The Red Badge of Courage Feb 25 2020

Operator's Manual Nov 03 2020

The Virtues of the Vicious Sep 01 2020 In this compelling work, Keith Gandal reveals how the slum in nineteenth-century America, long a topic for sober moral analysis, became in the 1890s an unprecedented source of spectacle, captured in novels, newspapers, documentary accounts, and photographs. Reflecting a change in the middle-class vision of the poor, the slum no longer drew attention simply as a problem of social conditions and vice but emerged as a subject for aesthetic, ethnographic, and psychological description. From this period dates the fascination with the "colorful" alternative customs and ethics of slum residents, and an emphasis on nurturing their self-esteem. Middle-class portrayals of slum life as "strange and dangerous" formed part of a broad turn-of-the-century quest for masculinity, Gandal argues, a response to a sentimental Victorian respectability perceived as stifling. These changes in middle-class styles for representing the urban poor signalled a transformation in middle-class ethics and a reconception of subjectivity. Developing a broad cultural context for the 1890s interest in the poor, Gandal also offers close, groundbreaking analysis of two of the period's crucial texts. Looking at Jacob Riis's *How the Other Half Lives* (1890), Gandal documents how Riis's use of ethnographic and psychological details challenged traditional moralist accounts and helped to invent a spectacular style of documentation that still frames our approach as well as our solutions to

urban problems. Stephen Crane's *Maggie: A Girl of the Streets* (1893) pushed ethnographic and psychological analysis even farther, representing a human interiority centered around self-image as opposed to character and exploring not only different customs but a radically different ethics in New York's Bowery--what we would call today a "culture of poverty." Gandal meanwhile demonstrates how both Riis's innovative "touristic" approach and Crane's "bohemianism" bespeak a romanticization of slum life and an emerging middle-class unease with its own values and virility. With framing discussion that relates slum representations of the 1890s to those of today, and featuring a new account of the Progressive Era response to slum life, *The Virtues of the Vicious* makes fresh, provocative reading for Americanists and those interested in the 1890s, issues of urban representation and reform, and the history of New York City.

When the Messenger is Hot Jan 24 2020 Features the stories of women recovering from loss, addiction, or betrayal, from a woman who decides to live on the patio rooftop of her friend's apartment, to a writer whose identity is compromised by the actress who portrays her, to a daughter who believes her mother is still alive. 25,000 first printing.

Stephen Crane Mar 20 2022 This is a full-length study of Crane's short stories, tracing their formal development and relating Crane's work to the aesthetic principles of American modernism. As mirrors of his time, Crane's stories reflected the major forces that transformed American life between 1850 and 1900: the Civil War, industrialism and the rise

of cities and slums, and the disappearance of the American frontier. Consequently, the predominant theme of much of Crane's work is the conflict between chaos and order, emphasizing what Crane saw as man's fragmented perception of reality. In his search for meaning in human existence, Crane turned to ritual in his late fiction. ISBN 0-8057-8315-6: \$18.95.

Landscape Traveled by Coyote and Crane Aug 25 2022 Anthropologist Rodney Frey culminates a decade of work with the Schitsu'umsh (the Coeur d'Alene Indians of Idaho) in this portrait of the unique bonds between a people and the landscape of their traditional homeland. The result of an intensive collaboration between investigator and Native people, the book includes many traditional stories that invite the reader's participation in the world of the Schitsu'umsh.

The Bridge Oct 15 2021

Maggie, a Girl of the Streets May 10 2021 Maggie is an astonishing novel of social realism, which parallels many of today's ills. Set in the urban squalor of New York in the 1890s, it follows the careers of the innocent Maggie and her brother Jimmie, children of brutal and drunken parents. It is a tour-de-force equal to *The Red Badge of Courage*.

Stephen Crane Jul 24 2022 Stephen Crane provides a general overview of all of Stephen Crane's major works, most notably *The Red Badge of Courage* the work that arguably

shaped Crane's reputation, and many of his minor ones. It seeks to understand the many literary genres in which Crane wrote: newspaper journalism, novels, poetry, sketch and short story.

Detour Mar 27 2020 The author, daughter of film star Lana Turner, tells what really happened the night she stabbed Johnny Stompanato and what came afterwards.

The Lady and the Tycoon Jul 12 2021

The Double Life of Stephen Crane Sep 25 2022 The first reassessment in over 25 years of one of the most brilliant and fascinating figures in American literature--the novelist-journalist who was born in 1871, six years after the end of the war he memorialized in his universally acclaimed *The Red Badge of Courage*, and who died of tuberculosis at 28. 26 illustrations.

Mobile Crane Manual Jun 30 2020

Publishers Weekly Feb 16 2022

Sadako and the Thousand Paper Cranes Nov 15 2021 Hospitalized with the dreaded atom bomb disease, leukemia, a child in Hiroshima races against time to fold one thousand paper cranes to verify the legend that by doing so a sick person will become healthy.

Race, Citizenship, and Law in American Literature Oct 27 2022 In this broad ranging and powerful study, Gregg Crane examines the interaction between civic identity, race and justice in American law and literature. Crane recounts the efforts of literary and legal figures to bring the nation's law into line with the moral consensus that slavery and racial oppression were evil. By documenting an actual historical interaction central both to American literature and American constitutional law, Crane reveals the influence of literature on the constitutional discourse of citizenship. Covering such writers as Harriet Beecher Stowe, Ralph Waldo Emerson and Frederick Douglass, and a whole range of novelists, poets, philosophers, politicians, lawyers and judges, this is a remarkable book, that will revise the relationship between race and nationalism in American literature.

A Manual of Anthropometry Nov 27 2022

Realism, Writing, Disfiguration Dec 29 2022 "A highly original and gripping account of the works of Eakins and Crane. That remarkable combination of close reading and close viewing which Fried uniquely commands is brought to bear on the problematic nature of the making of images, of texts, and of the self in nineteenth-century America."—Svetlana Alpers, University of California, Berkeley "An extraordinary achievement of scholarship and critical analysis. It is a book distinguished not only for its brilliance but for its courage, its grace and wit, its readiness to test its arguments in tough-minded ways, and its capacity to meet the challenge superbly. . . . This is a landmark in American cultural and intellectual studies."—Sacvan Bercovitch, Harvard University

A Manual of Antropometry; Or, A Guide to the Physical Examination and Measurement of the Human Body May 02 2023

Manual of Commercial Correspondence, English and French Jan 30 2023

The Red Badge of Courage Feb 28 2023 Small masterpiece set the pattern for the treatment of war in modern fiction. Amid the nightmarish chaos of a Civil War battle, a young soldier discovers courage, humility, and, perhaps, wisdom. Widely praised for uncanny re-creation of the sights, sounds, and sense of actual combat. An enduring landmark of American fiction.
