A full-text reporter of decisions rendered by federal and state courts throughout the United States on federal and state labor problems, with case table and topical index. Now a streaming animated series! This construction vehicle with an attitude loves every second of his dirty job! For fans of Goodnight, Goodnight, Construction Site and Steam Train, Dream Train comes a noisy addition to the hilarious read-aloud series from Kate and Jim McMullan, the popular creators of I'm Bad! and I Stink! Clank! Rattle! Bang! Who's making all that noise? Backhoe Loader, reporting for duty. By their very nature, construction projects can create seemingly endless opportunities for conflict. Written by a best selling author with over 40 years of experiences in the construction and general contracting business, Construction Process Planning and Management provides you with the necessary tools to save time and money on your construction project. In this book, Sid Levy provides valuable advice for avoiding or working through the common problems that are a result of the long-term nature of construction projects, failure to select a ?project delivery system?

appropriate to the project, incomplete drawing and specifications, unrealistic scheduling, poor communication and coordination among participants, and inadequate contract administration. From project genesis, through design development to contractor and contract selection, on to construction oversight, punch list and successful project close-out, this book will point out those pitfalls to avoid and offer practical advice at every step along the way. Administer the general construction process including solicitation of contractor's qualifications (pre-qualify bidders), comparative analysis of bid packages, recommendation for contract award, contract document negotiation and documentation of job change orders Provide Project Planning and on-site management and coordination of all construction projects Ensure compliance of building construction rules and regulations and collaborate with chief engineers to monitor quality of construction Conduct technical/plan review of construction documents and submit written responses identifying required corrections or changes Design, implement and oversee Company standards for construction policies, practices and processes A reporter of all formal decisions handed down by the National Labor Relations Board, including selected administrative rulings of the NLRB and its General Counsel. For the 2007 Edition, leading authorities in over 24 specialized areas review and comment on key issues nationwide, with detailed outlines and summaries of cases, legislation, trends, and developments. Use the Annual Review for updates in your specialty area, when you are asked to consider issues that cross over multiple areas of specialty, or to give an initial reaction to a new situation. Vols. 9-17 include decisions of the War Labor Board.
