“Brilliant, elegant, epic, astonishing, smart, gritty.... another wondrous visit to the fantastic world of the Craft Sequence.” —Ken Liu, author of *The Grace of Kings* Max Gladstone's *Craft Sequence* chronicles the epic struggle to build a just society in a modern fantasy world. Forty years after the God Wars, Dresediell bears the scars of liberation—especially in the Skittersill, a poor district still bound by the fallen gods' decaying edicts. As long as the gods' wards last, they strangle development; when they fail, demons will be loosed upon the city. The King in Red hires Elayne Kevarian of the Craft firm Kelethres, Albrecht, and Ao to fix the wards, but the Skittersill's people have their own ideas. A protest rises against Elayne's work, led by Temoc, a warrior-priest turned community organizer who wants to build a peaceful future for his city, his wife, and his young son. As Elayne drags Temoc and the King in Red to the bargaining table, old wounds reopen, old gods stir in their graves, civil blood breaks to new mutiny, and profiteers circle in the desert sky. Elayne and Temoc must fight conspiracy, dark magic, and their own

demons to save the peace-or failing that, to save as many people as they can. Set in a phenomenally built world in which lawyers ride lightning bolts, souls are currency, and cities are powered by the remains of fallen gods, Max Gladstone's Craft Sequence introduces readers to a modern fantasy landscape and an epic struggle to build a just society. Charlie Spedding describes himself as 'not particularly talented' â€“ at least, compared to the group of people he had chosen to find himself among. These were the athletes in the Olympic marathon. So how did he end up with a bronze medal? How did he win the London Marathon? And why does he still hold the English record for the distance? In this remarkable autobiography he explains how â€“ how someone who was almost bottom of the class when he first went to school, and even worse at sport, eventually turned himself into a genuinely world-class athlete, competing in top marathons all over the world, and genuinely going from last to

first. As well as the enthralling life story of one of our finest distance runners, this book is a wonderfully clear and inspiring piece of life coaching for anyone who wants to make the most of their talents. But more than this, as Spedding says at the start, 'I believe that on occasions you can create the circumstances in which you can perform at a higher level than your talent says you can'. Spedding's own story, and his chronicle of the big races he excelled in, proves it's true. "For anyone aspiring to run a marathon, or indeed anyone who wants to set themselves a goal they think beyond their reach" and achieve it "this is an essential book. The nightingale's beauty lives in the essence of his melodic voice, Leaving listeners disarmed by its power, making sweetness their choice." From the poem, Splendor in the Night's Light, D. Ferris Arfaa arouses our awareness that life's true meaning and effect emanates from our inner beauty, not outward appearance! Furthermore, we are left with the personal choice of whether to receive and surrender to the power of redemption and salvation through Jesus Christ. This book contains poems that reflect on the lives of Jesus and His original Twelve Apostles. The poems carry us from their callings by Jesus into apostleship and, finally, martyrdom. They are intended to spark a personal revival in each of us to answer God's calling no matter our personal limitations. From the First Nightingale to the Last emphasizes that, like Jesus and His Apostles, we all share a common nature, but we can move beyond our personal shortcomings to a powerful purpose in service to others. The reader cannot fail to be motivated to a new level of living through the power of faith and a relationship with Jesus Christ. Yet with all the Obedience to YHWH he also promised me that He would break me as was done to Job would be done to me! YHWH also asked me that if I were left as the last man on earth what shall I YHWH leave you with? My answer was that His will be done and only leave me with YHWH'S intimacy. YHWH said so be it, I AM YOUR INTEGRITY! YHWH said make me a PROMISE, I said I DO! YHWH said make MY HOLY NAME KNOWN! From the author of *The Rope Walk*, the story of a woman's life in its twilight, as she looks back on both a harrowing childhood and the unaccountable love and happiness that emerged from it. Ruth has always stood firmly beside her upstanding, brilliant husband, Peter, the legendary chief of the Derry School for boys. The childless couple has a unique, passionate bond which grew out of Ruth's arrival on his family doorstep as a young girl orphaned by tragedy. And though sometimes frustrated by her role as lifelong helpmeet, Ruth is awed by her good fortune in Peter. As the novel opens we see the Derry School in all its glorious New England fall colors and witness the loosening of the aging Peter's grasp--he will soon have to retire, and Ruth is wondering what they will do in their old age, separated from the school into which they have poured everything, including their savings. As the novel unfurls, it takes us back through their days and years, revealing the explosive spark and joy of their love--undiminished now in their seventies--and giving us a deeply felt portrait of a woman from the generation that quietly put individual dreams aside for the good of a partnership, twinned with the revelation of the surprising gift of the right man's love, which keeps giving to the end. This ebook edition includes a Reading Group Guide. Ruth and Peter have been married more than fifty years. The first English translation of celebrated Russian writer Nina Berberova's debut novel: an intense story of family conflict and the struggle over the future of émigré life

On a crisp September morning, trouble comes to the Gorbatovs' farm. Having fled the ruins of the Russian Revolution, they have endured crushing labour to set up a small farm in Provence. For young Ilya Stepanovich, this is to be the future of Russian life in France; for some of his Paris-dwelling countrymen, it is a betrayal of roots, culture and the path back to the motherland. Now, with the arrival of a letter from the capital and a figure from the family's past, their fragile stability is threatened by a plot to lure Ilya's step-brother Vasya back to Russia. In prose of masterful poise and restraint, Nina Berberova dramatises the passionate internal

struggles of a generation of Russian émigrés. Translated into English for the first time by the acclaimed Marian Schwartz, *The Last and the First* marks a unique contribution to Russian literature. Eva, an Inuit girl, gathers mussels from underneath the ice for the very first time. The thrilling conclusion to the epic middle grade fantasy trilogy from Katherine Applegate, the New York Times bestselling and Newbery Award-winning author of *The One and Only Ivan* (now a major motion picture!), *The One and Only Bob*, *Wishtree*, and *Crenshaw!* In the beginning, Byx's original quest was to discover if there were more of her kind, or if she was destined to become an endling—the last dairne alive. She did indeed find more dairnes, and along the way she also created allies among other creatures in her world, including humans, felivets, raptidons, and wobbyks. But Byx and her new friends soon learned that it wasn't just dairnes in jeopardy of extinction, but that everyone was at risk. With the world in unprecedented danger, Byx must rally creatures of all kinds to lead a revolution. Katherine Applegate's *Endling* series has so far earned a collective five starred reviews, and each of the prior books has debuted on the New York Times bestseller list. She once again delivers an action-packed middle grade fantasy with a unique setting, enthralling characters, and gripping adventure that is perfect for fans of Rick Riordan, Brian Jacques, and Tui T. concludes her “simply sublime” (Kirkus) epic middle grade animal fantasy trilogy with *Endling #3: The Only*. Read all three! “I believe in rules. Sure I do. If there weren't any rules, how could you break them?” The history of baseball is rife with colorful characters. But for sheer cantankerousness, fighting moxie, and will to win, very few have come close to Leo “the Lip” Durocher. Following a five-decade career as a player and manager for baseball’s most storied franchises, Durocher teamed up with veteran sportswriter Ed Linn to tell the story of his life in the game. The resulting book, *Nice Guys Finish Last*, is baseball at its best, brimming with personality and full of all the fights and feuds, triumphs and tricks that made Durocher such a success—and an outsized celebrity. Durocher began his career inauspiciously, riding the bench for the powerhouse 1928 Yankees and hitting so poorly that Babe Ruth nicknamed him “the All-American Out.” But soon Durocher hit his stride: traded to St. Louis, he found his headlong play and never-say-die attitude a perfect fit with the rambunctious “Gashouse Gang” Cardinals. In 1939, he was named player-manager of the Brooklyn Dodgers—and almost instantly transformed the underachieving Bums into perennial contenders. He went on to manage the New York Giants, sharing the glory of one of the most famous moments in baseball history, Bobby Thomson’s “shot heard ’round the world,” which won the Giants the 1951 pennant. Durocher would later learn how it felt to be on the other side of such an unforgettable moment, as his 1969 Cubs, after holding first place for 105 days, blew a seemingly insurmountable 8-1/2-game lead to the Miracle Mets. All the while, Durocher made as much noise off the field as on it. His perpetual feuds with players, owners, and league officials—not to mention his public associations with gamblers, riffraff, and Hollywood stars like George Raft and Lorraine

Day—kept his name in the headlines and spread his fame far beyond the confines of the diamond. A no-holds-barred account of a singular figure, *Nice Guys Finish Last* brings the personalities and play-by-play of baseball's greatest era to vivid life, earning a place on every baseball fan's bookshelf. In this "immersive, densely reported, and altogether remarkable first book [with] the texture and color of a first-rate novel" (New York Times), journalist Doug Bock Clark tells the epic story of the world's last subsistence whalers and the threats posed to a tribe on the brink. A New York Times Notable Book? A New York Times Editors' Choice Winner of Lowell Thomas Travel Book Award Silver Medal Finalist for William Saroyan International Writing Prize Longlisted for Mountbatten Award for Best Book Telegraph Best Travel Books of the Year Hampshire Gazette Best Books of 2019 One of the favorite books of Yuval Noah Harari, author of the classic bestseller *Sapiens*, "on the subject of humanity's place in the world." (via Airmail) On a volcanic island in the Savu Sea so remote that other Indonesians call it "The Land Left Behind" live the Lamalerans: a tribe of 1,500 hunter-gatherers who are the world's last subsistence whalers. They have survived for half a millennium by hunting whales with bamboo harpoons and handmade wooden boats powered by sails of woven palm fronds. But now, under assault from the rapacious forces of the modern era and a global economy, their way of life teeters on the brink of collapse. Award-winning journalist Doug Bock Clark, one of a handful of Westerners who speak the Lamaleran language, lived with the tribe across three years, and he brings their world and their people to vivid life in this gripping story of a vanishing culture. Jon, an orphaned apprentice whaler, toils to earn his harpoon and provide for his ailing grandparents, while Ika, his indomitable younger sister, is eager to forge a life unconstrained by tradition, and

to realize a star-crossed love. Frans, an aging shaman, tries to unite the tribe in order to undo a deadly curse. And Ignatius, a legendary harpooner entering retirement, labors to hand down the Ways of the Ancestors to his son, Ben, who would secretly rather become a DJ in the distant tourist mecca of Bali. Deeply empathetic and richly reported, *The Last Whalers* is a riveting, powerful chronicle of the collision between one of the planet's dwindling indigenous peoples and the irresistible enticements and upheavals of a rapidly transforming world. We think that we know the first three chapters of the Bible well - Creation and the Fall, we say, knowingly. But have we ever stopped to consider that Jesus in the book of Revelation is called 'the last Adam' and the 'Alpha & Omega'? Are you tangled up on origins in Genesis? Then this may be your way through the maze. "I loved this book.
