Until now, there has been little in the way of detailed information on the magical effects of the Equinox and Solstice. Now, this book explores the deeper roots behind the Equinox and Solstice traditions and their astrological significance. It explains the Golden Dawn's ceremonies in both hermetic and pagan terms, and presents, for the first time in print, the Golden Dawn's full ritual on the equinox. This limited edition contains 10 volumes, all the original color art, and is complete and unabridged. The binding follows the style of the rare cloth edition published in London. Essential reading for the student of Crowley as cross-references to it are found in nearly all his writings. This volume is the first comprehensive survey of iconic books and texts. It traces their development and influence from ancient to modern times and compares their roles in multiple cultures and religious traditions. The Equinox (subtitle: "The Review of Scientific Illuminism") is a series of publications in book form that serves as the official organ of the A.A., a magical order founded by Aleister Crowley (although material is often of import to its sister organization, Ordo Templi Orientis). Begun in 1909, it mainly features articles about occultism and magick, while several issues also contain poetry, fiction,

plays, artwork, and biographies. [Links to all books](#)
www.facebook.com/equinoxofgods The Equinox (subtitle: "The Review of Scientific Illuminism") is a series of publications in book form that serves as the official organ of the A.A., a magical order founded by Aleister Crowley (although material is often of import to its sister organization, Ordo Templi Orientis). Begun in 1909, it mainly features articles about occultism and magick, while several issues also contain poetry, fiction, plays, artwork, and biographies. Welcome to www.lulu.com/spotlight/equinox_crowley In the original ten volumes of the Equinox, Aleister Crowley succeeded in synthesizing the aim of religion and the method of science. Israel Regardie's selections in *Gems of the Equinox* make a volume that is invaluable to readers, students, and adepts. It includes material on Crowley's magical order, magical rituals, yoga, invocations, and sex magick, among many other topics. *Gems from the Equinox* is a unique resource that serves as a veritable textbook for the magickal orders AA and O.T.O. Although it is written for the advanced practitioner, beginners will gain much from its many pages of wisdom, including yoga postures and breathing techniques, ceremonial rituals and meditations, an Enochian magick primer, and *The Book of the Law*. In *Gems from the Equinox*, Israel Regardie's selections of Aleister Crowley's writings synthesize the aim of religion and the method of science, making it invaluable to readers, students, and adepts. *Gems* is a must have for every student of Occultism, Mysticism, Thelema, Magick, and comparative religion. The Red Equinox has dawned, and the old gods who have slept for aeons are stirring. Urban explorer and photographer Becca Philips was raised in the shadow of Miskatonic University, steeped in the mysteries of her late grandmother's work in occult studies. But what she thought was myth becomes all too real when cultists unleash terror on the city of Boston. Now she's caught between a shadowy government agency called SPECTRA and the followers of an apocalyptic faith bent on awakening an ancient evil. As urban warfare breaks out between eldritch monsters and an emerging police state, she must uncover the secrets of a family heirloom known as the Fire of Cairo to banish the rising tide of darkness before the balance tips irrevocably at the Red Equinox. The Equinox became the standard for English language esotericism in the early 20th century, aptly termed the "Encyclopedia of Initiation" by its principal editor and contributor, Aleister Crowley. This ten-volume collection had remarkable variety, depth, and the

utility of its contents encompass Qabalah, tarot, yoga, and the essential papers of Crowley's teaching order, A.A. Unfortunately, much of this material is currently out of print. Now, renowned scholar and U.S. Deputy Grandmaster General of the O.T.O., Lon Milo DuQuette offers readers *The Best of the Equinox, Volume One* of this four-volume collection presents readers with the Enochian selections from *The Equinox* and contains the Enochian Magic of John Dee and Edward Kelley--perhaps the most powerful and most popular of all magical systems. Selected by DuQuette from both in-print and out-of-print editions of *The Equinox*, this is an affordable volume for Crowley fans, packed with high magick. First published in Detroit in 1919, the legendary *Blue Equinox* was Crowley's first attempt to publicize the principles and aims of the magical secret society *Ordo Templi Orientis* (O.T.O.) and its allied order the A.'.A.'. In it, Crowley laid out the esoteric, social, ethical, and philosophical ideas that he believed provided the framework for a new ethics and the liberated morality of the future. Upon publication, the book was threatened with suppression by the authorities of the day. Many of the papers in the *Blue Equinox* anticipated social liberties we tend to take for granted today. Along with his written works, Aleister Crowley's legacy includes the organization he is credited with founding, the OTO or *Ordo Templi Orientis* -- *The Order of Oriental Templars*. This book contains key introductory material to this contemporary occult society, along with a history of the Order after Crowley's death. The format of this edition matches that of the first *Equinox* series published with Crowley as editor and includes magical instruction, communications to OTO members (all the dirt on court cases the OTO has been involved in), and original works of fiction and poetry. As part of this latter category, this book features an illustrated study of the works of underground filmmaker Kenneth Anger with a complete filmography. It could be argued that Aleister Crowley (1875-1947) anticipated the entire New Age phenomenon with his methods of teaching, codified in the tenets of the OTO. A rich melange of ritual magic, traditional spiritual practice, drug use, and sex, borrowing from many different cultures and traditions, informed the development of this lasting magical system. Although he's been popularized (and demonized) as *The Beast, 666*, his teachings have shown lasting value. *The Equinox* (subtitle: "The Review of Scientific Illuminism") is a series of publications in book form that serves as the official organ of the A.A., a magical order founded by

Aleister Crowley (although material is often of import to its sister organization, Ordo Templi Orientis). Begun in 1909, it mainly features articles about occultism and magick, while several issues also contain poetry, fiction, plays, artwork, and biographies. Selections from writings of Aleister Crowley on sex magick as published in the famed magical journal the Equinox. The Equinox, in print from 1909-1919, was a magical journal published by Aleister Crowley and included Crowley's own A...A... laws, rituals and rites, reviews, and magical works by other important practitioners. Much of this material was collected by Israel Regardie and published in the massive Gems from the Equinox (1974). Now, renowned scholar and U.S. Deputy Grandmaster General of the O.T.O. Lon Milo DuQuette presents readers with his own selections from this classic publication, The Best of the Equinox. Volume III of the series presents perhaps the most controversial of esoteric subjects, sex magick. Once Aleister Crowley grasped the fundamentals of sexual magick, he came to understand it to be the key that unlocks the secrets of the universe. He dedicated the entire second half of his life to exploring its mysteries. This volume presents the bulk of Crowley's written works on the subject and includes "The Gnostic Mass," "Energized Enthusiasm," "Liber A'ash," "Liber Chath," and "Liber Stellae Rubeae." The Equinox (subtitle: "The Review of Scientific Illuminism") is a series of publications in book form that serves as the official organ of the A.A., a magical order founded by Aleister Crowley (although material is often of import to its sister organization, Ordo Templi Orientis). Begun in 1909, it mainly features articles about occultism and magick, while several issues also contain poetry, fiction, plays, artwork, and biographies. Links to all books

www.facebook.com/equinoxofgods Everyone is not as they seem in this fantasy novel, replete with war, witchcraft and secrets. ★★★

"CINDERELLA MEETS TWILIGHT" - BOOK REVIEW ★★★ After her mother's death, Taylor Hale goes to live with her father on the remote island of Dawnhaven. She's dreading it, but she has a plan: she'll keep her head down, survive senior year, and ignore that her wicked stepmother treats her like trash. Then she meets wealthy summer resident James Champlain, and everything changes. James is tall and strapping, with a square jaw. In addition to his looks, he's charming, funny, and kind. Taylor is increasingly drawn to him, but they're from two different worlds. She was on food stamps, he lives off a trust fund. Then there are the rumors: the locals say he's running some sort of

cult at his estate. Taylor doesn't believe it, but James is definitely mysterious--as is Dawnhaven itself. There's something dark in the island woods, something dangerous. When Taylor encounters it, she learns that not only is James not what he appears...nothing is.

★★★This is the first book of a new series, perfect for fans of TWILIGHT and THE VAMPIRE DIARIES. Best for older teens: contains adult language and themes, and there are some scary parts.★★★ Volume II of *The Best of the Equinox* by Aleister Crowley, offers a treasure chest of dramatic rituals. *The Equinox* became the standard for English language esotericism in the early 20th century, aptly termed the "Encyclopedia of Initiation" by its principal editor and contributor, Aleister Crowley. This ten-volume collection had remarkable variety, depth, and the utility of its contents encompass Qabalah, tarot, yoga, and the essential papers of Crowley's teaching order, A. A.

Unfortunately, much of this material is currently out of print. *The Best of the Equinox, Volume II*, curated by scholar and U.S. Deputy Grandmaster General of the O.T.O., Lon Milo DuQuette, collects the best of Crowley's material from both in-print and out-of-print editions of *The Equinox*. For Crowley collectors and the curious alike, this is an accessible, affordable volume packed with high magick and secrets.

The discerning reader will notice a similarity in title between this comprehensive volume and the book known as "Gems from the Equinox". We feel this book is a superior product because, unlike *Gems*, this tome does not have 250pp of sarcastic reviews. In that other volume, editor Israel Regardie noted the difficulty of organizing the contents by subject matter, citing that some instructions included both Yoga and Magical references. We have tackled that problem by organizing the material by the grade in which it is to be worked.

Thoughtful consideration has led us to move a very few of these instructions in an effort to make the whole system easier to comprehend. Here is a partial list of items in *Diamonds*, that are not in *Gems*: *The Praemonstrance of the A.'.A.'. , The Curriculum of the A.'.A.'. , Students Reading List, Liber E Supplementary Instruction in Asana, Postcards to Probationers, X-Rays on Ex-Probationers, The Treasure House of Images, A Description of the Cards of the Tarot, Liber Gaias, The Earth, Liber Viarum Viae, The Dangers of Mysticism, The Training of the Mind, A Note on Genesis, Science and Buddhism, The Soldier and the Hunchback, The High History of Good Sir Palamedes, The Chymical Jousting of Brother Perardua, Aha!, Across*

the Gulf, Adonis, Two Fragments of Ritual, The Wake World, The Ritual Proper for the Invocation of the Augoeides, Thien Tao, The Evocation of Batzibel, The Ship, The Three Worms and The Rites of Eleusis. The Equinox (subtitle: "The Review of Scientific Illuminism") is a series of publications in book form that serves as the official organ of the A.A., a magical order founded by Aleister Crowley (although material is often of import to its sister organization, Ordo Templi Orientis). Begun in 1909, it mainly features articles about occultism and magick, while several issues also contain poetry, fiction, plays, artwork, and biographies. Dr. Theo Cray and FBI agent Jessica Blackwood follow a deadly celestial trail in a thrilling novel by the Amazon Charts and Wall Street Journal bestselling author of Mastermind. A signal is detected at the outer edge of the solar system. Computational biologist Dr. Theo Cray and magician-turned-FBI-agent Jessica Blackwood are looking--and listening--a little closer. The man at the center of this cosmic mystery is billionaire Thomas T. Theismann. He's spent a lifetime--and a fortune--trying to find out if we're alone in the universe. Highly skeptical, Theo joins the effort to find the source of the signal, and he quickly enlists Jessica to look into the suspicious death of another academic at the lab. As their investigations converge, they uncover curious connections to the otherworldly contact, including a 1970s science-fiction writer and the body of an astronaut found buried in an ancient tomb. As they delve into Theismann's history, Theo and Jessica's fascination with the signal intensifies. How dangerous will the investigation get? That depends on how deep into the unknown Theo and Jessica are prepared to venture. The Equinox became the standard for English language esotericism in the early 20th century, aptly termed the "Encyclopedia of Initiation" by its principal editor and contributor, Aleister Crowley. This ten-volume collection had remarkable variety, depth, and the utility of its contents encompass Qabalah, tarot, yoga, and the essential papers of Crowley's teaching order, A.A. Unfortunately, much of this material is currently out of print. Now, renowned scholar and U.S. Deputy Grandmaster General of the O.T.O., Lon Milo DuQuette offers readers The Best of the Equinox: Enochian Magick, Volume I and presents readers with the Enochian selections from The Equinox and contains the Enochian Magic of John Dee and Edward Kelley--perhaps the most powerful and most popular of all magical systems. Selected by DuQuette from both inprint and

outofprint editions of *The Equinox*, this is an affordable volume for Crowley fans, packed with high magick. *The Equinox: Keep Silence Edition, Vol. 1, No. 2* Aleister Crowley's *The Equinox: The Review of Scientific Illuminism*. "The Encyclopedia of Occultism." This edition based on new scans from a copy of the 1909 first edition. All of the images used to create this book were created by taking scans of a first edition copy and then digitally enhancing the black ink and removing the paper texture from the background. The images printed in half-tone were run through a special descreening process to remove the moiré patterns. Digital edition available at <https://keepsilence.org/the-equinox>

The Equinox of the Gods is a book first published in 1936 detailing the events and circumstances leading up to Aleister Crowley's transcription of *The Book of the Law*, the central text of Thelema. *The Equinox of the Gods* has proven itself an elusive and - until now - costly tome for the practitioner or student to acquire. Containing handwritten excerpts from his personal journal, illustrations and *The Book of the Law* in it's entirety. This book will serve as a cornerstone in your library. *The Equinox: Keep Silence Edition, Vol. 1, No. 7* Aleister Crowley's *The Equinox: The Review of Scientific Illuminism*. "The Encyclopedia of Occultism." This edition based on new scans from a copy of the 1909 first edition. All of the images used to create this book were created by taking scans of a first edition copy and then digitally enhancing the black ink and removing the paper texture from the background. The images printed in half-tone were run through a special descreening process to remove the moiré patterns. Digital edition available at <https://keepsilence.org/the-equinox>

Aleister Crowley's *The Equinox: The Review of Scientific Illuminism*. "The Encyclopedia of Occultism." This edition based on new scans from a copy of the 1913 first edition. All of the images used to create this book were created by taking scans of a first edition copy and then digitally enhancing the black ink and removing the paper texture from the background. The images printed in half-tone were run through a special descreening process to remove the moiré patterns. Digital edition available at <https://keepsilence.org/the-equinox>

This book describes the philosophy and the use of Aleister Crowley's Thoth Tarot, a deck of Tarot cards designed by Crowley and co-designed and painted by Lady Frieda Harris. The Thoth Tarot has become one of the best-selling and most popular Tarot Decks in the world. It is also one of the most original interpretations of the tarot, incorporating astrological,

numerological, Egyptian, and Qabalistic symbolism. While there are many other useful guides to this famous tarot deck, there are no others that explain the deck in its designer's own words. The book is divided into four major parts: * Part One: The Theory Of The Tarot. * Part Two: The Atu (Keys or Trumps). * Part Three: The Court Cards. * Part Four: The Small Cards. Part One is further divided into three chapters; Part Two into two chapters and an appendix; Part Three into one chapter; and Part Four into one chapter. The book includes a list of plates depicting the Tarot cards as seen by Crowley and Harris. "First published in the United States of America by Dutton Children's Books ... 2008"--Title page verso. Dr. Israel Regardie's brilliant and beautiful compilation of many of Crowley's best magical writings from the rare and expensive eleven number Equinox. Regardie's original Introduction has been posthumously edited and updated for this new edition. The Encyclopedia of Occultism. This edition based on new scans from a copy of the first edition. This text examines the essentials of the A.A. system of initiation from the preliminary stage of Student to the attainment of the Knowledge and Conversation of the Holy Guardian Angel. Includes extensive biographical data, highly personal diary extracts, ritual workings, several illustrations and a full color reproduction of the Stele of Revealing. Also includes the full text of The Book Of The Law plus a facsimile of Crowley's original handwritten manuscript. The Equinox: Keep Silence Edition, Vol. 1, No. 5 Aleister Crowley's The Equinox: The Review of Scientific Illuminism. "The Encyclopedia of Occultism." This edition based on new scans from a copy of the 1909 first edition. All of the images used to create this book were created by taking scans of a first edition copy and then digitally enhancing the black ink and removing the paper texture from the background.
