the mysterious figure known as "the prophet." The prophet will now continue the revelation from where it left off and open up mysteries as stunning and mind-blowing as the first. As in the prophet's first appearance, the revelations will be unlocked, one by one, through the giving of ancient seals, but also through dreams, and a little girl as mysterious as the prophet. In *The Harbinger II* the reader will be taken on a mysterious and epic journey to uncover the new revelations: from an island in the waters of New England, to the steps of the Supreme Court, to the top of the tower at Ground Zero, to a primeval forest, to the House of Faces, to the pedestal of the Statue of Liberty. *The Harbinger II* will also reveal the answer and the keys we each need to have for the days that lie ahead. After reading *The Harbinger II*, you will never see the world the same way again. Prepare to be blown away!

The Tenth Harbinger Jan 04 2021 *The Harbinger* by Jonathan Cahn, on the New York Times Bestseller list for an amazing 52 straight weeks, opened America's eyes to the incredible accuracy with which nine harbingers (prophetic signs) derived from the Isaiah 9:10 prophecy foretold the destruction of the World Trade Center towers on 9/11/2001, the economic collapse of 2008, and possibly the end of the U.S.A. as a sovereign nation in the near future. However, because Cahn failed to recognize the prophetic significance of an item that was

discovered in the rubble of the north tower of the World Trade Center on January 31, 2002, by official 9/11 photographer, Gary Marlon Suson, The Harbinger is incomplete. This book, The Tenth Harbinger, explains, based on thorough historical documentation and solid Scriptural support, how the item that has been overlooked by Jonathan Cahn and virtually all other expositors of Bible prophecy links Isaiah 9:10 to hundreds of other verses of prophetic Scripture that reveal the exact identity and three-fold destiny of the U.S.A., plus what the Lord commands His people in America to do before the soon-coming holocaust occurs. This book, The Tenth Harbinger, was first published in 2013, but much water has passed under the prophetic/current events bridge since that date, continuing to fulfill its implications in an astonishing way. Hence, this update.

Lost Prophecies Of The Future Of America Dec 23 2019 For decades, people all over the world have been having supernatural experiences in which God has shown them the future of America. These prophecies are incredibly detailed, they are remarkably consistent, and some of them have already started to come to pass. Unfortunately, most people have absolutely

no idea that these prophecies actually exist. Most of them have been buried under the sands of time and have long been forgotten, but now the events that these prophecies foretold are starting to happen right in front of our eyes. In this book, you will find hundreds of direct quotes from prophetic voices all over the globe. Some of the topics covered include coronavirus and the coming pandemics, economic collapse and famine, civil unrest and martial law, the coming New Madrid earthquake, west coast seismic events, dreams and visions of a massive east coast tsunami, and World War III. The most difficult period of time in all of U.S. history is ahead, and most Americans are completely and utterly unprepared for the "perfect storm" that is now upon us. This book will shake many readers to the core, but it is also a book of hope. Even in the midst of all the chaos and darkness, God will be doing something really big. He knew about everything that would happen in advance, He is in control, and He has a plan. We will be the generation that witnesses the greatest move of God and the greatest harvest of souls in the history of the world, and God specifically placed you at this moment in history for a reason. This book will be one of the scariest things you ever read, but it will also be one of the most encouraging because it will inspire you to surrender to God's plan and to become the person that you were created to be.

The Wormwood Prophecy Jan 22 2020 Does the Bible predict an asteroid...or something else? This book will challenge your interpretation of end-times theology and help you

sharpen your understanding in light of current times. Does Revelation 8:10-11 describe an asteroid? Is the Wormwood star from Revelation 8 already headed toward Earth? Are NASA and high-level government officials aware of an asteroid that is on a collision course with our planet? Is that why President Trump sanctioned a colossal increase to planetary defense? Do the prophecies from ancient cultures and religions across the globe all point to a catastrophic planetary event that has scientists and politicians taking extreme preventative measures under the public radar? Earth is not currently prepared for the scope of impact that may be just around the corner, and people in high places know it... But what will the biblical Wormwood actually be? Traditional scholarly interpretation claims it will be an asteroid. Others postulate that the eschatological poisoning of one-third of all Earth's waters and the devastation of our planet's ecology might not be as detectable as we may believe: it could hit suddenly and without warning, like an angel of God appearing in the sky with fire and light, bringing judgment in an instant. Follow Thomas Horn as he blazes a trail through these questions and many others, posing answers that very few in the church today are willing to provide. FEATURES AND BENEFITS: Examines asteroid threats to Earth, including Apophis (named after the Egyptian god of chaos), which is a topic of serious discussion among experts in planetary defense Includes interviews with government impact specialists, scientists, Bible scholars, and prophecy experts

The Return of the Gods Oct 13 2021 NEW YORK TIMES Best-Selling Author From the author that brought you 6 New York Times best-selling books including *The Harbinger*, *The Book of Mysteries*, *The Oracle* and *The Harbinger II* Is it possible that behind what is taking place in America and the world lies a mystery that goes back to the gods of the ancient world...and that they now have returned? *The Return of the Gods* is the most explosive book Jonathan Cahn has ever written. It is so explosive and so revealing that no description here could do it justice. Jonathan Cahn is known for revealing the stunning mysteries, many from ancient times, that lie behind and are playing out in the events of our times. But with *The Return of the Gods*, Cahn takes this to an entirely new level and dimension. *The Return of the Gods*, Cahn takes the reader on a journey from an ancient parable, the ancient inscriptions in Sumer, Assyria, and Babylonia that become the puzzle pieces behind what is taking place in our world to this day, specifically in America. Is it possible that what we in the modern world take as nothing more than ancient mythology could actually possess a reality beyond our fathoming? Who is the Possessor? The Enchanter? The Destroyer? And the Sorceress? Could a sign that has appeared all over America and the world be linked to the gods of Mesopotamia? And if so, what does it actually mean? Could the gods have returned to New York City and an ancient mythology played out on the streets in real time? Is it possible that the gods lie behind everything from what appears on our computer monitors, our televisions and movie screens; to the lessons given in our classrooms; to the breakdown of the family; to wokism; to the occult; to our addictions; to the Supreme Court; to cancel culture; to children's cartoons; to every force and factor that has transformed the parameters of gender; to that which appears in our stores, on our T-shirts, and on our coffee mugs—to that which is, at this very moment, transforming America and much of the world? Is it possible that behind all these things are ancient mysteries that go back to the Middle East and ancient Mesopotamia? This and so much more, most of which we can't even reveal in this description, will be uncovered. *The Return of the Gods* is not only one of the most explosive books you'll ever read but also one of the most profound. It will reveal the most stunning secrets and truths behind what is happening before your eyes in America and the nations. You will see things, even in your world, in a whole new light. With such chapters as "The House of Spirits," "The Avatar," "The Masters," "The Deep Magic," and "The Day of the Goddess," *The Return of the Gods* will take readers on a fascinating, unforgettable, and mind-blowing journey that will leave them stunned and with the ability to see the world as they never have before. Be prepared to be blown away as you open up Jonathan Cahn's most explosive book ever, *The Return of the Gods*!

The Harbinger Nov 13 2021 In *The Harbinger: Fact or Fiction?* author David James exhaustively documents and responds to the serious flaws found throughout the New York Times

best-seller from Charisma Media, The Harbinger. Messianic rabbi Jonathan Cahn believes he has discovered an "ancient mystery" in Isaiah 9:10 that "explains everything from 9/11 to the collapse of the global economy." As Cahn states at the beginning of his book "What you are about to read is presented in the form of a story, but what is contained within the story is real." Many have accepted Cahn's message as being genuinely from God. However, David James has clearly demonstrated that The Harbinger falls far short of meeting the biblical requirements for such a message from God, being based on the mishandling of Scripture, faulty theology, misleading statements, the selective use of historical facts, and unsupported speculation.
