A human. I'm dying to claim the redhead who lights up the club every Saturday night. I want to pull her into the storeroom and make her scream, but it wouldn't be right. She's too pure. Too fresh. Too passionate. Too human. When she learns my secret, my alpha orders me to wipe her memories. But I won't do it. Still, I'm not mate material—I can't mark her and bring her into the pack. What in the hell am I going to do with her? The gripping first installment in New York Times bestselling author Tahereh Mafi's Shatter Me series. One touch is all it takes. One touch, and Juliette Ferrars can leave a fully grown man gasping for air. One touch, and she can kill. No one knows why Juliette has such incredible power. It feels like a curse, a burden that one person alone could never bear. But The Reestablishment sees it as a gift, sees her as an opportunity. An opportunity for a deadly weapon. Juliette has never fought for herself before. But when she's reunited with the one person who ever cared about her, she finds a strength she never knew she had. And don't miss Defy Me, the shocking fifth book in the Shatter Me series! My three intended mates left me rejected, half-marked, and broken. Every wolf shifter dreams about her first night with her mates, but mine left me an outcast with the revelation that I'm really a hybrid. A hybrid between a wolf and what is the question. Only my late mother knows the answer, but these days, I have other things to worry about. Namely, being caught in a war between my gorgeous jerk of a boss and the hunter who's somehow become my friend with benefits. Until the consequences of my incomplete mating mark leave me in physical anguish each full moon, that is--and the only thing keeping the monster in my veins at bay is the dark gift of a vampire lord who thinks I'm something else entirely. Something that makes me more dangerous than anyone could have imagined--especially me. Like I don't have enough infuriating (but admittedly tantalizing) alpha males on my plate, now the three wolves who threw me away are back, trying to stake their claim now that I'm their only hope of overthrowing my unhinged father as regional alpha. If the men in my life don't make up their minds soon, I'm booking a one-way ticket to an all-female island.
