A Framework for Human Resource Management Nov 13 2021 This brief edition on human resources management is intended for undergraduate or graduate courses. It offers Web exercises for every chapter, password protected instructor support material and syllabus manager.

Introduction to Modern Climate Change Nov 01 2020 The thoroughly updated second edition of an invaluable textbook for any introductory survey course on the science and policy of climate change.

The Science and Politics of Global Climate Change Mar 05 2021 The second edition of Dessler and Parson's acclaimed book provides an integrated treatment of the science, technology, economics, policy, and politics of climate change. Aimed at the educated non-specialist, and at courses in environmental policy or climate change, the book clearly lays out the scientific foundations of climate change, the issues in current policy debates, and the interactions between science and politics that make the climate change debate so contentious and confusing. This new edition is brought completely up to date to reflect the rapid movement of events related to climate change. In addition, all sections have been improved, in particular a more thorough primer on the basic science of climate change is included. The book also now integrates the discussion of contrarian claims with the discussion of current scientific knowledge; extends the discussion of cost and benefit estimates; and provides an improved glossary.

Dessler Dec 14 2021 This text is designed to provide authoritative and accurate information on HR-related responsibilities and personnel management by focusing on practical applications, concepts, and techniques that all managers can use in business.

Fundamentals of Human Resource Management Plus MyManagementLab with Pearson EText May 27 2020

Human Resource Management Pearson Etext Combo Access Card Sep 23 2022 For courses in management. This ISBN is for the Pearson eText combo card, which includes the Pearson eText and loose-leaf print edition (delivered by mail). Modern human resources: technology, social media, and management Human Resource Management provides students with an introduction to the daily tools and skills they'll need to function as successful managers -- in both human resources and business in general. With a practical approach, the text explores the evolution of the field, highlighting the introduction of revolutionary new technologies and social media platforms. The 16th Edition focuses on the positive impacts technology has had on the HR field. For example, the ability to vet potential employees on the internet has shifted more HR responsibilities to managers, leaving HR departments with more time to carry out strategic, long-term endeavors for boosting employee performance and engagement. With a heavy focus on emerging industry trends, the text prepares students with everything they need to be successful managers and HR personnel in the 21st century. Pearson eText is a simple-to-use, mobile-optimized, personalized reading experience that can be adopted on its own as the main course material. It lets students highlight, take notes, and review key vocabulary all in one place, even when offline. Seamlessly integrated videos and other rich media engage students and give them access to the help they need, when they need it. Educators can easily customize the table of contents, schedule readings and share their own notes with students so they see the connection between their eText and what they learn in class -- motivating them to keep reading, and keep learning. And, reading analytics offer insight into how students use the eText, helping educators tailor their instruction. NOTE: Pearson eText is a fully digital delivery of Pearson content and should only be purchased when required by your instructor. This ISBN is for a Pearson eText access code plus a loose-leaf print edition (delivered by mail). In addition to your purchase, you will need a course invite link, provided by your instructor, to register for and use Pearson eText.
