"I think there is a similarity between the infinite big and the infinite smallness of everything," says Yann Tiersen.

"It's the same experiment looking through a microscope as it is a telescope." Named after a chapel in a small village on the island of Ushant, Kerber marks a new chapter in critically-acclaimed composer Yann Tiersen's career. A chapter still true to Tiersen's nuanced and subtle approach but one that sets out with his most overtly electronic material to date. Beautifully textured, highly immersive and thoughtfully constructed, Tiersen creates an electronic world, providing an environment in which the piano source exists. A sense of place has often been a central theme in Tiersen's work and here that is no different. Each track is tied to a place mapping out the immediate landscape that surrounds Tiersen's home, linking back to his thoughts on the possibilities of the infinite smallness. This official, exclusive folio is beautifully printed on high-quality, uncoated paper with striking graphic artwork. For pianists who love Bruce Springsteen, this sheet music collection is a dream come true. Rich with piano, Hammond organ, glockenspiel, and more, Springsteen's early albums contain some of the most memorable keyboard tracks in rock 'n' roll history. Now, for the first time, keyboard parts for 25 songs from his legendary 1973--1980 era have been notated with unprecedented accuracy and gathered in this

collectible volume. Note-for-note keyboard transcriptions are woven into arrangements that make each song playable on piano from start to finish. Complete vocal melodies and lyrics are included, along with chord grids for guitar. The 25 selections in this volume were chosen for their playability on piano and their popularity among songs Springsteen recorded during his exciting '70s era---a time of boundless creativity and energy that stands out amid the many highlights of his unparalleled career. One of the biggest mistakes when someone starts learning to play the piano is playing songs with their index finger instead of using all fingers and both hands. Most piano sheet music for kids has notes for practicing with the right hand only, which encourages the 'plinky-plonk' playing that children should avoid. In this book, however, all songs have treble and bass clef notes for practicing with both hands! So, suppose you are looking for a diverse collection of 55 large print piano songs for children, young learners, or adult students that are simple enough for beginners to play and show letters (note names), numbers (fingerings), and lyrics. In that case, this is the perfect book for you. In this book, you will get: 55 EASY PIANO SONGS FOR KIDS - All songs have been arranged especially for young learners. This means that all complex chords and rhythms have been simplified. Also, all the pieces are kept relatively short, only one or two pages long. This will allow your child to enter the magic world of piano without frustration. FROM EASIEST TO HARDEST - Are you tired of searching for piano pieces with the appropriate difficulty? At the beginning of this book, you will find very simple songs, and then they gradually get more challenging as the book progresses. This will keep your child motivated and enable them to progress through the levels. DIFFERENT TYPES OF SONGS - You will get a diverse selection of pieces: well-known children's songs and nursery rhymes and simplified classical pieces, as well as famous

English evergreens and international folk songs. This varied selection of easy sheet music will fuel your kid's enjoyment when practicing the piano. WITH LETTERS AND NUMBERS - The most straightforward songs in this book are presented with letters above the music notes to help you know what keys to press. However, as the pieces get more complex, the note names have been deliberately left out to encourage note recognition. All songs include finger placements (numbers) in problem areas. LARGE PRINT - Most music notes for beginners are pretty small, so learners struggle to read them without squinting. To avoid this, all songs in this book have a clear layout and large print for students to follow the pieces easily. NOTES FOR BOTH HANDS - Most easy piano pieces for children have notes for practicing one hand only, encouraging them to play songs with only their index finger. The proper technique, however, is playing with all fingers and both hands. That's why all pieces in this book are in both treble and bass clef (i.e., both right and left hand). BONUS: FREE AUDIO FILES TO DOWNLOAD - Do you want to get an idea of what a piece should sound like? If you are unsure how to play a piece, our audio files will help you get a feel for the melody. Buy this book NOW and enter the splendid world of piano and music! Ideal also as a wonderful birthday present or Christmas gift.
