A Failure of Nerve Dec 15 2021 Ten years after his death, Edwin Friedman's best-selling *A Failure of Nerve* continues to offer insights into leadership that are more urgently needed than ever, and this revised, anniversary edition is essential reading for all leaders, be they parents or presidents, corporate executives or educators, religious superiors or coaches, healers or generals, managers or clergy. Friedman was the first to tell us that all organizations have personalities, like families, and to apply the insights of family therapy to churches and synagogues, rectors and rabbis, and politicians and teachers. His understandings about our regressed, "seatbelt society," oriented toward safety rather than adventure, help explain the sabotage that leaders constantly face today. Suspicious of the "quick fixes" and instant solutions that sweep through our culture only to give way to the next fad, he argued for strength and selfdifferentiation as the marks of true leadership. His formula for success is more maturity, not more data; stamina, not technique; and personal responsibility, not empathy. *A Failure of Nerve* was unfinished at the time of Friedman's death and originally published in a limited edition. This new edition cleans up some oversights in the original and brings his life-changing insights and challenges to a new generation of readers. "Reading this book is like discovering an unpublished Beethoven sonata or a missing play of Shakespeare. Ed Friedman was one of our most brilliant, original, and provocative thinkers across the fields of therapy, ministry, and organizational leadership." -- Professor William J. Doherty, Director, Marriage and Family Therapy Program, University of Minnesota

The Quick Apr 30 2023 NAMED ONE OF THE BEST BOOKS OF THE YEAR BY SLATE • Includes an exclusive conversation between Lev Grossman and Lauren Owen For fans of Anne Rice, *The Historian*, and *The Night Circus*, an astonishing debut, a novel of epic scope and suspense that conjures up all the magic and menace of Victorian London 1892: James Norbury, a shy would-be poet newly down from Oxford, finds lodging with a charming young aristocrat. Through this new friendship, he is introduced to the drawing-rooms of high society and finds love in an unexpected quarter. Then, suddenly, he vanishes without a trace. Alarmed, his sister, Charlotte, sets out from their crumbling country estate determined to find him. In the sinister, labyrinthine London that greets her, she uncovers a hidden, supernatural city populated by unforgettable characters: a female rope walker turned vigilante, a street urchin with a deadly secret, and the chilling "Doctor Knife." But the answer to her brother's disappearance ultimately lies within the doors of the exclusive, secretive Aegolius Club, whose predatory members include the most ambitious, and most bloodthirsty, men in England. In her first novel, Lauren Owen has created a fantastical world that is both beguiling and terrifying. *The Quick* will establish her as one of fiction's most dazzling talents. The Quick Oct 13 2021 *The Quick* is a book of essences. Katrina Roberts's large-spirited and exhilarating poetry is at once celebratory and elegiac, lyric and narrative, striving to divine what's at the quick of this fleeting existence we share. Anchored in many ways by the long poem "Cantata," which chronicles her pregnancy and the birth of her son, the book turns and turns its kaleidoscopic lens, settling now on origins and creation myths, now on Greek or Welsh gods, now on a painting by Vermeer or on an article from the daily news, all slipping together to illuminate our coming to consciousness, our coming to "be." The poems ask how one might reconcile one's simple joys with the world's larger concerns. An inquiry of this depth cannot fail to encounter grief, but it is a grief tempered and transcended by the acceptance of ongoing life, as well as a consistently outward-focused eye and a passion for language. Sparked by Roberts's sharp imagery and daring cadences, this is a fresh and savvy collection, informed by science, myth, music, philosophy, and etymology, all braided within a sinuous narrative line that runs from sorrow to rich celebration.

training at the National Space Program. Younger by two years than her classmates at Peter Reed, the school on campus named for her uncle, she flourishes in her classes but struggles to make friends and find true intellectual peers. Six years later, she has gained a coveted post as an engineer on a space station—and a hard-won sense of belonging—but is haunted by the mystery of Inquiry, a revolutionary spacecraft powered by her beloved late uncle's fuel cells. The spacecraft went missing when June was twelve years old, and while the rest of the world seems to have forgotten the crew, June alone has evidence that makes her believe they are still alive. She seeks out James, her uncle's former protégé, also brilliant, also difficult, who has been trying to discover why Inquiry's fuel cells failed. James and June forge an intense intellectual bond that becomes an electric attraction. But the relationship that develops between them as they work to solve the fuel cell's fatal flaw threatens to destroy everything they've worked so hard to create—and any chance of bringing the Inquiry crew home alive. A propulsive narrative of one woman's persistence and journey to self-discovery, *In the Quick* is an exploration of the strengths and limits of human ability in the face of hardship, and the costs of human ingenuity.

Conversational Haitian Creole Quick and Easy May 08 2021 Have you always wanted to learn how to speak Haitian Creole but simply didn't have the time? Well if so, then, look no further. You can hold in your hands one of the most advanced and revolutionary method that was ever designed for quickly becoming conversational in a language. In creating this time-saving program, master linguist Yatir Nitzany spent years examining the twenty-seven most common languages in the world and distilling from them the three hundred and fifty words that are most likely to be used in real conversations. These three hundred and fifty words were chosen in such a way that they were structurally interrelated and, when combined, form sentences. If you want to learn complicated grammar rules, or to speak perfectly proper and precise Creole, this book is not for you. However, if you need to actually hold a conversation while on a trip to Haiti, to impress that certain someone, or to be able to speak with your grandfather or grandmother as soon as possible, then the Nitzany Method is what you have been looking for. This method is designed for fluency in a foreign language, while communicating in the present tense. Nitzany believes that what's most important is actually being able to understand and be understood by another human being right away. This is one of the several, in a series of instructional language guides, the Nitzany Method's revolutionary approach is the only one in the world that uses its unique language technology to actually enable you to speak and understand native speakers in the shortest amount of time possible. Quick, Quick, Slow May 27 2020 Quick, Quick, Slow... By: R. Mark Hayhurst Description Sandra Brooke, in her late twenties, is beginning to achieve success in her career in advertising. After feeling unfulfilled working as a freelance writer, she secured her current job. She had lived at home for several years after graduating in English, until she could afford her own place. Although coming from a comfortable home counties background, as an only child she has always tried to prove success in her own right. To an extent she has focused very much on her career - most relationships have left her feeling rather disappointed; to a large extent they have been deliberately forgotten. She takes the view that someone will appear for her, but she isn't actively looking. In most personal matters she confides in Megan, particularly insecurities partly derived from previous failed relationships with men. Megan has been a close friend from childhood. She sees Sandra frequently and acts as a confidant offering positive advice. This a little ironic given that her own experience with men and relationships could be described as 'mixed' at best. Then Alex comes to her

attention. She speaks to him by telephone and exchanges business emails but don't meet initially. Alex Carstairs, 30, works in the music industry with new acts, finding them venues and publicity. In some ways it is remarkable that he makes a living, as he keeps exploring different avenues for work including a possible move to Paris. Having expended almost an unhealthy amount of energy trying to build a physical picture of Alex, Sandra doesn't meet Alex until after a week away with Megan in Ibiza. She spent too much time trying to visualise Alex to the point that she almost spoiled her own holiday. She eventually met him days after her return from Spain. She had consoled herself to the likelihood that she would probably be disappointed by the man she only knew by voice. In reality, he seemed to be what she had hoped for. They start dating - meals out, meals in, walks and lots of talks. Things progressed rapidly although both tried unsuccessfully to slow things down. External factors unwittingly drove them closer together. Sandra was continually pestered by a male work colleague; Alex considers a possible change in career path which would involve a move to Paris as well as pressure from his work in London, including time spent on an all-girl band and pressure within a part time second job. What had started out as a whirlwind romance grows with increased intensity, but not everything runs smoothly; Alex isn't as reliable as she would like and this becomes an issue. At various stages Sandra questions whether their relationship has run its course or if they can rekindle their partnership as it falters. RMH 2013
