Teaching them only occupies so many hours in a day and the few adults she interacts with are civil but distant. She only seems to connect with Thór, a man she shares an attraction with but who is determined to keep her at arm's length. As darkness descends throughout the bleak winter, Una finds herself more often than not in her rented attic space—the site of a local legendary haunting—drinking her loneliness away. She is plagued by nightmares of a little girl in a white dress singing a lullaby. And when a sudden tragedy echoes an event long buried in Skálar's past, the villagers become even more guarded, leaving a suspicious Una seeking to uncover a shocking truth that's been kept secret for generations.
