Seven Centuries of English Cooking Sep 29 2022 The hundreds of recipes in Maxime de la Falaise's delight-ful book triumphantly attest to the virtues of Anglo-Saxon gastronomy. Rich with the historical sense of taste, this book allows you to cook the rudiments of a medieval royal banquet, an Elizabethan nursery breakfast, or an eighteenth-century tavern lunch. The

recipes are divided into five chronological sections, each preceded by an introduction recounting the fashions and the changes in the food and drink of the period; together they provide an overview of the evolution of English cookery. The earliest recipes, dating from the thirteenth century, are presented in their original language ("Take faire Mutton that hath ben roste . . .") as well as in a modern translation, and all measures and quantities have been updated throughout. Many of the dishes are quite simple to make; others are, quite literally, fit for a king. All together they constitute a delectable, sensual celebration of the development of English cuisine.

C.B. Fry May 06 2023 C.B. Fry was Captain of England at cricket, played football for England and became the joint-holder of the world long-jump record. But he was much more than a sportsman. He won a major scholarship to Oxford, where his friends numbered Max Beerbohm, Hilaire Belloc and F.E. Smith and his nicknames included Lord Oxford and Almighty. He wrote several books, including an autobiography and a novel, while he was one of the most successful journalists of his day. He was a friend of many prominent Labour and Liberal politicians, but flirted with Fascism, meeting Hitler in 1934. He tried out for Hollywood, represented India at the League of Nations, and stood for Parliament three times.

The Rise of Caring Power Jun 02 2020 This original study discusses the role of women in developing and dispersing caring power and, vice-versa, the role of caring power in constituting 'women' as modern social subjects, processes which began around 1800. Based on the historian-/philosopher Foucault's concept of pastoral power, "caring power" also takes into account the vital role played by gender. Both humanitarian and religious motives fostered the ideal of serving the well-being of individual 'others' and thereby the interest of society as a whole. With the rise of caring power, this book argues, women began to feel responsible for 'those of their own sex' and to organize themselves in all-female organizations. In the process they carved out new gender identities for themselves and the women in their care. The authors illustrate this profound historical change with the work of the reformers Elizabeth Fry (1780-1845) and Josephine Butler (1828-1906) and trace their impact in Britain and the Netherlands.

In Defence of English Cooking Dec 21 2021 In May 2005 Penguin will publish 70 unique titles to celebrate the company's 70th birthday. The titles in the *Pocket Penguins* series are emblematic of the renowned breadth of quality of the Penguin list and will hark back to Penguin founder Allen Lane's vision of good books for all'. political thinkers of the twentieth century, he is also the author of the bestselling Penguin title of all time: *Animal Farm* first published in Penguin in 1951. These heartfelt essays demonstrate Orwell's wide-ranging appeal, and range from political manifesto to affectionate consideration of what being English truly means.

Irish Blood, English Heart, Ulster Fry Apr 24 2022 Annie Caulfield's early years were spent by the seaside in Ireland. However, the family shifted to Sixties London and soon she wasn't sure who she was - was she English, was she Irish, and if so, what kind of Irish? Watching the news of *The Troubles*, she was unable to recognise the country she'd left behind. On return journeys to visit her family over the last thirty years, she discovers how much *The Troubles* have caused weird and successful aspects of the country's life and history to be overlooked. Caulfield's background is religiously and politically mixed, giving her a unique and often astute perspective on *The Troubles*. This is an Irish emigrant's tale, asking whether you can ever really go back to your roots. If you were a punk rocker when others were on hunger strike, can you really put your hand on your heart and say 'my people'? If you get a headache and go home to watch *Big Brother* on 12th

July, are you just too flippant to understand your own country? There are many books on the recent history of Northern Ireland, but none give such a funny insight into the lives of ordinary people as Annie Caulfield's affectionate portrait of 'Alternative Ulster'.

British English from A to Zed Jul 04 2020 Whether you are traveling to Great Britain or just want to understand British popular culture, this unique dictionary will answer your questions. British English from A to Zed contains more than 5,500 British terms and their American equivalents, each with a short explanation of the term's history and an example of its use. The appendixes provide valuable supplemental material with differences between British and American pronunciation, grammar, and spelling as well as terms grouped in specific areas such as currency, weight, and numbers. This dictionary will help you unravel the meanings of: • Berk (idiot) • Bevvied up (drunk) • Crisps (potato chips) • Erk (rookie) • To judder (to shake) • Noughts and crosses (tic-tac-toe) • And more! George Bernard Shaw famously said that the British and Americans were "two peoples separated by a common language." This book bridges that gap.

The Air Fryer Cookbook Feb 03 2023 Air fryers are hot new kitchen appliances that use forced hot air to 'fry' foods without oil. This is a huge boon to home cooks who love the flavour and texture of deep-fried foods, but hate the fat, calories, mess, and danger that accompany frying foods in a pan of hot oil. Air fryers are sold at most major retailers, including Argos, Tesco and Amazon. Air fryers have been road-tested by major websites but there is no mainstream cookbook on the market for consumers.
