A practical guide to letting go of the character defects that get in the way of true and joyful recovery. Resentment. Fear. Self-Pity. Intolerance. Anger. As Bill P. explains, these are the "rocks" that can sink recovery- or at the least, block further progress. Based on the principles behind Steps Six and Seven, Drop the Rock combines personal stories, practical advice, and powerful insights to help readers move forward

in recovery. The second edition features additional stories and a reference section. When you feel depressed, suffering from a deep sadness, do you feel powerless over your mood? Does your life feel unmanageable because of it? Does your preoccupation with past hurts and regrets interfere with your life? Do you feel hopeless about finding a cure for your depression? If you answer "yes" to these questions, you may be addicted to your mood. It acts like a drug that sedates, numbs, and possesses you, causing you to sleepwalk through life. Viewing your depressed mood as an addiction, Dr. Ortman guides you through the time-tested Twelve Steps of Alcoholics Anonymous to find healing and growth. He shows how the Steps offer practical wisdom to awaken your spirit deadened by your depression. The Steps provide guidance for your personal journey into the darkness of your mood so that you can discover your true self and release the Power within you. This is the basic text of the Emotions Anonymous fellowship, based on the Twelve Steps and Twelve Traditions of Alcoholics Anonymous. Included are personal stories offering hope of recovery from feelings of emptiness and low self-esteem. It's more than a book. It's a way of life.

Alcoholics Anonymous-the Big Book-has served as a lifeline to millions worldwide. First published in 1939, Alcoholics Anonymous sets forth cornerstone concepts of recovery from alcoholism and tells the stories of men and women who have overcome the disease. Personal stories have been added to reflect the growing and diverse fellowship. Key features and benefits - the most widely used resource for millions of individuals in recovery - contains full, original text describing AA program - personal stories We, of Alcoholics Anonymous, are more than one hundred men and women who have recovered from a seemingly hopeless state of mind and body. To show other alcoholics precisely how we have recovered is the main purpose of this book. For them, we hope these

pages will prove so convincing that no further authentication will be necessary. We think this account of our experiences will help everyone to better understand the alcoholic. Many do not comprehend that the alcoholic is a very sick person. And besides, we are sure that our way of living has its advantages for all. It is important that we remain anonymous because we are too few, at present to handle the overwhelming number of personal appeals which may result from this publication. Being mostly business or professional folk, we could not well carry on our occupations in such an event. We would like it understood that our alcoholic work is an avocation. When writing or speaking publicly about alcoholism, we urge each of our Fellowship to omit his personal name, designating himself instead as "a member of Alcoholics Anonymous." Very earnestly we ask the press also, to observe this request, for otherwise we shall be greatly handicapped. We are not an organization in the conventional sense of the word. There are no fees or dues whatsoever. The only requirement for membership is an honest desire to stop drinking. We are not allied with any particular faith, sect or denomination, nor do we oppose anyone. We simply wish to be helpful to those who are afflicted. We shall be interested to hear from those who are getting results from this book, particularly from those who have commenced work with other alcoholics. We should like to be helpful to such cases. Inquiry by scientific, medical, and religious societies will be welcomed. Twelve Steps to recovery. The Book That Started It All Hardcover When you are in the grip of anxiety, fear, or worry: Do you feel powerless to stop your reacting? Does your life feel unmanageable? Does your craving for control interfere with your life? Do you feel hopeless for a cure? If you answer "yes" to these questions, your anxiety has become an addiction. It acts like a drug that excites, numbs, and possesses you, causing you to avoid a full life. Viewing

anxiety as an addiction, Dennis Ortman, Ph.D. guides you through the time-tested Twelve Steps of Alcoholics Anonymous to find relief from your anxiety. He shows how the Steps offer practical wisdom on how to transform your anxious habits of thinking into constructive action. The Steps invite you to stop, look, listen, and then consciously act to create a new life, awakening your true self." A 75th anniversary e-book version of the most important and practical self-help book ever written, Alcoholics Anonymous. Here is a special deluxe edition of a book that has changed millions of lives and launched the modern recovery movement: Alcoholics Anonymous. This edition not only reproduces the original 1939 text of Alcoholics Anonymous, but as a special bonus features the complete 1941 Saturday Evening Post article "Alcoholics Anonymous" by journalist Jack Alexander, which, at the time, did as much as the book itself to introduce millions of seekers to AA's program. Alcoholics Anonymous has touched and transformed myriad lives, and finally appears in a volume that honors its posterity and impact. Reprint of an edition published in New York in 1937 by Oxford University Press. ALCOHOLICS ANONYMOUS: The Story of How Many Thousands of Men and Women Have Recovered from Alcoholism (also known as the BIG BOOK) describes how to recover from alcoholism. The author is a founder of Alcoholics Anonymous (AA), Bill W. and Dr. Bob. It is the originator of the seminal "twelve-step method" widely used to attempt to treat many addictions, from alcoholism and heroin addiction to marijuana addiction, as well as overeating, sex addiction, gambling addiction, and family members of alcoholics, with a strong spiritual and social emphasis. Alcoholics Anonymous (or the 'Big Book' as it is commonly called). It is the first text written about the experiences of the founders of the AA movement. Eating Disorders Anonymous: The Story of How We Recovered from

Our Eating Disorders presents the accumulated experience, strength, and hope of many who have followed a Twelve-Step approach to recover from their eating disorders. Eating Disorders Anonymous (EDA), founded by sober members of Alcoholics Anonymous (AA), have produced a work that emulates the “Big Book” in style and substance. EDA respects the pioneering work of AA while expanding its Twelve-Step message of hope to include those who are religious or seek a spiritual solution, and for those who are not and may be more comfortable substituting “higher purpose” for the traditional “Higher Power.” Further, the EDA approach embraces the development and maintenance of balance and perspective, rather than abstinence, as the goal of recovery. Initial chapters provide clear directions on how to establish a foothold in recovery by offering one of the founder’s story of hope, and collective voices tell why EDA is suitable for readers with any type of problem eating, including: anorexia nervosa, bulimia, binge eating, emotional eating, and orthorexia. The text then explains how to use the Twelve Steps to develop a durable and resilient way of thinking and acting that is free of eating disordered thoughts and behaviors, including how to pay it forward so that others might have hope of recovery. In the second half of the text, individual contributors share their experiences, describing what it was like to have an eating disorder, what happened that enabled them to make a start in recovery, and what it is like to be in recovery. Like the “Big Book,” these stories are in three sections: Pioneers of EDA, They Stopped in Time, and They Lost Nearly All. Readers using the Twelve Steps to recover from other issues will find the process consistent and reinforcing of their experiences, yet the EDA approach offers novel ideas and specific guidance for those struggling with food, weight and body image issues. Letters of support from three, highly-regarded medical professionals and two, well-

known recovery advocates offer reassurance that EDA's approach is consistent with that supported by medical research and standards in the field of eating disorders treatment. Intended as standard reading for members who participate in EDA groups throughout the world, this book is accessible and appropriate for anyone who wants to recover from an eating disorder or from issues related to food, weight, and body image. The basic text for Alcoholics Anonymous. You can't beat the basics in times of trouble. During the the coronavirus pandemic, take a fresh look at the twelve steps, and the Big Book's wisdom for healing and hope. A Program for You leads each of us--newcomer or old-timer--to a deeper understanding of recovery as a way of life. A Program for You clears our way for discovering positive, powerful answers to these questions. In the years since 1939, the Big Book, Alcoholics Anonymous, has guided millions in their search for a design for healthy living free of addictive behaviors. Now, two program old-timers share their years of intensive study of the Big Book, revealing the vitality of its message for those of us reading it today. This celebration of the basic text of Twelve Step recovery breathes new life into the Big Book's timeless wisdom. Thoroughly annotated line and page, written with down-to-earth humor and simplicity, and providing a contemporary context for understanding, A Program for You helps us experience the same path of renewal that Bill W. and the first on hundred AA members did. Many thousands have benefited from "The Big Book" and its simple but profound explanation of the doctrines behind Alcoholics Anonymous, which was founded in 1935 by Bill Wilson and Dr. Bob Smith. This original 1939 edition outlines the famous 12 steps, and offers counsel for those who wish to join the program but doubt the existence of a higher power. It also contains encouraging personal stories, in which AA members relate their experiences with alcohol and how they

found the path to sobriety. "The Big Book" has gone through numerous editions and remains the most widely used resource for recovering alcoholics. Only this original 1939 edition includes all 29 stories of the program's pioneers, which share the details of their full journey, including initial recovery, sometimes followed by relapse and eventual success. This edition also features the key to the solution claimed by Bill Wilson: a vital spiritual experience that allows followers to rediscover, or discover, God. This realistic portrayal of the program as offered by its founders has been lost in subsequent editions of the work, and is presented here to serve as a reminder that success comes in many forms.

Alcoholics Anonymous (also known as the Big Book in recovery circles) sets forth cornerstone concepts of recovery from alcoholism and tells the stories of men and women who have overcome the disease. Narcotics Anonymous Step Working Guides are meant to be used by NA members at any stage of recovery, whether it's the first time through the steps, or whether they have been a guiding force for many years. This book is intentionally written to be relevant to newcomers and to help more experienced members develop a deeper understanding of the Twelve Steps. Alcoholics Anonymous (also known as the Big Book in recovery circles) sets forth cornerstone concepts of recovery from alcoholism and tells the stories of men and women who have overcome the disease. Over 2200 of the most difficult words and terms found in the "Big Book" of Alcoholics Anonymous.- Many program topical words included.- Simple phonic pronunciation guides.- Page number references for included words.- Text referenced definitions.- Fits in your Big Book. The author visited the archives of the headquarters of A.A. in New York, and discovered new communications between Carl Jung and Bill Wilson. For the first time this correspondence shows Jung's respect for A.A. and in turn, its influence on

him. In particular, this research shows how Bill Wilson was encouraged by Jung's writings to promote the spiritual aspect of recovery as opposed to the conventional medical model which has failed so abysmally. The book overturns the long-held belief that Jung distrusted groups. Indeed, influenced by A.A.'s success, Jung gave "complete and detailed instructions" on how the A.A. group format could be developed further and used by "general neurotics". Wilson was an advocate of treating some alcoholics with LSD in order to deflate the ego and induce a spiritual experience. The author explains how alcoholism can be diagnosed and understood by professionals and the lay person; by examining the detailed case histories of Jung, the author gives graphic examples of its psychological and behavioural manifestations. Living Sober is an extremely informative book which does not offer a plan for getting sober but does offer us sound advice about how to stay sober. Living Sober is an extremely informative book which does not offer a plan for getting sober but does offer us sound advice about how to stay sober. Basic, essential information from Alcoholics Anonymous. As the book states, "Anyone can get sober. . .the trick is to live sober." Written to be used in conjunction with, not instead of the "Big Book of Alcoholics anonymous." This book will help guide you through a personal experience with all "Twelve Steps" as they are outlined in the "AA Big Book." You write notes and questions from the "Big Book Awakening" into your own "Big Book" for personal consideration. After you have completed this process yourself your "Big Book" is now a powerful "working with others book" with questions and considerations that will help you work with others both one-on-one and in workshops. They them selves write the same notes into their own "Big Book" to one day do the same. Alcoholics Anonymous has served as a lifeline to millions worldwide. This special edition contains new, powerful, and

inspiring personal stories for 2007. Written by addicts, for addicts, and about addicts, this is the softcover edition of the book that sets forth the spiritual principles of Narcotics Anonymous that hundreds of thousands of addicts have used in recovery. Just as with alcoholism, there is no "cure" for narcotic addiction, but recovery is possible through a program adapted from the Twelve Steps and Twelve Traditions of Alcoholics Anonymous. Intended as a complete textbook for every addict seeking recovery, Narcotics Anonymous describes the NA program and how it works. It includes the NA Twelve Steps and Twelve Traditions, as well as many personal stories of people who have found freedom from addiction through Narcotics Anonymous. The definitive history of writing and producing the "Big Book" of Alcoholics Anonymous, told through extensive access to the group's archives. Alcoholics Anonymous is arguably the most significant self-help book published in the twentieth century. Released in 1939, the "Big Book," as it's commonly known, has sold an estimated 37 million copies, been translated into seventy languages, and spawned numerous recovery communities around the world while remaining a vibrant plan for recovery from addiction in all its forms for millions of people. While there are many books about A.A. history, most rely on anecdotal stories told well after the fact by Bill Wilson and other early members—accounts that have proved to be woefully inaccurate at times. Writing the Big Book brings exhaustive research, academic discipline, and informed insight to the subject not seen since Ernest Kurtz's Not-God, published forty years ago. Focusing primarily on the eighteen months from October 1937, when a book was first proposed, and April 1939 when Alcoholics Anonymous was published, Schaberg's history is based on eleven years of research into the wealth of 1930s documents currently preserved in several A.A. archives. Woven together into an exciting

narrative, these real-time documents tell an almost week-by-week story of how the book was created, providing more than a few unexpected turns and surprising departures from the hallowed stories that have been so widely circulated about early A.A. history. Fast-paced, engaging, and contrary, *Writing the Big Book* presents a vivid picture of how early A.A. operated and grew and reveals many previously unreported details about the colorful cast of characters who were responsible for making that group so successful. Finally! The book that thousands of alcoholics have been waiting for! An updated version of the "Big Book of Alcoholics Anonymous." This edited revision of the old, basic text is reader-friendly and carries the exact same message as the 1939 version of "Alcoholics Anonymous." It's written in a style that's friendly to readers of any gender, race, or spiritual path. Until now, Bill Wilson's 1939 book has never been edited for modern readers. This book is for: Women who object to the sexist language in the original Big Book. The EZ Big Book is gender neutral. All partners of alcoholics, including gays and lesbians. The EZ Big Book makes no assumption about the genders or marital status of partners. Alcoholics at all reading levels. The language is reader-friendly and journalistic in tone. Readers of any faith, including agnostics. The spiritual references in the book are all-encompassing. Non-English speakers. Readers for whom English is a second language buy the EZ Big Book because the writing is simple and direct. About the Author The author is a retired science and nature writer with double-digit of sobriety. Her last years of drinking took her to emergency rooms several times and finally to rehab. Known as the "Big Book," the basic text of Alcoholics Anonymous has helped millions of people worldwide get and stay sober since the first edition appeared in 1939. Opening chapters articulate A.A.'s program of recovery from alcoholism — the original

Twelve Steps — and recount the personal histories of A.A.'s co-founders, Bill W. and Dr. Bob. In the pages that follow, more than 40 A.A. members share how they stopped drinking and found a new healthier and more serene way of life through the Fellowship of Alcoholics Anonymous. Whether reading passages at meetings, reading privately for personal reflection, or working with a sponsor, the Big Book can be a source of inspiration, guidance and comfort on the journey to recovery. This Fourth Edition of Alcoholics Anonymous has been approved by the General Service Conference. The basic workbook of the Alcoholics Anonymous, which traces its roots, explores its precepts, and presents stories from participants that demonstrate the program's effectiveness.

The official book on the Rust programming language, written by the Rust development team at the Mozilla Foundation, fully updated for Rust 2018. The Rust Programming Language is the official book on Rust: an open source systems programming language that helps you write faster, more reliable software. Rust offers control over low-level details (such as memory usage) in combination with high-level ergonomics, eliminating the hassle traditionally associated with low-level languages. The authors of The Rust Programming Language, members of the Rust Core Team, share their knowledge and experience to show you how to take full advantage of Rust's features--from installation to creating robust and scalable programs. You'll begin with basics like creating functions, choosing data types, and binding variables and then move on to more advanced concepts, such as:

- Ownership and borrowing, lifetimes, and traits
- Using Rust's memory safety guarantees to build fast, safe programs
- Testing, error handling, and effective refactoring
- Generics, smart pointers, multithreading, trait objects, and advanced pattern matching
- Using Cargo, Rust's built-in package manager, to build, test, and document

your code and manage dependencies • How best to use Rust's advanced compiler with compiler-led programming techniques You'll find plenty of code examples throughout the book, as well as three chapters dedicated to building complete projects to test your learning: a number guessing game, a Rust implementation of a command line tool, and a multithreaded server. New to this edition: An extended section on Rust macros, an expanded chapter on modules, and appendixes on Rust development tools and editions. This is both a fascinating history of the formative years of Alcoholics Anonymous, as well as the bitter-sweet tale of the troubled man Bill W. always referred to as "my sponsor." In 1934, Ebby Thatcher called an old drinking buddy to tell him about the happiness he was finding in sobriety. His friend's name was Bill Wilson, and this book is the story of their life-long friendship. It is both a fascinating history of the formative years of Alcoholics Anonymous, as well as the bitter-sweet tale of the troubled man Bill W. always referred to as "my sponsor." "Deeply informative and moving, a valuable contribution to the history of A.A. A 'must' reading for anyone interested in one of the more fascinating chapters in A.A.'s history."--Nell Wing, Retired A.A. Archivist and Bill Wilson's Secretary This is a book of reflections by A.A. members for A.A. members. It was first published in 1990 to fulfill a long-felt need within the Fellowship for a collection of reflections that moves through the calendar year--one day at a time. Each page contains a reflection on a quotation from A.A. Conference-approved literature, such as Alcoholics Anonymous, Twelve Steps and Twelve Traditions, As Bill Sees It and other books. These reflections were submitted by members of the A.A. Fellowship who were not professional writers, nor did they speak for A.A. but only for themselves, from their own experiences in sobriety. Thus the book offers sharing, day by day, from a broad cross section of members,

which focuses on the Three Legacies of Alcoholics Anonymous: Recovery, Unity and Service. Daily Reflections has proved to be a popular book that aids individuals in their practice of daily meditation and provides inspiration to group discussions even as it presents an introduction for some to A.A. literature as a whole. The Good Book and the Big Book: A.A.'s Roots in the Bible is the most popular of Dick B.'s 42 titles. It traces the precise A.A. Big Book and 12 Step language that came from the Bible. Christians and AAs alike acclaim this title's thorough review of early A.A. sources showing the Bible's role in A.A.'s recovery ideas. This book demonstrates how God helps alcoholics recover if they want His help. NEW YORK TIMES BESTSELLER "It's undeniably thrilling to find words for our strangest feelings...Koenig casts light into lonely corners of human experience...An enchanting book. " —The Washington Post A truly original book in every sense of the word, The Dictionary of Obscure Sorrows poetically defines emotions that we all feel but don't have the words to express—until now. Have you ever wondered about the lives of each person you pass on the street, realizing that everyone is the main character in their own story, each living a life as vivid and complex as your own? That feeling has a name: "sonder." Or maybe you've watched a thunderstorm roll in and felt a primal hunger for disaster, hoping it would shake up your life. That's called "lachesism." Or you were looking through old photos and felt a pang of nostalgia for a time you've never actually experienced. That's "anemoia." If you've never heard of these terms before, that's because they didn't exist until John Koenig set out to fill the gaps in our language of emotion. The Dictionary of Obscure Sorrows "creates beautiful new words that we need but do not yet have," says John Green, bestselling author of The Fault in Our Stars. By turns poignant, relatable, and mind-bending, the definitions include

whimsical etymologies drawn from languages around the world, interspersed with otherworldly collages and lyrical essays that explore forgotten corners of the human condition—from “astrophe,” the longing to explore beyond the planet Earth, to “zenosyne,” the sense that time keeps getting faster. The Dictionary of Obscure Sorrows is for anyone who enjoys a shift in perspective, pondering the ineffable feelings that make up our lives. With a gorgeous package and beautiful illustrations throughout, this is the perfect gift for creatives, word nerds, and human beings everywhere. This is the Original Big Book of Alcoholics Anonymous 1st Edition. The Story of How Many Thousands of Men and Women Have Recovered from Alcoholism. This book describes how the founders, Bill Smith and Dr. Bob recovered from alcoholism through Spiritual Principles. This Edition is Equipped with a Twelve Step Guide & Prayer Section to help other addictions as well, Including Marijuana & Drug addiction, as well as Overeating, Gambling and Sex Addictions. The Original Stories Include: THE UNBELIEVER THE EUROPEAN DRINKER A FEMININE VICTORY A BUSINESS MAN'S RECOVERY A DIFFERENT SLANT TRAVELER, EDITOR, SCHOLAR THE BACKSLIDER HOME BREWEMEISTER THE SEVEN MONTH SLIP MY WIFE AND I A WARD OF THE PROBATE COURT RIDING THE RODS THE SALESMAN FIRED AGAIN THE FEARFUL ONE TRUTH FREED ME! SMILE WITH ME, AT ME A CLOSE SHAVE EDUCATED AGNOSTIC ANOTHER PRODIGAL STORY THE CAR SMASHER HINDSIGHT ON HIS WAY AN ALCOHOLICS WIFE AN ARTISTS CONCEPT THE ROLLING STONE For members of any twelve-step fellowship, this book provides a simple and clear guide to the instructions for working the steps as outlined in A.A.'s Big Book. It reveals, in easy to understand language, the process for working each step, so that the reader can experience the Twelfth Step promise of a

spiritual awakening.
