The Religion of The Heart, A

Manual of Faith And Duty, . London, Chapman, 1853.

Scouting Our Way celebrates a century of the Boy Scouts of America's rich, faith-based heritage. It embraces the spirit of Scouting and renews the religious bedrock of Lord Robert S.S. Baden-Powell's pioneering experiment in shaping good character in youth and preparing them to do their best. His founding moral principles and ideals embodied in the Boy Scouts of America's Oath and Law are brilliantly illuminated in the book through prayers and devotions from over thirty religions and denominations. Scouting Our Way includes an extraordinary selection of traditional and favorite Scout prayers and devotions arranged by program and activity suitable for personal reflection and group gatherings. There is also a prayer journal inside the book for Scouts to record their personal and favorite prayers. At the end of each chapter are Set My Compass interactive, theme-based adventures where the reader can engage with unique chapter topics through faith-building activities. Each Set My Compass exercise is an enlightening, personal, and sharing experience for Scouts to appreciate the blessings and value of reverence, duty, and fellowship. These chapter tasks are readily adaptable for age and program and are an ideal complement to earning advancement, service or religious honors requiring an understanding and the role of a Scout's duty to God. Scouting Our Way also features a journey of prayer in America from the country's foremost leaders and personalities during landmark events in our nation's history. Included, as well, are inspiring words from the presidents of the United States opening with Theodore Roosevelt to the current chief of state speaking on the importance of

religious diversity and fellowship among all citizens in building this great nation. Scouting Our Way is distinctive in the body of published works on religious diversity and interfaith understanding. It is an indispensable resource for meditation and spiritual growth. Scouts, leaders, parents, teachers, and mentors will also find it essential for use at meetings, outings, ceremonies, and special events where people of one or many faiths come together to celebrate the spirit and adventure of Scouting. This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. This work was reproduced from the original artifact, and remains as true to the original work as possible. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant. A nuanced portrait of a great historical figure considered everything from a “God-haunted man” to a “stalwart nonbeliever” What did faith mean to Winston

Churchill? Churchill was far from transparent about his religious beliefs and never regularly attended church services as an adult, even considering himself “not a pillar of the church but a buttress,” in the sense that he supported it “from the outside.” But Gary Scott Smith assembles pieces of Churchill’s life and words to convey the profound sense of duty and destiny, partly inspired by his religious convictions, that undergirded his outlook. Reflecting on becoming prime minister in 1940, he wrote, “It felt as if I were walking with destiny, and that all my past life had been but a preparation for this hour and for this trial.” In a similarly grand fashion, he described opposing the Nazis—and later the Soviets—as a struggle between light and darkness, driven by the duty to preserve “humane, enlightened, Christian society.” Though Churchill harbored intellectual doubts about Christianity throughout his life, he nevertheless valued it greatly and drew on its resources, especially in the crucible of war. In *Duty and Destiny*, Smith unpacks Churchill’s paradoxical religious views and carefully analyzes the complexities of his legacy. This thorough examination of Churchill’s religious life provides a new narrative structure to make sense of one of the most important figures of the twentieth century.

'...there is no finer human being in public life than John Anderson' Prime Minister John Howard, October 10, 2004
Australia's former Deputy Prime Minister John Anderson is the subject of a revealing and intimate portrait from Melbourne writer, Paul Gallagher. *Faith and Duty* charts the National Party leader's long-time political partnership with John Howard while revealing the pain and tragedies of a remarkable life. From the nightmare of his

sister's accidental death to the loss of his infant son in the midst of political storms, Anderson's story is a uniquely candid account of personal triumph, family strength, unwavering integrity and faith and determination in the face of great loss.
