Thor Ramsey (hereafter known as the Jon Stewart of the theological world) defends the essentials of the Christian faith in this volume of comedy for the thinking person. Armed with only a laptop and a rapier wit, he defends the inspiration of the Bible ("all Scripture is inspired by God"—in other words, when you tell someone off, quote the Bible), the doctrine of total depravity (calling someone out for their sins is a tricky business, especially if you don't know how to operate a bullhorn), and the supremacy of Christ (or why Thor's God is bigger than your god), along with a host of other essential doctrines of the Christian faith. Packed with funny stories and hard-hitting truths, this comprehensive collection of biblical insights and personal anecdotes will surprise readers, destroy their misconceptions and leave them wanting more. For readers looking alternatives to the conversation of traditional faith, or those who have a taste for fearless (and hilarious) honesty, *A Comedian's Guide to Theology* will permanently change how we all look at Christianity—or at least offer a good-hearted shove out of the box (or back in the box, if that's where you need to be). "What a supreme pleasure to read a book that I find powerfully honest, theologically kapow dead-on, and incredibly and ACTUALLY funny funny funny funny! This book is so brilliantly funny and dead-on that if I weren't a very mature Christian I might be jealous." —Eric Metaxas, *New York Times* best-selling author of *Amazing Grace: William Wilberforce and the Heroic Campaign to End Slavery*, and former editor of *The Yale Record*. Rooted in the creative success of over 30 years of supermarket tabloid publishing, the *Weekly World News* has been the world's only reliable news source since 1979. The online hub www.weeklyworldnews.com is a leading entertainment news site. This introduction to contemporary digital cinema tracks its intersection with video art, music video, animation, print design and live club events to create an avantgarde for the new millennium. It begins by investigating digital cinema and its contribution to innovations in the feature-film format, examining animation and live-action hybrids, the gritty aesthetic of the Dogme 95 filmmakers, the explosions of frames within frames and the evolution of the 'ambient narrative' film. This study then looks at the creation of new genres and moving-image experiences as what we know as 'cinema' enters new venues and formats. A guide to the business side of sports, teams, marketing and equipment - a tool for strategic planning, competitive intelligence, employment searches or financial research. It contains trends, statistical tables, and an industry glossary. It includes over 350 one page profiles of sports industry firms, companies and organizations. Provides information on accommodations, restaurants, shopping, sights, and transportation in Germany. A guide to major independent and foreign films on video and DVD features hundreds of listings representing a variety of genres, along with commentaries and production details. The ladies having completed their study of *Romeo and Juliet* move on to *Macbeth*. It is February in Chicago, a dreary month that seems to last forever. The skies are grey, the streets cold and dangerous, a setting that mirrors *Macbeth*. The three witches who make their target *Macbeth*, the ghosts who torment *Macbeth* and his consort *Lady Macbeth* resonate with what is happening in their own lives. Katherine is haunted by the certainty that her cancer will recur, and is terrified that she will die alone. Franny is tormented by the ghosts from her past that she thought she had escaped by marrying Sam. Annie, reconciled with Bill is worried about the fate of the artists, writers, and doctors in a culture that exploits those who do the actual work. Claire is disturbed by the play and the pain it is causing her and her friends. All are intensely aware of how little time is left to them and how precious that remaining time is. Changes, welcome or not, come to all the ladies. The Book Club and their friendships provide sustenance and comfort in this unsettled time of their lives.
