I loved it from beginning to end." —New York Times bestselling author Gena Showalter STRAY is New York Times bestselling author Rachel Vincent first book in her acclaimed Shifter series. I look like an all-American grad student. But I am a werecat, a shapeshifter, and I live in two worlds. Despite reservations from my family and my Pride, I escaped the pressure to continue my species and carved out a normal life for myself. Until the night a Stray attacked. I'd been warned about Strays—werecats without a Pride—constantly on the lookout for someone like me: attractive, female and fertile. I fought him off, but then learned two of my fellow tabbies had disappeared. This brush with danger was all my Pride needed to summon me back...for my own protection. Yeah, right. But I'm no meek kitty. I'll take on whatever—and whoever—I have to in order to find my friends. Watch out, Strays—'cause I got claws, and I'm not afraid to use them... The Dovekeepers Jan 28 2020 An ambitious and mesmerizing novel from the bestselling author of *Rules of Magic*. *The Dovekeepers* is "striking....Hoffman grounds her expansive, intricately woven, and deepest new novel in biblical history, with a devotion and seriousness of purpose" (Entertainment Weekly). Nearly two thousand years ago, nine hundred Jews held out for months against armies of Romans on Masada, a mountain in the Judean desert. According to the ancient historian Josephus, two women and five children survived. Based on this tragic and iconic event, Hoffman's novel is a spellbinding tale of four extraordinarily bold, resourceful, and sensuous women, each of whom has come to Masada by a different path. Yael's mother died in childbirth, and her father, an expert assassin, never forgave her for that death. Revka, a village baker's wife, watched the murder of her daughter by Roman soldiers; she brings to Masada her young grandsons, rendered mute by what they have witnessed. Aziza is a warrior's daughter, raised as a boy, a fearless rider and expert marksman who finds passion with a fellow soldier. Shirah, born in Alexandria, is wise in the ways of ancient magic and medicine, a woman with uncanny insight and power. The lives of these four complex and fiercely independent women intersect in the desperate days of the siege. All are dovekeepers, and all are also keeping secrets—about who they are, where they come from, who fathered them, and whom they love.

This Scarlet Cord Mar 31 2020 Within one of the Old Testament's most famous battles lies one of the most tender love stories. Hidden within the battle of Jericho is the story of Rahab, a beautiful and brave young Canaanite woman who aided the Israelites by hanging a piece of scarlet cord from a window. This act of faith changed her life by placing her in the genealogy of

Christ. Rahab is the youngest daughter of a Canaanite farmer, taken to Jericho for the pagan New Year so her father can find her a wealthy spouse. Sala, the Israelite boy who had once saved her from being kidnapped, is also in Jericho. When the two young people meet again they admit their love for one another, but their different religions make marriage impossible. Their love story plays out against the background of Jericho's pagan rites. It is only when the One True God of Israel comes into Rahab's life—and she realizes what He is calling her to do—that she and Sala can come together. Witness Rahab as a young woman determined to find her destiny as she follows her heart toward true love . . . and the One True God. "Wolf (A Reluctant Queen) holds our interest by skillfully conjuring up a fascinating version of Rahab's story, successfully persuading us that the story is far more complex than merely a "scarlet cord."

Musashi's Book of Five Rings Feb 08 2021 This classic interpretation of Miyamoto Musashi's famous Book of Five Rings is intended specifically for the martial artist—as Miyamoto Musashi originally intended. It explains the underlying truths necessary for a full understanding of Musashi's message for warriors. The result is an enthralling book on martial strategy that combines the instincts of the warrior with the philosophies of Zen Buddhism, Shintoism, Confucianism and Taoism. It is a crucial book for every martial artist to read and understand. Like the original, this classic book of strategy is divided into five sections. The Book of Earth lays the groundwork for anyone wishing to understand Musashi's teachings; the Book of Water explains the warrior's approach to strategy; the Book of Fire teaches fundamental fighting techniques based on the Earth and Water principles; the Book of Wind describes differences between Musashi's own martial style and the styles of other fighting schools; while the Book of No-thing describes the "way of nature" as understood through an "unthinking" existing preconception. Famed martial artist and bestselling author Stephen Kaufman has translated this classic without the usual academic or commercial bias, driving straight into the heart of Musashi's martial teachings and interpreting them for his fellow martial artists. The result is an enthralling combination of warrior wisdom and philosophical truths that Musashi offered to other warriors who wished to master the martial way of bushido.
