Trailblazer Jan 15 2022 This beautiful picture book tells the little-known story of Raven Wilkinson, the first African American woman to dance for a major classical ballet company and an inspiration to Misty Copeland. When she was only five years old, her parents took her to see the Ballet Russe de Monte Carlo. Raven perched on her crushed velvet seat, heard the tympani, and cried with delight even before the curtain lifted. From that moment on, her passion for dance only grew stronger. No black ballerina had ever danced with a major touring troupe before. Raven would be the first. Raven Wilkinson was born on February 2, 1935, in New York City. From the time she was a little girl, all she wanted to do was dance. On Raven's ninth birthday, her uncle gifted her with ballet lessons, and she completely fell in love with dance. While she was a student at Columbia University, Raven auditioned for the Ballet Russe de Monte Carlo and was finally accepted on her third try, even after being told she couldn't dance with them because of her skin color. When she started touring with her troupe in the United States in 1955, Raven encountered much racism in the South, but the applause, alongside the opportunity to dance, made all the hardship worth it. Several years later she would dance for royalty with the Dutch National Ballet and regularly performed with the New York City Opera until she was fifty. This beautiful picture book tells the uplifting story of the first African American woman to dance for a major classical ballet company and how she became a huge inspiration for Misty Copeland. Theodore Taylor

III's unique, heavy line style of illustration brings a deeper level of fluidity and life to the work, and Misty Copeland's beautifully written foreword will delight ballet and dance fans of all ages.

On the domestic side, many people didn't have jobs, housing, or food. Internationally, Adolf Hitler, Germany's leader, was threatening the countries around him and war loomed on the horizon. But First Lady Eleanor Roosevelt saw the visit as an opportunity for America to set aside its cares for a while and extend a warm welcome and hand of friendship to the royal guests. As part of the festivities, Eleanor hosts an all-American picnic that includes hot dogs, a menu item that shocks some people.

Fancy Party Gowns May 07 2021 A beautiful picture book about Ann Cole Lowe, a little-known African-American fashion designer who battled personal and social adversity in order to pursue her passion of making beautiful gowns and went on to become one of society's top designers. Wisps of cloth would fall from their worktables like confetti, and Ann would scoop them up and turn them into flowers as bright as roses in the garden. Ann's family came from Alabama. Her great grandma had been a slave, so her family knew about working hard just to get by. As soon as Ann Cole Lowe could walk, her momma and grandma taught her to sew. She worked near her momma in their Alabama family shop in the early 1900s, making glorious dresses for women who went to fancy parties. When Ann was 16, her momma died, and Ann continued sewing dresses. It wasn't easy, especially when she went to design school and had to learn alone, segregated from the rest of the class. But the work she did set her spirit soaring, as evidenced in the clothes she made, including Jackie Kennedy's wedding dress and Olivia de Havilland's dress at the Oscars when she won for Best Actress in *To Each His Own*. Rarely credited, Ann Cole Lowe became "society's best kept secret." This beautiful picture book shines the spotlight on a little-known visionary who persevered in times of hardship, always doing what she was passionate about: making elegant gowns for the women who loved to wear them.
