Human Rights Feb 11 2021 Extensive and protracted violations of human rights commonly derive from the underlying conflicts and divisions within a society, as well as from the policies and practices of those responsible for governing the state. *Human Rights: Realities and Possibilities* examines the impact of these two forces on civil and political rights in two closely associated Western liberal states, Northern and Southern Ireland, and two contrasting European communist states, Yugoslavia and Hungary. On the basis of this detailed analysis specific proposals are put forward for remedying infringements and deficiencies in key human rights areas for each of the countries concerned.

Researches in the South of Ireland Nov 22 2021

Small Differences Jan 31 2020 The assumption that Irish Protestants & Irish Catholics are fundamentally different is central to modern Irish history. This book examines what until now has been taken for granted. It spans the period between 1815 -- the end of the Napoleonic era & the beginning of widescale Irish emigration -- & 1922 -- marking the independence of the 26 counties of southern Ireland & the close of a very tense period in the relations of Irish

Protestants & Irish Catholics. During this time, the differences between the two groups, though strongly held, were for the most part not violent.

The Irish in the South, 1815-1877 Sep 20 2021 This book explores the story of the Irish in America and southern culture. The Irish who migrated to the Old South struggled to make a new home in a land where they were viewed as foreigners and were set apart by language, high rates of illiteracy, and their own self-identification as temporary exiles from famine and British misrule. They countered this isolation by creating vibrant, tightly knit ethnic communities in the cities and towns across the South where they found work, usually menial jobs. Finding strength in their communities, Irish immigrants developed the confidence to raise their voices in the public arena, forcing native southerners to recognize and accept them--first politically, then socially. The Irish integrated into southern society without abandoning their ethnic identity. They displayed their loyalty by fighting for the Confederacy during the Civil War and in particular by opposing the Radical Reconstruction that followed. By 1877, they were a unique part of the "Solid South." Unlike the Irish in other parts of the United States, the Irish in the South had to fit into a regional culture as well as American culture in general.

Southern Ireland; Church Or State?. Aug 20 2021

Southwest Ireland Jan 25 2022 Cadogan's stunning guide encompasses the main area of the province of Munster, from King John's Castle and Moll's Gap to the dolphins of Shannon Estuary, revealing the tranquil pleasures of counties Cork, Kerry, Limerick and Clare.

Southern Ireland and the Liberation of France Apr 08 2023 This collection is intended to correct the view that the Irish Free State did not take part in the Second World War. It argues that the 9000 Irish casualties sustained during the conflict came more or less equally from the Southern and Northern parts of the island.

The Social State of the Southern and Eastern Counties of Ireland in the Sixteenth Century: Being the Presentments of the Gentlemen, Commonalty, and Citizens of Carlow, Cork, Kilkenny, Tipperary, Waterford, and Wexford, Made in the Reigns of Henry VIII. and Elizabeth Apr 27 2022

The Irish Bucket List Dec 24 2021 Ireland Before You Die's Irish Bucket List is an inspiring, enthusiastic and insightful travel guide to help you discover the best sites that Ireland has to offer. From climbing Ireland's tallest

mountain to a pint in Ireland's oldest pub, this book offers a brief overview of the best things you can do on this magical island. This concise book is perfect for someone who wants to see the best places in Ireland but doesn't know where to begin. It is a stimulating, concise and informative guide to the 101 best places to see in Ireland. The book was written and researched by Stevie Haughey, founder and driving force behind Ireland Before You Die. Since its foundation in 2014, Ireland Before You Die has reached millions of people worldwide, gained over 300,000 followers on social media and encouraged many people to visit and experience the emerald isle for themselves. After writing hundreds of articles about the best places to visit in Ireland, having literally over 3 million people reading them and regular requests for a book, Stevie felt it was time to write something that brings it all together. The Irish Bucket List is his and Ireland Before You Die's first book. "This book is an accumulation of all that I have seen, learned and experienced on the island of Ireland. It includes the 101 places, in my opinion, you should see in Ireland before you die." Stevie Haughey (Author and Founder of Ireland Before You Die) Ireland Before You Die's Irish Bucket List includes: - A trip to the world's most haunted castle - An ancient wonder older than the pyramids - A ride on Ireland's only cable car - A hike to the top of Ireland's tallest mountain - A pint in Ireland's oldest pub - Much more...

Politics in the Republic of Ireland Nov 03 2022 Building on the success of the first two editions, Politics in the Republic of Ireland continues to provide an authoritative introduction to all aspects of politics in the Irish Republic.

Strange Kin Mar 03 2020 The ties between Ireland and the American South span four centuries and include shared ancestries, cultures, and sympathies. The striking parallels between the two regions are all the more fascinating because, studded with contrasts, they are so complex. Kieran Quinlan, a native of Ireland who now resides in Alabama, is ideally suited to offer the first in-depth exploration of this neglected subject, which he does to a brilliant degree in Strange Kin. The Irish relationship to the American South is unique, Quinlan explains, in that it involves both kin and kinship. He shows how a significant component of the southern population has Irish origins that are far more tangled than the simplistic distinction between Protestant Scotch Irish and plain Catholic Irish. African and Native Americans, too, have identified with the Irish through comparable experiences of subjugation, displacement,

and starvation. The civil rights movement in the South and the peace initiative in Northern Ireland illustrate the tense intertwining that Quinlan addresses. He offers a detailed look at the connections between Irish nationalists and the Confederate cause, revealing remarkably similar historical trajectories in Ireland and the South. Both suffered defeat; both have long been seen as problematic, if also highly romanticized, areas of otherwise "progressive" nations; both have been identified with religious prejudices; and both have witnessed bitter disputes as to the interpretation of their respective "lost causes." Quinlan also examines the unexpected twentieth-century literary flowering in Ireland and the South -- as exemplified by Irish writers W. B. Yeats, James Joyce, and Elizabeth Bowen, and southern authors William Faulkner, Eudora Welty, and Flannery O'Connor. Sophisticated as well as entertaining, *Strange Kin* represents a benchmark in Irish-American cultural studies. Its close consideration of the familial and circumstantial resemblances between Ireland and the South will foster an enhanced understanding of each place separately, as well as of the larger British and American polities.

The Northern Ireland Question Jul 19 2021 Barton and Roche have drawn on the expertise of scholars in Irish history, political philosophy, sociology, demography and criminal and constitutional law to provide a major contribution to understanding the dynamics of the terrorist conflict that engulfed Northern Ireland for thirty years. The legal dimension of the book provides accessible understanding both of the use of the criminal law in response to terrorism and of the constitutional status of Northern Ireland prior to the 1998 Belfast Agreement. *The Northern Ireland Question: Myth and Reality* explicates the civic character of unionism which differentiates unionism as a form of political identity from the ethnicity of traditional Irish nationalism. The contributions explore the ambiguities of southern Irish politics with respect to 'the Northern Ireland question' and challenge a conventional and widely accepted understanding (inimical to unionism and unionists) of the genesis of the terrorist conflict in Northern Ireland and the extent of discrimination under the Stormont administration but without loss of objectivity and professional detachment.

The Stranger in Ireland Aug 08 2020

Ireland in the War Years, 1939-1945 May 17 2021 This is a revision of the first full length book about Ireland and Irish neutrality during the Second World War. It describes how Mr. De Valera carried out a policy of neutrality in

spit of the fact that Southern Ireland was a Dominion and that Northern Ireland, as part of the United Kingdom, was a belligerent and in the face of increasing pressure from first Britain and later the United States to enter the war on the side of the allies.

Buried Lives May 09 2023 The early twentieth century saw the transformation of the southern Irish Protestants from a once strong people into an isolated, pacified community. Their influence, status and numbers had all but disappeared by the end of the civil war in 1923 and they were to form a quiescent minority up to modern times. This book tells the tale of this transformation and their forced adaptation, exploring the lasting effect that it had on both the Protestant community and the wider Irish society and investigating how Protestants in southern Ireland view their place in the Republic today.

Fennessy and Fennessey of Southern Ireland Sep 08 2020

The Daughter of a Soldier: A Colleen of South Ireland Jul 07 2020 "The Daughter of a Soldier: A Colleen of South Ireland" by L. T. Meade. Published by Good Press. Politics in the Republic of Ireland Mar 15 2021 Politics in the Republic of Ireland is now available in a fully revised sixth edition. Building on the success of the previous five editions, it continues to provide an authoritative introduction to all aspects of the government and politics in the Republic of Ireland. Written by some of the foremost experts on Irish politics, it explains, analyses and interprets the background to Irish government and contemporary political processes. It devotes chapters to every aspect of contemporary Irish government and politics, including the political parties and elections, the constitution, the Taoiseach and the governmental system, women and politics, the role of parliament, and Ireland's place within the European Union. Bringing students up to date with the very latest developments, especially with the upheaval in the Irish party system, Coakley and Gallagher combine substance with a highly readable style, providing an accessible textbook that meets the needs of all those who are interested in

knowing how politics and government operate in Ireland.

The Impact of the Troubles on the Republic of Ireland, 1968-79 Jun 29 2022 This book tells the story of how the war in Northern Ireland threatened to engulf the Republic. It explains how popular opinion responded to the crisis from marching in solidarity with nationalists to increasing disengagement and fear.

Southern Ireland Cruising Companion Oct 02 2022 An authoritative cruising companion to the south and southwest coast of Ireland from the Shannon Estuary to St George's Channel.

Heroes Or Traitors? Jun 17 2021 Covering the period from the Armistice to 1939, the book examines the experiences of Irish soldiers who had fought in the British army in the First World War on returning home to what became the Irish Free State. At the onset of the War, southern Irishmen volunteered in large numbers and marched off accompanied by cheering crowds and the promise of a hero's welcome home. In 1916, while its soldiers fought in the British army, Ireland witnessed an insurrection against British rule, the Easter Rising. Ireland's soldiers returned to a much-changed country, which no longer recognised their motives for fighting and which was at war with the country in whose army they had served. It has long been believed that the returning soldiers were subject to intimidation by the IRA, some killed as a retrospective punishment for their service with the imperial power, and that they formed a marginalised group in Irish society. Using new sources, this enlightening book argues otherwise and examines their successful integration into Irish society in the interwar years and the generous support given to them by the British Government. Far from being British loyalists, many served in the IRA and the Free State army, and became republican supporters.

Meeting the Other Crowd Nov 10 2020 "The Other Crowd," "The Good People," "The Wee Folk," and "Them" are a few of the names given to the fairies by the people of Ireland. Honored for their gifts and feared for their wrath, the fairies remind us to respect the world we live in and the forces we cannot see. In these tales of fairy forts, fairy trees, ancient histories, and modern true-life encounters with The Other Crowd, Eddie Lenihan opens our eyes to this invisible world with the passion and bluntness of a seanchai, a true Irish storyteller.

A Philosophical Survey of the South of Ireland Apr 15 2021

Circle of Deceit Oct 10 2020 From the American southwest to the pampas of Argentina, from the stark beauty of rural New Zealand to the pastures of southern Ireland and Britain, something insidious stalks farm livestock, harvesting specific organs. Some of these cases have involved the sighting of unknown aerial objects. These craft have been observed abducting animals and the unfortunate beasts' carcasses have later been found to have had advanced surgical procedures performed upon them. The core of this book focuses on a farm in Northern Ireland, where many hundreds of sheep have been subjected to the cold and calculated attentions of a technically advanced intelligence, for purposes unknown. These unwanted intrusions have also involved similarly horrific processes being visited upon domestic pets around the world. The authors illustrate that this bone-chilling phenomenon has now appeared in its most sinister manifestation possible: it has emerged from the boundaries of the animal kingdom and materialized in the human realm... The managed, choreographed structure of official denial continues to propagate a Circle of Deceit...

Moon Ireland Feb 23 2022 Moon Travel Guides: Your World Your Way In its people, legends, and landscapes, Ireland is a living, breathing fairy-tale that ignites the imagination in a way few other places can.
