Jesus and the Addict May 16 2021 We face a profound problem in this country and around the world, the plague of drug addiction. Lives are being lost and destroyed. Many people are affected by this issue in some way, via family members, friends, or co-workers. The question is, "How can people find true healing of the physical, emotional, and spiritual needs involved in their addiction?" The author proposes leading addicted people to faith in Jesus Christ. *Jesus and the Addict: 12 Bible Studies for People Getting Free from Drugs* is designed to help leaders in Christian faith-based recovery to guide those who come to their communities toward continuous freedom from drugs. The book contains twelve studies with biblical guidance on varying issues with which people in recovery struggle such as overcoming fear, learning to have hope, overcoming resentment, and dealing with forgiveness. Jesus Christ is the answer in all these things. Deepened relationship with Him and the transforming effect of His power and love bring redemption and new life. The book is intended for pastors, mentors, sponsors, and teachers - anyone working in jail, prison, transitional communities, or in churches to help recovering addicts. The studies are designed to be shared in large group settings, a speaker providing the teaching talk. Following that teaching time, the large group can then break out into small groups for discussion of the teaching. However, this material is workable within a single small group as well as a large one - the small group hearing the talk less formally and then discussing it. Each of the twelve lessons contains a verse or key verses from the Bible about a particular topic. Those Bible verses form the basis of the lesson. There is then a section with discussion about the background and state of mind of people seeking recovery for the speaker to consider about those who will be in the listening audience. The author's experience has largely been with people who are lower income or poor, but addiction affects all classes of society, and both urban and rural populations. The concepts discussed in the background and state of mind section are adaptable to varying recovery audiences. A prayer for the speaker is included next. Following the prayer, there is a sample talk section where some key points are given. This talk can be modified to fit the speaker's own experiences and their audience. And each chapter concludes with sample questions that can be used to stimulate conversation within your recovery group. The book also contains teaching and theology about the nature of God as Father, Son, and Holy Spirit. An explanation of the cross event, resurrection, and the meaning of the Holy Spirit in the life of believers is explained such that people in recovery can understand God as being full of grace and as a source of great empowerment. The presentation of the present-day healing ministry of Christ gives hope to the addict that they can permanently be freed from drugs and feel the lifting of guilt and shame. They can also take their place as a useful and contributing part of the kingdom of God and in society. Dr. Pam Morrison, the author, is an ordained pastor from the Free Methodist Church. She has led or helped to lead six churches. She has volunteered with Prison Fellowship and has ministered with addicts in several settings. Her belief is that medical and secular means have been and are used to help addicts, but the greatest help anyone can receive to achieve permanent freedom is to find faith in Jesus Christ. So much more help is needed for addicts and families of addicts. We are short on places and those who will walk steadfastly with people seeking recovery. This is a ministry urgently needed in this hour.

Living for What Really Matters Jan 24 2022 The Get Wisdom Bible Studies help women connect with Scripture in an accessible and energizing way. Teresa Swanstrom Anderson guides with a winsome style that is rich in depth, but still approachable for newer readers of the Bible. What Are You Hustling For? We glorify busyness. We hustle, hoping to gain approval and find acceptance. Yet for most of us, we simply hustle our way to burnout. But what if it's only pointless hustle that leads to burnout? What if meaningful struggle can lead us to growth and depth and even joy? The apostle Paul understood hustle--and struggle--better than most. But in prison, where we'd expect him to be burned out and depressed, he wrote a letter to his Philippian friends seeking to build them up, a letter filled with thankfulness, generosity, and joy. Focused on Jesus rather than concentrating on his own discomfort, Paul's actions brilliantly display what happens when hardship is used for the glory of God. We might feel that life is trying to bury us . . . but what we forget is that we're a seed. Philippians will show us how we can grow deep roots and blossom by finding the meaning in our struggle.

Take Back Your Life Bible Study Guide Sep 19 2021 In this five-session video Bible study (DVD/digital downloads sold separately), pastor and author Levi Lusko reveals how every moment of every day, we must make the choice as to whether we will rely on ourselves to determine the reality of our situation or whether we will trust in God. In the Old Testament, we read how Gehazi, the servant of the prophet Elisha, faced this very dilemma. A bounty had been put on Elisha's head, and an army was now surrounding them. Gehazi was frantic. "Oh no, my lord!" he cried. "What shall we do?" (2 Kings 6:15). "Don't be afraid," Elisha calmly answered. "Those who are with us are more than those who are with them" (verse 16). Gehazi must have wondered if his master had lost his mind. They had maybe five minutes before the soldiers reached them . . . yet here was Elisha practically singing the lyrics to "It's a Small World" and pretending everything was going to be all right. But then the prophet prayed, "Open his eyes, Lord, so that he may see" (verse 17). And with this, Gehazi suddenly saw what his master was seeing: a glorious, greater, and far more powerful army of the Lord surrounding the enemy invaders. When it comes to the trials and crises in our lives, we need to see the reality of our situation with the

same "spiritual eyes" as Elisha possessed. What we perceive is not all that is there . . . there are unseen things, spiritual things, eternal things. As the apostle Paul put it, "So we don't look at the troubles we can see now; rather, we fix our gaze on things that cannot be seen. For the things we see now will soon be gone, but the things we cannot see will last forever" (2 Corinthians 4:18 nlt). As we learn to perceive our world through the lens of faith, we gain the strength to do the impossible. Take Back Your Life is a forty-day journey that will challenge you to see your situation with spiritual eyes, identify the roadblocks that get in the way of your faith in Christ, and ultimately take the first steps to become the difference-maker in the world that God created you to be! Designed for use with the Take Back Your Life Video Study available on DVD or streaming video, sold separately.

In this six-session small group Bible study, pastor and New York Times best-selling author, Max Lucado offers refreshing assurance. Max reminds participants God doesn't promise that getting through trials will be quick or painless. But his Old Testament story is in the Bible for this reason: to teach us to trust God to trump evil. With the compassion of a pastor, the heart of a storyteller, and the joy of one who has seen what God can do, Max explores the story of Joseph and the truth of Genesis 50:20. What Satan intends for evil, God redeems for good. Receiving Christ's Hope Aug 31 2022 After many years of writing in her prayer journal, missionary Sarah Young decided to be more attentive to the Savior's voice and listen for what He was saying to her. The result was Jesus Calling, a collection of personal reflections based on Jesus' own words of hope, guidance, and peace found in the Scriptures. Through these messages, countless people have been encouraged to experience a deeper relationship with the Lord as they also learn to listen for His voice in the pages of the Bible. In Receiving Christ's Hope, the third study in the Jesus Calling Bible Study Series, you will explore the promises God makes to you in His Word about finding your shelter and security in Him. Jesus said, "Peace I leave with you; my peace I give you" (John 14:27). As you allow God's love to seep into the inner recesses of your being, put aside your own plans, and let the light of His presence fill your mind, you will experience His perfect peace that "transcends all understanding" (Philippians 4:7). Each of the Jesus Calling Bible Studies include devotional readings from Jesus Calling, selected passages of Scripture for reflection, Bible Study questions, and additional questions and activities to help you apply and live out the material during the week. This study can be used for personal reflection and Bible study or in a small-group setting.

How to Study the Bible May 28 2022 The Bible is the inspired word of God, and every believer should study it in order to know the rich and vast content of God's divine provisions. When God speaks, He does so through His established word. Therefore, we must study the Bible in a proper way in order to let the word of God dwell richly in our hearts. In order to study the Bible, we first must be proper persons, having passed through the necessary spiritual training under the Lord's leading and guiding. We must also use the right methods. Many good books have been printed on how to study the Bible, but most pay attention only to methods of studying the Bible; They do not pay enough attention to the person who studies the Bible. Even with the right methods, we can receive very little in our study of the Bible if our person is not proper before the Lord.
