I Like Ice Cream in My Coffee Part Three Oct 11 2022 The year was 1945. World War II was over and humanity was trying to get back to the normal way of living. Replacements for the men who were going back to the States were just getting off the troop ship that had brought them here to this faraway land from home. Little did Rick know that within a few days, his whole life was going to change. The hawkers were on every block selling their wares. Every ten feet, a prostitute would stop you and ask you if you wanted to make love there wasn't anything you could not buy for the right price. Tsingtao had the most European looking railroad station in China. It was built by the Germans, to remind them of their homeland. The city itself was like any other city, with its open storefronts and the smell of food cooking. But it was also known as the "Sin City" of the orient, with its opium dens and smugglers. This story takes Rick down through the city's underground highway, which was used by the smugglers in the old days. What he did to help the children, the old, and the weak led Rick to being the most powerful ringleader in the black market in China. He became the most hunted by all of the authorities, known by the code name "Qua-Ming." Fahrenheit 451 Nov 19 2020 A fireman in charge of burning books meets a revolutionary school teacher who dares to read. Depicts a future world in which all printed reading material is burned.

Tom Swan and the Head of St George Part Three: Constantinople Dec 01 2021 A young Englishman, Tom Swan, is taken prisoner by the Turks in Constantinople and threatened with a life of slavery. But it's not really 'the Turks' but a single beautiful woman who seems to hold the strings, and Swan must plot his way to freedom. And riches. Or perhaps he'll just settle for getting out alive. He's not a professional soldier. He's really a thief and a little bit of a scholar looking for remnants of Ancient Greece and Rome - temples, graves, pottery, fabulous animals, unicorn horns. But he also has a real talent for ending up in the midst of violence when he didn't mean to. Having used his wits to escape execution in part one, he begins a series of adventures that take him to the high seas, bedrooms in Constantinople and street duels in Italy, meetings with remarkable men - Cyriaco of Ancona and Sultan Mehmet II and the whole Sforza family - and from the intrigues of Rome to the Jewish Ghetto in Venice.

The LOS Diaries Part Three Jun 19 2023 In this, the third instalment of "The LOS Diaries", Mark Jones provides more experienced comment on the cultural nuances of a rapidly developing part of the world. Living the dream in South East Asia, the author once again mixes his own brand of laconic storytelling with humorous and insightful observations on the region. Expanding on his experiences in the area's naughty nightlife scene, short travel diaries provide an interesting look at the remote and far flung reaches beyond the red light districts of downtown Bangkok, Pattaya and Singapore. The comforts of the tourist fleshpots are left far behind in sojourns to the mountainous regions of Northern Laos and the remote temple sites of Cambodia. These are the LOS Diaries.

**Virility of Mischiefs combined into this special edition** Sep 29 2021 The abuse spectrum is a solid sphere, from minuscule to beyond the outer limits of known physics. Abuse not only of people, but of things and places. This book covers all of that, while incorporating many chapters beyond that topic. The hope is a pushback of mischiefs, a healing, a curative force which goes viral, rather than the virility of evil and abuse growing to encompass more and more of the world. A book that has been carefully designed & crafted to challenge any reader, a challenge for

tolerance and a challenge towards motivation to fix and properly govern oneself in a new and novel way, as the universe falls into the last day Bible style. **Witchcraft Part Three** Jan 14 2023 Throughout the years in all the corners of the world, we were all raised in different types of religion, may it be in learning about God, the Virgin Mary, the saints like Santa Barbara, Santa Clara, Saint Anthony, Saints Lazaro, Saint Michael of Archangel, Gods right hand man, and so on. Way before that, there were gods and goddesses of the heaven, like Zeus, Poseidon, Aphrodite, Hephaestus, Ares, and many more. But if you come to see, there are the same gods, goddesses, and saints, but with different names, like Hades, who is, in our time, called Lucifer, the Devil. We also call the saints the seven African power like Chango, Ochen, Orula, Yemaya, Obatala, Ogun, and Elegua. Olofi is another name for Jesus, but they do run by many names. People nowadays worship the gods, goddesses, and saints through witchcraft, Wicca, which is not all bad. They just have different beliefs in how to worship them. We also worship them in churches, temples, and in our homes. If you come to see, God is everywhere; you just have to find him in your heart. Hes always there when you need him, and his word of advice is nobody is perfect. This story is based on love, romance, the supernatural, good versus evil, and how the gods, goddesses, and saints got together and gifted a child that crossed over too many times to fight right alongside of them without anyone noticing it. Along the way, she makes many mistakes and helps everyone she meets. She is one of many Gods angels. Shes also a witch, but in a different way not what you expected. Iris is tall, slender, light complexion, has long brunette hair, and the most beautiful light-brown eyes you will ever see. She was born on Hallow Eve, right on midnight; her destiny leads her to an adventure she will never forget. She was gifted by the gods, goddesses, and saints to help people with their problem. Her mother realizes what she can do and gets scared, knowing if people find out, they will hurt her or, worse and other, will treat her differently. Her mother ends up binding her power in an early age so she can live a normal life, not realizing the consequence of her action. Only her family and some friends know her secret that she has helped along the way and kept it. Eventually Iris gets very sick at the age of eight. She is getting ready to pass away, but something happens that changes her destiny. Her mother realizes what she has done and has no choice, but to give her back to the gods, goddesses, and saints. To save her life knowing what she did, she asks for forgiveness, leaving herself in Gods hand and promising not to interfere. Iris world opens up in a different way, and once again, destiny interferes, changing her course, awaking her in a dangerous way. She goes through hell and back along the way and meets the most interesting people. She has a heart of gold, and danger follows her everywhere. She learns what friendship is, what betrayal is, and how people in this world possess the seven deadly sins and more. I hope you enjoy her story as much as I loved writing it. But beware, everything is not what it shows themselves to be, and Iris finds out the hard way.

*Bipolar Words Word Madness Healing Words: Three Part Compendium with Larger Print* Aug 29 2021 LARGER 12pt FONT & INCLUDES PART THREE. This will challenge the conservative Christian's beliefs of where the mind can go, and challenge the non-Christian as to what Bipolar disorder can be. Those who have mental illness and what is called mental illness will relate to the writing and writing style: the main expression of my hypomania and mania. The construction is partially designed to offend churchy folks and the medical industry, a poke in the eye towards the abuses I've received from both, while seeking help. We are all living in a stand in the gap moment of time, the Christian's 1950's frame of mind and the realities of 2017, which I attempt to bridge in this book and the yet to be released 2nd volume. Topics presented are defenses of the KJB, artificial intelligence, the end times, the spiritual dynamics of the two separate but interlaced kingdoms of good and evil, humor, fiction, bipolar health, and so much more... Presented as essays in chapters, in chronological order, all of which are related.

**Gravity's Revolt: Part Three** Jul 20 2023 1975. Christopher Reed, a young minister in his first job, receives much-needed seasoning, is necessarily dis-illusioned. How? On one level by having an affair with Becky, one of his teen-aged parishioners. But the affair begun on a theological dare so to speak, in order to test an intriguing vision of the freedom of the Gospel which Dr. Buttrick, the senior pastor under whom Reed works, a truly Christ-like man (though it depends, of course, on what your image of Jesus is) has presented. "Scrupulous," or guilt-stricken, Reed tells his wife Vinnie, an artist and a free thinker, what he has done with Becky. Vinnie erupts, then curiously adjusts, gradually accommodates herself, allows the affair to continue. Reed also tells Dr. Buttrick what he has done. Great-spirited, a wise old man, a genius, Dr. Buttrick listens and counsels. He counsels both Reed and Vinnie. The three of them discuss the limits of marriage, the relevance of Christianity to same. Vinnie and Dr. Buttrick have their own

intense relationship. Meanwhile the meteoric Becky moves through her senior year in high school, fights free of her youth and prepares to leave for college. Obsessed almost, Reed suffers at the prospect of "losing" her. And grows in some ways as a person or at least as a pastor, learning to expect less of the flock which he supposedly leads, since it often acts less than nobly. Some members even turn on Dr. Buttrick, the genuinely good man, in the year of the novel's action.

**First Voices, Part Three** Feb 03 2022 First Voices is an amazingly good work with impressive writing skills that immediately places it as a valuable work to own. It puts Biblical characters and events in a fresh perspective. This is an impressive work that appears to be another Testament. First Voices tells the story of Adam and Eve, Shem and Eber, Noah and the Flood, Sarah, Keturah, Hagar and Abraham, The Minos of Crete, Nimrod and Canaan, Chedorlaomer and the city of Babylon, Esau and Jacob Judah and Shua, the Pharaoh and Joseph, the Tower of Babel, the great war of Abraham, the tragedy of Lot, the thinker Jacob and independent Judah. Many other stories presents an uncanny insight into the world's first personalities. This book transcends intelligence and religious narrative. It is a master's craft at its best. First Voices is a great achievement into the world of Biblical literature. Historic events are rendered in grand depictions in epic proportions. It offers an insightful penetration into the word of God and seems to be a separate Testament speaking to the world how God interacts with mankind in real life. First Voices is a beautiful, wonderful, poetic work. And perhaps, the greatest Biblical epic ever written!

**Voyage in Destiny — Part Three** Jun 07 2022 Destiny has placed knowledge among the priorities of my work. This text, the third in a series, is dedicated to what some very high level Masters of Light have been transmitting to me for several years. It represents a chapter of my voyage into knowledge; knowledge that comes from a wider view of worldly things than that which is normally available to man, new knowledge but at the same time ancient. Here I approach the study of three ancient artifacts. I analyze the famous Zodiac of Dendera in Egypt, a very much studied but at the same time misunderstood bas-relief that I later renamed the Great Message of Dendera, for the incredible meaning that I found in it. Then I approach the study of the Sumerian Weld Blundell prism, a terracotta prism with cuneiform writing, the translation of which has left all the researchers who have been challenging themselves with its interpretation confused to say the least: it is an absurd list of multi-millennial antediluvian kings. Finally, I analyze a little known monument of Copacabana, on Lake Titicaca in Bolivia, called the Horca del Inca, which I then renamed the Antenna of Copacabana. The analysis of these findings initially took place with the attitude of the meticulous researcher, but soon began to flow towards the search for the general meaning of the work analyzed. A meaning that, partly supported by logical considerations and partly by an entirely new research approach that we can call the historical-intuitive method, points out that ancient man was endowed with knowledge about the meaning and purpose of Creation much more advanced than that, which is at our disposal today. The rediscovery of this knowledge and of the method of obtaining it is the only possibility that remains to prevent our planet from being destroyed by humans who have lost track of what their purpose is and which direction to take.
