Early one morning, for no earthly reason, Sara Miles, raised an atheist, wandered into a church, received communion, and found herself transformed—embracing a faith she'd once scorned. A lesbian left-wing journalist who'd covered revolutions around the world, Miles didn't discover a religion that was about angels or good behavior or piety; her faith centered on real hunger, real food, and real bodies. Before long, she turned the bread she ate at communion into tons of groceries, piled on the church's altar to be given away. Within a few years, she and the people she served had started nearly a dozen food pantries in the poorest parts of their city. Take This Bread is rich with real-life Dickensian characters—church ladies, millionaires, schizophrenics, bishops, and thieves—all blown into Miles's life by the relentless force of her newfound calling. Here, in this achingly beautiful, passionate book, is the living communion of Christ. "The most amazing book." —Anne Lamott "Engaging, funny, and highly entertaining . . . Miles comments, often with great insight, on the ugliness that many people associate with a particular brand of Christianity. Why would any thinking person become a Christian? is one of the questions she addresses, and her answer is also compelling reading." —Booklist "Powerful . . . This book is a gem [and] will remain with you forever." —The Decatur Daily "What Miles learns about faith, about herself and about the gift of giving and receiving graciously are wonderful gifts for the reader." —National Public Radio "[A] joyful memoir . . . advocates big-tent Christianity in the truest sense . . . a story of finding sustenance and passing it on." —National Catholic Reporter "Rigorously honest, Take This Bread demonstrates how hard—and how necessary—it is to welcome everyone to the table, without exception." —San Francisco Chronicle "Moving, delightful and significant." —The Christian Century Don't miss the reading group guide in the back of the book. The Reader's Guide to British History is the essential source to secondary material on British history. This resource contains over 1,000 A-Z entries on the history of Britain, from ancient and Roman Britain to the present day. Each entry lists 6-12 of the best-known books on the subject, then discusses those works in an essay of 800 to 1,000 words prepared by an expert in the field. The essays provide advice on the range and depth of coverage as well as the emphasis and point of view espoused in each publication. A standard reference work in American literature, this volume is the most complete and detailed guide to the novels of William Faulkner. Edmond L. Volpe's aim is to reveal the greatness of Faulkner's art and the scope and profundity of his personal vision of life. He describes the dominant patterns in the fiction by isolating Faulkner's major themes and by analyzing his narrative techniques and style. He then offers extensive, individual interpretations of the nineteen novels, tracing the development of Faulkner's ideas, and includes a set of genealogical tables for each major family in the novels. Both scholarly and accessible, this unique treatment of Faulkner's novels—from Soldiers' Pay to The Reivers—helps the reader come to a thorough understanding of a great American writer. A leading Calvin scholar provides an annotated guide to the reading of Calvin's Institutes, selecting passages critical to understanding Calvin's theology. Shakespeare: A Playgoer's & Reader's Guide is your essential companion to all Shakespeare's extant works (as well as those known to be lost). Two of our most eminent Shakespeare scholars guide us through his sonnets, his poems, and his plays, providing the reader with detailed scene-by-scene plot synopses, cast lists, notes on the texts and sources, discussions of artistic features, and accounts of significant productions on stage and screen. Derived from the acclaimed Oxford Companion to Shakespeare, and fully updated to reflect the latest scholarship and most recent notable productions, it is the ideal compact guide for students and theatre-goers needing a helpful plot summary, or readers wishing to browse on fascinating background information. The Reader's Guide to the History of Science looks at the literature of science in some 550 entries on individuals (Einstein), institutions and disciplines (Mathematics), general themes (Romantic Science) and central concepts (Paradigm and Fact). The history of science is construed widely to include the history of medicine and technology as is reflected in the range of disciplines from which the international team of 200 contributors are drawn. First Published in 1998. Routledge is an imprint of Taylor & Francis, an informa company. This IBM® Redbooks® publication provides both introductory information and technical details for ISV IBM Z® Program Development Tool (IBM zPDT®), which produces a small IBM zSystems environment that is suitable for application development. ISV zPDT is a personal computer (PC) Linux application. When ISV zPDT is installed on Linux, normal IBM zSystems operating systems (such as IBM z/OS®) may be run on it. ISV zPDT provides the basic IBM zSystems architecture and provides emulated IBM 3390 disk drives, 3270 interfaces, Open Systems Adapter (OSA) interfaces, and other items. The systems that are described in this publication are complex, with elements of Linux (for the underlying PC machine), IBM z/Architecture® (for the core zPDT elements), IBM zSystems I/O functions (for emulated I/O devices), z/OS (the most common IBM zSystems operating system), and various applications and subsystems under z/OS. We assume that the reader is familiar with general concepts and terminology of IBM zSystems hardware and software elements, and with basic PC Linux characteristics. This publication provides the primary documentation for ISV zPDT and corresponds to zPDT V1 R11, commonly known as GA11. This title explains how to acquire images, how to use them effectively on LANs, their effect upon Web page retrieval, and how to segment LANs and perform other network modifications to counter the bandwidth effect of images upon LAN transmission. A Sure Guide to Heaven is a thorough and compelling argument for the necessity of conversion. In it the author presents the nature of true conversion and common mistakes about conversion, so the reader can be assured he is not deceived into believing he is converted when in reality he is not (Matthew 7:13–14). Alleine outlines the marks of an unconverted soul, so the reader may make an accurate self-inventory (2 Corinthians 13:5–6). He forewarns the fence-sitter of the miseries of the unconverted state, both in this life and hereafter, and gives motives for conversion. The book concludes with "directions to the unconverted" so that the reader may take hold of the saving faith Christ offers. This Digital Puritan reprint, based on the Banner of Truth edition, includes the biographical preface of Iain Murray. Over four hundred Scripture references (in the English Standard Version®) are hyperlinked and embedded into the book. No internet connection is required. Praised for its practical strategies, real-world emphasis, and focus on critical thinking, this successful 4-in-1 text (rhetoric, reading, research guide, and handbook) prepares students for writing in college and in the workplace. THE SUNDANCE WRITER, FIFTH EDITION, provides students with essential skills needed for writing in college and beyond, including critical thinking and reading, as well as writing for academic and workplace audiences. The fifth edition features an important restructuring of content that allows students to proceed more quickly to writing projects and to incorporating research into their writing. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version. The Reader's Guide to Lesbian and Gay Studies surveys the field in some 470 entries on individuals (Adrienne Rich); arts and cultural studies (Dance); ethics, religion, and philosophical issues (Monastic Traditions); historical figures, periods, and ideas (Germany between the World Wars); language, literature, and communication (British Drama); law and politics (Child Custody); medicine and biological sciences (Health and Illness); and psychology, social sciences, and education (Kinsey Report). This is a new guide to reading the Confessions, Augustine's most important work, and what is widely known as the first Western Christian autobiography ever written. The Confessions consists of thirteen books, in which Augustine outlines his sinful youth and his conversion to Christianity. Barry David guides the reader swiftly

through these complex texts, explaining the historical context, as well as the various philosophical concepts; and considers its spiritual, ecclesial and theological significance. As with other titles in the Reading Augustine series, this book presents concise introductory reading of Augustine's work from one of the leading scholars in the field. V. 49--Epic and saga. Do you have hundreds of e-books but can never find the one you want? Would you like to convert an e-book to work on a different device? Are you itching to organize your e-books but are not quite sure how? Then this guide is for you! This is the complete illustrated guide to setting up and using Calibre for organising your e-books, paperbacks and other media.. Packed full of tips and information, this guide will help you to: \*Learn how Calibre can be useful to you \*Set-up Calibre \*Catalog ebooks, i.e. add books, edit book information \*Send e-books to your Kindle or other devices \*Find free e-books \*Browse and search your e-book collections \*Convert e-books \*Edit e-books \*Discover, download and send news sources to your devices \*And much more... This is a comprehensive, step-by-step guide that will show you how to navigate the sometimes confusing set of features in Calibre with an introduction to finding free e-books. What is metadata? When do you need to archive digital content? How does electronic publication affect copyrights? How can XML and PDF improve your workflow and your publications? There is a digital dimension to virtually all publishing today. Beyond the obvious electronic media--the music and movies we take for granted, the increasingly indispensable Web, the eBooks that most of us will take for granted in a few years--almost everything we read, even on paper, was produced digitally. This new digital world offers a steadily increasing number of choices. It is this rich and rapidly changing publishing environment for which The Columbia Guide to Digital Publishing was created. Although there is a vast amount of information on a host of topics relevant to digital production and publishing available--some in print, more on the Web--there has been, until now, no single resource to which those involved in any dimension of publishing could turn for guidance. The Columbia Guide to Digital Publishing fills that need. The Guide is definitive: written by experts in the broad array of subjects it covers, it provides reliable, authoritative, user-friendly information about a vast number of topics. Designed to be the first place to go to learn about any of the numerous interrelated issues that define the digital publishing landscape, it offers readers a multilevel approach, from a brief glossary definition of a technical term or acronym (sometimes all a user needs), to a concise discussion of a topic (comprehensible to the lay person, yet useful for the technical expert). It puts a subject in the context of other topics and broader issues, with real-world examples, liberal cross-references, and pointers to sources of further information in print or electronic form. These Leveled Comprehension Passages are the perfect way to follow-up learning after a whole group reading lesson. Use them in a variety of ways year after year! From the author of Let's Get Digital and Amazon Decoded, this book will change how you think about marketing. Strangers to Superfans puts you in the shoes of your Ideal Readers, and forces you to view your marketing from their perspective. \*Learn the five stages in the Reader Journey. \*Identify where your blockages are and how to fix them. \*Optimize each stage to increase conversion. \*Boost sales by making the process more frictionless. \*Build an army of passionate readers who do the selling for you. It's not enough to know who your Ideal Readers are, you also need to imagine how they feel when a recommendation email arrives containing your cover. You must figure out why they hesitated before clicking the Buy button. And it's crucial to determine why they liked your book enough to finish it... but not sufficiently to recommend it to their friends. The Reader Journey is a new marketing paradigm that maps out the journey your Ideal Readers take in their transformation from strangers to superfans. The Lyotard Reader and Guide is a one-stop companion to Lyotard's thought. It covers the full range of his works, from his three main books ( Discours, figure; Libidinal Economy; and The Differend) and up to his influential essays in The Inhuman and Postmodern Fables. The readings are organized into sections on philosophy, politics, art, and literature. Several have never before been translated into English. Detailed introductions to each section by two leading Lyotard scholars explain the philosopher's key ideas and provide crucial social, political, aesthetic, and philosophical context. As a sourcebook and guide, this is the most up-to-date and comprehensive volume on Lyotard. It is indispensable to students and scholars in philosophy, literature, the arts, and politics. This book surveys and discusses the entire body of Salinger's work and presents extensive bibliographical information. An author subject index to selected general interest periodicals of reference value in libraries. Want to wake up to a breathtaking new view every morning? Have you been dreaming about owning a vehicle to fuel your adventures? Building a campervan gives you total freedom to create your very own rolling home. Escape the daily grind, hit the open road and re-write the way you live. The Van Conversion Bible is the ultimate guide to planning, designing and converting a campervan. It's more than just the story of how we built our own van Ringo, it will help you build a van bespoke to your needs. It provides definitive answers to your questions (even the ones you haven't thought of yet!) to ensure you save time and avoid expensive mistakes. From detailed gas, water and electrical system diagrams to a step-by-step build guide, you'll find everything you need to start your journey inside. Whatever your skills and budget, you can learn how to build your dream campervan. Your very own home on wheels awaits... Memoirs, autobiographies, and diaries represent the most personal and most intimate of genres, as well as one of the most abundant and popular. Gain new understanding and better serve your readers with this detailed genre guide to nearly 700 titles that also includes notes on more than 2,800 read-alike and other related titles. • A list of subjects and suggested "read-alikes" accompany each title • Appendixes cover awards, websites, and resources • Detailed indexes provide further points of access "A revised and expanded, comprehensive guide to the novels of Native American author Louise Erdrich from Love Medicine to The Painted Drum. Includes chronologies, genealogical charts, complete dictionary of characters, map and geographical details about settings, and a glossary of all the Ojibwe words and phrases used in the novels"--Provided by publisher. George Williamson treats his subject with great precision. Documenting his analyses with ample quotes from the poems and essays, he elucidates the structure and meaning of Eliot's masterpieces. To make this guide more accessible, the poems are arranged in chronological order, as they appeared in The Complete Poems and Plays. A comprehensive approach to analyzing and understanding the social, demographic, and fiscal effects on condominium conversion on communities, this book suggests how a community can address the policy issues and social conflicts that result from large-scale conversion. Narrowing the focus of his Soundings in St. Augustine's Imagination (1994) O'Connell (philosophy, Fordham U.) analyzes three decisive conversions portrayed in the Confessions: the youthful reading of Cicero, that sparked by the platonist books, and the final capitulation in the Milanese garden. He also compares the conversion imagery with that in the Dialogues of Cassiciacum to shed light on the question of two Augustines. Annotation copyrighted by Book News, Inc., Portland, OR Crime and Punishment: A Reader's Guide focuses on narrative strategy, psychology, and ideology. Martinsen demonstrates how Dostoevsky first plunges the reader into Raskolnikov's fevered brain, creating sympathy for him, and she explains why most readers root for him to get away from the scene of the crime. Dostoevsky subsequently provides outsider perspectives on Raskolnikov's thinking, effecting a conversion in reader sympathy. By examining the multiple justifications for murder Raskolnikov gives as he confesses to Sonya, Dostoevsky debunks rationality-based theories. Finally, the question of why Raskolnikov and others, including the reader, focus on the murder of the pawnbroker and forget the unintended murder of Lizaveta reveals a narrative strategy based on shame and guilt.
