Suitable both for students and practitioners in the field, 'Management Accounting' provides comprehensive coverage of the theory and practice of the subject. Authors Eric Noreen, Peter Brewer, and Ray Garrison have crafted a streamlined Managerial Accounting book that is perfect for non-accounting majors who intend to move into managerial positions by focusing on the fundamentals to develop the conceptual framework managers need to succeed. This is done by adhering to the three core standards: FOCUS Noreen/Brewer/Garrison pinpoint the key managerial concepts students will need in their future careers. With no journal entries or financial accounting topics to worry about, students can focus on the fundamental principles of managerial accounting. The manager approach in Noreen allows students to develop the conceptual framework needed to succeed, with a focus on decision making and analytical skills. RELEVANCE Building student interest with its insightful Business Focus vignettes opening each chapter, current In Business examples throughout the text, and tried-and-true end-of-chapter material, students will always see the real-world applicability of Noreen/Brewer/Garrison. BALANCE There is more than one type of business, and so Noreen/Brewer/Garrison covers a variety of business models, including nonprofit, retail, service, wholesale, and manufacturing organizations. Service company examples are highlighted with icons in the margins of the text. This is the eBook of the printed book and may not include any media, website access codes, or print supplements that may come packaged with the bound book. A supplementary text for a variety of Business courses, including Financial Statement Analysis, Investments, Personal Finance, and Financial Planning and Analysis An Analytical Approach to Understanding and Interpreting Business Financial Statements Understanding Financial Statements improves the student's ability to translate a financial statement into a meaningful map for business decisions. The material covered in each chapter helps students approach financial statements with enhanced confidence and understanding of a firm's historical, current, and prospective financial condition and performance. The Eleventh Edition includes new case studies based on existing companies and enhanced learning tools to help students quickly grasp and apply the materials. Fraser and Ormiston presents material in an engaging fashion that helps readers make sense of complex financial information, leading to intelligent (and profitable!) decision-making. Introduction to Managerial Accounting, 7/e by Brewer/Garrison/Noreen is based on the market-leading text, Managerial Accounting, by Garrison, Noreen and Brewer. Brewer 7e is a briefer, more accessible, and thoroughly student-friendly text that satisfies the basic needs of the managerial accounting student without unnecessary depth on advanced topics associated with the follow-up course cost accounting/cost management. Faculty and students alike will find this new edition has retained the hallmark features of the Garrison brand: author-written supplements, excellent readability, terrific examples, and balanced end-of-chapter material. In addition, Connect Accounting for Brewer/Garrison/Noreen has been expanded with new learning resources for your students. EBOOK: Management Accounting, 6e For centuries, the lighthouse has stood as a beacon of guidance for mariners at sea. More than an aid to navigation, the lighthouse symbolizes safety, permanence, reliability, and the comforts of the familiar. For this reason, we have chosen to illustrate the twelfth Canadian edition of our flagship Managerial Accounting publication by Garrison/Libby/Webb with a lighthouse image that encapsulates the greatest strengths of this market leading text. Garrison guides students through the challenges of learning managerial accounting. It identifies the three functions managers must perform within their organizations--plan operations, control activities, and make decisions--and explains the accounting information necessary for these functions. The twelfth Canadian edition of Managerial Accounting continues to place an emphasis on three core qualities: relevance, balance and clarity. Managerial accounting : an overview -- Managerial accounting: beyond the numbers -- Managerial accounting and cost concepts -- Job-order costing -- Activity-based costing -- Process costing -- Cost-volume-profit relationships -- Variable costing and segment reporting : tools for management -- Master budgeting -- Flexible budgets, standard costs, and variance analysis -- Performance measurement in decentralized organizations -- Differential analysis : the key to decision making -- Capital budgeting decisions -- Statement of cash flows -- Financial statement analysis -- Credits -- Index Much like Ready Notes, this booklet offers a hard-copy version of all of the Teaching Transparencies. Students can annotate the material during the lecture and take notes in the space provided. This lively, engaging introduction to the New Testament is critical yet faith-friendly, lavishly illustrated, and accompanied by a variety of pedagogical aids, including sidebars, maps, tables, charts, diagrams, and suggestions for further reading. The full-color interior features art from around the world that illustrates the New Testament's impact on history and culture. The first edition has been well received (over 60,000 copies sold). This new edition has been thoroughly revised in response to professor feedback and features an updated interior design. It offers expanded coverage of the New Testament world in a new chapter on Jewish backgrounds, features dozens of new works of fine art from around the world, and provides extensive new online material for students and professors available through Baker Academic's Textbook eSources. Introduction to Managerial Accounting, 6/e by Brewer/Garrison/Noreen is based on the market-leading text, Managerial Accounting, by Garrison, Noreen and Brewer. Brewer 6e is a briefer, more accessible, and thoroughly student-friendly text that satisfies the basic needs of the managerial accounting student without unnecessary depth on advanced topics associated with the follow-up course cost accounting/cost management. Faculty and students alike will find this new edition has retained the hallmark features of the Garrison brand: author-written supplements, excellent readability, terrific examples, and balanced end-of-chapter material. In addition, Connect Accounting for Brewer/Garrison/Noreen has been expanded with new learning resources for your students. "For centuries, the lighthouse has provided guidance and safe passage for sailors. Similarly, Garrison/Noreen/Brewer has successfully guided millions of students through managerial accounting, lighting the way and helping them sail smoothly through the course"-- Much like the Ready Notes, this booklet offers a hard copy version of all the Teaching Transparencies. Students can annotate the material during the lecture and take notes in the space provided. Garrison/Noreen has been- and still is- the market-leading text in managerial accounting, having educated close to 2 million students since its inception. In short, "Garrison is the Guide" in Managerial Accounting. The lighthouse on the cover symbolizes that for this difficult course, Garrison's comprehensive but manageable coverage, author-written supplements, and peerless end-of-chapter material makes it a safe and dependable choice for instructors and students alike. The loyalty and following it has achieved is due to the authors unwavering commitment to three simple principles: relevance, balance, and clarity.Relevance- Every effort has been made to help students relate the concepts in this book to decisions made by working managers. The Managerial Accounting in Action segments within the chapters help students apply concepts to real world problems.Balance- Garrison mixes its coverage to include a variety of both service and manufacturing organizations- this includes new coverage of e-commerce and e-tailers. Service examples have been expanded in this new edition and these are marked with a "S" icon in the margins.Clarity- The entire supplements package has been written by the author team to insure that students and professors will work with clear, well-written supplements that employ consistent terminology. As the long-time #1 best-seller in Managerial Accounting, the 17th edition of Garrison/Noreen/Brewer's Managerial Accounting successfully guides students through the Managerial Accounting course and beyond. Not only does the Garrison text teach students Managerial Accounting concepts in a clear and concise way, but it also asks students to consider how the concepts they're learning will apply to the real-world situations they will eventually confront in their careers. Garrison's 17th edition improves student learning and fosters course and career readiness with its emphasis on relevance, accuracy, and clarity while also embracing innovation through the incorporation of Data Analytics Exercises. With world class content, combined with the powerful platform of Connect to engage and enhance learning, students are provided with a framework to achieve higher outcomes in their Managerial Accounting course and beyond. This book builds on the excellent foundations of Garrison and Noreen's textbook that has now gone into ten editions Discover the business law book you'll actually enjoy reading. Time after time, readers like you have commented that this is the most interesting introduction to law they've ever read. Overview:Introduction to Managerial Accounting, 2/e by Brewer/Garrison/Noreen is based on the market-leading text, Managerial Accounting, by Garrison and Noreen. However, this is not simply a briefer book with chapters removed; B/G/N has been rethought and retooled to meet the needs of the market. B/G/N 2/e is a more accessible, yet thorough student-friendly text that satisfies the basic needs of the managerial accounting student without unnecessary depth on advanced topics associated with the follow-up course, cost accounting/cost management. Faculty and students alike will find this new edition has retained the hallmark features of the Garrison/Noreen text: many author-written supplements, excellent readability, terrific examples, and balanced end of chapter material. Introduction to Managerial Accounting, 7/e by Brewer/Garrison/Noreen is based on the market-leading text, Managerial Accounting, by Garrison, Noreen and Brewer. Brewer 7e is a briefer, more accessible, and thoroughly student-friendly text that satisfies the basic needs of the managerial accounting student without unnecessary depth on advanced topics associated with the follow-up course cost accounting/cost management. Faculty and students alike will find this new edition has retained the hallmark features of the Garrison brand: author-written supplements, excellent readability, terrific examples, and balanced end-of-chapter material. In addition, Connect Accounting for Brewer/Garrison/Noreen has been expanded with new learning resources for your students. Suitable both for students and practitioners in the field, 'Management Accounting' provides comprehensive coverage of the theory and practice of the subject. This book provides process costing; activity-based costing; cost-volume-profit; inventory; balanced scorecard; overhead application and analysis; budgeting; financial statement analysis; decentralization and segment reporting. Managerial Accounting for Managers, 3rd edition by Noreen/Brewer/Garrison is based on the market-leading managerial accounting solution, Managerial Accounting, by Garrison, Noreen and Brewer. The Noreen solution presents integrated and proven solutions designed to help attain course goals of student readiness, comprehension of content, and application of key concepts in the managerial accounting course, while addressing the needs of instructors who do not wish to teach the financial accounting-oriented content that is included in the Garrison solution. Of the three programs in the Garrison franchise (the Brewer solution, the Garrison solution, and the Noreen solution), the Noreen solution is the most pure management accounting content. The other two programs contain greater coverage of financial accounting topics. Managerial Accounting for Managers 3e is geared towards professors who love Garrison's market-leading managerial accounting content but prefer to approach their course by eliminating the debits and credits coverage. The Noreen solution includes the managerial accounting topics such as Relevant Costs for Decision Making, Capital Budgeting Decisions, and Segment Reporting and Decentralization; however, the job-order costing chapter has been extensively rewritten to remove all journal entries. Furthermore, the chapters dealing with process costing, the statement of cash flows, and financial statement analysis have been dropped to enable professors to focus their attention on the bedrocks of managerial accounting—planning, control, and decision making. McGraw-Hill's Connect Accounting offers a complete digital solution that combines all the great features of Connect Accounting, along with access to an online version of Managerial Accounting for Managers 3e, so that students can easily refer back to the text for review and guidance. This media rich eBook links directly to tutorials and online resources and offers additional functionality like taking notes and highlighting key passages for reviewing later. Contained within Connect Accounting is McGraw-Hill's adaptive learning system, LearnSmart, which is designed to help students learn faster, study more efficiently, and retain more knowledge for greater success. In addition, Interactive Presentations deliver learning objectives in an interactive environment, giving students access to course-critical content anytime, anywhere. Guided Examples provide students with narrated and animated, step-by-step walkthroughs of algorithmic versions of assigned exercises. Managerial Accounting for Managers, 2nd Edition by Noreen/Brewer/Garrison is based on the market-leading text, Managerial Accounting, by Garrison, Noreen and Brewer. The Noreen book was created to serve customers who do not wish to teach the financial accounting-oriented content that is included in the Garrison book. Of our three books (the Brewer book, the Garrison book, and the Noreen book), the Noreen book is the most pure management accounting textbook. The other two books have greater amounts of financial accounting content. Managerial Accounting for Managers, 2nd Edition is geared towards professors who love Garrison's market-leading managerial accounting content, but have been bothered by the debits and credits included in the book. It includes the same coverage of managerial accounting topics such as Relevant Costs for Decision Making, Capital Budgeting Decisions, and Segment Reporting and Decentralization without the journal entries. The job-order costing chapter has been extensively rewritten to remove all journal entries. Furthermore, the chapters dealing with process costing, the statement of cash flows, and financial statement analysis have been dropped to enable professors to focus their attention on the bedrocks of managerial accounting—planning, control, and decision making. A Pulitzer Prize winner interviews workers, from policemen to piano tuners: "Magnificent . . . To read it is to hear America talking." —The Boston Globe A National Book Award Finalist and New York Times bestseller Studs Terkel's classic oral history Working is a compelling look at jobs and the people who do them. Consisting of over one hundred interviews with everyone from a gravedigger to a studio head, this book provides a "brilliant" and enduring portrait of people's feelings about their working lives. This edition includes a new foreword by New York Times journalist Adam Cohen (Forbes). "Splendid . . . Important . . . Rich and fascinating . . . The people we meet are not digits in a poll but real people with real names who share their anecdotes, adventures, and aspirations with us." —Business Week "The talk in Working is good talk—earthy, passionate, honest, sometimes tender, sometimes crisp, juicy as reality, seasoned with experience." —The Washington Post "Managerial Accounting for Managers," 2nd Edition by Noreen/Brewer/Garrison is based on the market-leading text, Managerial Accounting, by Garrison, Noreen and Brewer. In addition, Connect Accounting for Brewer/Garrison/Noreen has been expanded with new learning resources for your students. Garrison - Your guide through the challenging waters of managerial accounting. For centuries, the lighthouse has stood as a beacon of guidance for mariners at sea. More than an aid to navigation, the lighthouse symbolizes safety, permanence, reliability, and the comforts of the familiar. For this reason, we have chosen to illustrate the Canadian eighth edition of Managerial Accounting by Garrison, Chesley, Carroll and Webb with an image that encapsulates the greatest strengths of this market leading text. Garrison is your guide through the challenging waters of managerial accounting. It identifies the three functions managers must perform within their organizations—plan operations, control activities, and make decisions—and explains what accounting information is necessary for these functions, how to collect it, and how to interpret it. Managerial Accounting 8ce focuses, now as in the past, on three qualities: Relevance, Balance and Clarity. The authors' steady focus on these core elements has led to tremendous results! As seafarers look to the lighthouse for direction along unfamiliar shore, so too can Garrison act as a compass for students seeking to master this course. Introduction to Managerial Accounting, 5/e by Brewer/Garrison/Noreen is based on the market-leading text, Managerial Accounting, by Garrison, Noreen and Brewer. However, this is not simply a briefer book with chapters removed; Brewer 5e has been rethought and retooled to meet the needs of the market. Brewer 5e is a more accessible, yet thoroughly student-friendly text that satisfies the basic needs of the managerial accounting student without unnecessary depth on advanced topics associated with the follow-up course: cost accounting/cost management. Faculty and students alike will find this new edition has retained the hallmark features of the Garrison brand: author-written supplements, excellent readability, terrific examples, and balanced end-of-chapter material. Garrison/Noreen has been- and still is- the market-leading text in managerial accounting, having educated close to 2 million students since its inception.
