It is NOT a stand-alone story. It is the SECOND installment in an MM Shifter based Romance Series with an MPREG storyline throughout the series. I like things a little dark. This is not for everyone! It will most likely have an HEA, but no surprises will be ruined today..there's another book...stay tuned!

The Alpha's Mate Oct 21 2021 Alpha of the Penhul pack with a human mate? Never going to happen. Addison knows grief can do strange things to people, but when he's wandering Pendle Hill and witnesses a dog leap out of thin air, he thinks he must be going crazy. When the border collie morphs into a man--a very naked man--he has to be dreaming. Only when he wakes to find himself cold and alone, locked inside a bare stone room does he wonder if it was the start of a nightmare. As the youngest alpha the Penhul pack has ever had, Drake knows he has a lot to prove. Increasing their dwindling numbers is hard enough but convincing his pack they can do so by working alongside humans is like trying to teach an old dog new tricks. He was taught, as all familiars are, that humans can't be trusted, especially not with their secret. It's no surprise, then, that he has no idea what to do when a member of his own pack brings a human prisoner to their den. But he's definitely not prepared for the reaction the human elicits from him. Can Drake put aside their differences, and Addison come to accept their similarities, to save the Penhul pack from danger? A threat that may end up costing Drake not only his life but that of his fated mate? This M/M romance from Beth Laycock features enemies to lovers, forced proximity, fated mates, sexy men that shift into adorable dogs, and of course a happy ending. Book 1 of the Penhul pack series.

The Rising Dec 11 2020 Templar I'm a timekeeper. As the seventh son of a seventh son, I was born a timekeeper. I can't really say it's a job I enjoy, but the compulsion to provide my services is something I've just learned to live with. It's often a thankless job. I've learned to live with that as well. When my brother asks for my services, I can't deny him, but the moment I step into his office, my life is changed forever. One, my brother has been kidnapped. Two, the shifter he sent to protect me is gorgeous from the top of his head to the bottoms of his feet and every luscious inch in-between. It's just too bad he's a moron. Sebastian My friend and former platoon leader made me promise to protect his baby brother if anything ever happened to him. Watching him get kidnapped at gun point put that promise into play. I just wish he'd told me that Templar dabbled in black magic, something a shifter--especially a gargoyle--avoids at all costs. Magic users are evil and everyone knows it. Between magical wards, ghostly spirits, and an insane maniac out to kill us, I know I'm in over my head. I'm just not sure what to do about it. Not only do I need to save my friend and my brother--who died a month ago--but I need to save Templar from himself. It wasn't a choice I had. He's my mate.

An Alpha Bear For Lucian Jan 30 2020 Aspen didn't know you could accidentally become Alpha of a Den, but that's exactly what he just did. Alpha bear shifter Aspen was ready to begin his new life in the big city. He has a job lined up, a lease signed, and his truck packed. All he has left is to get there. Too bad that's easier said than done, because his truck picked the middle of nowhere to break down—alongside a bear den's land of all places. When Aspen seeks permission to spend the night, he plans to keep his head down and just mind his own business and he does, until he hears the scream that changes everything. Omega bear shifter Lucian hates his den. No, that isn't fair. It isn't the den he hates as much as the leadership. When the Alpha he had most of his life died, he crossed his fingers the new one would bring their den into this century. He didn't—the new Alpha is not only old-school, but also cruel. When rumors of an alpha bear seeking refuge until his truck is repaired reach him, Lucien forms a plan. If he can convince the shifter to take him when he leaves, he can escape this horrible life. Sneaking out to find the new bear sounded like a great idea, until Lucian gets caught. His den Alpha is a strike first kind of guy, and strike he does. Lucien knows better than to scream, as it only makes the punishments worse, but scream he does, the pain too much to hold inside. A flurry of fur and teeth, a dead Alpha, and the scenting of his fated mate leaves the visiting shifter as their new Alpha. So much for best laid plans. An Alpha Bear for Lucian is the first book in the anticipated Bruin Ridge Bear-ginning series, a sweet with knotty heat M/M Mpreg Shifter Romance by the popular writing team of Colbie Dunbar and Lorelei M. Hart. It features an alpha bear thrown into a role he is woefully unprepared for, an omega whose plans for the future very much did not include being his den's Alpha Omega, a pack on the verge of collapse, the challenge that changes everything, true love, fated mates, and of course, an adorable baby. If you love your shifters hawt, your omegas strong, and your mpreg with heart, download your copy of An Alpha Bear for Lucian today.
