From New York Times bestselling authors Timothy Keller and Kathy Keller comes a gorgeously packaged daily devotional that takes us on year-long journey into discovering the meaning of marriage. Marriage is the most profound human relationship there is. Coming to know and love your spouse is one of the most rewarding and wondrous things we can experience in life. But it is also one of the most difficult and painful. In this 365-day devotional, Timothy Keller and his wife of forty-three years, Kathy Keller, share powerful instructions on how to have a successful marriage. The Kellers draw from and expand upon lessons they first introduced in their book *The Meaning of Marriage*, offering stories, daily scriptures, and prayer prompts that will inspire anyone who wants to know God and love more deeply in this life. Want to strengthen your marriage? Here is something different than your typical devotional book! It combines humor with serious Bible study and discussion questions.

Designed for married couples, this devotional is based on a collection of humorous conversations between a husband and wife in their "golden" years after more than three decades of marriage. As we grow old, our memories fade, our hair falls out, and we get more quirks that oftentimes irritate our spouse. The author has found humor in this process of growing old together, and he shares some of that humor with his readers. The content for each devotional is a comical conversation (Laugh Together) with a related Bible passage, a devotional (Read Together), some serious discussion questions to work through (Discuss Together), a longer Bible passage for further study (Study Together), and an invitation to pray together as a couple (Pray Together). The comical conversations are designed to make you laugh, because the author believes what the Bible says: "A joyful heart is good medicine." The unique combination of a comic and a Christian devotional makes this book both humorous and serious. This devotional book is ideal for couples who have been married for a long time because they will be most able to relate to the conversations. However, even newlyweds or single persons should be able to appreciate the humor of growing old together and learn from the devotionals and Bible studies. There are 52 devotionals, one for each week for a year. Enjoy! Additional Bible studies, devotionals, articles, books, and more can be found at the author's Christian Faith Grower website: www.christianfaithgrower.com.
