From the #1 New York Times bestselling author of *Beach Read* and *People We Meet on Vacation*, comes a gripping story about a group of friends in a small town who find themselves dealing with unexpected powers after a cosmic event. Almost everyone in the small town of Splendor, Ohio, was affected when the local steel mill exploded. If you weren't a casualty of the accident yourself, chances are a loved one was. That's the case for seventeen-year-old Franny, who, five years after the explosion, still has to stand by and do nothing as her brother lies in a coma. In the wake of the tragedy, Franny found solace in a group of friends whose experiences mirrored her own. The group calls themselves *The Ordinary*, and they spend their free time investigating local ghost stories and legends, filming their exploits for their small following of YouTube fans. It's silly, it's fun, and it keeps them from dwelling on the sadness that surrounds them. Until one evening, when the strange and dangerous thing they film isn't fiction--it's a bright light, something massive hurtling toward them from the sky. And when it crashes and the teens go to investigate...everything changes. In *Classroom Six*, second left down the hall, Henry has been on the lookout for a friend. A friend who shares. A friend who listens. Maybe even a friend who likes things to stay the same and all in order, as Henry does. But on a day full of too close and too loud, when nothing seems to go right, will Henry ever find a friend—or will a friend find him? With insight and warmth, this heartfelt story from the perspective of a boy on the autism spectrum celebrates the everyday magic of friendship. Kate Vaughan is no stranger to tough choices. She's made them before. Now it's time to do it again. Kate has a secret, something tucked away in her past. And she's getting on with her life. Her business is thriving. She has a strong relationship with her family, and a devoted boyfriend whom she wants to love with all her heart. If Kate had ever made a list, Rowan would fill the imagined boxes of a perfect mate. But she wants more than the perfect on paper relationship; she wants a real and imperfect love. That's why, when Kate discovers the small velvet box hidden in Rowan's drawer, she panics. It always happens this way. Just when Kate thinks she can love, just when she believes she can conquer the fear, she's filled with dread. And she wants more than anything to make this feeling go away. But how? When the mistakes have been made and the running is over, it's time to face the truth. Kate knows this. She understands that a woman can never undo what can never be undone. Yet, for the first time in her life she also knows that she won't fully love until she confronts those from her past. It's time to act. Can she do it? Can she travel to the place where it all began, to the one who shares her secret? Can the lost ever become found? And *Then I Found You* gives new life to the phrase "inspired by a true story." By travelling back to a painful time in her own family's history, author Patti Callahan Henry explores the limits of courage, and the price of a selfless act. Whimsical illustrations and simple, engaging narrative guide readers through different situations Annie faces that cause her to get angry. She becomes frustrated when her dog drawing comes out poorly. Her mother will not allow her to have a cookie before tea. Her little brother is not playing a game correctly. Annie chooses one out of three behaviors for each situation, and the consequences of that choice is explained. A "How to Use This Book Section" for both parents and children shows how to apply these lessons to real life. This book is a testimony of the life and times of Henry "Hen" Paige, a profound street hustler and legendary O.G in the game. On these pages, he opens up to let you explore his life, past experiences and everything he has been through in the drug game. While remaining grounded and adhering to the rules of the game, despite the hardships and harsh adversities he was forced to endure while running the streets of Southside Richmond, Virginia, Hen attempted to stay focused and avoid getting "trapped in the trap" of the streets but the allure of the game was to enticing and the inevitable was bound to happen, sooner or later. Karma always catches up to us regardless of what we have planned for ourselves. You can never prepare for the unexpected. The streets is a trap. Very few escape the game and make it out on top. Read along and follow "Hen" as he attempts to make it out on top and escape the trap. Heartbreaking, inspiring, and totally true—this e-original short non-fiction story sets the stage for New York Times bestselling author Patti Callahan Henry's novel *And Then I Found You*. Patti Callahan is one of three sisters, a member of a close-knit Irish American family. Yet as happy and boisterous as they appear to be, the Callahans have long harbored a heartache. Some twenty years ago, Patti's younger sister, Barbi, placed her infant daughter for adoption. The whole family respected Barbi's decision and admired her fortitude. Still, they couldn't help but wonder: What ever became of the beautiful baby who had been placed with a chosen, but anonymous family? On April 20th, 2010, Facebook gave them the answer they'd been looking for. It was a life-changing moment—one that inspired Patti to write this unforgettable true story. Advance praise for Patti Callahan Henry's *And Then I Found You*: "[It] will surprise you, provoke you, and rearrange your heart." —Jacquelyn Mitchard "Henry at her best, brimming with heart and compassionate wisdom." —Joshilyn Jackson "The most soulful book Patti Callahan has ever written." —Dorothea Benton Frank "Explores the labyrinth of a woman's heart—mother, daughter, sister, friend, lover. Moving and beautifully written." —Mary Alice Monroe In *I, Tom Horn*, originally published in 1975, Will Henry presents a fictional autobiography of Tom Horn that answers decisively the question?did Tom Horn kill fourteen-year-old Willie Kickell, or was he framed? Horn was a cavalry scout in Arizona Territory during the last Apache campaigns, a champion rodeo rider, a Pinkerton, and finally a stock detective in Wyoming. Known and feared as *el hombre de sombra* (the shadow man), Horn's lifetime (1860?1903) spans one of the most colorful and tumultuous periods of the Old West. In this novel Will Henry provides a multidimensional portrait of Tom Horn as a man capable of humor, compassion, and love, and also one who could kill without the least remorse. This figure is set against equally compelling portraits of Al Sieber, chief of scouts under General Crook, and apache leaders in the Four Families of the Chiricahuas, names now fabled in American frontier history Nana, Chato, and Geronimo. We all know that modern lifestyles demand rapid responses and bursts of attention, so what better way to squeeze some fiction into your life than through a series of micro stories? This book is a collection of various small stories. Very small stories. In fact, they are all 50 words exactly. Why 50? No real reason other than it's a round figure and that it has become one of the recognised micro fiction genres. Take your pick of these whenever you choose, as Henry Bladon puts together a variety of happy and sad moments to enjoy. New Yorker

cartoonist Liam Francis Walsh's *Make a Wish*, *Henry Bear* is the story of a young bear, a birthday wish gone awry, and a new friendship to set things right. *Henry Bear* has very unusual parents. They encourage him to stay up all night, eat chocolate cake at every meal, and get into trouble with his teacher. But what happens when *Henry Bear* grows tired of indulging in childish things? Find out in this droll tale about making wishes with unanticipated consequences written and illustrated by New Yorker cartoonist Liam Francis Walsh, author of *Fish*, which Kirkus Reviews, in a starred review, called "full-bodied" and "rewarding." *No More Heroes* is a beautifully written testimony to the art of living. It is a poetic and joyful reminder of those seemingly ordinary moments and interactions that are indeed so extraordinary. Biernacki shares with the reader an uncommon sense of wonder and a profound sense of humanity. It is a rare gem in the form of a 180 page novel. James M. Montoya Vice President The College Board/ Former Dean of Admission Stanford University "The Past should be the past unless you live it fully. If you live it fully it will be so vivid in your memory that it will not seem to leave." And so goes the bittersweet, thoughtful, and yearning wisdom that pours from the pages of Biernacki's book, *No More Heroes*. Victor Cass Author - Telenovela and Love, Death, and Other War Stories. *No More Heroes* is part travelogue, part human interest, part inspirational. I felt that I was with Biernacki every step of the way as his writing style beautifully describes the scenes and images that he encounters along this journey. As one who likes to travel but doesn't, this book is an inspiration to perhaps undergo such an adventure. Bravo Biernacki! Alan Mautner Music Conductor Biernacki's sensitivity and understanding only comes with the broadening effect of being a world traveler. Truly, the author presents heroes upon which the reader may model their own life. Kevin Brendan Arnold Cunniff World Traveler, College Lecturer In this wonderful work of fiction, Joe Henry explores the complex relationship between a father and his sons, whose deep connections to one another, to the land, and to the creatures that inhabit it give meaning to their lives. Spencer Davis, his wife, Elizabeth, and their sons, Luke, Whitney, and Lonny, work with horses and with their hands. They spend long relentless days cutting summer hay and feeding it to their cattle through fierce Wyoming winters. The family bears witness to the cycle of life, bringing foals into the world and deciding when to let a favored mare pass on to the next. As Luke grows older, falls in love, and begins to assert his independence, Spencer strives to impart the wisdom of this way of life to his headstrong son, whatever the cost. Moving, powerful, and beautifully rendered, *Lime Creek* brings readers into the lives of this unforgettable family and into a world that, though often harsh, is lit by flashes of spectacular grace. A mysterious and suspenseful story that will move and disturb you to the very end. When she sees what looks like a child tumbling from a ferry into frigid Lake Champlain, Troy Chance dives in without thinking. When she gets the child to shore she discovers that his name is Paul, he speaks only French—and no one is looking for him. Her determination to protect Paul pulls Troy from her quiet life as a writer in a small Adirondack town into an unfamiliar world of wealth and privilege in Canada and then in Vermont. Her attachment to him—and the danger she faces when she tries to unravel the mystery of his abandonment—force her to evaluate everything she thought true about herself. The first book featuring the unforgettable Troy Chance, Sara J. Henry's riveting, award-winning debut will keep you engrossed right up to its shattering conclusion. Winner of the Anthony Award for Best First Novel, the Agatha Award for Best First Novel, and the Mary Higgins Clark Award a conviction that has guided its policies ever since. Now international affairs take place on a global basis, and these historical concepts of world order are meeting. Every region participates in questions of high policy in every other, often instantaneously. Yet there is no consensus among the major actors about the rules and limits guiding this process, or its ultimate destination. The result is mounting tension. Grounded in Kissinger's deep study of history and his experience as National Security Advisor and Secretary of State, *World Order* guides readers through crucial episodes in recent world history. Kissinger offers a unique glimpse into the inner deliberations of the Nixon administration's negotiations with Hanoi over the end of the Vietnam War, as well as Ronald Reagan's tense debates with Soviet Premier Gorbachev in Reykjavík. Horrid Henry hates writing thank you letters. Why should he waste his precious time thanking people for terrible presents? In fact, why should anyone? Then he has a wonderful, spectacular idea, one that's guaranteed to make him rich. "Young Henry Hyena loves to join his fellow hyenas in poking fun at animals at the zoo. But the jokes aren't making Henry laugh anymore, [and] with the help of a wise old giraffe, Henry gets his laugh back in an unexpected way"-- "A beautiful, lyrical, and achingly brilliant story about love, grief, and family. Henry's writing will leave you breathless." —BuzzFeed Romeo and Juliet meets *One Hundred Years of Solitude* in Emily Henry's brilliant follow-up to *The Love That Split the World*, about the daughter and son of two long-feuding families who fall in love while trying to uncover the truth about the strange magic and harrowing curse that has plagued their bloodlines for generations. In their hometown of Five Fingers, Michigan, the O'Donnells and the Angerts have mythic legacies. But for all the tall tales they weave, both founding families are tight-lipped about what caused the century-old rift between them, except to say it began with a cherry tree. Eighteen-year-old Jack "June" O'Donnell doesn't need a better reason than that. She's an O'Donnell to her core, just like her late father was, and O'Donnells stay away from Angerts. Period. But when Saul Angert, the son of June's father's mortal enemy, returns to town after three mysterious years away, June can't seem to avoid him. Soon the unthinkable happens: She finds she doesn't exactly hate the gruff, sarcastic boy she was born to loathe. Saul's arrival sparks a chain reaction, and as the magic, ghosts, and coywolves of Five Fingers conspire to reveal the truth about the dark moment that started the feud, June must question everything she knows about her family and the father she adored. And she must decide whether it's finally time for her—and all of the O'Donnells before her—to let go. This accessible value education title explores the story of an impatient child named Tilly who does not like waiting or letting others have their turn. She wants to play the video game her brother is playing. She wants to go on the seesaw her friends are on. She wants to tell her parents about her swimming lesson in the middle of their conversation. Tilly chooses one out of three behaviors for each situation, and the consequences of each choice is explained. The interactive question-and-answer approach engages the reader in real-life situations, while the charming, colorful illustrations keep the tone of the book whimsical and playful. Children will follow Henry as he deals with his feelings of anger and his bad habit of hitting through various situations involving friends and family. His big brother Ben cheats at hide-and-seek. A group of children playing in the park leave him out of their game. His father asks him to behave while they shop. Readers are given a description of the situation, three choices, the action chosen by the character, and consequences of that choice. The interactive question-and-answer approach engages the reader in real-life situations while the charming, colorful illustrations keep the tone of the book whimsical and playful. 'When you were small you used to have a pet ant that you would take out for walks on a leash,' reads the first spread of this light, funny title. The first of the Henry series (*Simply Read*) to be issued in paperback. Chronicling a still-wild age on a fast-changing frontier, a blazing new voice in Western fiction unleashes the drama of four men who once fought together, and now must join forces one last time to defeat one of their own. Original. This series looks at child-centred social issues such as hitting, being fair, getting angry, and feeling sad. The right and wrong decisions are explored in each situation. The story of *Black Gold*, a winner of the Kentucky Derby. From the #1 New York Times bestselling author of *Book Lovers* and *Beach Read* comes a sparkling novel that will leave you with the warm, hazy afterglow usually reserved for the best vacations. Two best friends. Ten summer trips. One last chance to fall in love. Poppy and Alex. Alex and Poppy. They have nothing in common. She's a wild child; he wears khakis. She has insatiable wanderlust; he prefers to stay home with a book. And somehow, ever since a fateful car share home from college many years ago, they are the very best of friends. For most of the year they live far apart—she's in New York City, and he's in their small hometown—but every summer, for a decade, they have taken one glorious week of vacation together. Until two years ago, when they ruined everything. They haven't spoken since. Poppy has everything she should want, but she's stuck in a rut. When someone asks when she was last truly happy, she knows, without a doubt, it was on that ill-fated, final trip with Alex. And so, she decides to convince her best friend to take one more vacation together—lay everything on the table, make it all right. Miraculously, he agrees. Now she has a week to fix everything. If only she can get around the one big

truth that has always stood quietly in the middle of their seemingly perfect relationship. What could possibly go wrong? Named a Most Anticipated Book of 2021 by Newsweek ? Oprah Magazine ? The Skimm ? Marie Claire ? Parade ? The Wall Street Journal ? Chicago Tribune ? PopSugar ? BookPage ? BookBub ? Betches ? SheReads ? Good Housekeeping ? BuzzFeed ? Business Insider ? Real Simple ? Frolic ? and more! Julius Lester and Jerry Pinkney's warm, humorous retelling of a popular African-American folk ballad. When John Henry was born the birds, bears, rabbits, and even a unicorn came to see him. He grew so fast, he burst right through the porch roof, and laughed so loud, he scared the sun! Soon John Henry is swinging two huge sledgehammers to build roads, pulverizing boulders, and smashing rocks to smithereens. He's stronger than ten men and can dig through a mountain faster than a steam drill. Nothing can stop John Henry, and his courage stays with us forever. A Caldecott Honor Book * "This is a tall tale and heroic myth, a celebration of the human spirit . . . The story is told with rhythm and wit, humor and exaggeration, and with a heart-catching immediacy that connects the human and the natural world." --Booklist, starred review "Another winning collaboration from the master storyteller and gifted artist of Tales of Uncle Remus fame." --School Library Journal "A great American hero comes fully to life in this epic retelling filled with glorious, detailed watercolors . . . This carefully crafted updating begs to be read aloud for its rich, rhythmic storytelling flow, and the suitably oversized illustrations amplify the text." --Publishers Weekly "A must-read for anyone interested in moving from inspiration to action." —Cal Newport, author of So Good They Can't Ignore You Most of us fill our days with frantic activity, bouncing from task to task, scrambling to make deadlines and chase the next promotion. But by the end of each day we're often left wondering if any of it really mattered. We feel the ticking of the clock, but we're unsure of the path forward. *Die Empty* is a tool for people who aren't willing to put off their most important work for another day. Todd Henry explains the forces that lead to stagnation and introduces practices that will keep you on a true and steady course. The key is embracing the idea that time is finite, so you should focus on the unique contribution to the world that only you can make. Henry shows how to sustain your enthusiasm, push through mental barriers, and unleash your best work each day. "One of my favorite authors."—Colleen Hoover An insightful, delightful, instant #1 New York Times bestseller from the author of *Beach Read* and *People We Meet on Vacation*. Named a Most Anticipated Book of 2022 by Oprah Daily ? Today ? Parade ? Marie Claire ? Bustle ? PopSugar ? Katie Couric Media ? Book Bub ? SheReads ? Medium ? The Washington Post ? and more! One summer. Two rivals. A plot twist they didn't see coming... Nora Stephens' life is books—she's read them all—and she is not that type of heroine. Not the plucky one, not the laidback dream girl, and especially not the sweetheart. In fact, the only people Nora is a heroine for are her clients, for whom she lands enormous deals as a cutthroat literary agent, and her beloved little sister Libby. Which is why she agrees to go to Sunshine Falls, North Carolina for the month of August when Libby begs her for a sisters' trip away—with visions of a small town transformation for Nora, who she's convinced needs to become the heroine in her own story. But instead of picnics in meadows, or run-ins with a handsome country doctor or bulging-forearmed bartender, Nora keeps bumping into Charlie Lastra, a bookish brooding editor from back in the city. It would be a meet-cute if not for the fact that they've met many times and it's never been cute. If Nora knows she's not an ideal heroine, Charlie knows he's nobody's hero, but as they are thrown together again and again—in a series of coincidences no editor worth their salt would allow—what they discover might just unravel the carefully crafted stories they've written about themselves. This remarkable book is written to help people move out of being run by their wounded emotional child to being run by their empowered authentic adult self. It chronicles shifting from living life fearfully to living life powerfully and lovingly. It will change your life. Readers will be delighted by colorful illustrations as they immerse themselves in Sam's story and try to make the right decisions. Sam finds himself in several situations that make him sad: his hamster dies, his best friend moves away, and his parents pay more attention to his little sister than to him. There are three ways Sam can act in every situation. The reader can compare Sam's choices to the ones he or she would have made and gain a deeper understanding of the central lesson. 'Heart-swelling in its wholesomeness' - Gina Martin 'A reminder of the life-changing power of empathy' - Emma Gannon Why are you kind? Could you be kinder? The kindness we owe one another goes far beyond everyday gestures like taking out the neighbour's bins - although it's important not to downplay those small acts. Kindness can also mean much more. In this timely, insightful guide, Henry James Garrett lays out the case for developing a strong, courageous, moral kindness, one that will help you fight cruelty and make the world a more empathetic place. Building on his academic studies in metaethics and using his signature sweet animal cartoons, Henry explores the sources and the limitations of human empathy and the many ways, big and small, that we can work toward being our best and kindest selves. A world in which everyone was the fully-empathetic version of themselves would be a very kind world indeed. And that's the world this book will move us toward. Master of Precision is the fascinating firsthand account of Henry Martyn Leland's life and work during the early days of the automobile industry. THE INSTANT NEW YORK TIMES BESTSELLER FROM THE #1 NEW YORK TIMES BESTSELLING AUTHOR OF PEOPLE WE MEET ON VACATION! "Original, sparkling bright, and layered with feeling."--Sally Thorne, author of *The Hating Game* A romance writer who no longer believes in love and a literary writer stuck in a rut engage in a summer-long challenge that may just upend everything they believe about happily ever afters. Augustus Everett is an acclaimed author of literary fiction. January Andrews writes bestselling romance. When she pens a happily ever after, he kills off his entire cast. They're polar opposites. In fact, the only thing they have in common is that for the next three months, they're living in neighboring beach houses, broke, and bogged down with writer's block. Until, one hazy evening, one thing leads to another and they strike a deal designed to force them out of their creative ruts: Augustus will spend the summer writing something happy, and January will pen the next Great American Novel. She'll take him on field trips worthy of any rom-com montage, and he'll take her to interview surviving members of a backwoods death cult (obviously). Everyone will finish a book and no one will fall in love. Really. Ever wondered how some people seem to have an opinion on every book ever published? Nowadays, there are so many books: how can anyone be well read anymore? Well, help is at hand. Let Henry Hitchings educate you in the invaluable skill of literary bluffing in this survivor's guide to talking about books you haven't read. With tips on how to bluff with confidence using quotable insights and invaluable trivia, Henry Hitchings covers all the great books you ought to have read but haven't got round to yet. If you want to be able to hold your own in a debate about Stephen Hawking or Philip Roth or perhaps you find Shakespeare or Dostoevsky intimidating, then look no further. Including literary heavyweights such as Ulysses, Bleak House and War and Peace this guide will equip you with all the bookish information you need to bluff your way through any scenario, be it a vital exam, an in-depth conversation at the pub or chatting up the potential love of your life. Contents includes, Jane Austen, Shakespeare, Henry James, James Joyce, Proust, Homer, Virgil, Tolstoy, Dostoevsky, Dickens, various contemporary writers, the Bible, the Koran, fairy tales, select bestsellers and some poetry. When Henry can't sleep, he takes the night jar and tries to capture the song of the night bird. "A thriller about Billy Zeets, a 14-year-old semi-delinquent in a deadly tango with a killer"-- Whether spending time with Papa, singing songs with Grandma, playing games with Lucy, or racing with Charlie, toddler Henry wears his family out until bedtime, when Mama is the one who wants more. "Henry's hungry. All the time! He eats and eats, but why doesn't he feel big and strong afterward? Will anyone rescue Henry from the world of sweets and junk food? Or will he turn into the weakest kid in school?"--Page 4 of cover. "Henry Allen is the truest chronicler of our American dream. By taking us into the homes of his history, he reveals our own lives in shafts of sunlight streaming through the windows of time and place."--James Grady, author of *Six Days of the Condor* "I loved the book."--Ann Beattie, author of *Mrs. Nixon: A Novelist Imagines a Life and The State We're In: Maine Stories* "Henry Allen, one of the best deadline essayists in the business."--Christopher Buckley, author of *Thank You for Smoking* Pulitzer Prize-winner Henry Allen brings alive nearly five centuries of family by describing places where they lived--from plantations in South Carolina and Guadeloupe to a boarding house in Queens; a sadly grand old house in Orange, New Jersey;

farmhouses, mansions, apartments, ships, tents, and dormitories; towns in Rhode Island and Connecticut. He vividly describes his family's historical journey through Indian wars, a witchcraft trial, privateering, wagon trains, a split over slave trading, the friendship of presidents, the dwindling of the old Anglo-Saxon hegemony, and the heartless mysteries of money, alcohol, and gentility. I feared my children and their children would never know about the lost worlds of our family--love, moral stands, disappointment, Christmas dinners, the ancient and ordinary sunlight that transported us like aliens from galaxies of the past. These galaxies not only existed but persisted despite the apathy of their inheritors. Consider this book a last will and testament, an attempt to stave off the probate of oblivion. Intense, mercurial, and bearded, Henry Allen is a Marine veteran of Vietnam and was a feature writer and art critic at The Washington Post from 1970 to 2009. His books include *Going Too Far Enough: American Culture at Century's End*, *What It Felt Like: Living in the American Century*, *Fool's Mercy*, and *The Museum of Light Air*.
