Each exam question is answered in complete detail with easy-to-follow, easy-to-grasp explanations. This Medical Spanish Course for Nurses has been taught at the college level since January of 2019. It can be used as a college course, a self-study course, or as an exam preparation course to prepare individuals for the national Spanish for Nurses certification exam found on SCRON.org. Once the textbook is purchased, register for the free online lessons at <https://www.scron.org/register/> and within 24 hours, after verification of purchase, you will be given free access to the online lessons. If you don't

receive access within 2 business days, please email [contact@scron.org](mailto:contact@scron.org) with your name and the date of your purchase, and you will be verified and given access to the online lessons.**How Long Does it Take to Complete?**On average, it takes individuals 3-5 hours per week for 15 weeks to complete the Spanish for Nurses course.**What Level of Spanish is Needed to Take the Course?**The course has been created for currently active Nurses as well as those studying to be nurses with little to no knowledge of Spanish. However, individuals who have taken a year or two of Spanish in High School or College will still greatly benefit from the course.**How Many Words and Phrases Will I Learn?**There are over 350 words and phrases that are contained in the following sections of the medical Spanish for Nurses course: (1) Greetings (2 Chapters)(2) Negotiating a Conversation (1 Chapter)(3) Common Nurse Phrases (2 Chapters)(4) What is Your Name? (1 Chapter)(5) Do you speak English? (2 Chapters)(6) Basic Anatomy and Key Phrases (7 Chapters)(7) Where are you from? (2 Chapters)(8) Medical Verbs and Conversations (6 Chapters)(9) Medical Assessment (2 Chapters)(10) Final Review (1 Chapter)Be sure to "Look Inside" at the left of this product page to learn more about each chapter.**How Does the Certification Course Work?**There are 150 possible questions on the certification course. The course randomly chooses 100 of the 150 questions. The order, of the questions and answers, is changed every time and it is a timed test. There is not enough time given for learners to look up the questions. They have to know them well before taking the exam or they will not pass. The certification exam costs \$100, but the exam prep course is free with the purchase of this textbook (see above). In the exam prep lessons, a practice exam can be taken unlimited times to prepare for the final exam.**The Theories Behind the Course**This course was designed based on many pedagogical (learning) and neuroscience (brain science) theories that the author studied in-depth during his Master's degree in Language Pedagogy and throughout his career as Director of the U.S. Institute of Languages. **Negotiating a Conversation**The approach this course uses recognizes that it takes new Spanish speakers years to become fluent. However, if a nurse learns the medical vocabulary and strategies to properly negotiate a conversation, (s)he can learn to work through virtually any situation in a relatively short period of time. For example, if a patient says something a nurse doesn't understand, the nurse can ask them to repeat it or say it slower. If a nurse doesn't know how to say something, (s)he can point to it and ask ¿Cómo se dice? (How do you say that.) These and many other techniques that are taught to help a nurse work through new situations.**Use of Technology**The use of technology can be very helpful to get through tricky situations. However, if a nurse only uses technology, this provides a poor patient experience and demonstrates poor bedside manner. Also, if only technology is used, body language and gestures are missed and the meaning can be misinterpreted. It is recommended that the nurse continue learning as much as possible using this course and software, then use technology to fill in the gap. **Learn More about the Authors**Take a "Look Inside" the textbook (at the left) to learn more. **Quick Minds** is an exciting, six-level course for young learners in Spain that enhances your students' thinking skills, sharpening their memory while improving their language skills. **The Test Generator** offers the possibility to create unit and term tests at two levels, Standard and High, and can also be fully customised to meet your needs. It also offers ready-made Cambridge English exam-type tests and Basic Competences tests. An update of the well-loved course for young learners - now official preparation for the revised 2018 Cambridge English: Young Learners tests. The Versant(TM) Test of Spanish, created by leading language testing experts using advanced speech processing technology, evaluates a non-native Spanish speaker's ability to understand and to communicate appropriately in Spanish on everyday topics. Versant automated tests allow language teachers, program coordinators, and administrators to quickly, objectively, and accurately assess students' levels of spoken Spanish skills. Versant Tests can help you measure the oral proficiency level of: Spanish language students at the end of their first year of language study; the second year; at any point in the students' language learning. Entering graduate students. Graduating seniors with a major in Spanish. Exiting majors with certification for teaching Spanish in secondary schools. Students preparing for bilingual jobs in Healthcare, Education, Business and so on. Experience Versant Online! Go to [www.pearsonhighered.com/versant](http://www.pearsonhighered.com/versant) for sample test materials, including test instructions, test papers, sample calls, and score reports. "This is an electronic product." Accompanying CD-ROM includes dialogues, narratives, and selections to be used with the sample exams in the book. Offering a practical, case-based approach, Spanish and the Medical Interview: Clinical Cases and Exam Review is a unique, immersive study and review resource for medical Spanish. It provides extensive training and review in two formats: the print book contains numerous cases spanning a wide variety of clinical settings, formatted as a patient would present for medical attention, while the audio cases provide multiple opportunities to hone your listening comprehension skills. Together, these learning components test your knowledge and skills in caring for Spanish-speaking patients and prepare

you for case-based examinations that test clinical skills in Spanish. This first-of-its-kind title is ideal as a stand-alone resource or as a companion to Dr. Ortega's Spanish and the Medical Interview: A Textbook for Clinically Relevant Medical Spanish. Helps you improve your interviewing skills, your understanding of patient responses, and your ability to explain a diagnosis and plan of care to Spanish-speaking patients, so you can provide a higher quality of patient care and safety in your practice. Covers multiple presentations of cases in main organ system areas, including musculoskeletal, cardiovascular, pulmonary, gastrointestinal, endocrine, genitourinary, neurologic, psychiatric, eye/ear/nose/throat, and pediatric, in multiple patient care settings such as urgent care, emergency department, outpatient clinic, and inpatient wards.

- Focuses on topics that are particularly common in Hispanic/Latino patients and includes cultural health issues that may impact the patient's understanding of medical information, belief system, decision-making preferences, or access to care—all of which have a significant impact on your medical decision making and interviewing styles and effectiveness. Leads you through key information for each case, prompting you to use your medical Spanish clinical skills in a series of prompts and questions as the case unfolds. Assessment questions follow each case to test your comprehension. Provides more than two dozen audio cases to improve your listening comprehension of different nationalities and accents of Spanish-speaking patients. Provides real-world content from Drs. Pilar Ortega and Marco Alemán, who serve on the steering committee for the National Medical Spanish Taskforce that aims to standardize the educational approach to a national assessment examination for Medical Spanish. Expands your global skills set: in your home country, when caring for patients who speak Spanish, or when caring for patients in other countries through global medicine programs. Evolve Instructor site with an image and test bank is available to instructors through their Elsevier sales rep or via request at <https://evolve.elsevier.com>. All Access for the AP\* Spanish Language Exam - Completely Revised for the New 2014 Exam! Book + Web + Mobile Everything you need to prepare for the Advanced Placement\* exam, in a study system built around you! There are many different ways to prepare for an Advanced Placement\* exam. What's best for you depends on how much time you have to study and how comfortable you are with the subject matter. To score your highest, you need a system that can be customized to fit you: your schedule, your learning style, and your current level of knowledge. This book, and the free online tools that come with it, will help you personalize your AP\* Spanish Language prep by testing your understanding, pinpointing your weaknesses, and delivering flashcard study materials unique to you. REA's All Access system allows you to create a personalized study plan through three simple steps: targeted review of exam content, assessment of your knowledge, and focused study in the topics where you need the most help. Here's how it works: Review the Book: Study the topics tested on the AP\* Spanish Language exam and learn proven strategies that will help you tackle any question you may see on test day. Test Yourself and Get Feedback: As you review the book, test yourself with three topic level quizzes. Score reports from your free online quizzes give you a fast way to pinpoint what you really know and what you should spend more time studying. Improve Your Score: Armed with your score reports, you can personalize your study plan. Review the parts of the book where you are weakest, and use the REA Study Center to create your own unique e-flashcards, adding to the 100 free cards included with the book. Visit The REA Study Center for a suite of online tools: The best way to personalize your study plan and truly focus on your weaknesses is to get frequent feedback on what you know and what you don't. At the online REA Study Center, you can access three types of assessment: our online audio component, quizzes, and two full-length practice tests. Each of these tools provides true-to-format questions and delivers a detailed score report that follows the topics set by the College Board. Audio Component: Our audio component provides excellent preparation for the exam's listening comprehension section. Topic Level Quizzes: Short, 15-minute quizzes are available throughout the review and test your immediate understanding of the topics just covered. Full-Length Practice Tests: After you've finished reviewing the book, take our two full-length practice exams to test yourself under exam-day conditions. Available both in the book and online, these tests give you the most complete picture of your strengths and weaknesses. We strongly recommend that you take the online version of the exams for the added benefits of timed testing, automatic scoring, and a detailed score report. Improving Your Score with e-Flashcards: With your score reports from the tests, you'll be able to see exactly which AP\* Spanish Language topics you need to

review. Use this information to create your own flashcards for the areas where you are weak. And, because you will create these flashcards through the REA Study Center, you'll be able to access them from any computer or smartphone. REA's All Access test prep is a must-have for students taking the AP\* Spanish Language exam! Written by a student with 12 straight A\*s at GCSE & IGCSE and 4 straight A\*s at A-level, this exam-focused guide will maximise any candidate's exam performance and will ensure that they obtain the best possible grade. It has been checked and approved by some of the country's finest teaching professionals and is full of insightful advice from the author's personal experience of taking GCSE and IGCSE language examinations. Contains: Easy-to-follow formulae for Spanish exam success Guidelines on how to give what the examiner is looking for Tips to avoid the most common mistakes Sample reading and oral questions and how to answer them 50+ fantastic phrases and how to use them Sample essay Essential topic-specific vocab Grammar advice to gain you marks A comprehensive guide to "ser" and "estar" ... and all this from someone who knows where students go wrong, who understands what students find difficult and whose methods guarantee to boost your grade! The author has an A\* in Spanish and French IGCSE, 100% in Italian GCSE, 97% in Spanish A-level and 96% in French A-level. He is now studying French and Spanish at Trinity College, Cambridge University. His proven knowledge of exactly how to succeed in the exam room makes this guide a must-have for all Spanish students. If a student reads this book they have every tool in the box to succeed in their Spanish GCSE. - Laura Schofield, Teacher of Spanish & French, Queen's College A major achievement and a fascinating insight into language learning from a pupil's perspective - John Witney, Head of Modern Languages, Westminster School Refresh your knowledge of the core topics ahead of your exams with these concise notes. This title offers complete study support for the entire A level course with coverage of all key topics. Written by experts, AS/A-Level Spanish combines essential revision notes and expert advice, enabling you to polish your reading, writing and listening skills. - Improves students' recollection of important vocabulary- Perfects a range of language skills- Helps to avoid making common grammatical errors - Includes a grid online to match content to their exam board specifications Spanish remains a large and constant fixture in the foreign language learning landscape in the United States. As Spanish language study has grown, so too has the diversity of students and contexts of use, placing the field in the midst of a curricular identity crisis. Spanish has become a second, rather than a foreign, language in the US, which leads to unique opportunities and challenges for curriculum and syllabus design, materials development, individual and program assessment, and classroom pedagogy. In their book, Brown and Thompson address these challenges and provide a vision of Spanish language education for the twenty-first century. Using data from the College Board, ETS, and the authors' own institutions, as well as responses to their national survey of almost seven hundred Spanish language educators, the authors argue that the field needs to evolve to reflect changes in the sociocultural, socioeducational, and sociopolitical landscape of the US. The authors provide coherent and compelling discussion of the most pressing issues facing Spanish post-secondary education and strategies for converting these challenges into opportunities. Topics that are addressed in the book include: Heritage learners, service learning in Spanish-speaking communities, Spanish for specific purposes, assessment, unique needs for Spanish teacher training, online and hybrid teaching, and the relevance of ACTFL's national standards for Spanish post-secondary education. An essential read for Spanish language scholars, especially those interested in curriculum design and pedagogy, that includes supporting reflection questions and pedagogical activities for use in upper-level undergraduate and graduate-level courses.
