Before and After Jul 01 2020 Rosellen Brown's long-awaited novel is the extraordinary story of a family's struggle to survive the throes of tragedy. Set in the small town of Hyland, the backdrop for Brown's *Tender Mercies*, *Before and After* centers on Carolyn and Ben Reiser and their two children, Judith and Jacob, who have moved to New England for the comforts of rural life. Carolyn is a pediatrician who devotes her time and energy to making young lives painless and healthy. Ben is a sculptor whose imagination works overtime, yielding strange creatures of benevolent, almost totemic significance. Jacob is their seventeen-year-old son, whose shyness conceals darker impulses he keeps hidden from his parents. And Judith is his unforgettable sister, puzzled by her brother's secrecy and sexual preoccupations, suspicious of his suppressed anger. When the chief of police comes looking for Jacob one evening to question him about the bludgeoning to death of his teenage girlfriend, the Reisers' lives are changed forever. *Before and After* is the compelling drama of the search for Jacob, his capture, and the chain of events set in motion by a brutal crime of passion. It's a story that pits parent against parent, brother against sister, family against community, blood loyalty against the law. With a flawless ear for dialogue and a profound understanding of character and motive, Rosellen Brown has given us a heart-wrenching novel that questions the very nature of violence in our society and our ability to ever really know our children. Beautifully written, compassionate and wise, *Before and After* confirms Rosellen Brown's reputation as a writer who "can do anything with language . . . She can engender and render five emotions simultaneously, and throw over a whole novel a skein of sureness and sympathy" (Cynthia Ozick).

Dare to Lead Sep 14 2021 #1 NEW YORK TIMES BESTSELLER • Brené Brown has taught us what it means to dare greatly, rise strong, and brave the wilderness. Now, based on new research conducted with leaders, change makers, and culture shifters, she's showing us how to put those ideas into practice so we can step up and lead. Don't miss the five-part HBO Max docuseries Brené Brown: Atlas of the Heart! NAMED ONE OF THE BEST BOOKS OF THE YEAR BY BLOOMBERG Leadership is not about titles, status, and wielding power. A leader is anyone who takes responsibility for recognizing the potential in people and ideas, and has the courage to develop that potential. When we dare to lead, we don't pretend to have the right answers; we stay curious and ask the right questions. We don't see power as finite and hoard it; we know that power becomes infinite when we share it with others. We don't avoid difficult conversations and situations; we lean into vulnerability when it's necessary to do good work. But daring leadership in a culture defined by scarcity, fear, and uncertainty requires skill-building around traits that are deeply and uniquely human. The irony is that we're choosing not to invest in developing the hearts and minds of leaders at the exact same time as we're scrambling to figure out what we have to offer that machines and AI can't do better and faster. What can we do better? Empathy, connection, and courage, to start. Four-time #1 New York Times bestselling author Brené Brown has spent the past two decades studying the emotions and experiences that give meaning to our lives, and the past seven years working with transformative leaders and teams spanning the globe. She found that leaders in organizations ranging from small entrepreneurial startups and family-owned businesses to nonprofits, civic organizations, and Fortune 50 companies all ask the same question: How do you cultivate braver, more daring leaders, and how do you embed the value of courage in your culture? In this new book, Brown uses research, stories, and examples to answer these questions in the no-BS style that millions of readers have come to expect and love. Brown writes, "One of the most important findings of my career is that daring leadership is a collection of four skill sets that are 100 percent teachable, observable, and measurable. It's learning and unlearning that requires brave work, tough conversations, and showing up with your whole heart. Easy? No. Because choosing courage over comfort is not always our default. Worth it? Always. We want to be brave with our lives and our work. It's why we're here." Whether you've read *Daring Greatly* and *Rising Strong* or you're new to Brené Brown's work, this book is for anyone who wants to step up and into brave leadership.

Mr. Brown Can Moo! Can You? Nov 28 2022 Buzz, buzz Moo, Moo Cock-a-doodle-do In this delightful board book the eccentric Mr. Brown introduces babies and toddlers to a host of wonderful noises. With uniquely Seussian pictures and rhyme, this charming book also serves as a first step on the road to learning to read with Dr. Seuss. With his inimitable combination of hilarious stories, zany pictures and riotous rhymes, Dr. Seuss has been delighting young children and helping them learn to read for over fifty years. Creator of the wonderfully anarchic Cat in the Hat, and ranked among the UK's top ten favourite children's authors, Seuss is firmly established as a global best-seller, with nearly half a billion books sold worldwide. As the first step in a major rebrand programme, HarperCollins is relaunching 17 of Seuss's best-selling titles, including such perennial favourites as The Cat in the Hat, Green Eggs and Ham and Fox in Socks. As well as 10 classic paperbacks, the new range also includes two rebranded board books (newly reduced to GBP3.99 to increase competitiveness in the market place), along with four book and audio tape sets and a paperback bind-up.

What Brothers Do Aug 26 2022 "What Brothers Do" is the true story of two brothers. The first is Captain Patrick Brown, a highly decorated and well respected member of the New York City Fire Department, who was killed in the World Trade Center attacks of 9/11. The second is Michael Brown, a former New York City firefighter and presently a Las Vegas emergency medicine physician. The story takes the reader on Michael 's journey back to New York and Ground Zero in the desperate search for his brother and his experiences through post 9/11 New York. Michael is told by all who knew his brother that if anyone could get out of the Towers alive it would be Patrick. As he slowly loses hope of finding his brother alive, Michael changes his focus and determination to fulfilling his brother 's last wishes. In his attempt to honor Patrick, Michael must work through his anger and grief and overcome serious personal challenges. But, he finds friendship and support in an inner circle of new friends, reconnects with family members and discovers that Patrick 's spirit lives on. Brown Girl Dreaming Dec 26 2019 Jacqueline Woodson's National Book Award and Newbery Honor winner is a powerful memoir that tells the moving story of her childhood in mesmerizing verse. A President Obama "O" Book Club pick Raised in South Carolina and New York, Woodson always felt halfway home in each place. In vivid poems, she shares what it was like to grow up as an African

American in the 1960s and 1970s, living with the remnants of Jim Crow and her growing awareness of the Civil Rights movement. Touching and powerful, each poem is both accessible and emotionally charged, each line a glimpse into a child's soul as she searches for her place in the world. Woodson's eloquent poetry also reflects the joy of finding her voice through writing stories, despite the fact that she struggled with reading as a child. Her love of stories inspired her and stayed with her, creating the first sparks of the gifted writer she was to become. Includes 7 additional poems, including "Brown Girl Dreaming." Praise for Jacqueline Woodson: "Ms. Woodson writes with a sure understanding of the thoughts of young people, offering a poetic, eloquent narrative that is not simply a story . . . but a mature exploration of grown-up issues and self-discovery."—The New York Times Book Review

Billy Brown Bear and Friends Apr 09 2021 Billy Brown Bear was a bully. He was the biggest animal in the whole class and he picked on all the smaller animals. I Can Do It! Oct 28 2022 This is a story about faith, miracles, triumphs, purpose, and discipline. It represents one woman's journey as she walks confidently in her divinely appointed purpose. This could have been a tragic tale had she listened to voices that told her she was destined to live a life personified by insurmountable obstacles. Beginning with her premature birth, the odds were stacked against her. A broken home, poverty, abuse, homelessness, single parenthood, toxic thinking, and a deprived education threatened to derail her throughout her life; but she prevailed. Barriers she encountered that should have dissuaded her served to strengthen her faith, reveal her worth, and define her purpose. Stacey Lloyd is an overcomer!
