My Hero Academia Jan 02 2023 What would the world be like if 80 percent of the population manifested superpowers called “Quirks”? Heroes and villains would be battling it out everywhere! Being a hero would mean learning to use your power, but where would you go to study? The Hero Academy of course! But what would you do if you were one of the 20 percent who were born Quirkless? A sinister group of villains has attacked the first-year U.A. students, but their real target is All Might. It’s all that Midoriya and his classmates can do to hold them off until reinforcements arrive. With All Might May 06 2023 Of the greatest commandment, we read in Mark 12 (NIV): “29 The most important one,” answered Jesus, “is this: ‘Hear, O Israel: The Lord our God, the Lord is one. 30 Love the Lord your God with all your heart and with all your soul and with all your mind and with all your strength.’ We need to again place a spotlight on the word “strength”. So what does it then mean to serve God with all our strength? We can also ask do we really serve and love God with all our strength. For if we do, then we must make every effort, day and night, to obey God, to follow Him, to love Him, and to serve Him. We must do so with every ounce of our strength, with every ounce of conviction, and there must be no room, none whatsoever, for the world to steal our love for God, or our devotion, loyalty and faithfulness. To love God with all our strength (might) is to constantly all the time seek His will, His ways and truth. It calls for us to pay attention to God, to be serious about Him above everything else and to love Him as our First Love.
