Describes points of interest in each section of the city and recommends hotels, restaurants, shops, and night spots. Appendix includes letters transcribed from Italian newspapers. Vol. 1 Scipio Slataper is one of the most prominent writers from the Italian town of Trieste. Before the onslaught of World War One, Trieste was a unique urban environment and the largest port in the Austro-Hungarian Empire. It was a financially powerful city and a cosmopolitan centre where Slavic, Germanic, and Italian cultures intersected. Much of Slataper's oeuvre is highly influenced by Trieste's cultural complexity and its multi-ethnic environment. Slataper's major literary achievement, *My Karst and My City* – a fictionalized, lyrical autobiography, translated here in its entirety – offers a unique example of an Italian modernist narrative, one that is influenced both by Slataper's collaboration with the Florentine journal *La Voce*, and by the Germanic and Scandinavian literature that he absorbed while living in Trieste. *My Karst and My City*, together with the excerpts from his reflections on Ibsen and other critical essays included here, adds a new voice and a different dimension to our understanding of European modernism. A unique, eye-opening guide to Rome, one of the world's most magnificent cities" This study examines Palazzeschi's early literary career (1905-15) and his major texts with specific focus on the relationship between his creative works and his three manifestos (Lacerba, 1914-15). The external charm of the Coliseum has recently been spoiled by the cutting down of all the trees and destruction of the beautiful pomegranate gardens on the lower slope of the Esquiline, and the erection in their place of the most hideous and gigantic houses... -from *Walks in Rome* English aristocrat Augustus J.C.
