Ancient curses...family feuds...finding a happily ever after can be a real nightmare for the modern witch. This boxed set includes the first three titles in the Witches of Cleopatra Hill series: Darkangel, Darknight, and Darkmoon. DARKANGEL: As the future prima, or head witch of her clan, Angela McAllister is expected to bond with her consort, her soul mate, during her twenty-first year, thus ensuring that she will come into her full powers at the appointed time. The clock is ticking down, and her consort has yet to make an appearance. Instead, her dreams are haunted by a man she's never seen, the one she believes must be her intended match. But with time running out, and dark forces attempting to seize her powers for their own, Angela is faced with a terrible choice: give up her dreams of the man she may never meet and take the safer path, or risk leaving her clan and everyone in it at the mercy of those who seek their ruin. DARKNIGHT: Kidnapped by a rival witch clan, Angela McAllister envisions a dark future for herself until she discovers her captor's brother is the unknown man who has haunted her dreams since she was a child. Forced to re-evaluate everything she's ever known about the Wilcox witches, Angela begins to explore the powerful connection that binds her to Connor Wilcox, despite the generations of hostility between their families and the disapproval of those closest to her. And when a dark, malignant force arises, Angela knows she must draw on her growing powers as prima to protect enemies and allies alike...even if her choice threatens to tear her new and fragile love apart. DARKMOON: One hundred and fifty years ago, a terrible curse descended on the Wilcox clan, dooming generations of women to an early death should they bear a child to the bloodline of Jeremiah Wilcox. Now Angela McAllister is carrying Connor Wilcox's child, and if she can't find a way to break the curse, that same doom will fall upon her. The solution to her dilemma lies somewhere in the past—her own, and that of the woman who cast the curse so many years before. Angela's quest to find the answers she needs will transform the lives of everyone she knows, Wilcox and McAllister alike, and will forever change everything she has ever believed about herself. The right consort will unlock her magic. The wrong one will make her a prisoner. Forty-three. That's how many frogs Angela McAllister has kissed since she turned twenty-one. And it's not for fun — she's searching for the green-eyed man who haunts her dreams, the man she's sure is fated to be her consort when she becomes the next prima of her witch clan. Without that magical connection, she'll never be able to access her full powers. Worse, as long as she's an unattached virgin, she's vulnerable to being kidnapped and manipulated by the rival Wilcox clan. The clock is ticking, because upon her twenty-second birthday, the window of opportunity to find her mate will close forever, leaving her magic diminished and her clan vulnerable. It doesn't help her growing sense of urgency that a malevolent spirit is stalking her, and the only guy who sparks that special attraction isn't a witch at all. Just a handsome, dark-eyed, all-too-human college student. On the eve of her birthday, the Wilcox clan makes their move, and it becomes all too clear that someone has betrayed Angela's trust in the worst possible way.... Note: Darkangel is part one of the "The Witches of Cleopatra Hill," the first series set in USA Today Bestselling Author Christine Pope's witches and warlocks universe! It ends on a cliffhanger leading into the next installment, Darknight. Other interconnected series in the 'verse include "The Witches of Wheeler Park" and "The Witches of Canyon Road." With the help of his witch clan, Jake Wilcox is looking forward to a happy future with Addie Grant, the woman he's falling for. There's just one thing missing: Addie. Sometime in the night, she up and left. He can guess why — she'd sacrifice almost anything to avoid causing her newfound family any trouble. But the big question is, where did she go? Addie dutifully went along with the Wilcox clan's plan to protect her from Randall Lenz, the government operative bent on harnessing her weather magic for not-so-noble purposes. But in the back of her mind, a voice insists that as long as she stays in Arizona, the greater the danger to Jake and the Wilcox witch clan. Heart breaking, Addie listens to her inner nomad and goes where the wind takes her — a place where no government, no witch, not even Jake can find her. But there are two factors working against her desire to remain hidden: her love for Jake...and the magic that, when danger flares like a wildfire, she has no choice but to unleash. all away? With a neighboring witch clan under the control of a dark warlock, the situation in the haunted little town of Jerome, Arizona, is growing ever more dire. Angela McAllister, the head witch of her clan, and her warlock husband Connor find themselves surrounded by enemies who won't hesitate to bring the struggle for dominance of the entire Southwest to their very doorstep. Confronted by tragedy after tragedy, they are forced to ask for help before it's too late and the world they know is lost forever. But the price for that help may be far too high.... *Darktide* is the final novel in the *Witches of Cleopatra Hill* series.

It began in 1692, over an exceptionally raw Massachusetts winter, when a minister's daughter began to scream and convulse. It ended less than a year later, but not before 19 men and women had been hanged and an elderly man crushed to death. The panic spread quickly, involving the most educated men and prominent politicians in the colony. Neighbors accused neighbors, parents and children each other. Aside from suffrage, the Salem Witch Trials represent the only moment when women played the central role in American history. In curious ways, the trials would shape the future republic. As psychologically thrilling as it is historically seminal, THE WITCHES is Stacy Schiff's account of this fantastical story-the first great American mystery unveiled fully for the first time by one of our most acclaimed historians. Still struggling to deal with the brutal murder of her younger sister, Jenny McAllister is just going through the motions, doing her best to pick up the pieces and move on with her life -- a life she's not sure is really worth living at all. Meeting Colin Campbell at a family event changes everything. Even though he's a civilian, Jenny begins to let him in. She knows that falling for someone who's not from one of the witch clans will only complicate her life, but she can't resist the attraction. However, Colin has issues of his own. He can't let Jenny know the truth -- the truth that will destroy their budding romance. When he begins to unravel the mystery of Jenny's family, long-buried secrets come to light. Now Colin must decide between his duty and his heart. Will he protect the McAllister clan, or will he expose them to the world for his own personal gain? The answer to the end lies at the beginning... One hundred and fifty years ago, a terrible curse descended on the Wilcox clan, dooming generations of women to an early death should they bear a child to the bloodline of Jeremiah Wilcox. Now Angela McAllister is carrying Connor Wilcox's child, and if she can't find a way to break the curse, that same doom will fall upon her. The solution to her dilemma lies somewhere in the past--her own, and that of the woman who cast the curse so many years before. Angela's quest to find the answers she needs will transform the lives of everyone she knows, Wilcox and McAllister alike, and will forever change everything she has ever believed about herself. Sometimes a curse turns out to be a blessing in disguise.... A terrible accident left Lorena Simms alone, certain that, because of her injuries, she would never find another man who could love her. Jeremiah Wilcox's Navajo wife died cursing his name — and cursing all the sons of his line to a life spent alone. Doomed to a solitary existence, Jeremiah has done his best to come to terms with his fate. But when the enchanting, widowed Lorena arrives in Flagstaff, Jeremiah may have to reexamine everything he believes about the curse — and his own heart.*

Healing the past is the only way to survive what lies ahead. Angela McAllister and Connor Wilcox are over and done, tragedy and death having driven an immovable wedge between them. Certain she's lost a love she had just begun to believe would be hers forever, Angela returns home to resume her place as her clan's prima — without her consort at her side. Adjusting to a new normal will have to wait, especially when Angela learns her little birth-control charm couldn't fool Fate — and now she's the next target of the fatal Wilcox curse. With her own death warrant signed and sealed, Angela is determined to break this dark legacy, and it starts with reaching out to her beautiful, brokenhearted Connor for reconciliation and forgiveness. Then she must begin the arduous and emotional task of journeying to the Otherworld to fill in the blanks of her own past. With every broken thread she reweaves into her history, her magic grows and evolves. But the healing that will finally break the Wilcox curse could cost Angela everything....

The star-crossed love that started it all... Hannah McAllister's future is laid out before her, as clear as her journey from Scotland to Arizona, where she will exchange vows with her dull-as-dishwater betrothed, Boyd. But for a precious few hours, she is free to explore the wonders of New York City, where she encounters a handsome, compelling warlock, Nathan Wilcox. Nathan didn't run into Hannah by accident. His brother and head of the clan, Jeremiah, sent him to learn more about the newest witch family to make an appearance in New York. He feels an instant, soul-deep connection to Hannah, but he, too, is betrothed to another based on clan loyalty, not love. A walk in Central Park, a kiss, and the die is cast for love, betrayal, and a spell that will reverberate for generations to come... Warning: Contains a star-crossed relationship that doesn't end in a HEA, but sparks a chain reaction of love that echoes down the generations. No turning back. No backing down. And no surrender... She faces a hard choice: give up her dreams of the man she may never meet, or leave her clan at the mercy of those who seek their ruin. **DARKNIGHT** Forced to re-evaluate everything she's ever known about the Wilcox witches, Angela begins to explore the powerful connection that binds her to Connor Wilcox, despite the generations of hostility between their families and the disapproval of those closest to her. **DARKMOON** One hundred and fifty years ago, a terrible curse descended on the Wilcox clan, dooming generations of women to an early death should they bear a child to the bloodline of Jeremiah Wilcox. Now Angela McAllister is carrying Connor Wilcox's child, and if she can't find a way to break the curse, that same doom will fall upon her.... **SYMPATHETIC MAGIC** Warlock "Lucky" Lucas Wilcox has a gift that ensures his success in all things, but his magic fails him completely when it comes to sexy Margot Emory, the vibrant "elder" of the McAllister witch clan. **A CLEOPATRA HILL** **CHRISTMAS** Connor and Angela Wilcox return to Angela's hometown of Jerome, Arizona, to spend the holiday with the McAllister witch clan and attend Lucas Wilcox's and Margot Emory's wedding. But problems arise as they try to juggle new parenthood, interfering relatives, and romantic complications in this lighthearted holiday novella. **PROTECTOR** Caitlin McAllister has been keeping a secret. While her clan suffers for lack of a seer, she's been hiding her gift of second sight—hiding and running away from a destiny she does not want and has done her best to escape. Unfortunately, she finds that keeping secrets carries its own price when she and two of her friends end up in the hands of three evil warlocks who seem intent on using the young witches for their own dark purposes. **SPELLBOUND** Damaged and desperate, Danica Wilcox searches for sanctuary and peace of mind after enduring vile and brutal treatment by the dark warlock Matías Escobar. Hoping for safe haven at an old summer cabin owned by the Wilcox witch clan for more than a hundred years seems to be her safest option. But when her rejuvenating R&R is interrupted by a ghostly visitor, Danica sets out to solve the mystery of his death. **THE ARRANGEMENT** Jeremiah Wilcox's wife died cursing him and all the sons of his line. Struggling with his solitary existence, Jeremiah has spent the days since her death ensuring his family prospers...even while wishing for what he knows he'll never have. **IMPRACTICAL MAGIC** Still struggling to deal with the brutal murder of her younger sister at the hands of a dark warlock, Jenny McAllister is going through the motions, doing her best to pick up the pieces and move on with her life. Meeting Colin Campbell at a family event changes everything.... **STRANGE MAGIC** Life for Zoe Sandoval, the future prima of the de la Paz witch clan, is not going as planned. As if being almost kidnapped by a dark warlock wasn't bad enough, Zoe's struggling with her birthday closing in — and she still hasn't found her destined soulmate. Frustrated and at the end of her rope, Zoe takes matters into her own hands, using her magical gifts to conjure the perfect man of her dreams. **DEFENDER** The last thing Detective Jack Sandoval needs is another witch-related crime to sweep under the rug. As the de la Paz witch clan's expert in defensive magic, Jack knows there is some deeper form of ritual dark magic involved...and one look into the beautiful, stricken face of the victim's widow tells him she isn't the culprit. **BAD BLOOD** As she journeys from Scotland to Arizona to wed her dull-as-dishwater betrothed, Hannah McAllister encounters a handsome, compelling warlock, Nathan Wilcox. A walk in Central Park, a kiss, and the die is cast for love, betrayal, and a spell whose impact will reverberate for generations to come... **DEEP MAGIC** Hayley McAllister has a rare gift that an evil warlock covets for his own. Levi would give every last drop of his high-octane magic to save her...but it might cost him his life. **DARKTIDE** When Angela and Connor try to find out who — or what — killed a de la Paz clan member private investigator, they realize the clans are being set up for destruction. The clans must unite and learn to control dangerous new powers to defeat their deadliest enemy...once and for all. witch, warlock, witch clan, magic, spell, enchantment, soul mate, psychic, demon, devil, angel, black magic, Arizona, Jerome Some guys have all the luck.... Warlock "Lucky" Lucas Wilcox has a gift that ensures his success in all things, but his magic fails him completely when it comes to sexy Margot Emory, the vibrant

"elder" of the McAllister witch clan. Margot's own magical gifts weren't enough to protect her from a terrible romantic betrayal, and she's wary of repeating past mistakes—especially with a Wilcox—even if it means she's destined to live her life alone. When Lucas sets his sights on the one woman he wants but can't have, it may take a bit of sympathetic magic for the couple to have the happy ending they deserve. (Book 4 of the Witches of Cleopatra Hill) Caitlin McAllister has been keeping a secret. While her clan suffers for lack of a seer, she's been hiding her gift of second sight—hiding and running away from a destiny she does not want and has done her best to escape. Unfortunately, she finds that keeping secrets carries its own price when she and two of her friends end up in the hands of three evil warlocks who seem intent on using the young witches for their own dark purposes. Far from her clan's territory, Caitlin turns to Alex Trujillo, whose grandmother is the prima of the de la Paz witch clan and whose own gift is the ability to cast a unique kind of protective spell, to help her with tracking down the warlocks who planned the kidnapping. As Alex and Caitlin work together to save her friends, they find themselves falling under one another's spell. But their combined talents may not be enough to save the kidnapped witches...or to stop a murderous conspiracy that threatens the safety of all the Arizona witch clans. **KEYWORDS:** witch, witches, witch clan, witch family, soul mate, fated mated, psychic, Arizona, Jerome, mining town, paranormal romance, urban fantasy, romance books full novel, warlock love, wizard love, witch love, romance novels, small town romance, series books, dark magic, curse, spell, protection, road trip romance

Murder...mayhem...and no place to hide. Ever since the moment when Kate Campbell realized she wants more, deserves more, she's known it would come to this — delivering divorce papers to her estranged husband. Creepy silence greets her knock, and she finds him brutally murdered, arcane symbols slashed across the walls in blood. The last thing Detective Jack Sandoval needs is another witch-related crime to sweep under the rug. As the de la Paz witch clan's expert in defensive magic, Jack knows there is some deeper form of ritual dark magic involved...and one look into Kate's beautiful, stricken face tells him she isn't the culprit. He also knows this isn't any ordinary ritual murder. It's the tip of a cold iceberg of revenge that not only threatens Kate's life, but could reach deep into the clan to rip out its heart. When the two of them take refuge at Jack's isolated house, deep in the Arizona desert, desire creates a magic all its own. But the killer will use any means to draw Kate into the open...where the fight for her life could be only the beginning of a more brutal war to come. Saving his past could destroy her future... Damaged and desperate, Danica Wilcox searches for sanctuary and peace of mind after enduring vile and brutal treatment by the dark warlock Matías Escobar. Hoping for safe haven at an old summer cabin owned by the Wilcox witch clan for more than a hundred years seems to be her safest option. But when her rejuvenating R&R is interrupted by a ghostly visitor, Danica sets out to solve the mystery of his death. Determined to uncover long-hidden truths, Danica takes a journey into the past, calling upon her own special gift of manipulating time. However, the secrets that she uncovers were meant to remain buried. Torn between loyalty to her family and the beyond-earthly pull she feels for the mysterious stranger, Danica struggles between what is right and what is wrong, between changing the past and altering the future. The characters live, bleed, and roar."—Laini Taylor, *New York Times* bestselling author **A NEW YORK TIMES BESTSELLER • Winner of the British Fantasy Award for Best Fantasy Novel • Named One of the Best Books of the Year by NPR Books • Barnes and Noble • BookPage** In the late 1800s, three sisters use witchcraft to change the course of history in this powerful novel of magic, family, and the suffragette movement. In 1893, there's no such thing as witches. There used to be, in the wild, dark days before the burnings began, but now witching is nothing but tidy charms and nursery rhymes. If the modern woman wants any measure of power, she must find it at the ballot box. But when the Eastwood sisters—James Juniper, Agnes Amaranth, and Beatrice Belladonna—join the suffragists of New Salem, they begin to pursue the forgotten words and ways that might turn the women's movement into the witch's movement. Stalked by shadows and sickness, hunted by forces who will not suffer a witch to vote—and perhaps not even to live—the sisters will need to delve into the oldest magics, draw new alliances, and heal the bond between them if they want to survive. There's no such thing as witches. But there will be. An homage to the indomitable power and persistence of women, *The Once and Future Witches* reimagines stories of revolution, motherhood, and women's suffrage—the lost ways are calling. Praise for *The Once and Future Witches*: "A glorious escape into a world where witchcraft has dwindled to a memory of women's magic, and three wild, sundered sisters hold the key to bring it back...A tale that will sweep you away."—Yangsze Choo, *New York Times* bestselling author "This book is an amazing bit of spellcraft and resistance so needed in our times, and a reminder that secret words and ways can never be truly and properly lost, as long as there are tongues to speak them and ears to listen."—P. Djèlí Clark, author *The Black God's Drum* For more from Alix E. Harrow, check out *The Ten Thousand Doors of January*. When the truth burns away her illusions, only one man can break her fall. A few months ago, Skyler Fields didn't believe witches were real. Until she was kidnapped and held prisoner in a facility that forced her to face the fact — she is one. And not just a run-of-the-broom witch with a cool party trick, either. She can control fire with a mere thought, and detect when other witches are nearby. Freed with the help of a fellow prisoner, she follows her thumb to Arizona, where, she's told, the Wilcox clan will give her the help she needs. She never expected the first Wilcox she meets to make her pulse race. With his tall, dark good looks and smoke-gray eyes, Jasper Wilcox could easily distract Skyler from her mission. But she has questions about her heritage, and the buzzing in her head tells her she's in the presence of a warlock who can get her the answers she so desperately craves. As Skyler and Jasper work to peel away the lies surrounding the source of her gifts, they are irresistibly drawn together. But the deeper they dig, the greater the danger that the truth will tear them apart...and put the entire Wilcox clan in danger. **KEYWORDS:** witch, witches, witch clan, witch family, soul mate, fated mate, psychic, Arizona, Jerome, Flagstaff, mining town, warlock love, wizard love, witch love, romantic novels, witches of Cleopatra Hill, road trip, Homeland Security, DHS, government agent, secret government program Connor and Angela Wilcox return to Angela's hometown of Jerome, Arizona, to spend the holiday with the McAllister witch clan and attend Lucas Wilcox's and Margot Emory's wedding. As the future prima, or head witch of her clan, Angela McAllister is expected to bond with her consort during her twenty-first year, thus ensuring that she will come into her full powers at the appointed time. The clock is ticking down, and her consort has yet to make an appearance. Instead, her dreams are haunted by a man she's never seen, the one she believes must be her intended match. But with time running out, and dark forces attempting to seize her powers for their own, Angela is faced with a terrible choice: give up her dreams of the man she may never meet and take the safer path, or risk leaving her clan and everyone in it at the mercy of those who seek their ruin"— "The queen lives again. You, Rhea, are the key to unlocking the magical artifacts in Cleopatra's tomb." Despite having a shaman, a witch, and a muse for sisters, Rhea Spencer feels like a normal teenager—even if she is the reincarnation of Cleopatra, the Egyptian queen. But everything changes on her sixteenth birthday, when visions of a life she lived more than two thousand years ago become real and the queen's secret world unfolds around her. Declan—a mysterious figure from the Order of Antony—appears at her doorstep to warn Rhea that she is in terrible danger. A sinister cabal known as the Octavians will do anything to obtain her growing powers. Rhea must travel to Egypt, the exotic land where an ancient war began, to stop the Octavians from unleashing a deadly force that could destroy the world. Connor and Angela Wilcox return to Angela's

hometown of Jerome, Arizona, to spend the holiday with the McAllister witch clan and attend Lucas Wilcox's and Margot Emory's wedding. But complications arise as they try to juggle new parenthood, busybody relatives, and romantic disappointments in this lighthearted holiday novella. (Note: This story takes place approximately a month and a half after the end of *Sympathetic Magic*, and is a short novella of 22,000 words, or around 100 paperback pages.) Kidnapped by a rival witch clan, Angela McAllister envisions a dark future for herself until she discovers her captor's brother is the unknown man who has haunted her dreams since she was a child. Forced to re-evaluate everything she's ever known about the Wilcox witches, Angela begins to explore the powerful connection that binds her to Connor Wilcox, despite the generations of hostility between their families and the disapproval of those closest to her. And when a dark, malignant force arises, Angela knows she must draw on her growing powers as prima to protect enemies and allies alike...even if her choice threatens to tear her new and fragile love apart. *Darknight* is the second book in the *Witches of Cleopatra Hill*, a paranormal romance trilogy set in the haunted town of Jerome, Arizona. A single wish shatters her world. Fixing it could break her heart. One phone call. That's all it takes to throw Autumn Garnett's future out of whack. She and Michael McAllister have an agreement: When he finishes his law degree, they'll settle in her beloved Flagstaff. His decision to take a job in Jerome, of all places, is definitely not part of the plan. Autumn knows better than to throw wishes around lightly. They tend to come true...permanently. But in a fit of anger, she flings the worst possible wish out into the universe. *I wish Michael and I had never met.* And the universe shifts. More like shatters into pieces, re-forming into a timeline she barely recognizes. One where Michael is in love with someone else. And she can't simply wish her way back into his heart. It's going to take the one thing that, as the wheel of the year turns, is slipping through her fingers. Time. **KEYWORDS:** witch, witches, witch clan, witch family, soul mate, fated mate, psychic, Arizona, Jerome, Flagstaff, mining town, paranormal romance, urban fantasy, romance books full novel, warlock love, wizard love, witch love, romance novels, romantic novels, small town romance, novels for romance, series books, *witches of Cleopatra Hill*, make a wish, wish come true, alternate reality, alternate dimension A match decreed by fate. A love awakened by magic... Life as Rafael Castillo knows it is about to come to an end. Twenty-one years ago, his grandmother, then head witch of the Castillo clan, helped the McAllister clan defeat a dark wizard...for a price. The payment, Miranda McAllister, is now on her way to be his bride. A medieval arrangement, but there's no naysaying Rafe's mother, who is intent on carrying out his grandmother's wishes. Miranda's parents tried everything — even revealing her lack of magical gifts — to break this unholy bargain, to no avail. As her Halloween birthday approaches, she journeys to Santa Fe, where the betrothed she's never seen awaits. Their first meeting is more like *Beauty clashing with Beast* than *Cinderella* dancing away with *Prince Charming*. But their first kiss is electric, triggering a storm of emotions and odd experiences that make Miranda wonder if her long-dormant magic is finally bursting from its shell. However, even as Rafe and Miranda begin to grow closer, threads of dark magic are weaving a spell that could destroy their clans' alliance...and any chance for love. **KEYWORDS:** witch, witches, witch clan, witch family, soul mate, fated mated, psychic, Arizona, Jerome, Santa Fe, New Mexico, free paranormal romance, free urban fantasy, free romance books full novel, warlock love, wizard love, witch love, free romance novels, romantic novels, small town romance, novels for free romance, series books free, enemies to lovers, family feud, *Witches of Cleopatra Hill*
