Twenty-five years after her passing, Audrey Hepburn remains the most beloved of all Hollywood stars, known as much for her role as UNICEF ambassador as for films like Roman Holiday and Breakfast at Tiffany's. Several biographies have chronicled her stardom, but none has covered her intense experiences through five years of Nazi occupation in the Netherlands. According to her son, Luca Dotti, "The war made my mother who she was." Audrey Hepburn's war included participation in the Dutch Resistance, working as a doctor's assistant during the "Bridge Too Far" battle of Arnhem, the brutal execution of her uncle, and the ordeal of the Hunger Winter of 1944. She also had to contend with the fact that her father was a Nazi agent and her mother was pro-Nazi for the first two years of the occupation. But the war years also brought triumphs as Audrey became Arnhem's most famous young ballerina. Audrey's own reminiscences, new interviews with people who knew her in the war, wartime diaries, and research in classified Dutch archives shed light on the riveting, untold story of Audrey Hepburn under fire in World War II. Also included is a section of color and black-and-white photos. Many of these images are from Audrey's personal collection and are published here for the first time. When twenty-four robbers visit a woman's cottage she gives them what they ask for, but they keep coming back for more until they are ready to give something to her. 3-8 yrs. "Outrageous and riveting." -School Library Journal Living in the White House is like being permanently grounded. Only with better security. First Daughter Audrey Rhodes can't wait for the party she has planned. The decorations are all set and the pizza is on its way. But the Secret Service must be out to ruin her life, because they cancel at the last minute, squashing Audrey's chances for making any new friends. What good is having your own bowling alley if you don't have anyone to play with? Audrey is ready to give up and spend the next four years totally friendless--until she discovers Alice Roosevelt's hidden diary. The former First Daughter's outrageous antics give Audrey a ton of ideas for having fun...and get her into more trouble than she can handle. "The combination of humor, history, light romance and social consciousness make Rebecca Behrens' debut novel a winner." -BookPage "Rebecca Behrens combines charming and quirky characters from two different centuries, creating a believable, engaging story that tugs at the heart and tickles the funny bone." -Nikki Loftin, award-winning author of The Sinister Sweetness of Splendid Academy "Outrageous and riveting. ...this book aims to inspire and stir young girls to unearth their inner Alice Roosevelt and to 'eat up the world.'" -School Library Journal Twenty-five years after her untimely passing, Audrey Hepburn remains one of Hollywood's most enduring icons of style, grace, and beauty. Remember her with this stunning tribute featuring images by Hepburn's close friend Bob Willoughby, a renowned photojournalist for Life magazine and many other publications. Virginia financier Julian McCaid has put his troubled past behind him. His plans for the future don't include Audrey Sheridan, the extraordinary frontier woman he met just once. But it's because of her that he's come to the Dakota Territory to investigate problems at his ranch. And it's all the more surprising when he discovers she isn't the innocent he believed. Now nothing but her complete surrender will purge her from his soul. If it weren't for the children she cares for in her makeshift orphanage, Audrey would have left Defiance long ago. Now the sheriff is blackmailing her to distract the man who might derail his corrupt schemes - a man who can offer Audrey not just protection, but a passion bold enough to make them claim their place in this harsh and beautiful land... Note: This story was originally published by Zebra Books. Reading Order for The Men of Defiance Series: #1 RACHEL AND THE HIRED GUN #2 AUDREY AND THE MAVERICK #3 LEAH AND THE BOUNTY HUNTER #4 LOGAN'S OUTLAW #5 AGNES AND THE RENEGADE Calendar Girl Mia Saunders has come a long way. She rounds out the end of her year-long journey in Hollywood, New York City, and Aspen. In October, Mia starts her new life working on a celebrity daytime television show where she runs a regular segment about living beautiful. Her guy deals with the aftermath of captivity, and together they find a way to fight through the storms. Next, Mia travels to the Big Apple to tape a program about being thankful. All of her dreams are coming true...except for one. Finally, in December, our girl finds herself in the winter wonderland of Aspen, Colorado to film a segment on local artists under rather unique circumstances. Prepare to be wowed as Mia's journey merges into the ending everyone has been waiting for. From #1 New York Times Bestselling Author Audrey Carlan, discover The Marriage Auction: Season One, Volume Four You can now dive into the Kindle Vella phenomenon with over 1 MILLION READS. This saga has ranked #1 for over a full year and continues to break records each month as American's favorite serial. Each volume contains more than 10% new content that includes two never before scenes from some of our favorite couples. What would you do for three million dollars? Four young women enter into a clandestine auction to be married to the highest bidders. For no less than a million dollars a year, for three years, each woman will do what it takes to secure her future. Entangled in a high-stakes game of money, lust, power, and the hope for absolution, this group of women becomes a sisterhood unlike any other. Once chosen by a man she's never met and agrees to marry sight unseen? there is no going back. Hidden secrets, wicked desires, fiery couplings and intense family drama are all part of the deal when you willingly enter into The Marriage Auction. You may now kiss the bride? ***Content Warnings: Intended for mature audiences only. Explicit content. Please check the author's website for detailed content warnings. Volume One: Mia

Saunders needs money. A lot of money. She has one year to pay off the loan shark who has threatened her father's life and is coming after his unpaid gambling debts. One million dollars to be exact. Her mission is simple—serve as a high-priced escort for her aunt's Los Angeles-based company and pay monthly against the debt. Spend a month with a rich man whom she doesn't have to sleep with if she doesn't want to? Easy money. Unlucky in love with a spirit that never gives up, this curvy motorcycle-riding vixen plans to get in, make her money, and get out. Part of that goal is keeping her heart locked up tight and her eye on the prize. At least that's the way it's supposed to go... Volume Two: Unwilling escort Mia Saunders's journey continues in the second anthology of the Calendar Girl series! In the next three months, Mia heads to Boston, Oahu, and Washington DC. In April, she poses as girlfriend to philandering Mason Murphy, a professional baseball player who needs a better image, only to find he's not at all what she expected. May finds Mia turning up the heat with Samoan model and fire-dancer Tai Niko as she participates in a swimsuit campaign designed to prove that beauty really does come in all sizes. Mia rounds out June as the arm candy for Warren Shipley, a member of the wealthy one percenters. Although she's pretending to be a gold-digger, Warren turns out to have a heart of gold. However, his devastatingly handsome son, Aaron, a California Senator, is nowhere near as kind. Volume Three: Mia Saunders journey continues in the third wicked hot anthology of the Calendar Girl Series! In the next three months, Mia heads to Miami, Texas, and her hometown, Las Vegas. In July, she serves as the seductress in a music video to platinum selling hip hop artist Anton Santiago. Still dealing with the trauma from June, our girl opens her heart and finds that taking risks in life and love could give her all that she ever needed and more. In August, Mia heads to Texas to put on her acting hat and pretend to be the long lost sister of oil tycoon and big business man Maxwell Cunningham. The job should have been a snap, only secrets are revealed from her past that change everything she knew to be true. In September, Mia dashes home to sin city where the world around her seems to implode. The people she loves are fighting battles she isn't prepared for, but desperate to solve before she loses it all. Volume Four: Calendar Girl Mia Saunders has come a long way. She rounds out the end of her year-long journey in Hollywood, New York City, and Aspen. In October, Mia starts her new life working on a celebrity daytime television show where she runs a regular segment about living beautiful. Her guy deals with the aftermath of captivity, and together they find a way to fight through the storms. Next, Mia travels to the Big Apple to tape a program about being thankful. All of her dreams are coming true...except for one. Finally, in December, our girl finds herself in the winter wonderland of Aspen, Colorado to film a segment on local artists under rather unique circumstances. Prepare to be wowed as Mia's journey merges into the ending everyone has been waiting for. From the New York Times bestselling author of *Audrey Style* comes a charming guide to Audrey Hepburn-inspired living for the modern woman Audrey Hepburn epitomized grace and style, not only in her appearance but in her very essence. Whether in fashion, relationships, her work on the screen, or for UNICEF and her home life, there is no one more worthy of imitation. How did she do it? What Would Audrey Do? is the answer: a complete Audrey primer, with rich anecdotes and insight from the people who knew her best, and Audrey-inspired lessons in loveliness, including:

- Dating advice from the woman who enjoyed romances with John F. Kennedy, William Holden, and Albert Finney
- What made her an icon, and how to apply her style choices to twenty-first-century clothes, makeup, and accessories
- Raising children, trying to raise husbands, and making home life balanced in every way
- How to travel, what to pack, and maintaining your cool on the road
- Using renown (long before Angelina and Bono got all the press) to help others around the world
- Insight into her rich interior life and the discipline, intelligence, and generosity that made her so compelling

In an era fraught with selfishness, flamboyance, and sensational headlines, Audrey as a role model is precisely what the world needs. Chronicles the personal and professional life of the actress, from her life during WWII to her film career and charity work. Janis Revell did not come into this world easily. But from the moment she was born she was her mother's love. At the age thirty-four Jan died. She was a gifted, comical, exciting, vibrant, intellectual, and a challenging individual. Her spirituality and sensitivity produced tremendous joy for those who knew her. It is a moving story of joy, family warmth, and of bright achievement tarnished by the coldness and failures of dreary and inefficient bureaucracy and highlights the shining examples set by caring volunteers, in stark contrast to the paid functionaries of grey, faceless and dismissive authority. Above all, this book is a searing indictment of a system in which closing ranks is more important than establishing the truth, and in which the concerns of those who are subject to the system are treated with arrogant dismissiveness. In *Take My Hand*, Audrey Revell paints a vivid and moving picture of the life and indomitable spirit of her daughter Janis, an exceptionally talented musician and composer despite having lost her sight as a child together with progressive hearing loss. Enduring and overcoming all the difficulties and disappointments of a lifelong fight against the rare and incurable disease Retinitis Pigmentosa. This is a true story of love, dedication, shining devotion and black betrayal by the system. This is Audrey Revell's honest, heart-breaking, funny, powerful, and sometimes controversial story of the life and dreadful, harrowing death of her daughter, written to fulfill a promise she made to Jan before her life support was switched off. It is also a tribute to Janis. It is lovingly and honestly written in unsparing graphic terms in the hope that it will challenge you to a better understanding of many issues. SENSE: "It is a powerful and moving story which goes into some painful and difficult areas." THE FOREST BOOK SHOP: "A powerful and very moving story." When a girl in the New England town of Rymer is found brutally murdered, the community seeks help from criminal psychologist Audrey Harte. The media wants Audrey's insight into the mind of a killer, and the school and parents hope she can help the students properly process the crime. But Audrey can't resist assisting Detective Neve Graham in the quest to find the killer. A killer who seems willing to do anything to avoid going to jail, even killing a cop -- or a psychologist. For more from Kate Kessler, check out: *Audrey Harte novels* *It Takes One Two Can Play Three Strikes Four of a Kind* *Zero Hour* (novella) *Dead Ringer* The son of the celebrated actress recounts the life of his mother, her most noted performances, and her work as a goodwill ambassador for UNICEF, along with events in his own life. "What else would you wish for?" Daddy says. "If you could have anything in the world, what would you wish for?" I shrug. "Oh, I don't know. Maybe . . ." "Maybe what?" "For us to live better than we do." He does not say anything. In 1948, award-winning author Ruth White lived in Jewell Valley, a coal camp nestled between the hills of southwestern Virginia, with her mother, still mourning for a baby who died four years earlier; her father, who spent the weekends and most of his pay out drinking; and her three older sisters, Audrey, Yvonne, and Eleanor. Told in Audrey's voice, this is how the author imagines Audrey's experiences during a time of great trauma for the White family – and what happened before they were able to live a better life. This snapshot of life in a coal camp, complete with everyday heartaches and joys – as well as stories, songs, and jokes – is Ruth White's most personal work to date. *Little Audrey* is a 2009 Bank Street - Best Children's Book of the Year. In *Being Audrey Hepburn*, Clarissa Explains It All-creator, Mitchell Kriegman, tells the story of a 19-year-old girl from Jersey who finds herself thrust into the world of socialites after being seen in Audrey

Hepburn's dress from the film *Breakfast at Tiffany's*. Lisbeth comes from a broken home in the land of tube tops, heavy eyeliner, frosted lip-gloss, juiceheads, hoop earrings and "the shore." She has a circle of friends who have dedicated their teenage lives to relieve the world of all its alcohol one drink at a time. Obsessed with everything Audrey Hepburn, Lisbeth is transformed when she secretly tries on Audrey's iconic Givenchy. She becomes who she wants to be by pretending to be somebody she's not and living among the young and privileged Manhattan elite. Soon she's faced with choices that she would never imagine making – between who she's become and who she once was. In the tradition of *The Nanny Diaries* and *The Devil Wears Prada*, this is a coming of age story that all begins with that little black dress... California high school student Audrey Cutler dumps self-involved Evan, the lead singer of a little band called The Do-Gooders. Evan writes, "Audrey, Wait!," a break-up song that's so good it rockets up the billboard charts. And Audrey is suddenly famous! Now rabid fans are invading her school. People is running articles about her arm-warmers. The lead singer of the Lolitas wants her as his muse. (And the Internet is documenting her every move!) Audrey can't hang out with her best friend or get with her new crush without being mobbed by fans and paparazzi. Take a wild ride with Audrey as she makes headlines, has outrageous amounts of fun, confronts her ex on MTV, and gets the chance to show the world who she really is. Simpson offers a biography of her mother, one of the first female journalists in New Mexico who was known for her informative, influential, and inspiring writing. At the age of six, living in New York, she was the third of six children born to a woman who had allowed drugs and alcohol to rule her life. The child was placed for adoption by the Department of Children and Families. She was brought to Florida at the age of nine, with only a few memories of her life before foster care. Two and a half years later, the adoption failed and the little girl was deserted. Our fourth foster child came into our lives, not only suffering from the loss of her biological family, but the loss of her adoptive family as well. Those who had adopted her had destroyed her paperwork and no one seemed to have record of the child's last name at birth. She was tiny, emotionally fragile and absolutely beautiful. There was so much pain and anger that she rejected even the slightest touch of affection. This beautiful little girl, without a home, a family or even her own last name, stood before me, her future in my hands. So ill equipped to handle the needs of this little girl was I that sometimes I wondered what on earth I had been thinking. And then other days, I felt so much pride as she revealed the strength of the human spirit. From the #1 bestselling author of the beloved *Calendar Girl* books comes the first in a witty, wise and emotionally compelling new series, where coming home is just the beginning... "Fly free." For ten years those words, written on pink parchment paper in her mother's beautiful handwriting, have been Suda Kaye Ross's guiding star. Every year on her birthday, Suda Kaye opens another of the letters her mother penned before she passed, heeding the advice inside as she fills her life with experiences. From Italy to Australia, from Rio to Russia, she's slaked her wanderlust. And then, on her twenty-eighth birthday, she opens the letter that sends her home. Returning to Colorado means confronting everything—and everyone—she left behind, including her cherished sister, Evie, and her first love, Camden Bryant. Suda Kaye and Cam spent four years and one unforgettable night together. Given the way she ran out on him, it's no surprise that he's wary, resentful...and engaged to someone else. Evie, hardworking and überresponsible, just wants her sister to put down roots at last. For Evie's sake, and her own, Suda Kaye is trying to build a new life, all the while wondering whether it's too late to come back home—or if the most important part of her never really left. Don't miss *On the Sweet Side*, the next book in Audrey Carlan's *The Wish* series! With the emotional pull of Susan Wiggs' and Robyn Carr's engaging family dramas, *On the Sweet Side* is a sassy and emotional strangers-to-sisters story about the enduring power of family—both the one you're born with and the one you choose. A rare glimpse into the woman behind the mystique and the definitive guide to living genuinely with glamour and grace. "Living is like tearing through a museum. Not until later do you really start absorbing what you saw, thinking about it, looking it up in a book and remembering—because you can't take it all in at once."—Audrey Hepburn On many occasions, Audrey Hepburn was approached to pen her autobiography, the definitive book of Audrey, yet she never agreed. A beloved icon who found success as an actress, a mother, and a humanitarian, Audrey Hepburn perfected the art of gracious living. More philosophy than biography, *How to Be Lovely* revisits the many interviews Audrey gave over the years, allowing us to hear her voice directly on universal topics of concern to women the world over: careers, love lives, motherhood and relationships. Enhanced by rarely seen photographs, behind-the-scenes stories, and insights from the friends who knew her well, *How to Be Lovely* uncovers the real Audrey, in her own words. Factory Records has become the stuff of legend. The histories of the label have been told from many perspectives, from visual catalogues and memoirs to exhibitions. Yet no in-depth history has ever been told from the perspectives of the women who were integral to Factory's cultural significance. The untold history of Factory Records is one of women's work at nearly every turn: recording music, playing live gigs, running the label behind the scenes, managing and promoting bands, designing record sleeves, making films and music videos, pioneering sound technology, DJing, and running one of the most chaotic clubs on the planet, The Hacienda. Told entirely in their voices and featuring contributions from Gillian Gilbert, Gina Birch, Cath Carroll, Penny Henry and over fifty more interviewees, *I THOUGHT I HEARD YOU SPEAK* is an oral history that reveals the true cultural reach of the label and its staying power in the twenty-first century. An NPR Best Book of the Year A Publishers Weekly Best Book of the Year How does a girl fashion herself into a woman? In this richly illustrated memoir, writer Patricia Volk juxtaposes her two childhood idols to find her answer. Her mother, Audrey, was an upper-middle-class New Yorker and a great beauty—meticulously groomed, proudly conventional. Elsa Schiaparelli was an avant-garde fashion designer whose creations broke every rule and elevated clothing into art. While growing up in Audrey's strict household, Patricia read Schiap's freewheeling autobiography and was transformed by it. Shocked weaves Audrey's traditional notions of domesticity with Schiap's often outrageous ideas, giving us a revelatory meditation on beauty and on being a daughter, sister, and mother—and demonstrating, meanwhile, how a single book can change a life. "Hello?" "I'll bet anything that you are pacing up and down right now, thinking of excuses to cancel on me tonight. Am I right?" It's Veronica. Audrey looks out the window as if expecting to see Veronica with a pair of binoculars. "No!" Audrey is not at all surprised at how well Veronica knows her. "Great, pick you up in fifteen babe, mwah." Audrey Mills resides in New York City, The Parkway, a grand old building that has become home for Audrey, for almost four years. Known to be somewhat of a recluse, Audrey works at a small florist just a few blocks from where she lives, and except for a few close friends, she generally prefers to keep to herself, spending most of her spare time reading and playing her grandmother's piano. As Audrey stands there, mesmerized by the intricacy of the artwork, she is completely unaware that a stealthy William has walked up behind her. With his eyes fixated on her flawless profile, William allows several moments to pass before deciding to finally announce his presence. Audrey is a cow with poetry in her blood, who yearns for the greener pastures beyond Bittersweet Farms. But when Roy the horse tells this bovine dreamer that she is headed for Abbot's War, the slaughter house, Audrey knows that she must

leave her home and friends sooner than she ever imagined. With the help of a whole crew of animals and humans alike, Audrey attempts to escape the farm she lives on--and certain death. Cleverly written as an oral account, this unique illustrated tale of an animal on the run, told "to camera", uses over thirty narrative voices, including six humans, four cows, three sheep, two sheep dogs, one pig and a very silly rooster. Full of heart and humor, Audrey (cow) is ultimately a very human story about life and death, friendship, and holding on to one's dreams--based more or less on a true story. A stuffed bunny named Audrey worries that a child would never choose her because of her imperfections, until a little girl named Caroline comes along and loves her regardless. It's really simple. I needed money. A lot of money. One million dollars to be exact. The amount didn't matter. All that mattered is that at the end of that price tag held my father's life. No money. No life. The time limit was one year. On January 1st I had to pay up or my Father was going to be killed. When you're faced with an ultimatum like this, you do whatever you have to do. And that's exactly what I did. The job...Exquisite Escorts. My role, serve as high priced arm candy to anyone that can afford the \$100,000 price tag for a month of my company. Sex is optional (for me) and a 20% increase on the price. Mia Saunders just barely escaped a paltry life back home in Las Vegas until she gets the call that her Father has been beaten to within an inch of his life for not paying his gambling debt. Problem is, the lone shark is her lousy, ruthless ex-boyfriend. Another guy in a long line of men she'd fallen head over heels for. Not anymore. Mia's mission is simple. Serve as a high-priced escort for her Aunt's company and pay monthly against her Father's bad debt. A month with a rich man who she doesn't have to sleep with if she doesn't want to? Easy money. At least that's the way it was supposed to go. ***** Audrey Carlan is an Amazon and Kobo best-selling author. She has written the wildly successful Falling Series, Trinity Trilogy and the Calendar Girl Serial. She writes wicked hot love stories that are designed to give the reader a romantic experience that's sexy, sweet, and so hot your ereader might melt. Audrey lives in the sunny California Valley two hours away from the city, the beach, the mountains and the precious...the vineyards. She has been married to the love of her life for over 12 years and has two young children that live up to their title of "Monster Madness" on daily basis. When she's not raising money, sipping wine with her "soul sisters", or teaching yoga, she can be found with her nose stuck in book or her Kindle. A hot, smutty, romantic book to be exact! The definitive guide to a Hollywood legend. Few stars are as loved as Audrey Hepburn, today as much as ever. Beautiful, delicate, graceful - but always warm and natural - she stole our hearts. She was also brave, working tirelessly for UNICEF in the face of her own failing health. In this moving and heartwarming biography Alexander Walker traces the extraordinary combination of luck and talent that allowed a fragile little girl, who nearly died in Hitler's occupied Europe, to conquer, in just one year, the New York stage and the Hollywood screen. Walker analyses her ascent to power and world fame and reveals the sadness of her life: two failed marriages, a broken engagement, and the crushing disappointment that occupied her triumph in My Fair Lady. Most importantly of all, this biography reveals what no one has known until now: the truly terrifying family secret that tore Audrey's childhood apart and kept her forever silent about her parents. In this charming novel, Darrin Doyle paints a captivating portrait of the all-American family—if the all-American family's youngest child ate an entire city in Michigan with a smile, that is. Doyle has a flare for writing about family dysfunction with a twist. With a unique blend of realism and fantasy, The Girl Who Ate Kalamazoo is the moving story of the hauntingly beautiful Audrey Mapes, who began her illustrious "career" by downing crayons by the carton only to graduate to eating an entire city one bite at a time. With vivid, acerbic wit, Doyle details the life of the world's most gifted "eatist" through the eyes of Audrey's sister, McKenna. Through her eyes, we see the real tragedy of the Mapes story is not the destruction of a city, but rather, the quiet disintegration of a family who just didn't quite know how to love. Editorial Reviews "Fresh, fun, and unbelievably hot, Audrey Carlan's Calendar Girl series will have you falling in love over and over again and craving the next installment." –Meredith Wild, #1 NYT Bestselling Author "Sinfully delicious from start to finish! Sexy, smart, and so unique! I was completely immersed in Mia's journey." –Katy Evans, NYT Bestselling Author "A sexy, fast-paced, and downright addictive read. I devoured every word of Mia's journey." –Meghan March, USA Today Bestselling Author "This was a KILLER start to Ms. Carlan's monthly series!" –Give Me Books "Damn, Audrey did it again! Made me smile, made me laugh & made me cry with her beautiful words! I am in love with these books." –Hooks & Books Blog "This story was exciting, quick; but well paced and full of loveable characters. I haven't met a character in this series that I haven't liked yet!" –Nice and Nau Synopsis Calendar Girl Mia Saunders has come a long way. She rounds out the end of her year-long journey in Hollywood, New York City, and Aspen. In October, Mia starts her new life working on a celebrity daytime television show where she runs a regular segment about living beautiful. Her guy deals with the aftermath of captivity, and together they find a way to fight through the storms. Next, Mia travels to the Big Apple to tape a program about being thankful. All of her dreams are coming true...except for one. Finally, in December, our girl finds herself in the winter wonderland of Aspen, Colorado to film a segment on local artists under rather unique circumstances. Prepare to be wowed as Mia's journey merges into the ending everyone has been waiting for. Detective Inspector January David has always put his professional before his private life, but the two worlds are about to clash horrifically as he visits his latest crime scene. He is confronted by a lifeless figure suspended ten feet above a theatre stage, blood pouring from her face into a coffin below. This gruesome execution is the work of an elusive serial killer. Three women from three different London suburbs, each murdered with elaborate and chilling precision. And as January stares at the most beautiful corpse he's ever seen, he detects the killer's hallmark. But Girl 4 is different: she is alive - barely. And January recognises her... ?From #1 New York Times bestselling author Audrey Carlan comes the next, and final book, in The Wish Series.? Growing up, I believed in infinite possibilities. I wished on stars and let my imagination prepare me for the unknown. The older you get the more you realize that you have power. You have been given the free will to control your own path. Jump into your destiny feet first. And I knew for certain that no matter how much power I had, time was a luxury that would never be mine. Unlike my mother and father, who were happy to live out their days on a Native American reservation in Colorado, I wanted to explore, to experience the many splendors the world could provide...before it was too late. I couldn't avoid the siren's call of the big, wide-open world. What I didn't know was my life would be filled with challenges, highs, and lows the likes I couldn't have prepared for. I have many bittersweet memories and even more where the sweet outweighs the bitter. Despite it all, I wouldn't change a thing. My experiences, my choices, have led me to where I am. Helped form the woman I've become. A wife. A mother. A woman at peace with her destiny. My journey has been rife with uncertainty, joy, fear, love, hate, strife, sacrifice, and everything in between. I've experienced unbelievable pleasure and gut-wrenching pain. Some may despise me for the choices I've made. Some may applaud them. Either way, I lived for today. My name is Catori...and this is my story. For readers of Hidden Valley Road and Patient H.M., an "intimate and compassionate portrait" (Grace M. Cho) of the Genain quadruplets, the harrowing violence they experienced, and its psychological

and political consequences, from the author of *The Unfit Heiress*. In 1954, researchers at the newly formed National Institute of Mental Health set out to study the genetics of schizophrenia. When they got word that four 24-year-old identical quadruplets in Lansing, Michigan, had all been diagnosed with the mental illness, they could hardly believe their ears. Here was incontrovertible proof of hereditary transmission and, thus, a chance to bring international fame to their fledgling institution. The case of the pseudonymous Genain quadruplets, they soon found, was hardly so straightforward. Contrary to fawning media portrayals of a picture-perfect Christian family, the sisters had endured the stuff of nightmares. Behind closed doors, their parents had taken shocking measures to preserve their innocence while sowing fears of sex and the outside world. In public, the quadruplets were treated as communal property, as townsfolk and members of the press had long ago projected their own paranoid fantasies about the rapidly diversifying American landscape onto the fair-skinned, ribbon-wearing quartet who danced and sang about Christopher Columbus. Even as the sisters' erratic behaviors became impossible to ignore and the NIMH whisked the women off for study, their sterling image did not falter. *Girls and Their Monsters* chronicles the extraordinary lives of the quadruplets and the lead psychologist who studied them, asking questions that speak directly to our times: How do delusions come to take root, both in individuals and in nations? Why does society profess to be "saving the children" when it readily exploits them? What are the authoritarian ends of innocence myths? And how do people, particularly those with serious mental illness, go on after enduring the unspeakable? Can the unbreakable bonds of sisterhood help the deeply wounded heal? Everyone, it seems, is a fan of Audrey's. She was Gigi, a princess, Holly Golightly, a nun, Maid Marian, even an angel. And we believed her in every role. But Audrey Hepburn was also one of the most admired and emulated women of the twentieth century, who encouraged women to discover and highlight their own strength. By example, she not only changed the way women dress--she forever altered the way they viewed themselves. But Audrey Hepburn's beauty was more than skin deep. "You know the Audrey you saw onscreen? Audrey was like that in real life, only a million times better," says designer Jeffrey Banks. For the first time, this style biography reveals the details--fashion and otherwise--that contributed so greatly to Audrey's appeal. Drawing on original interviews with Hubert de Givenchy, Gregory Peck, Nancy Reagan, Doris Brynner, and Audrey Wilder, as well as reminiscences of professional friends like Steven Spielberg, Ralph Lauren, noted Hollywood photographer Bob Willoughby, Steven Meisel, and Kevyn Aucoin, *Audrey Style* brings the Audrey her family and friends loved to life. With more than ninety color and black-and-white photographs, many of which have never before been published, and original designer sketches from Edith Head, Hubert de Givenchy, Vera Wang, Manolo Blahnik, Alexander McQueen, and others, *Audrey Style* gives measure to the grace, humor, intelligence, generosity, and inimitable fashion sense that was Audrey Hepburn. When four friends get together to use a mystical Ouija board, they are astonished when they come into contact with the restless spirit of a teenage girl from New Jersey, who lived her life during the 1970s. They soon find themselves wandering through the woods at night in search of her diary. However, once they begin to read it they are treated to an unexpected tale filled with unspeakable acts and heinous brutal crimes. It becomes apparent that the restless soul of young Audrey Malone Frayer has unfinished business, which she needs tending to and it appears she's chosen them to help her. In this second novel by Jason Medina, author of "No Hope for the Hopeless at Kings Park," we are treated to a special story that ties an adolescent girl's troubled times of the 1970s with the lives of four young people in the present, particularly the character named Jay, who feels especially attached to Audrey's spirit. Somehow he forms a bond with her, while reading her diary, which takes control of him making him obsessed with trying to help her take care of her unfinished business. He feels like there is a connection between them that he cannot ignore, although the meaning of that connection remains a mystery to him. It begins to haunt him almost immediately from the moment he first made contact with her spirit. Will he be able to figure out the connections between the past and the present in time, before it is too late? Someone's life may very well depend upon it and it could be his own! Three days a week, visitors from around the world enter the chapel of a small home in Worcester, Massachusetts. They have come to witness the Communion host that suddenly manifested a dark stain of blood during a Mass in this very room. Most of all, they have come to be near Audrey, the teenage girl who lies in a bedroom at the other end of the house. Unable to move or speak after a near-drowning accident when she was three years old, Audrey is believed by many to be the source of the miracles in her home. Her family reports that she suffers the stigmata- the bloody suffering of Christ-- every Lenten season. Pilgrims to the Santo home and to Audrey's annual public "outings" claim to have been healed of cancer and other diseases. Lying in her little room, she is surrounded by medical equipment, including a respirator that keeps her alive, round-the-clock care-- and the prayers of her family and countless thousands who believe she has been touched by God. Audrey Santo, the silent soul at the center of one of America's most famous religious pilgrimage sites, touches the hearts of everyone who hears her story. The doctors who treat her are bewildered by her survival. And her mother, a devout Catholic who has never given up hope that Audrey will fully awaken one day, believes Audrey is "a statement of life in our culture of death." Is Audrey a messenger of God, part of a divine plan to strengthen people's faith? Or is she a severely disabled girl whose devout, loving family has drawn a miraculous circle of belief around her? What are the nonreligious explanations for the strange phenomena occurring in the Santo home? What is the Catholic Church's view, as announced in the first official report of its ongoing investigation? Is Audrey a "victim soul," taking on the illness and suffering of others? Did she receive this sacred call from Mary when her mother took her to the apparition room at Medjugorje? These questions and more are explored in *Antonia Felix's Silent Soul*, a thoughtful, fascinating journey into one of the world's most compelling modern mysteries. Oh Wonderful! Another dating book, huh? Nope! What you are holding in your hands may very well change the course of your entire life. (Yeah, you heard me!) In fact, it has already changed this person's life! (By the way, in case you're wondering, this person was not paid to say this) "When it comes to the opposite sex, I have always been worried about rejection, awkwardness, and commitment ... That is until I stumbled upon Peanut Butter & Jelly. What a godsend! The practical advice and seasoned wisdom I gleaned gave me just what I needed, the courage to ask the girl I liked out (and we're still together by the way). My life will never be the same! Thank you so much! I still can't believe that I now actually have a girlfriend! Amazing!" Bryan Lee, UC Berkeley student Join billions (well, maybe not that many) who have discovered the insightful, priceless, and invaluable advice of Peanut Butter & Jelly. Topics For Girls include: How To Tell If A Guy Likes You How To Surrender Your Love Life To God How To Make Yourself Approachable For Dates How To Say "No" With Class Staying True To Your Word Topics For Guys include: How To Develop The Confidence To Ask Her Out The Four Ways A Girl Responds To A Date Does "No" Mean "No"? How To "Get Over" The Girl Why Does She Give the Silent Treatment? With characteristic humor, *Peanut Butter & Jelly* will launch you into an unforgettable journey of true love and adventure. (Sound pretty exciting, huh?) Whether you're dating or thinking about dating, this awesome book will help you realize your dreams come true.

Audrey Hepburn's star quality, fashion sense, and elegance made her an icon for women of all ages. Filled with stunning photographs, this fascinating tribute illustrates and illuminates Hepburn's life. From her early years as an ingénue to her status as an international icon of elegance, it reveals how her unique beauty made her a dream subject for designers and photographers alike. Featuring her collaborations with Givenchy, and stills from the sets of her most famous Hollywood films, *The Little Book of Audrey Hepburn* takes the reader on a journey through the actress's career and reveals just how powerfully her image resonates across the globe - even so long after her death. "Sinfully delicious from start to finish! Sexy, smart, and so unique! I was completely immersed in Mia's journey." –Katy Evans, NYT Bestselling Author Synopsis Baseball, beer, and a hot boy. Nothing can beat that. Until I meet Mason "Mace" Murphy the next "it" pitcher for the Boston Red Sox and my client. He's immature, arrogant, sexy as sin, and the last man that's going to get into my panties. He's not used to hearing the word no from women, so I'm going to spell it out for him. N = Not going to happen. O = Out of your league buddy. I was hired to cuddle up to the annoying, beautiful athlete, and give prospective advertisers and fans a different view of this hot-shot professional baller. Only he's everything I detest in a man all wrapped into a dream package. Baseball player, talented, athletic body, sculpted face, and ass you can bounce quarters off of. Unfortunately, he also believes he's God's gift to women, a man-whore, throws money around like it grows on trees, and conceited. The challenge for him, to break down my defenses and get in there. My challenge, avoid hopping in the sack with him at all costs. *** Mia Saunders continues her mission to save her comatose father from her dangerous, loan-shark ex-boyfriend. This month, she serves as a high-priced escort to a professional baseball player named Mace Murphy in Boston, MA. Each installment in the *Calendar Girl* Serial will release every month throughout 2015. The stories will feature Mia's journey as an escort to twelve clients in twelve different locations. Warning: This book is designed for audiences 18+ due to language and graphic sexual content.
