**The Crossing** Oct 10 2021 In this "tense" thriller and #1 New York Times bestseller, Detective Harry Bosch teams up with Lincoln Lawyer Mickey Haller to track down a killer who just might find them first (Wall Street Journal). Detective Harry Bosch has retired from the LAPD, but his half-brother, defense attorney Mickey Haller, needs his help. A woman has been brutally murdered in her bed and all evidence points to Haller's client, a former gang member turned family man. Though the murder rap seems ironclad, Mickey is sure it's a setup. Bosch doesn't want anything to do with crossing the aisle to work for the defense. He feels it will undo all the good he's done in his thirty years as a homicide cop. But Mickey promises to let the chips fall where they may. If Harry proves that his client did it, under the rules of discovery, they are obliged to turn over the evidence to the prosecution. Though it goes against all his instincts, Bosch reluctantly takes the case. The prosecution's file just has too many holes and he has to find out for himself: if Haller's client didn't do it, then who did? With the secret help of his former LAPD partner Lucy Soto, Harry starts digging. Soon his investigation leads him inside the police department, where he realizes that the killer he's been tracking has also been tracking him. Thrilling, fast-paced, and impossible to put down, *The Crossing* shows without a shadow of doubt that Connelly is "a master of building suspense" (Wall Street Journal).

**The Harry Bosch Novels** Sep 21 2022 For the first time in one volume, the three novels that introduced Michael Connelly's great LAPD homicide detective, maverick Hieronymus (Harry) Bosch. The Black Echo (Winner of the Edgar Award for Best First Novel) For Harry Bosch-hero, loner, nighthawk-the body stuffed in a drainpipe off Mulholland Drive isn't just another statistic. This one is personal. Billy Meadows was a fellow Vietnam "tunnel rat," fighting the VC and the fear they used to call the Black Echo. Harry let Meadows down once. He won't do it again. The Black Ice The corpse in the hotel room seems to be that of a missing LAPD narcotics officer. Rumors abound that the cop had crossed over-selling a new drug called Black Ice. Now Harry's making some dangerous connections, leading from the cop to a string of bloody murders, and from Hollywood Boulevard's drug bazaar to Mexico's dusty back alleys. In this lethal game, Harry is likely to be the next victim. The Concrete Blonde When Harry Bosch shot and killed Norman Church, the police were convinced it marked the end of the hunt for the Dollmaker-L.A.'s most bizarre serial killer. But now Church's widow is accusing Harry of killing the wrong man-a charge that rings terrifyingly true when a new victim is discovered with the Dollmaker's macabre signature. For the second time, Harry must hunt the murderer down, before he strikes again. Together, these three novels are the perfect way to discover, or rediscover, the sleuth the New York Times Book Review called a "wonderful, old-fashioned hero who isn't afraid to walk through the flames."

**The Harry Bosch Novels, Volume 3** Jan 01 2021 For the first time in one volume, the three novels that take Harry Bosch through his most perilous cases yet, and to the edge of the abyss. A Darkness More than Night It was a case some cops could live with: the torture and killing of a man who spread horrors of his own. Former FBI profiler Terry McCaleb is called in to decipher the grisly crime scene. Shockingly, the suspect he pinpoints is LAPD detective Harry Bosch. But while Bosch may have had a good reason to commit murder, he has an even better one for staying alive-and for finding a suspect of his own. City of Bones A dog finds a bone in the Hollywood Hills and unearths a murder committed more than twenty years earlier. It's a cold case, but Bosch can't let it go. As the investigation takes him deeper into the past, a beautiful rookie cop brings him alive in the present-until a stunningly blown mission and a brutal showdown leave Bosch on the brink of an unimaginable decision. Lost Light For years, the unsolved murder of Angella Benton has haunted him. Bosch was taken off the young production assistant's case when her death was linked with the violent theft of two million dollars from a movie set. Both files were never closed. Now retired from the LAPD, Bosch is determined to find justice for Angella. And even in the faces of a powerful and ruthless opponent, he will not back down, with or without a badge. Together, these three riveting, relentlessly paced novels take us even deeper into the complex hero USA Today has called "one of the most fascinating characters in the mystery world," and show once more that Michael Connelly is "the most talented of crime writers" (The New Yorker).

**The Drop** Apr 16 2022 Harry Bosch has been given three years before he must retire from the LAPD, and he wants cases more fiercely than ever. In one morning, he gets two. DNA from a 1989 rape and murder matches a 29-year-old convicted rapist. Was he an eight-year-old killer or has something gone terribly wrong in the new Regional Crime Lab? The latter possibility could compromise all of the lab's DNA cases currently in court. Then Bosch and his partner are called to a death scene fraught with internal politics. Councilman Irvin Irving's son jumped or was pushed from a window at the Chateau Marmont. Irving, Bosch's longtime nemesis, has demanded that Harry handle the investigation. Relentlessly pursuing both cases, Bosch makes two chilling discoveries: a killer operating unknown in the city for as many as three decades, and a political conspiracy that goes back into the dark history of the police department.

**Desert Star** Jul 19 2022 LAPD detective Renée Ballard and Harry Bosch work together to hunt the killer who is Bosch's "white whale"--a man responsible for the murder of an entire family. A year has passed since LAPD detective Renée Ballard quit the force in the face of misogyny, demoralization, and endless red tape. Yet, after the chief of police himself tells her she can write her ticket within the department, Ballard takes back her badge, leaving "the Late Show" to rebuild the cold case unit at the elite Robbery-Homicide Division. For years, Harry Bosch has been working a case that haunts him but that he hasn't been able to crack--the murder of an entire family by a psychopath who still walks free. Ballard makes Bosch an offer: come work with her as a volunteer investigator in the new Open-Unsolved Unit, and he can pursue his "white whale" with the resources of the LAPD behind him. The two must put aside old resentments to work together again and close in on a dangerous killer. Propulsive and unstoppable, this new novel demonstrates once again why "Connelly is the real deal" (Marilyn Stasio, New York Times Book Review).

But as Jack delves into the story he soon realises that Alonzo's so-called confession is bogus. Jack is soon off and running on the biggest story he's had since The Poet crossed his path twelve years before - but The Scarecrow knows he's coming...

**The Reversal** Apr 04 2021 After 24 years in prison, convicted killer Jason Jessup has been exonerated by new DNA evidence. Haller is convinced Jessup is guilty, and he takes the case on the condition that he gets to choose his investigator, LAPD Detective Harry Bosch.

**Crime Beat** Jul 27 2020 From #1 bestseller Michael Connelly's first career as a prizewinning crime reporter--the gripping, true stories that inspired and informed his novels. Before he became a novelist, Michael Connelly was a crime reporter, covering the detectives who worked the homicide beat in Florida and Los Angeles. In vivid, hard-hitting articles, Connelly leads the reader past the yellow police tape as he follows the investigators, the victims, their families and friends--and, of course, the killers--to tell the real stories of murder and its aftermath. Connelly's firsthand observations would lend inspiration to his novels, from *The Black Echo*, which was drawn from a real-life bank heist, to *Trunk Music*, based on an unsolved case of a man found in the trunk of his Rolls Royce. And the vital details of his best-known characters, both heroes and villains, would be drawn from the cops and killers he reported on: from loner detective Harry Bosch to the manipulative serial killer the Poet. Stranger than fiction and every bit as gripping, these pieces show once again that Michael Connelly is not only a master of his craft, but also one of the great American writers in any form.
