The Highlander's Surrender Feb 28 2020 Eliza Knight's bestselling Scottish historical romance series, The Stolen Bride Series, is back with another ama tale of adventure, passion and love! Ceana Montgomery had notions of mar for love after her first disastrous marriage ended in widowhood. But now F the Bruce has ordered her to marry a stranger, securing a strong alliance a

ending a decades-old feud. Already used as a pawn once in marriage, she is devastated that she will once more have to give up her happiness in order to obey the edicts of men. And while the braw warrior standing before her might inspire feelings inside her she thought long since buried, desire is a far cry from love. The rivalry between Brochan Lamont and his twin brother, John, began in the womb and only grew worse from there. They were pitted against each other in childhood and their father left them with a legacy that was a race to the finish—whichever heir first inherits the lands. The only problem is that Brochan has given his allegiance to the Scots, and his brother to the English. In order to keep the lands and the people under Scottish control, Robert the Bruce demands Brochan marry to break the blood-clad will. His new bride harbors a fiery temperament that lures Brochan into stoking her passions instead of her ire. Aligned to strengthen the Scottish crown over the realm, Brochan and Ceana must work together to overcome the obstacles that seek to bind them. But perhaps seeing their duties through does not have to be as bleak as they both predicted. Is it possible that love can be forged from a union of enemies? Can an alliance be forged from a union of enemies? Maybe Fate knew all along just who was meant for who...

Death Waits in the Desert **September 16 2021** It took all of thirty seconds for two shots to bring the world of Margaret Tabaaha crashing down around her. After losing her husband in Afghanistan during the first year of Operation Enduring Freedom, her two sons were all she had left. Now they had been taken from her violently and deliberately, plunging her into a whiskey bottle and stripping away her reason for living. When Arthur Nakai receives a call from his first love, Margaret, her pleas pleading for his help, it comes as he is attending a wake for one of the men he considered a brother from his days in the Marines 6th LAR Wolf Pack Battalion. Feeling a deep and responsible obligation to help her, Arthur soon finds himself involved in the multi-billion-dollar world of the oil and gas industry and comes face-to-face with an old adversary, Elias Dayton. Their paths had crossed when Arthur was a member of the Shadow Wolves, an elite tactical unit within U.S. Customs and Border Protection. Now Dayton runs Patriot Security, a Blackwater type firm that keeps the oil rigs, gas wells, and man camps secure from the Taliban, Protectors, protesters pushing to stop the fracking and poisoning of Native lands. As Arthur works through the case from his end, Navajo police chief Jake Bi

tackles it from another angle, looking into the strained relationship between the company and the Navajo people, all while searching for a missing Navajo man who may have become an unwilling piece on the reservation checkerboard. But when Arthur learns the identity of the boys' killer, he struggles to make sense of it. Because if the clues are right, he will be forced to make a decision that will define him for the rest of his life.

Rereading Modernism Oct 18 2021 Until about 1986, feminists generally considered modernism a reactionary, misogynist, and hegemonic mire not worth investigating. Since then enough studies of modernism have appeared that feminist critics can now review and debate their treatment of the period. 7

evaluate the progress and goals of the new era of modernist scholarship. As the authors in this volume suggest, instead of condemning writers for not practicing an acceptable politics of gender, we ought instead to show how their assumptions about the nature of the sexes inform their texts, both in their production and in their reception. This also allows examination of the complex and changing relationship between human subjectivity and aesthetics. This volume is a highly reflective dialogue, introspective and evaluative, at a moment of crisis within modernist studies and feminist studies. The analysis of critical work on early twentieth-century literature not only helps reread and redefine a definition of modernism; it also intends to redirect and reintegrate feminist theory.

Caught in the Storm May 01 2020 Love can be blinding and by the time the truth shines through, it's too late to escape. Fame. Fortune. Success. Is that too much?

ask? All I need is to catch a break. To snag the attention of someone important. Someone who can help make my career everything I want it to be. Joseph was that man. Until the night the lights went out and I left with someone else. Someone who stole my breath and made me want for things I'd never considered before. Things I would have known better than to trust a stranger. Especially one of his stature and power. Money means power and power means control. Over my heart. My career. My life. My dreams died the moment I agreed to his terms and a new chapter in my life began. I was blinded by my love for him and thought nothing would ever change the way I felt. Then I uncovered the truth about him. About the kind of man he really was and the secrets he paid good money to keep hidden from everyone. No one was trapped, with no way out. Book 1 of 2 in the Storm Series.

Outrage on Gallows Hill Jul 03 2020 The war is over and blackouts are a thing of the past, except in the village of Melchester, where the local council has resolutely sully its streets with unsightly lamps. The night is pitch black, but hardly quiet. Young lovers are rendezvousing, a police constable is helping himself to a few of his neighbor's partridges, and a poet is going to visit his beloved, a new voice is on his lips. She will never hear it, sadly, for the young man is stopped along his way, stopped forever, by the tight grip of the garrote. The local constabulary was in a time reaching out to Scotland Yard, which sends its best man: the easygoing and brilliant detective-inspector Littlejohn. In Melchester he will find unspeakable secrets and one citizen whose soul is as dark as the village night.

This Is What I Want Mar 30 2020 Travis King is the worst kind of asshole. He taunts me for not being a good girl and mocks my high standards. He's cruel, crass, and has enough confidence to last two lifetimes. And I hate him. It wouldn't matter so much if he weren't unavoidable. But considering he's my older brother's best friend and roommate, I see him more than I'd ever want to. His sculpted abs and gorgeous eyes are a problem on such an arrogant man, which makes me hate him even more. Even though I had a crush on him since I was ten, the feelings weren't mutual and he's always made that very clear. He's always loved getting under my skin and one night, against my better judgment, I let him in my bed. I've succumbed to his manwhore ways and that doesn't change a thing. Because the King is about to get played at his own game-and lose. Checkmate.
