Distant Desires Nov 19 2021 *Distant Desires* An erotic tale from beyond the stars Sophie Perez has never believed the stuff she reads online about possible life in space. Aliens are for the movies, for the weirdoes, and they most definitely are not real. One night on the way home from a late shift at work, her car breaks down. Stranded on the side of a country road, with a dead cell phone, doesn't seem like that big of a deal. Until strange neon lights appear in the sky. She thinks it is her imagination. When an inexplicable circular ship appears overhead, she can't deny what's clearly right in front of her. Especially when moments later, she's taken onto the ship, a human hostage among those who are most definitely not human. About to become a human guinea pig, possibly worse, the last thing she ever expects is to like the things these otherworldly beings subject her to. In fact, it is unlike anything she's ever experienced. Will Sophie find her way back to her planet, or will she beg to stay where her pleasure is literally out of this world?

Ten Below Zero Jan 28 2020 "In here," he said, pushing on the skin above my heart, "you're ten below zero. And you're closer to death than I am." My name is Parker. My body is marked with scars from an attack I don't remember. I don't want to remember. I choose to live my life by observation, not through experience. While people are laughing and kissing and connecting, I'm in the corner. Watching them live. I'm indifferent to everything, everyone. The only emotion I feel with any kind of depth is annoyance, and I feel it often. A text message sent to the wrong number proves to be my undoing. His name is Everett, but I call him rude. He's pushy, he's arrogant, he crowds my personal space, and worst of all: he makes me feel. He chooses to wear all black, all the time, as if he's waiting to attend a funeral. Probably because he is. Everett is dying. And he's spending his final days living, truly living. In doing so, he's forcing me to feel, to heal. To come face to face with the demons I suppressed in my memory. He hurts me, he fulfills me, he completes me. And still, he's dying.

Until You Mar 04 2023 From New York Times and USA Today bestselling author Penelope Douglas comes a companion novel to *Bully*, for fans of Colleen Hoover. This is Jared's story. Have you ever been so angry that hitting things felt good? Or numb to all emotions? The past few years have been like that for me. Traveling between fury and indifference with no stops in between. Some people hate me for it, while others are scared of me. But none of them can hurt me, because I don't care about anything or anyone. Except Tatum. I love her so much that I hate her. I hate that I can't let her go. We used to be friends, but I found out that I couldn't trust her—or anyone else. So I hurt her. I pushed her away. But I still need her. She centers me. Engaging her, challenging her, pushing her—it's the one last part of me that feels anything anymore. But then she went and screwed everything up. She left for a year and came back a different girl. Now, when I push, she pushes

back...and I'm not sure either one of us will ever be the same. Includes a teaser for RIVAL, the next unforgettable novel from Penelope Douglas...

Falling Away Apr 12 2021 My name is Benjamin Dorsey. You know my mom and dad's story. You know Kylie's parents' story. You even know Kylie's story. You don't know mine, yet. You don't know what a broken heart is until you've loved someone your whole life, only to have her slip through your fingers because you waited too long. That's heartbreak. That's regret. And how do you live with that? How do you go through the motions when she's there as a reminder of what you lost, of what you could have had but were too damn chicken to go after? I couldn't. So I left. That's right, I ran away. I found myself across the continent, playing minor league football. I mean, at least I still had football, right? Nope. That got taken away from me too. A career-ending injury left me down-and-out, scraping the bottom of the barrel, hating myself and hating life. And then I met Cheyenne Leveaux, my physical therapist, who became my one and only friend, the one bright light in the darkness of my messed up life. But of course nothing is ever simple, or easy. Tragedy struck, and the rug was swept out from under me yet again, and this time the guilt, the doubt, the secrets, and the old heartbreak may threaten my one chance at true happiness, my one shot at my own happily ever after.

One Hundred Years of Solitude May 14 2021 One of the twentieth century's enduring works, *One Hundred Years of Solitude* is a widely beloved and acclaimed novel known throughout the world and the ultimate achievement in a Nobel Prize-winning career. agrees to go to Sunshine Falls, North Carolina for the month of August when Libby begs her for a sisters' trip away—with visions of a small town transformation for Nora, who she's convinced needs to become the heroine in her own story. But instead of picnics in meadows, or run-ins with a handsome country doctor or bulging-forearmed bartender, Nora keeps bumping into Charlie Lastra, a bookish brooding editor from back in the city. It would be a meet-cute if not for the fact that they've met many times and it's never been cute. If Nora knows she's not an ideal heroine, Charlie knows he's nobody's hero, but as they are thrown together again and again—in a series of coincidences no editor worth their salt would allow—what they discover might just unravel the carefully crafted stories they've written about themselves.

Into the Wild Dec 09 2020 Krakauer's page-turning bestseller explores a famed missing person mystery while unraveling the larger riddles it holds: the profound pull of the American wilderness on our imagination; the allure of high-risk activities to young men of a certain cast of mind; the complex, charged bond between fathers and sons.

"Terrifying... Eloquent... A heart-rending drama of human yearning." —New York Times In April 1992 a young man from a well-to-do family hitchhiked to Alaska and walked alone into the wilderness north of Mt. McKinley. He had given \$25,000 in savings to charity, abandoned his car and most of his possessions, burned all the cash in his wallet, and invented a new life for himself. Four months later, his decomposed body was found by a moose hunter. How Christopher Johnson McCandless came to die is the

unforgettable story of *Into the Wild*. Immediately after graduating from college in 1991, McCandless had roamed through the West and Southwest on a vision quest like those made by his heroes Jack London and John Muir. In the Mojave Desert he abandoned his car, stripped it of its license plates, and burned all of his cash. He would give himself a new name, Alexander Supertramp, and, unencumbered by money and belongings, he would be free to wallow in the raw, unfiltered experiences that nature presented. Craving a blank spot on the map, McCandless simply threw the maps away. Leaving behind his desperate parents and sister, he vanished into the wild. Jon Krakauer constructs a clarifying prism through which he reassembles the disquieting facts of McCandless's short life. Admitting an interest that borders on obsession, he searches for the clues to the drives and desires that propelled McCandless. When McCandless's innocent mistakes turn out to be irreversible and fatal, he becomes the stuff of tabloid headlines and is dismissed for his naiveté, pretensions, and hubris. He is said to have had a death wish but wanting to die is a very different thing from being compelled to look over the edge. Krakauer brings McCandless's uncompromising pilgrimage out of the shadows, and the peril, adversity, and renunciation sought by this enigmatic young man are illuminated with a rare understanding--and not an ounce of sentimentality. Mesmerizing, heartbreaking, *Into the Wild* is a tour de force. The power and luminosity of Jon Krakauer's storytelling blaze through every page.

The Woman at the Front Feb 08 2021 A daring young woman risks everything to pursue a career as a

doctor on the front lines in France during World War I, and learns the true meaning of hope, love, and resilience in the darkest of times. When Eleanor Atherton graduates from medical school near the top of her class in 1917, she dreams of going overseas to help the wounded, but her ambition is thwarted at every turn. Eleanor's parents insist she must give up medicine, marry a respectable man, and assume her proper place. While women might serve as ambulance drivers or nurses at the front, they cannot be physicians—that work is too dangerous and frightening. Nevertheless, Eleanor is determined to make more of a contribution than sitting at home knitting for the troops. When an unexpected twist of fate sends Eleanor to the battlefields of France as the private doctor of a British peer, she seizes the opportunity for what it is—the chance to finally prove herself. But there's a war on, and a casualty clearing station close to the front lines is an unforgiving place. Facing skeptical commanders who question her skills, scores of wounded men needing care, underhanded efforts by her family to bring her back home, and a blossoming romance, Eleanor must decide if she's brave enough to break the rules, face her darkest fears, and take the chance to win the career—and the love—she's always wanted.

Kill Switch Sep 17 2021 "I've done far worse than what I went to prison for. She has no idea how bad this can get." WINTER Sending him to prison was the worst thing I could've done. It didn't matter that he did the crime or that I wished he was dead. Perhaps I thought I'd have time to disappear before he got out or he'd cool off in jail and be anything but the horror he was. But I was wrong. Three years came and went too fast, and now he's anything but calm. Prison only gave him time to plan. And while I anticipated his vengeance, I didn't expect this. He doesn't want to make me hurt. He wants to make everything hurt. DAMON First thing's first. Get rid of her daddy. He told them I forced her. He told them his little girl was a victim, but I was a kid, too, and she wanted it just as much as I did. Step two... Give her, her sister, and her mother nowhere to run and no fuel to escape. The Ashby women are alone now and desperate for a knight in shining armor. But that's not what's coming. No, it's time I listened to my father and took control of my future. It's time I showed them all--my family, her family, my friends--that I will never change and that I have no other ambition than to be the nightmare of their lives. Starting with her. She'll be so scared, she won't even be safe in her own head by the time I'm done with her. And the best part is I won't have to break into her home to do it. As the new man of the house I have all the keys.*Kill Switch is the third installment in the Devil's Night series. It is
