***The Life of Charlotte Bronte Apr 02 2023 Elizabeth Gaskell's biography of her close friend Charlotte Brontë was published in 1857 to immediate popular acclaim, and remains the most significant study of the enigmatic author who gave Jane Eyre the subtitle An Autobiography. It recounts Charlotte Brontë's life from her isolated childhood, through her years as a writer who had 'foreseen the single life' for herself, to her marriage at thirty-eight and death less than a year later. The resulting work - the first full-length biography of a woman novelist by a woman novelist - explored the nature of Charlotte's genius and almost single-handedly created the Brontë myth.***

***The Life of Charlotte Bronte, Volumes 1-2 Feb 26 2020 This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. ***Charlotte Brontë Jun 11 2021 On the two hundredth anniversary of her birth, a landmark biography transforms Charlotte Brontë from a tragic figure into a modern heroine. Charlotte Brontë famously lived her entire life in an isolated parsonage on a remote English moor with a demanding father and siblings whose astonishing childhood creativity was a closely held secret. The genius of Claire Harman's biography is that it transcends these melancholy facts to reveal a woman for whom duty and piety gave way to quiet rebellion and fierce ambition. Drawing on letters unavailable to previous biographers, Harman depicts Charlotte's inner life with absorbing, almost novelistic intensity. She seizes upon a moment in Charlotte's adolescence that ignited her determination to reject poverty and obscurity: While working at a girls' school in Brussels, Charlotte fell in love with her married professor, Constantin Heger, a man who treated her as "nothing special to him at all." She channeled her torment into her first attempts at a novel and resolved to bring it to the world's attention. Charlotte helped power her sisters' work to publication, too. But Emily's Wuthering Heights was eclipsed by Jane Eyre, which set London abuzz with speculation: Who was this fiery author demanding love and justice for her plain and insignificant heroine? Charlotte Brontë's blazingly intelligent women brimming with hidden passions would transform English literature. And she savored her literary success even as a heartrending series of personal losses followed. Charlotte Brontë is a groundbreaking view of the beloved writer as a young woman ahead of her time. Shaped by Charlotte's lifelong struggle to claim love and art for herself, Harman's richly insightful biography offers readers many of the pleasures of Brontë's own work.***

*The Life of Charlotte Brontë - Volume 2 Jan 25 2020 "For a right understanding of the life of my dear friend, Charlotte Brontë, it appears to me more necessary in her case than in most others, that the reader should be made acquainted with the peculiar forms of population and society amidst which her earliest years were passed, and from which both her own and her sisters' first impressions of human life must have been received. I shall endeavour, therefore, before proceeding further with my work, to present some idea of the character of the people of Haworth, and the surrounding districts." This edition was formatted to allow for easy reading."*

*The Life of Charlotte Brontë - Volume 1 Jan 19 2022 The Life of Charlotte Brontë - Volume 1, has been acknowledged as a major work throughout human history, and we have taken precautions to assure its preservation by republishing this book in a modern manner for both present and future generations. This book has been completely retyped, revised, and reformatted. The text is readable and clear because these books are not created from scanned copies.*

*Life of Charlotte Brontë (Classic Reprint) Feb 17 2022 Excerpt from Life of Charlotte Brontë The life of Charlotte Brontë has been written once for all by Mrs. Gaskell; but as no criticism of Miss Brontë's novels is possible apart from the story of her life, I have attempted the biographical sketch the following pages will be found to contain. For any lengthened quotations from Mrs. Gaskell's book (which is throughout referred to as G., the paging being that of the popular edition in one volume), I have the kind permission of Messrs. Smith and Elder. Mr. Wemyss Reid's monograph on Charlotte Brontë (Macmillan, 1877), is well-known, though whether the author performs the task he somewhat unnecessarily laid upon himself of proving that Mrs. Gaskell's portrait requires re-touching, is a question which is best left open for the consideration of the judicious reader of both books. Mr. Leyland's two volumes, "The Brontë Family" (Sampson Low: 1886), deserve to be read by every one, though, so far as he busies himself with Branwell Brontë, he fails to interest those who, to employ an American figure, "have no use" for that young man. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works."*

*The Life of Charlotte Brontë - Volume 2 May 23 2022 Unlike some other reproductions of classic texts (1) We have not used OCR(Optical Character Recognition), as this leads to bad quality books with introduced typos. (2) In books where there are images such as portraits, maps, sketches etc We have endeavoured to keep the quality of these images, so they represent accurately the original artefact. Although occasionally there may be certain imperfections with these old texts, we feel they deserve to be made available for future generations to enjoy.*

*The Life of Charlotte Brontë Annotated Aug 26 2022 The Life of Charlotte Brontë is the posthumous biography of Charlotte Brontë by fellow novelist Elizabeth Gaskell. The first edition was published in 1857, and a major source of the text was the hundreds of letters sent by Brontë to her lifelong friend Ellen Nussey. Although quite frank in many places, Gaskell suppressed details of Charlotte's love for Constantin Héger, a married man, on the grounds that it would be too great an affront to contemporary morals and a possible source of distress to Charlotte's still-living friends and family.*

The Life of Charlotte Brontë May 03 2023 First biography of Charlotte Bronte published in 1857, two years after Charlotte's death on March 31, 1855. The novelist Elizabeth Gaskell had access to a great number of Charlotte Bronte's letter while doing research for her biography, and this intimate access, coupled with Gaskell's literary talents, made her biography very captivating. However, Gaskell's account highlights Charlotte's suffering and self-denial, without doing justice to Charlotte's vitality.

The Life of Charlotte Brontë Nov 28 2022 We are delighted to publish this classic book as part of our extensive Classic Library collection. Many of the books in our collection have been out of print for decades, and therefore have not been accessible to the general public. The aim of our publishing program is to facilitate rapid access to this vast reservoir of literature, and our view is that this is a significant literary work, which deserves to be brought back into print after many decades in its original form. The contents of the vast majority of titles in the Classic Library have been scanned from the original works. To ensure a high quality product, each title has been meticulously hand curated by our staff. Our philosophy has been guided by a desire to provide the reader with a book that is as close as possible to ownership of the original work. We hope that you will enjoy this wonderful classic work, and that for you it becomes an enriching experience.

Life of Charlotte Bronte Jan 31 2023 Elizabeth Gaskell's *The Life of Charlotte Brontë* (1857) is a pioneering biography of one great Victorian woman novelist by another. Gaskell was a friend of Charlotte Brontë, and, having been invited to write the official life, determined both to tell the truth and to honour her friend. She contacted those who had known Charlotte and travelled extensively in England and Belgium to gather material. She wrote from a vivid accumulation of letters, interviews, and observation, establishing the details of Charlotte's life and recreating her background. Through an often difficult and demanding process, Gaskell created a vital sense of a life hidden from the world. This edition is based on the Third Edition of 1857, revised by Gaskell. It has been collated with the manuscript, and the previous two editions, as well as with Charlotte Brontë's letters, and thus offers fuller information about the process of composition than any previous edition.

The Life of Charlotte Bronte Feb 05 2021 *The Life Of Charlotte Bronteb*. Many of the earliest books, particularly those dating back to the 1900s and before, are now extremely scarce and increasingly expensive. We are republishing these classic works in affordable, high quality, modern editions, using the original text and artwork.

*The Life of Charlotte Brontë, Volumes I and II Oct 16 2021 This is the first biography of the English novelist and poet, the eldest of the three Brontë sisters who is best known for her novel *Jane Eyre*. Charlotte Brontë (pictured left) was born in 1816, and her sisters Emily and Anne in 1818 and 1820. The sisters decided to open their own school but the project was not successful. Charlotte later decided instead to publish their poetry, written under the pseudonyms of Currer, Ellis and Acton Bell. Charlotte's *Jane Eyre*, Emily's *Wuthering Heights*, and Ann's *Agnes Grey* were then published, still under the pseudonyms. By the mid 1800s, Charlotte was moving in London's literary circles where she met Elizabeth Gaskell. She married The Rev. A. B. Nicholls, curate of Haworth.*

*The Nine Lives of Charlotte Taylor Jun 23 2022 Charlotte Taylor lived in the front row of history. In 1775, at the young age of twenty, she fled her English country house and boarded a ship to Jamaica with her lover, the family's black butler. Soon after reaching shore, Charlotte's lover died of yellow fever, leaving her alone and pregnant in Jamaica. In the sixty-six years that followed, she would find refuge with the Mi'kmaq of what is present-day New Brunswick, have three husbands, nine more children and a lifelong relationship with an aboriginal man. Using a seamless blend of fact and fiction, Charlotte Taylor's great-great-great-granddaughter, Sally Armstrong, reclaims the life of a dauntless and unusual woman and delivers living history with all the drama and sweep of a novel. Excerpt from *The Nine Lives of Charlotte Taylor*: "Every summer of my youth, we would travel from the family cottage at Youghall Beach to visit my mother's extended clan in Tabusintac near the Miramichi River. And at every gathering, just as much as there would be chickens to chase and newly cut hay to leap in, so there would be an ample serving of stories about Charlotte Taylor. . . She was a woman with a "past." The potboilers about her ran like serials from summer to summer, at weddings and funerals and whenever the clan came together. She wasn't exactly presented as a gentlewoman, although it was said that she came from an aristocratic family in England. Nor was there much that seemed genteel about the person they always referred to as "old Charlotte." Words like "lover" and "land grabber" drifted down from the supper table to where we kids sat on the floor. There were whoops of laughter at her indiscretions, followed by sideways glances at us. But for all the stories passed around, it was clear the family still had a powerful respect for a woman long dead. We owed our very existence to her, and the anecdotes the older generation told suggested that their own fortitude and guile were family traits passed down from the ancestral matriarch. For as long as I can remember, I've tried to imagine the real life Charlotte Taylor lived and, more, how she ever survived."*
