In this comprehensive guide,

best-selling author and crystal expert Philip Permutt reveals the amazing ability of crystals to heal and energise, with details of over 400 crystals and how they can help a huge range of common ailments and enhance every part of your life. With crystal remedies for more than 250 common ailments and a directory of over 400 crystals, as well as detailed explanations of the most effective healing methods, this book is the ultimate guide to healing with crystals. By drawing on the unique qualities of crystals, you can balance the energy fields around your body and home to bring wellbeing and gain health benefits. Crystals can help soothe emotional problems such as anxiety, mood swings and shyness, as well as physical symptoms such as migraines and allergies. Illustrated with colour photographs, and supplemented with exercises to try, The Modern Guide to Crystal Healing is the ultimate practical reference from a highly respected healer and teacher. An illustrated guide to the essential rules for enjoying coffee both at home and in cafes, including tips on storing and serving coffee, coffee growing, roasting and brewing, plus facts, lore, and popular culture from around the globe. This introduction to all things

coffee written by the founders and editors of Sprudge, the premier website for coffee content, features a series of digestible rules accompanied by whimsical illustrations. Divided into three sections (At Home, At the Cafe, and Around the World), The New Rules of Coffee covers the basics of brewing and storage, cafe etiquette and tips for enjoying your visit, as well as essential information about coffee production (What is washed coffee?), coffee myths (Darker is not stronger!), and broadcasts from a new international coffee culture. This insightful Modern Guide offers a broad coverage of questions and controversies encountered by contemporary economists. A refreshing approach to philosophy of economics, chapters comprise a range of methodological and theoretical perspectives, from lab and field experiments to macroeconomics and applied policy work, written using a familiar, accessible language for economists. From choosing and using to programming, charging and cleansing, Crystals is a modern guide to enhancing your life with these enchanting stones. Often referred to as 'wisdom keepers', crystals hold millions of years of the Earth's history within them. Through emitting

steady vibrations, they will help you to become more centered and balanced, creating spaces of Zen around you and your home. Featuring 60 of the most common and interesting crystals, this is a practical guide that will teach you about each stone's individual properties and how to harness their powers. Discover which crystals are right for you, where best to position them, the perfect pairings and learn how to look after your crystals on a daily basis to deflect any negativity in your life. Whether you use Fluorite to increase your productivity, Smoky Quartz to detoxify or Rose Quartz to create harmony in your relationships, this practical guide will equip you with all you need to harness the power of your crystals. Disconnect with the digital world and reconnect with your spiritual self as Crystals provides a fresh take on crystal healing that helps you to enhance your inner positivity. Nurture is a thoughtful and helpful gift for expecting mothers and their partners. Erica Chidi is co-founder and CEO of Loom in Los Angeles, CA. She began her work in San Francisco, volunteering as a doula within the prison system, working with pregnant inmates. She went on to build a successful doula and health education practice in Los Angeles and has been featured in Women's Health, Vogue, Goop, The Cut and Marie Claire. A modern guide to food, drink, work, rest and play from the cult London coffee brand. Based on a

decade of eating and drinking in London, A Modern Guide to City Living offers the Grind guide to almost everything. Whether you're looking for how to make a flat white at home, how to politely bail on a date, or just find flatmates that don't suck, Grind present their sometimes questionable (always entertaining) advice on living in the city today. Throughout, you'll find recipes and stories from ten years of Grind in London chronicling everything from the rich world history of coffee, to how to make killer avocado toast for brunch and even the secret to their infamous Espresso Martini - regularly name-checked as the very best in London. @grind / grind.co.uk In A Modern Guide to Knifemaking, survivalist Laura Zerra, one of the stars of Naked and Afraid on the Discovery Channel, shares her essential knifemaking tips and tricks, including step-by-step instructions for both forging and stock removal. We all use a knife pretty much every day, but for Zerra, her daily life often depends on the blade she takes with her into the wild. She's learned about what works and what doesn't, what steel will hold an edge, and what nuances in blade design will make or break a knife. From design to sharpening, A Modern Guide to Knifemaking covers every step in the knifemaking process. To begin, you will consider what you want your knife to accomplish, develop a design, and make a prototype. Zerra takes you through choosing and buying steel for your knife and then

teaches you to build your own forge. You will learn forging basics and then move on to forge the shape of your knife and make the blade tip. From there, you will cut the blade profile, grind in bevels to make the edge of the knife, heat treat and temper your blade, grind and polish it, and make a handle and sheath for it. You will also learn sharpening techniques to maintain the edge of your new knife. Throughout, Zerra has included Pro-Tips from some of the leading knifemakers working today including Ken Onion, Kaila Cumings, and Mike Jones. *A Modern Guide to Knifemaking* covers every detail of knifemaking so you can make yourself the perfect knife. A fresh introduction to astrology that will provide a contemporary perspective on this age-old practice. Where have we been? Where are we going? There is no greater roadmap than the stars for helping us to recognize habitual patterns, discovering our gifts, and figuring out how to move toward greater joy and contentment. *A Modern Guide to Astrology* provides readers with a fresh perspective on the fundamentals of astrology and how to read their own birth charts. With accessible depictions of the astrological signs and symbols, this guide opens up the rich world of astrology as a tool to deepen self-awareness and lead a more fulfilling life. The book highlights the basic concepts of astrology that provide entryways into an understanding of the factors that shape our lives in

fundamental ways. This book weaves together the whole tapestry, showing readers that reading and understanding astrology charts is within reach. This insightful *Modern Guide* explores heterodox approaches to modern wellbeing research, with a specific focus on how wellbeing is understood and practised, exploring policies and actions which are taken to shape wellbeing. It evaluates contemporary trends in wellbeing research, including the sometimes competing definitions, methods and approaches offered by different disciplinary perspectives. A field guide to the new world of wine, featuring an overview of today's most exciting regions and easy-to-use advice on properly tasting wine, discovering under-the-radar gems, and finding the perfect bottle for any occasion. Highlighting wines from old world regions such as France, Italy, Spain, and Germany to new world wines from the United States, Australia, New Zealand, Chile, and more, *The Essential Wine Book* tells you what to drink and why. Beginning with foundational information about how wine is made, how to taste it, and how to understand terroir, wine expert and journalist Zachary Sussman then gives an overview of the most important and interesting wine regions today—both established and still emerging. For instance, the great French wines of Burgundy and Champagne are already well known, but for affordable bottles you can easily find at your local wine

shop, Sussman profiles up-and-coming producers in other regions, including the Jura, Languedoc-Roussillon, and more. In a similar vein, California's Napa Valley has for decades been the source of America's most prestigious wines, but here you'll learn about other areas of the state that are gaining recognition, from Lodi to the Santa Rita Hills. You'll find user-friendly "just the highlights" notes for each region, as well as recommendations for producers and particular bottles to seek out. Diving deep into what makes each region essential and unique, this comprehensive guide gives new wine drinkers and enthusiasts alike an inside track on modern wine culture. A quirky, timely, and disturbingly beautiful how-to taxidermy guide, emphasizing ethical sourcing and personal expression Whether inspiration came from an exhibition at an edgy art gallery, a visit to the Natural History Museum, or the sight of your crazy uncle's jackalope, more and more people are opening up to the fun and wonder of taxidermy. A mix of art, science, and a touch of alchemy, taxidermy lets you engage with the natural world in ways most other people don't. In *Stuffed Animals*, Divya Anantharaman and Katie Innamorato demystify the practice, shatter the gross stereotypes, and make taxidermy accessible to anyone, anywhere. Committed to ethical and sustainable sourcing, Anantharaman and Innamorato are part of the vanguard of young taxidermists

who bring a sense of fun and experimentation to this old-school hobby. In their sold-out classes in Brooklyn, they teach hundreds of taxidermy novices how to create mantle-worthy pieces out of small birds and mammals. Both a helpful how-to manual and a strangely captivating gift book, *Stuffed Animals* is the definitive guide to a growing movement. A collection of forty creative designs for easy and colorful crochet blocks. Not your usual granny squares! Celine Semaan has designed more than contemporary and colorful 6" x 6" blocks to get your creativity flowing. Blocks are the best way to try out new stitches and color combinations, and they can then be used to make four projects, including a blanket, pillow, and wall hanging. There is a basic overview on color theory, more than forty granny square patterns, each with: written instructions, chart, and detailed photos, showing stitch detail. A colorful and contemporary collection of stitches, crochet techniques, and projects for creating rich and appealing texture in your work. Crocheters looking for more texture, depth, and contemporary design will delight in this colorful new guide. Aimed at the experienced beginner to intermediate level crocheters with some extra ideas aimed at more advanced makers, the book covers a variety of textured crochet techniques--from the straightforward to the more complex and unusual --along with beautiful projects designed to showcase them. Get ready to explore the

beautiful textures that can be achieved with crochet--Bobbles, Poppers, Clusters, Puffs and more. Each chapter guides you through a new stitch or stitch progression with photos, detailed instructions and diagrams to ensure you can follow along easily. In addition to simple, on-trend projects perfect for gifting or use in your home or wardrobe, you'll find useful tips for saving time and troubleshooting, and additional ideas to explore. Providing an insightful analysis of the key issues and significant trends relating to labour within the platform economy, this *Modern Guide* considers the existing comparative evidence covering all world regions. It also provides an in-depth look at digital labour platforms in their historical, economic and geographical contexts. Tune into your astrological personality, then try over 50 astrological fixes to help you live your best life with *The Astrology Fix*. This timely *Modern Guide* offers critical insights into developments in both professional and recreational sports through the lens of the economic forces that determine them. It explores the benefits of the relationship between sports and economics, highlighting ways that economic research can help to understand sports better and the ways that sport provides opportunities to test economic theories. With both theoretical and empirical chapters, the book looks at the development of European sports economics over the last 20 years, the relationship

between competitive balance and attendance, and the potential economic impact of sports events. Chapters further examine specific issues in sports from an economic perspective, including labour market restrictions on professional leagues, refereeing, team dynamics, the importance of good players versus good results and the sports analytics revolution due to big data. The use of state-of-the-art empirical methods makes this *Modern Guide* a crucial read for economists and sports science researchers looking to better understand both the relationship between the two fields and their own area of research. Sports policymakers will also appreciate the in-depth discussion on a range of different recreational and professional sports. The ultimate guide to witchcraft for every woman craving a connection to something bigger, using the tools of tarot, astrology, and crystals to discover her best self. In these uncertain times, witchcraft, astrology, tarot, crystals, and similar practices are seeing a massive resurgence, especially among young women, as part of their self-care and mindfulness routines. Gabriela helps readers take back their power while connecting to something larger than themselves. She covers: \* Witchcraft as a feminist call to action \* Fashion magick \* Spells for self-love \* Cleansing your space \* Holidays of the witch \* How to create a spellbook / grimoire \* Witchcraft as self-care Whether

the reader is looking to connect with her green thumb, banish negative energies, balance her chakras, energetically fight the patriarchy, or revitalize her sense of self, Inner Witch has something to offer. After all, empowered women run the world--and the ones who do are usually witches. A Modern Guide to Public Policy explores the many approaches and methodologies in the study of policy making that have appeared over recent decades, ranging from the examination of micro level of human behaviour to the impact of global political systems on policies and policy-making. This expertly curated and accessible Elgar Modern Guide is a valuable resource for both graduate and undergraduate students and for practitioners seeking an introduction to public policy and public management and a concise guide to research in the discipline. This well-documented book will prove to be the essential guide for researchers and graduate students in macroeconomics and political economy. It will also prove inspiring to a wider audience interested in modern Keynesian macroeconomics. Sound investment decisions require an in-depth knowledge of the financial markets and available financial instruments. This book provides students and professionals with an understanding of the role and activities of an equity security analyst within the investment process. Emphasis is on understanding the process of analyzing companies; the valuation process; and the

challenges of achieving success in a highly competitive capital market. The authors present a comprehensive compendium on the financial theory, the empirical evidence and the mathematical tools that form the underlying principles of investment decisions. A modern guide to the four temperaments, re-written, updated and expanded from the original 2002 edition. Become self-reliant, live off the land, and be prepared for the unexpected in this modern guide to self-sufficiency and homesteading from New York Times bestselling author,

retired Navy SEAL, and survival skills expert Clint Emerson. "Add The Rugged Life by former Navy SEAL Clint Emerson to your library today and get on the path to independence and self-sufficiency."—Jack Carr, Navy SEAL Sniper and #1 New York Times bestselling author of The Devil's Hand Clint Emerson is the go-to expert for surviving the first minutes, hours, and days of a crisis. Now, in The Rugged Life, he works with modern homesteading experts to show you how to thrive over the long-term—for months, years, or even a lifetime—by being prepared and self-sufficient. You can live the Rugged Life completely off-the-grid by farming your own food and using the waste from your toilet for compost. Or, you can live it by adding solar panels to your suburban home and keeping chickens and bees in your backyard. You can even live the Rugged Life in a city by simply gathering the salad for tonight's dinner from your windowsill garden. Each of these homesteading and prepper long-term survival skills stand on their own, and taken together, they can help you design the independent life you want for yourself and your family. • Be your own homesteader: Make your own shampoo and face creams; pickle and ferment food; make natural bug spray and cleaning products; smoke meat; tan a hide • Be your own protector: Create a last-resort emergency plan; gather medicinal plants; protect against dangerous animals and threats; understand survival first aid •

Be your own provider: Hunt for game; make a gillnet; set snares; forage for wild foods; build a rabbit hutch; ice fish; butcher a pig; keep bees • Be your own builder: Retrofit a van; set up solar, microhydro, and geothermal power; create a water catchment and filtration system; build a shipping container home • Be your own farmer: Grow a victory garden; build a greenhouse; waffle garden to save space and resources; build a root cellar; can, dry, and store crops; operate a tractor

With hundreds of step-by-step, illustrated, self-sustaining skills and projects, *The Rugged Life* is for everyone who feels they can use more adventure, freedom, and choice in their life—everyone ready to get out of their comfort zone and try new, hard, profoundly rewarding things. Twelve essays by noted book collectors, curators, and scholar cover auctions, dealers, descriptive bibliographies, forgeries, the organization of a collection, and the care of books and manuscripts. "Sake is hot, hot, hot (though the best are actually served cold). It's the hippest sip at the cocktail hour and, as the sommeliers will tell you, can be a delicious accompaniment to food. This fun and informative guide demystifies an age-old wine and explains the many types of sake and how to properly taste their complex flavors. Beau Timken's foolproof TasteMatch system profiles 50 suggested sakes and provides their beer and wine flavor equivalents, creating a simple-yet-effective resource for finding a perfect

match. Plus, recipes for 30 sake cocktails and 15 sake-friendly dishes make sake appropriate for any occasion (try a refreshing glass of Sake Sangria, or surprise guests by pairing sake with Fettuccine with Shiitake Mushrooms and Pancetta). There's even a section on planning and hosting a sake-tasting party to share your newfound sake expertise. A contemporary look at a traditional drink, *Sake* captures 1,000 years of culture and updates it for the modern lifestyle. Kanpai!" -- Publisher description. From knitting expert Brandi Harper, a must-have pattern book for modern knitters, with essays on self-care and sourcing creativity. There is no such thing as being kind-of a knitter—the wobbly scarves and that oversized sweater you tried to shrink all count too. Each contribution that you make to the world through knitting is meaningful, but maybe you've slowed your commitment to this craft, or you can't seem to find the time to be creative. There's a lot to be distracted by, and the path forward isn't always clear. Brandi Harper aims to bring those challenges to the forefront and help you unearth the immense benefits that knitting has to offer. In her debut book, *Knitting for Radical Self-Care*, Harper offers tips and suggestions for carving out time for creativity, alongside beautiful patterns to try yourself. The book includes ten original patterns inspired by revolutionary women of color, and Harper will speak to these women and their immense impact on her life and

our world. The patterns include detailed instructions, alongside her original prose, all designed to inspire. *Create Your Best Self and Live Your Purpose* Transform your life with Barbara Moore's complete guide to working with energy. Usable by anyone, regardless of spiritual path, this friendly and down-to-earth book shows how to make a personalized toolkit of techniques for any circumstance, from clearing long-standing blocks to cultivating the energy you want. *Modern Guide to Energy Clearing* helps you develop a practice that works for you and the life you're living right now. You'll first learn to clear inappropriate energy and maintain healthy energy within yourself. Then you'll expand that energetic wellness into your home, your workplace, and other shared or public spaces. Explore numerous techniques, including personal clearing, cording, shielding, clearing clutter, setting intentions, and addressing the elements. Build good energetic habits using a variety of tools, including sage, incense, runes, candles, wind chimes, crystals, drums, and blessings. This inspiring book offers guidance on bringing peace and abundance not just to your life, but also to the world. Praise: "*Modern Guide to Energy Clearing* is a book designed so you will actually work with it, returning many times over to deepen your understanding and broaden your clearing practices."—*New Spirit Journal* Discover the Power of the Grimoire! A grimoire records your personal journey through

the world of magick. It's where you record your favorite spells, chronicle your magical developments, and keep your most treasured secrets. And now, Skye Alexander, spellcraft expert and author of *The Modern Guide to Witchcraft*, teaches you how to create your own. First, you'll learn the importance and history of the witch's grimoire. Then, you'll go step by step through the process of putting together your very own book. From selecting spells to blessing your grimoire, you will be able to personalize your book of shadows and tailor it to your specific powers. With your own grimoire in hand, you'll be ready to continue your journey in learning the craft. There is no other wine that is as versatile, as utterly unique in its range and production methods—and, unfortunately, as misunderstood—as sherry. For centuries, sherry was considered one of the world's great wines, spoken about in the same reverential terms as the finest Bordeaux and Burgundies. But in the last few decades, sherry lost its way—and cheap, cloyingly sweet blends sullied the reputation of what remains one of Spain's oldest and greatest winemaking traditions. Thankfully, sherry is in the midst of a renaissance. Beloved of sommeliers and bartenders in the craft cocktail community, today sherry is being re-discovered and re-appreciated as an incredible table wine and essential component of many classic cocktails. Sherry is essential reading for wine or spirits professionals looking to

incorporate this complex wine into their menu, and for adventurous drink enthusiasts who are on the hunt for something unexpected. With a comprehensive yet accessible overview of the different styles of sherry, how they are made, and the people and places that produce it, *Sherry* demystifies what can be a confusing (and seemingly contradictory) wine. A thorough buyer's guide lists top producers and profiles the very best bodegas and wines. And a whole chapter on sherry-based cocktails illuminates a completely different side of sherry, featuring classic recipes like the Tuxedo and Sherry Cobbler, as well as modern creations from the country's top bartenders (Jim Meehan's East India Negroni, Derek Brown's Kojo Cocktail). More than a dozen recipes for tapas and other delicious foods—best eaten alongside a glass of sherry, of course—round out this wonderfully eclectic, engaging, and inspiring collection. “A smart, approachable guide packed with practical advice for parents who want a science-backed, individualized approach to pregnancy.” —Linda Avey, Co-founder of 23andMe 2020 National Parenting Award Winner Feeling overwhelmed? Confused by conflicting advice? *Bumpin'* will radically transform your pregnancy journey to one of confidence and optimism. With over a decade of experience advising women's healthcare and technology companies, Leslie Schrock distills cutting-edge research into your most

comprehensive pregnancy guide—from conception through the newborn months. Inside *Bumpin'* you'll find: -A trimester-by-trimester overview from trimester zero (conception) through the postpartum period and return to work -The truth about age and fertility and how to manage any issues that arise - Research on topics like vaccinations, breastfeeding, and exercise -The science behind your physical changes, leaks, sweats, and every other unexpected pregnancy symptom - and how to manage them to enhance your long term health -Birth preferences and preparing for unpredictable changes -The challenges of navigating parental leave and returning to work -Unique advice for partners -Budgeting, finance tips, baby registry, and hospital checklists Every pregnancy is unique and often unpredictable. For Leslie, this

meant handling curveballs like miscarriage and later a birth that didn't go according to plan. She turned her personal journey into this book, written while she was pregnant, with the help of a wide network of experts she consulted along the way, including doulas, ob-gyns, midwives, therapists, prenatal trainers, and nutritionists. Warm, funny, and non-judgmental, *Bumpin'* will leave you feeling prepared and ready to tackle anything that comes your way. A portion of proceeds will be donated to Every Mother Counts and National Birth Equity Collaborative to support maternal and child health. An accessible yet in-depth guide to this increasingly popular pre-Christian religious tradition of Northern Europe Heathenry, is one of the fastest growing polytheistic religious movements in the United States today. This book explores the cosmology, values, ethics, and rituals practiced by modern heathens. In *A Modern Guide to Heathenry* readers will have the opportunity to explore the sacred stories of the various heathen gods like Odin, Frigga, Freya, and Thor and will be granted a look into the devotional practices of modern votaries. Blóts, the most common devotional rites, are examined in rich detail with examples given for personal use. Additionally, readers are introduced to the concept of *wyrd*, or fate, so integral to the heathen worldview. Unlike many books on heathenry, this one is not denomination-specific, nor does it seek to overwhelm the reader with

unfamiliar Anglo-Saxon or Norse terminology. For Pagans who wish to learn more about the Norse deities or those who are new to heathenry or who are simply interested in learning about this unique religion, *A Modern Guide to Heathenry* is the perfect introduction. Those who wish to deepen their own devotional practice will find this book helpful in their own work as well. Sensuous, glamorous, flattering, alluring: a gorgeously presented book that explores corsets past and present. Provides information on creating a sacred space, promoting good energy, and creating incantations, potions, and charms. *Hand Dyed* is a modern introduction to indigo and fiber-reactive dye that every crafter should have. Exploring traditional techniques like shibori and offering a fresh take on tie-dye, this comprehensive how-to guide provides everything you need to know to create more than twenty-five masterpieces for the home and wardrobe that you will want to wear, live with, and, most important, make by hand. p.p1 {margin: 0.0px 0.0px 0.0px 0.0px; font: 10.0px Arial} *A Modern Guide to State Intervention* investigates the impact of the changing role of the state, offering an alternative political economy for the third decade of the twenty-first century. Building on important factors including history, the role of institutions, society and economic structures, this *Modern Guide* considers economic and administrative interventions towards changing

the destabilized status quo of modern societies. Fill your life with grace and joy using one of humanity's oldest forms of magic, meditation, and communion with spirit—mudras. Popular author Alexandra Chauran reveals that all the power you need is right in your hands. Featuring a wealth of illustrations, this book is perfect for anyone who wants to add color and beauty to everyday life. *Modern Guide to Mudras* teaches you how to use hand gestures for worship, meditation, spellcasting, sacred movement, and ritual storytelling. These gestures bring new, positive meaning to your life and help you shut down negativity at home, work, and everywhere in between. With clear examples, simple exercises, and gentle guidance, this comprehensive book helps you heal and improve the lives of both you and your loved ones. An all-occasion eating & drinking guide to entertaining in the big city and beyond.
