Stuck May 26 2020 Stuck is a guide for understanding how and why a traditional approach to ministry does not align with the modern realities facing pastors, congregations, and seminaries. More than simply describing findings from their firsthand research, however, Todd W. Ferguson and Josh Packard offer a new understanding of why professional ministry can be so alienating today. Stuck shifts the dominant narrative around calling, vocation, and ministry away from a focus on individual traits and characteristics of pastors and congregational leaders and toward a more structural understanding of the social forces that impact modern ministry. The authors focus on the nature of calling; the need for modern, flexible congregational supports; and a different approach to training professional clergy. Stuck lets pastors who feel stuck know that they're not alone, they're not crazy, and it's not their fault. It helps congregations be more supportive of their clergy. And it participates in the conversation for reshaping seminary training and professional development.

The Plateau Effect Apr 29 2023 The Plateau Effect is a powerful law of nature that affects everyone. Learn to identify plateaus and break through any stagnancy in your life— from diet and exercise, to work, to relationships. The Plateau Effect shows how athletes, scientists, therapists, companies, and musicians around the world are learning to break through their plateaus—to turn off the forces that cause people to “get used to” things—and turn on human potential and happiness in ways that seemed impossible. The book identifies three key flattening forces that generate plateaus, two principles to guide readers in engineering a plateau's destruction, and three actions to take to achieve peak behavior. It helps us to stop wasting time on things that are no longer of value and to focus on the things that leverage our time and energy in spectacular ways. Anything you want to do better—play guitar, make friends, communicate with your children, run a business—you can accomplish faster by understanding the plateau effect.

Stuck on Earth May 18 2022 Ketchvar III's mission is simple: travel to Planet Earth, inhabit the body of an average teenager, and determine if the human race should be annihilated. And so Ketchvar—who, to human eyes, looks just like a common snail—crawls into the brain of one Tom Filber and attempts to do his analysis. At first glance, Tom appears to be the perfect specimen—fourteen years old, good health, above average intelligence. But it soon becomes apparent that Tom Filber may be a little too average—gawky, awkward, and utterly abhorred by his peers. An alien within an alien's skin, Ketchvar quickly finds himself wrapped up in the daily drama of teenage life—infuriating family members, raging bullies, and undeniably beautiful next-door neighbors. And the more entangled Ketchvar becomes, the harder it is to answer the question he was sent to Earth to resolve: Should the Sandovinians release the Gagnerian Death Ray and erase the human species for good? Or is it possible that Homo sapiens really are worth saving? Wickedly wry and hysterically skewed, David Klass's take on teen life on our fabulously flawed Planet Earth is an engrossing look at true friends, truer enemies, and awkward alien first kisses. *Stuck on Earth* is a 2011 Bank Street - Best Children's Book of the Year.

The Science of Stuck Dec 25 2022 A research-based tool kit for moving past what's holding you back—in life, in love, and in work. We all experience stuckness in our lives. We feel stuck in our relationships, career paths, body struggles, addiction issues, and more. Many of us know what we need to do to move forward—but find ourselves unable to take the leap to make it happen. And then we blame and shame ourselves, and stay in a loop of self-doubt that goes nowhere. The good news is you're not lazy, crazy, or unmotivated. In this empowering and action-oriented guide, you'll discover why we can't think our way forward—and how to break through what's holding us back. Using an eclectic approach and a customizable plan that's as direct or as deep as you want, this life-changing guide empowers you to: break old habits and patterns gain perspective on pain and trauma from the past free yourself from the torturous “why” questions take control of your choices to create the life you want Bringing together research-backed solutions that range from shadow work to reparenting, embodied healing, and other clinical practices, along with empowering personal stories, this book is a hands-on road map for moving forward with purpose, confidence, and the freedom to become who you're truly meant to be.

I've Stuck It In. Now What? Mar 04 2021 What is in Book One? This book starts you on the road to mastering your masculine sexual energy (ejaculation control) by clarifying the 8 Fundamental Misconceptions men have about intercourse. These contribute to premature ejaculation, and severely limit the pleasure and fulfillment you and your partners experience during sex. The 10 Exercises + Masturbation Regime provide the physiological awareness you need to develop. These are like weight-training for your sexual energy muscles. You will train to hold much greater amounts of sexual energy for longer periods of time. Men Are Multi-Orgasmic Did you know that men can separate the process of ejaculation from orgasm? This kind of non-ejaculatory orgasm, also known as a tantric or internal orgasm, can be just as intense as an ejaculatory orgasm, with one big difference: you do not release your sexual energy, and therefore you do not lose your erection. The Magical 20-Minute Mark Discover the importance — and the benefits! — of having intercourse beyond The Magical 20-Minute Mark. It is only beyond Magical 20-Minute Mark that a proper fucking begins. This is when sexual energy is built to sufficient levels to reach deeper levels of sexual pleasure, and orgasm. After the couple has had sex beyond the Magical 20-Minute Mark, the confluence of masculine and feminine sexual energies begin to join forces. Together, you dance off to transcendent landscapes created by the sexual energy of your union. By the end of Book One you will be on your way to accomplishing the first two Personal Milestones of Masculine Sexual Energy: Conscious Ejaculation Release Going beyond the Magical 20-Minute Mark Discover how ejaculation control is supported by proper fucking techniques, and how both contribute to building sexual energy. “It’s unspeakable how fire and life-changing both you and these two books are. They are so simple, precise, and clear, it’s amazing how such revolutionizing information can be conveyed with such ease and realness.” Brexi, Reddit Thank you!

Truck Stuck Feb 15 2022 Illustrations and simple rhyming text tell the story of a big truck that gets stuck under a bridge.

Exit Chaos Jan 14 2022 Exiting chaos is hard. I know because I have experienced chaos, observed others in chaos, and helped a lot of folks to exit their chaos. Your exit from any chaos is within reach. You have to stretch to complete your reach. Paralysis occurs when one is in chaos. It can shrink your reach and stop you from reaching the exit. My exit did not occur instantaneously. I did not eat a quarter pound of insight and courage to transform me in a few moments of time. The changes required digestion of lots of information from multiple sources to get me to integrate new information with my old DNA. This improved combination impacted my life, by presenting a new reality with a new decision making process. The picture on the front cover shows a light at the edge of the chaos forest that you may be slogging through right now. Walk towards the light and find a road to travel to exit your chaos.

When Your Church Feels Stuck Jun 07 2021 Every pastor wants their church to grow, but the reality is that most churches are stagnant or shrinking, leaving most pastors frustrated, weary, and discouraged. They continue to search for answers at conferences, in books, and on websites, but they don't find them. They don't realize that the answers that can actually make a difference in their ministry are the ones they need to give themselves. When Your Church Feels Stuck poses seven unavoidable questions church leaders must answer before they can chart the unique path to growth for their church. These challenging questions address the key subjects of mission, strategy, values, metrics, team alignment, culture, and services, and the way pastors answers these questions will help them discover the real reasons their churches are stuck—and what steps to take to facilitate real growth.

Stuck in Neutral Apr 05 2021 Shawn McDaniel's life is not what it may seem to anyone looking at him. He is glued to his wheelchair, unable to voluntarily move a muscle—he can't even move his eyes. For all Shawn's father knows, his son may be suffering. Shawn may want a release. And as long as he is unable to communicate his true feelings to his father, Shawn's life is in danger. To the world, Shawn's senses seem dead. Within these pages, however, we meet a side of him that no one else has seen—a spirit that is rich beyond imagining, breathing life. Supports the Common Core State Standards

All Stuck Up Mar 24 2020 A retelling of Uncle Remus's classic tale of Brer Rabbit written for emergent readers! Brer Fox is always trying to catch Brer Rabbit. But Brer Rabbit is smart! Will he escape from a sticky trap set by that wily fox? Step 2 Readers use basic vocabulary and short sentences to tell simple stories, for children who recognize familiar words and can sound out new words with help. Rhyme and rhythmic text paired with picture clues help children decode the story. "About fifty sentences, with one or two per gracefully color-cartooned page, this tale is reduced to the most basic motifs, but it does respect the ones it keeps. It will be a book to hand to kids who clamor for a version they can read for themselves."--Bulletin, Center for Children's Books.

Stuck Jan 26 2023 From the illustrator of the #1 smash The Day the Crayons Quit comes another bestseller--a giggle-inducing tale of everything tossed, thrown, and hurled in order to free a kite! When Floyd's kite gets stuck in a tree, he's determined to get it out. But how? Well, by knocking it down with his shoe, of course. But strangely enough, it too gets stuck. And the only logical course of action . . . is to throw his other shoe. Only now it's stuck! Surely there must be something he can use to get his kite unstuck. An orangutan? A boat? His front door? Yes, yes, and yes. And that's only the beginning. Stuck is Oliver Jeffers' most absurdly funny story since The Incredible Book-Eating Boy. Childlike in concept and vibrantly illustrated as only Oliver Jeffers could, here is a picture book worth rescuing from any tree.

On Being Stuck Oct 31 2020 What if writer's block became your most precious teacher? An empowering new process for writers who struggle with the seemingly insurmountable middle of a project, from the author of Writing Begins with the Breath. Writer's block. If you are a writer, you know it can be a haunting, terrifying force—a wolf at the door, a vast conspiracy, something that keeps you up at night, spinning your wheels, going nowhere. But what if we've been thinking about writer's block all wrong? What if, by paying attention to its qualities and inquiring into its hidden gifts, we can release that power? On Being Stuck is an empowering guide to working with your blocks and finding the friend within the beast. Using deep inquiry, writing prompts, body and breath exercises, and a range of interdisciplinary approaches, On Being Stuck will help you uncover the gifts hidden within your creative blocks, while also deepening your relationship to your work and reawakening your creative process.

Life Happens Next Dec 01 2020 Stuck in Neutral, a Printz Honor Book, introduced the world to Shawn McDaniel, a fourteen-year-old kid with cerebral palsy. But what happens next? Shawn's got a new perspective on life. But no one has a clue. That's because they can see only his wheelchair, his limp body, his drool. What they don't see? His brain, with perfect auditory memory. And his heart, which is in love with a girl. And his fierce belief that someday someone will realize there's way more to him than his appearance. How do you connect with others when you can't talk, walk, or even wave hello? In the sequel to Stuck in Neutral, which ALA Booklist called "an intense reading experience," Shawn McDaniel discovers a new definition of "normal" and finds that life happens next for everyone.

The Inside Scoop Nov 24 2022

Stuck in the 70's Dec 21 2019 One night in 1978, Tyler Gray wakes up to find a beautiful girl named Shay lying in his bathtub. For inexperienced, nerdy Tyler, this is not a common occurrence, but it's even stranger because Shay insists that she's from 2006. Of course Tyler doesn't believe her, but once she proves it, they strike a deal: Tyler will try to help get Shay back to 2006 if Shay helps him become more popular. But the more time Shay spends in 1978, the more she likes it. And while she helps Tyler with the popular crowd, she also wreaks havoc by going out with his worst enemy, making over his sister and helping his mother get a job as a cafeteria worker—at his school! Can Tyler get Shay home before his life is completely turned upside down? Publishers Weekly gave D. L. Garfinkle a Flying Start for Storky, praising its "wry outlook" and "lovable hero" in a starred review. With Stuck in the 70's, Garfinkle creates another funny look at teen life with just a touch of magic. It's far-out, man!

From Stuck to Unstuck Mar 28 2023 This book seeks to provide a way for pastors and other leaders to work together to get themselves emotionally unstuck and to help their congregations as systems get unstuck. Because many of our smaller problems are a product of the current paradigm shift, this book strives also to use ideas about problem-solving from Brief Systemic Therapy to shed light on the implications of this paradigm shift for our communities of faith. It urges our leaders to anticipate the birth of churches and synagogues that reflect the new paradigm and to guide us to learn the role of midwife. This book first asks: What is the nature of systemic problems in which we get stuck? And then: What is the nature of the solutions that get us unstuck? The other key question: What is the nature of leadership for our times that can best help us get our churches unstuck while keeping leaders emotionally healthy? Stuck? Apr 17 2022 Since a while, the way we look at organizations started moving from a machine-like to a living systems perspective. In doing so, it's becoming more and more clear that organizations can get stuck due to overwhelming events or chronic toxic conditions. Machines can get broken and fixed. Living systems can't be fixed. They need healing when wounded. What if you are confronted with organizational trauma as a leader, manager, consultant or coach? How do you recognize an organization that is getting stuck? What kind of incidents or conditions can induce organizational trauma? What is needed to facilitate healing? What makes an organization more resilient? All these questions are answered throughout this book that is opening a new field for the corporate world. 20 years of experience are gathered in this book based on the Dutch edition that was awarded for Best Management Book of 2016 by the Dutch Organization for Organizational Consultants. To write this book, the author combined his broad experience as a guide for organizational renewal with a deep dive in the field of individual and systems trauma. Based on this experience, the author is often invited as a keynote speaker and expert in the field of organizational development. "Healthy organizations can be Forces for Good," is a key message of his work. A call to action to stop neglecting and start dealing with organizational trauma.

One Duck Stuck Mar 16 2022 "Perfect for reading aloud, this counting book not only contains bright bold illustrations but also has lots of . . . sound effects that children will love to replicate." -- BOOKLIST Down by the marsh, by the sleepy, slimy marsh, one duck gets stuck in the muck . . . Can two fish, tails going swish, help? What about three moose, munching on spruce? Bright, spirited illustrations by Jane Chapman enhance this one-of-a-kind counting tale by Phyllis Root - a feast of sounds and numbers that will have listeners scrambling to join in the slippy, sloppy fun.

A Little Stuck Jul 08 2021 A specially adapted board book edition of Oliver Jeffers' laugh-out-loud classic, Stuck. Floyd gets his kite stuck up a tree. He throws up his shoe to shift it, but that gets stuck too. So he throws up his other shoe and that gets stuck, along with... a ladder, a pot of paint, the kitchen sink, an orang-utan and a whale, amongst other things! Will Floyd ever get his kite back? A hilarious book with a wonderful surprise ending.

Stuck Aug 21 2022 Rufus identifies a rather striking social trend: many people are stuck in the wrong relationship, career, or town, or just with bad habits they can't seem to quit. Many even say they want to change, but face a complex network of causes for immobilization.

The Stuck Book Oct 23 2022 We've all felt unsure of what to do next. Experts, articles offering advice, and well-meaning loved ones amplify the anxiety. What they are saying you need to do feels like worn-out-hand-me-down clothes that don't fit. Conventional wisdom won't help you. Their answers aren't your answers. You're in a different season. You need customized wisdom. There is a skill that will help you achieve clarity about your next step. You have to figure out where you are. The stuck book is a short book you can pick up when you have a question and get an answer for what needs to be done. Seize the day? Wait and ponder? Whether it's your job or a relationship there are 4 simple answers for your 1,000,000 questions.

Stuck Jun 26 2020 A behind-the-scenes examination of Asian Americans in the workplace In the classroom, Asian Americans, often singled out as so-called "model minorities," are expected to be top of the class. Often they are, getting straight As and gaining admission to elite colleges and universities. But the corporate world is a different story. As Margaret M. Chin reveals in this important new book, many Asian Americans get stuck on the corporate ladder, never reaching the top. In Stuck, Chin shows that there is a "bamboo ceiling" in the workplace, describing a corporate world where racial and ethnic inequalities prevent upward mobility. Drawing on interviews with second-generation Asian Americans, she examines why they fail to advance as fast or as high as their colleagues, showing how they lose out on leadership positions, executive roles, and entry to the coveted boardroom suite over the course of their careers. An unfair lack of trust from their coworkers, absence of role models, sponsors and mentors, and for women, sexual harassment and prejudice especially born at the intersection of race and gender are only a few of the factors that hold Asian American professionals back. Ultimately, Chin sheds light on the experiences of Asian Americans in the workplace, providing insight into and a framework of who is and isn't granted access into the upper echelons of American society, and why.
