Answers to 40 of the most common and difficult questions about baptism and communion. Appropriate for the student and thoughtful layperson, *40 Questions About Baptism and the Lord's Supper* answers forty of the most common and most difficult questions about the two Protestant ordinances. There is significant diversity of views on these subjects and the skilled, evenhanded biblical analysis sheds lights on the many theological and pastoral considerations regarding baptism and communion. Baptism and the Lord's Supper are practiced by almost all Christian churches, but they disagree on the meaning, proper participants, even the proper names for these observances. This book includes the major theological issues (such as infant baptism, open and closed communion, and the nature of God's activity in these celebrations), the views held by different denominations (from Roman Catholic to Lutheran, Reformed, Baptist, and others), and a number of practical issues (such as the proper age at which to baptize a child, the frequency with which the Lord's Supper should be observed, and whether these two practices should be observed only in churches). This volume will be helpful to pastors, worship leaders, college and seminary students, and of interest to all Christians who want to grow in their understanding of these two basic Christian acts of worship. Each chapter is succinct and readable, with footnotes indicating additional sources for those who wish to go further. In *40 Questions About Heaven and Hell*, Alan Gomes surveys the Old and New Testaments to present a comprehensive picture of the afterlife. The question-and-answer format makes it easy to find answers to specific questions on heaven, hell, the intermediate state, the final judgment, and life in eternity. Readers will find solid answers to many vital questions: · What should we conclude about those who claim to have seen heaven or hell? · Is it possible for us to communicate with the dead? · Is there such a place as purgatory? · What will our resurrected bodies be like? · What will we do in the eternal state? · Will there be animals in the eternal state? · What is hell like? · How can a God of love send people to an eternal hell? · Did Jesus "descend into hell" like the Apostles' Creed says? Study notes point to additional resources for learning, and reflection questions at the end of each chapter make the book ideal for small group studies. An accessible survey of the meaning, methodologies, themes, and applications of biblical theology. To understand what the entire Bible teaches about any given subject, we must practice biblical theology. By surveying the whole canon of Scripture, we can best discern what God has revealed about any particular issue. But doing so requires answering a number of important questions: What type of biblical theology will we choose? What overall story does the Bible tell? How should we understand the relationship between the Old and New Testaments? How does our topic fit within salvation history? How do we apply the truths we discover? *40 Questions About Biblical Theology* provides resources to answer these key questions in order to guide readers in their own study and practice of biblical theology. Other vital topics the authors address include how to understand typology, key themes in biblical theology, and how Christians should relate to Old Testament promises. Ideal for courses on biblical theology, for pastors, and for anyone who teaches or interprets Scripture, *40 Questions on Biblical Theology* will deepen your understanding and application of the whole counsel of God. This newest contribution to the *40 Questions* series continues the tradition of excellent research presented in clear, user-friendly writing. *40 Questions About Salvation* makes sense of one of Christianity's most disputed doctrines, covering the most common and difficult questions about election, the order of salvation, and perseverance of the saints. This volume will help pastors, college and seminary students, and all Christians who want to grow in their understanding of what the Bible teaches about salvation. Each chapter is succinct and readable, with a bibliography of additional resources for those who wish to study further. Speaking all over the United States about apologetics issues, Charlie Campbell has heard just about every question skeptics have to offer. In this concise, reader-friendly handbook, he provides brief responses to the top-40 questions that keep people from the faith, such as... What evidence do you have that God exists? How do you know the Bible is actually true? What about those who have never heard of Jesus? Will they be condemned to hell? If God is so loving, why does He allow evil and suffering? How can you say Jesus is the only way to heaven? Don't all religions basically teach the same thing? Aren't a lot of churchgoers hypocrites? With a gracious introductory note to skeptical readers and a generous sprinkling of inspiring quotes throughout, this handy resource is an enjoyable read as well as a powerful evangelistic tool. The interview remains the most important step in finding a job. But in preparation for the interview, many job seekers primarily concentrate on developing answers to anticipated questions. However, recent research shows that the questions asked by the interviewee often carry more weight with interviewers than the questions answered. Here's the first book to reveal the key questions interviewees should always ask at the

interview. The second in the series organized around common FAQs, *40 Questions about Interpreting the Bible* tackles the major questions that students, pastors and professors ask about the hermeneutics of reading the Bible (i.e. understanding the Bible). Relevant questions about prayer answered from the whole witness of Scripture Praying is often the most common yet least understood practice of Christian spirituality. In *40 Questions about Prayer*, scholar and teacher Joseph C. Harrod shares biblical insight on the nature and practice of Christian prayer. Harrod's emphasis on searching the Scriptures results in a trustworthy, practical guide to a vital aspect of Christian belief and behavior, equally appropriate for seminary courses, Bible studies, and personal understanding. The accessible question-and-answer format of *40 Questions about Prayer* allows readers to explore the issues they care most about, such as these: • Does prayer change God's mind? • Does God hear the prayers of unbelievers? • What does it mean to pray in Jesus's name? • How does prayer affect evangelism, spiritual awakening, and revival? • What does it mean to pray "without ceasing" (1 Thess. 5:17)? • Do physical postures affect prayer? A vital Bible resource used in classrooms and churches worldwide now revised and updated. *40 Questions about Interpreting the Bible*, now in a revised second edition, probes the most pressing problems encountered by churchgoers and beginning Bible students when they try to read and understand the Bible. Using feedback received from pastors, professors, and Bible teachers, New Testament professor Robert L. Plummer includes updated information about Bible translations, biblical interpretation, and Bible study technology and streamlines previous portions to make room for a handful of new issues. This second edition, updated regarding Bible translations, biblical interpretation trends, and Bible-related technology, will continue to serve professors, pastors, and Bible study leaders as a go-to guide or textbook. New Testament scholar Robert L. Plummer covers historical, interpretive, practical, and theological matters such as: Were the ancient manuscripts of the Bible transmitted accurately? Why can't people agree on what the Bible means? How do we interpret the Psalms? How can I use the Bible in daily devotions? Does the Bible teach that God wants Christians to be healthy and wealthy? *40 Questions about Interpreting the Bible* provides crucial assistance for students ready to engage with biblical scholarship and for teachers eager to lead Bible studies with confidence. "Part treatise, part memoir, part call to action, *Tell Me How It Ends* inspires not through a stiff stance of authority, but with the curiosity and humility Luiselli has long since established." —Annalia Luna, Brazos Bookstore "Valeria Luiselli's extended essay on her volunteer work translating for child immigrants confronts with compassion and honesty the problem of the North American refugee crisis. It's a rare thing: a book everyone should read." —Stephen Sparks, Point Reyes Books "*Tell Me How It Ends* evokes empathy as it educates. It is a vital contribution to the body of post-Trump work being published in early 2017." —Katharine Solheim, Unabridged Books "While this essay is brilliant for exactly what it depicts, it helps open larger questions, which we're ever more on the precipice of now, of where all of this will go, how all of this might end. Is this a story, or is this beyond a story? Valeria Luiselli is one of those brave and eloquent enough to help us see." —Rick Simonson, Elliott Bay Book Company "Appealing to the language of the United States' fraught immigration policy, Luiselli exposes the cracks in this foundation. Herself an immigrant, she highlights the human cost of its brokenness, as well as the hope that it (rather than walls) might be rebuilt." —Brad Johnson, Diesel Bookstore "The bureaucratic labyrinth of immigration, the dangers of searching for a better life, all of this and more is contained in this brief and profound work. *Tell Me How It Ends* is not just relevant, it's essential." —Mark Haber, Brazos Bookstore "Humane yet often horrifying, *Tell Me How It Ends* offers a compelling, intimate look at a continuing crisis—and its ongoing cost in an age of increasing urgency." —Jeremy Garber, Powell's Books *40 Questions About Women in Ministry* charts a course for understanding differing views on the topic regarding the ministries of women. The accessible question-and-answer format guides readers to specific areas of confusion, and authors helpfully zero in on the foundations of varied beliefs and practices. Edwards and Mathews cover interpretive, theological, historical, and practical matters such as: -What did God mean by the woman as man's "helper"? -How is it that Christians reach different conclusions about 1 Timothy 2:11-15? -How did Western culture influence the role of women in society and the church? Combining a strong adherence to Scripture, vast academic and ministry experiences, and a commitment to Christ-honoring dialogue, *40 Questions About Women in Ministry* is a valuable guide to pastors, ministry leaders, church groups, and seminarians. "Based on extensive research, the authors present various viewpoints fairly and clearly, and offer concise explanations to equip readers to draw their own conclusions on these pressing questions." --Lynn Cohick, Provost/Dean of Academic Affairs, Professor of New Testament, Northern Seminary "Raise the topic of women in the church and the roles they have and you better be prepared to have your blood pressure checked along with the person you are talking to about the topic. Here is a book that calmly lays out the view's pro and con for the array of options the topic yields. It does so evenhandedly." --Darrell Bock, Senior Research Professor of New Testament Studies, Executive Director for Cultural Engagement for The Hendricks Center, Dallas Theological Seminary How did the New Testament come to be? The writings that comprise the New Testament are critical for understanding the life, teachings, and impact of Jesus of Nazareth, all of which are central to Christianity. But how were these texts circulated, collected, and given their canonical status? Is the New Testament a trustworthy source for learning about Jesus and the early church? New Testament scholars L. Scott Kellum and Charles L. Quarles address the most pressing questions regarding the study of New Testament texts, their transmission, and their collection into the canon, such as: • What happened to the original manuscripts of the New Testament? • With all the variants, can we still speak of inspiration and inerrancy? • What are the competing views on canon? • Did the apostles recognize contemporaneous books as Scripture? • Did the early councils decide the canon? *40 Questions About the Text and Canon of the New Testament* uses a question-and-answer format so readers can pursue the issues that interest them most with additional resources at 40questions.net. In *40 Questions About Calvinism*, church historian Shawn Wright tackles many issues about the theological system known as Calvinism. Taking an irenic approach, Wright explains the key doctrines while also contrasting them with Arminianism. The accessible format allows readers to easily look up topics in which they're most interested, including: • What is the difference between Calvinism and the Reformed tradition? • Does God love all people? • Did Jesus die for the sins of the whole world? • Can people resist the Holy Spirit? • Do Calvinists practice evangelism and missions? "Here is a book to put into the hands of such inquirers whose understanding of Calvinism may have been formed by those who caricature it. The fact that each chapter is a question helps readers go straight to the issue that is dogging them." —Conrad Mbewe, Kabwata Baptist Church, Lusaka, Zambia "If you are a non-Calvinist seeking answers about Calvinism, you will find a clear and winsome presentation of the position, as well as a response to some key criticisms. If you are a Calvinist looking for a model of how to talk about these things with non-Calvinists, then you will find a helpful and humble model for explaining the Calvinist position and its points of disagreement with Arminianism, in a fair-minded, evenhanded way." —Ligon Duncan, Reformed Theological Seminary Henry O. Pollak Chairman of the International Program Committee Bell Laboratories Murray Hill, New Jersey, USA The Fourth International Congress on Mathematics Education was held in Berkeley, California, USA, August 10-16, 1980. There was a full program of speakers, panelists, debates, miniconferences, and meetings of working and study groups. In addition, 18 major projects from around the world were invited to make presentations, and various groups representing special areas of concern had the opportunity to meet and to plan their future activities. A survey of two literary devices that are indispensable for understanding salvation history A biblical type is a person, place, or thing in salvation history that corresponds to a later person, place, or thing in the scriptural text. An allegory is a passage that says one thing in order to say something else. Both are common literary devices in the Bible that are vital for understanding truths about Jesus Christ found nowhere else. In 40 Questions About Typology and Allegory, Mitchell Chase provides a thorough introduction to both devices, showing where they appear throughout Scripture and the historical roles they have played in biblical interpretation. In a convenient question-and-answer format, Chase answers key questions such as: • Why should interpreters care about typology and allegory? • How do we identify types? • What are the theological assumptions of typology? • Do all types lead to Christ? • What is allegorical interpretation? • How was allegory practiced in the early church? • How should we practice allegorical interpretation? Situating typology and allegory within salvation history, Chase shows how these devices reveal the interconnectedness of Scripture and commonly overlooked aspects of Christ's person and work. Scholars, Bible teachers, and preachers will find this an essential resource for interpreting Scripture more comprehensively. Pate demonstrates that a critical analysis of the gospel text along with historical and cultural methods of investigation actually point toward an orthodox view of Christ. This work argues that the canonical Gospels are the most trustworthy information we have about the gospel writers as well as the life and ministry of Jesus, including his death, visit to hades, resurrection, and ascension. Readers will be encouraged by the reliability of the Gospel writers, the reality of Jesus' humanity and deity, and the inferiority of the apocryphal gospels. Arranged in a Q & A format, this volume tackles the major questions that pastors, church leaders, and students ask about congregational church government, a topic of much interest in the church today. It provides readers with a clear analysis of key biblical passages, succinct answers (4-8 pages each), and discussion questions. The unique format of the book allows the reader to pick and choose what issues are most pertinent to their interests and needs. A veteran pastor answers the questions that today's pastors are asking. In *40 Questions about Pastoral Ministry*, veteran pastor Phil Newton provides trustworthy answers to 40 of the most common and pressing questions relating to the life and work of the pastor. Covering five major categories--such as development, practices, and preaching--Newton equips pastors to successfully handle everyday duties and challenges, including: • Remaining spiritually healthy • Strengthening your marriage • Dealing with discouragement • Avoiding pitfalls • Leading elders' meetings • Mentoring future leaders • Preaching through books of the Bible • Conducting marriages and funerals • Practicing church discipline • Leading change and revitalization, and much more

Basing his answers on Scripture, theological reflection, and personal experience, Newton serves as a mentor and guide for pastors at every stage of ministry. The questions and answers are self-contained, and topics of interest can be easily located. Pastors will want to consult this volume often for authoritative advice on all aspects of pastoral ministry. After spending 13 years of my life as a basketball player, the moment I quit, I felt life slap me in the face with "what are you going to do now?" and "who even are you without the sport?". I thought that I would be a basketball player for at least ten more years, but the reality of the numerous injuries to my shins, back and hip left me with the harsh truth, that I might have to quit just to save my body from more physical harm. After all, I remember telling myself "I want to be able to walk by the time I am 30". So, I quit three weeks shy of signing an international basketball contract. What followed that decision became the hardest years of my life where I struggled with depression, anxiety and chronic low self-worth. I faced eating disorders and numerous health issues and life felt absolutely miserable. There was a particular bad "episode" of bulimia, where I was in the bathroom in NYC telling myself I would never do this again. I felt shameful, guilty and terrible about who I was. So, after I flushed the toilet, I stood up and I looked in the mirror and asked myself two questions, "do I want to live?" and "if I don't, then I should just end it all now". This woke me up inside because I realized I had a lot of passion in my being to go forward and discover who I was and who I could be. After years of trial and error, I discovered the reasons why I am now stronger, healthier and freer than I have ever been. The right answers lay behind the right questions. I don't believe there are coincidences, so the fact that you are here looking at a workbook that can literally change your life, this is no accident. I have compiled 40 questions that will challenge you to face yourself, in order to understand who you are better, where you are going, what beliefs do you hold that are beneficial to your new life and what you can do to change the things you want to change for your best self yet. Biblically and scientifically informed answers to pressing questions about the creation-evolution debate. This accessible volume evenly addresses the issues of modern science and the scriptural texts. The conservative evangelical authors are well-informed on contemporary scientific views of the universe and also carefully exegete the biblical texts that pertain to creation. They irenically consider the various angles of the debate and make constructive suggestions to reconcile science and the Bible. Those who are curious about the origins of life and the universe will want to read this book. Seminary students and serious college students will find this information critical, as an understanding of creation is vital to an effective apologetic in sharing the faith.
