For Tanya May, her trip to Saudi Arabia is supposed to be the perfect getaway from work, stress, and most importantly, men. She can't wait to relax and see the sights, but with best friend Rene unavailable, there's only one person left to show her a good time: unrepentant player James Tazeem. From the moment they meet, she's tempted

by every inch of his towering height. But even with his dark eyes and full lips awakening something she's long ignored, there's no way Tanya is falling for his charms. She came halfway around the world to make time for herself, and she means to keep it that way. Sheikh James Tazeem's first and only foray into love ended in betrayal, and he's never made that mistake again. Since then, he's enjoyed every moment of his playboy reputation. And yet, despite the stream of beautiful women he's welcomed into his palace bed, he's never been with an American. Now that he has sexy, feisty, innocent Tanya staying under his roof, he's determined that she'll be his first. She may be a challenge, but James has made an art form of getting what he wants. And all he wants is Tanya. With undeniable chemistry sizzling between them, Tanya will have to fight harder than ever to resist falling for the handsome Sheikh who can offer nothing more than a fling.. With butterflies fluttering in her stomach, Lucy Banks has arrived in the desert kingdom of Biryal—with a secret! Seeing Sheikh Khaled—the man who once loved and left her—in his sumptuous royal palace, Lucy is blown away by his barbaric magnificence: he's king of the desert and his eyes are blacker and harder than before. He's not the man she once knew. She wants to run away from his overwhelming masculinity, but they're inextricably bound forever...for he is the father of her son. Romance is in the air, so buckle up and prepare for takeoff... The Christmas season is a time for giving, and pilot Maria Walken has a planeload of gifts for refugees in Syria. She's determined to get her cargo delivered in time for the holidays, come hell or high water. When a handsome Sheikh shows up in need of a lift, she can't stand his arrogance and wealth... Or the way he makes her heart race. But when he offers a large donation to her charity, she can hardly refuse. Sheikh Jarik Shadid is desperate to get to Lebanon, to testify in a high profile trial. He needs discrete transportation, and he's more than willing to contribute to Maria's charity in exchange for a seat on her plane. But when a freak snowstorm prevents them from taking off, Jarik's no-nonsense attitude starts to melt. And his attraction to the beautiful, principled pilot grows stronger. Maria always promised herself she'd never fall for a man like Jarik. But as they work together to spread holiday cheer, she's begins to wonder... Is Jarik the Christmas present she's been longing for? Back in the headlines...again! Cool, calm and collected CEO Kimberly Stanton is following hot on the heels of her scandalous sister Olivia. Not only has she revealed her (very sudden!) pregnancy, but she has rocked the

international business world with the shock announcement of her marriage to outrageous Brazilian bad-boy-tycoon Diego Pereira! If rumors of huge blowout arguments, bailout money for Kim's company and dark secrets are already besetting society's most notorious couple, who can say what lies ahead for these two lovers? One thing's for sure—it'll be so much fun watching! The powerful Greek billionaire meets his match in this thrilling secret pregnancy story from USA TODAY bestselling author Caitlin Crews. Their desire cannot be concealed... And neither can her baby bump! Kendra Connolly has never forgotten her first, fleeting encounter with billionaire Balthazar Skalas. When they meet again, she gives in to temptation—completely. It's a decision made in the heat of the moment that has life-changing consequences... Balthazar didn't expand his empire by being weak. The need he feels for Kendra is a liability, and the discovery that she's carrying his heir merely increases her power over him. Can this ruthless Greek be strong enough to let himself love her? From Harlequin Presents: Escape to exotic locations where passion knows no bounds. Read books in the Rich, Ruthless & Greek duet by Caitlin Crews: Book 1: The Secret That Can't Be Hidden Book 2: Her Deal with the Greek Devil The Sheikh's Captive American Sheikh Tarek of Zahkim doesn't believe in superstitions or hunches, so when an old woman tells him an angel will fall from the sky and save him and his tiny kingdom, he ignores such a prophecy—until Tess Angel crashes into his life. Literally. Now he's struggling with an attraction to this very modern woman—but her life is worlds away from his own. There's no chance of a future for them, but in the present moment, he can't keep his hands off her. After her jet crashes, Tess Angel is stuck in Zahkim with a gorgeous sheikh, and she has a hunch they could be soulmates. But this sheikh keeps telling her he's a rational man who doesn't believe in true love, and while his grandmother is scheming to keep Tess in Zahkim, Sheikh Tarek seems willing to let her go on her way. Can she convince him there's more to this world than facts and numbers—and that true love can overcome any obstacles? The Sheikh's Determined Lover Christine Harper has no intention of becoming a Middle Eastern princess. She just wants access to the royal palace to find the research her father needs. He's badly ill, but Christine figures she can find a reason for him to live. That reason just might be solid proof for her father's theories of the 'Lion People', an ancient tribe who first settled Egypt. To find the necessary proof and help her father, she's willing to put her own career second... and

even accept a deal from Sheikh Arif ben Iben. Arif is a man who knows what he wants—and what has been foretold to him in the stars. If he and his cousins marry for love, his country will prosper. And he's fallen for Christine Harper at first sight. The small spitfire is the woman he wants to win, but she turns down his immediate proposal. When she asks for access to the palace archives, he makes her a bargain—she'll have all the access she wants for three months, but he will use that time to convince her to marry him and stay in Zahkim. Now, Arif is out to win the love of his life, but can he pull her from the dusty papers long enough to prove their love is more than a fleeting fancy? The Sheikh's Unexpected Wife Sheikh Nasim Said is going through with his arranged marriage—it will be good for business, and his country Zahkim, even if his cousin Arif says it will be a disaster. But when his veil-shrouded bride faints halfway through the ceremony, he discovers he hasn't married the daughter of a neighboring king, but the luscious Ginni Leeland. His wife is a stranger, but he can't wait to get to know her better—in every way—even if her stunt has threatened Zahkim's relationship with their neighbor. Ginni is full of Southern charm, and she plans to put it to good use in Zahkim, proving to her daddy she's ready to take over the family business by cementing a deal to transport Zahkim's oil. Helping her friend elope by taking her place (temporarily!) in her wedding is the perfect ruse to get her close to Sheikh Nasim. But the marriage wasn't supposed to be legally binding! Now she's married to a sheikh, her daddy's furious, and—worst of all—she's falling in love with her new husband. Now Ginni has to prevent a war, seal the deal with Zahkim, and keep her heart from breaking—all in less than a week. He must protect his country! And she's the only solution. When Sheik Kazan el Sizar tries to hire Josephine “Jo” Scalise, the brilliant computer genius, to protect his government from a malicious computer virus, he isn't expecting the red-hot lust that surges through his veins or the startled vulnerability in her beautiful eyes. Yet Kazan's world view is turned upside down with this gentle woman's entrance to his life. Against all of her best intentions, Jo is swept away by this powerful man's touch. He changes her life and her perceptions in so many ways! Escape to the warmth of this desert romance...and accidental pregnancy! A groundbreaking look at marriage, one of the most basic and universal of all human institutions, which reveals the emotional, physical, economic, and sexual benefits that marriage brings to individuals and society as a whole. The Case for Marriage is a critically important intervention in the national debate about the future of family. Based on the authoritative research of family sociologist Linda J. Waite, journalist Maggie Gallagher, and a number of other scholars, this book's findings dramatically contradict the anti-marriage myths that have become the common sense of most Americans. Today a broad consensus holds that marriage is a bad deal for women, that divorce is better for children when parents are unhappy, and that marriage is essentially a private

choice, not a public institution. Waite and Gallagher flatly contradict these assumptions, arguing instead that by a broad range of indices, marriage is actually better for you than being single or divorced—physically, materially, and spiritually. They contend that married people live longer, have better health, earn more money, accumulate more wealth, feel more fulfillment in their lives, enjoy more satisfying sexual relationships, and have happier and more successful children than those who remain single, cohabit, or get divorced. *The Case for Marriage* combines clearheaded analysis, penetrating cultural criticism, and practical advice for strengthening the institution of marriage, and provides clear, essential guidelines for reestablishing marriage as the foundation for a healthy and happy society. “A compelling defense of a sacred union. *The Case for Marriage* is well written and well argued, empirically rigorous and learned, practical and commonsensical.” -- William J. Bennett, author of *The Book of Virtues* “Makes the absolutely critical point that marriage has been misrepresented and misunderstood.” -- *The Wall Street Journal* [www.broadwaybooks.com](http://www.broadwaybooks.com) From temporary fling... ..to baby bump!
