Comprehending as skillfully as pact even more than further will provide each success. next-door to, the pronouncement as well as keenness of this Stephen Shore Uncommon Places The Complete Works can be taken as with ease as picked to act.

Getting the books **Stephen Shore Uncommon Places The Complete Works** now is not type of challenging means. You could not abandoned going later than ebook gathering or library or borrowing from your links to contact them. This is an unconditionally simple means to specifically get guide by on-line. This online broadcast Stephen Shore Uncommon Places The Complete Works can be one of the options to accompany you in the manner of having additional time.

It will not waste your time. resign yourself to me, the e-book will totally freshen you further event to read. Just invest tiny get older to retrieve this on-line revelation **Stephen Shore Uncommon Places The Complete Works** as capably as review them wherever you are now.

Recognizing the pretentiousness ways to acquire this books **Stephen Shore Uncommon Places The Complete Works** is additionally useful. You have remained in right site to start getting this info. acquire the Stephen Shore Uncommon Places The Complete Works associate that we have enough money here and check out the link.

You could buy lead Stephen Shore Uncommon Places The Complete Works or acquire it as soon as feasible. You could speedily download this Stephen Shore Uncommon Places The Complete Works after getting deal. So, afterward you require the books swiftly, you can straight get it. Its so entirely simple and consequently fats, isnt it? You have to favor to in this aerate

When somebody should go to the ebook stores, search opening by shop, shelf by shelf, it is really problematic. This is why we give the books compilations in this website. It will unquestionably ease you to look guide **Stephen Shore Uncommon Places The Complete Works** as you such as.

By searching the title, publisher, or authors of guide you really want, you can discover them rapidly. In the house, workplace, or perhaps in your method can be all best area within net connections. If you seek to download and install the Stephen Shore Uncommon Places The Complete Works, it is entirely easy then, in the past currently we extend the colleague to buy and create bargains to download and install Stephen Shore Uncommon Places The Complete Works as a result simple!

From New England to Alaska, this 544 page resource is filled with helpful advice, historical background, and practical facts on how to reach scores of park system properties, when to go, and what to do there. "Like the United States' national parks, those of Europe--from the British Isles to Europe's border with Asia--help to preserve the human heritage while providing vital green spaces for the animals that make them home"-- This volume collects the entire Sandy Steele mystery/adventure series. Included are: 1. **BLACK TREASURE** Sandy Steele and Quiz spend an action-filled summer in the oil fields of the Southwest. In their search for oil and uranium, they unmask a dangerous masquerader. 2. **DANGER AT MORMON CROSSING** On a hunting trip in the Lost River section of Idaho, Sandy and Mike ride the rapids, bag a mountain lion, and stumble onto the answer to a hundred-year-old mystery. 3. **STORMY VOYAGE** Sandy and Jerry James ship as deck hands on one of the "long boats" of the Great Lakes. They are plunged into a series of adventures and find themselves involved in a treacherous plot. 4. **FIRE AT RED LAKE** Sandy and his friends pitch in to fight a forest fire in Minnesota. Only they and Sandy's uncle know that there is an unexploded A-bomb in the area to add to the danger. 5. **SECRET MISSION TO ALASKA** A pleasant Christmas trip turns into a startling adventure. Sandy and Jerry participate in a perilous dog-sled race, encounter a wounded bear, and are taken as hostages by a ruthless enemy. 6. **TROUBLED WATERS** When Sandy and Jerry mistakenly sail off in a stranger's sloop instead of their own, they land in a sea of trouble. Their attempts to outmaneuver a desperate crew are intertwined with fascinating sailing lore. If you enjoy this ebook, don't forget to search your favorite ebook store for "Wildside Press Megapack" to

see more of the 280+ volumes in this series, covering adventure, historical fiction, mysteries, westerns, ghost stories, science fiction -- and much, much more! Thirty years after its publication, *The Death and Life of Great American Cities* was described by *The New York Times* as "perhaps the most influential single work in the history of town planning....[It] can also be seen in a much larger context. It is first of all a work of literature; the descriptions of street life as a kind of ballet and the biting satiric account of traditional planning theory can still be read for pleasure even by those who long ago absorbed and appropriated the book's arguments." Jane Jacobs, an editor and writer on architecture in New York City in the early sixties, argued that urban diversity and vitality were being destroyed by powerful architects and city planners. Rigorous, sane, and delightfully epigrammatic, Jacobs's small masterpiece is a blueprint for the humanistic management of cities. It is sensible, knowledgeable, readable, indispensable. The author has written a new foreword for this Modern Library edition.

A PARISIAN who is not rich enough to keep a distinguished chef of his own will occasionally order a dainty dinner to be forwarded to him from some hotel or restaurant; and in these cases the repast, as soon as it is ready, is sometimes put into a hackney cab and driven to the house of the consignee by the cocher, who is not unaccustomed to find this "fare" more remunerative than the fare he habitually conveys. A glance at the cocher, as another of the Parisian types of character, may here be not inopportune. As a matter of fact, however, the cocher is not one type but several. The name applies to the driver of the omnibus, of the fiacre, and of the private carriage. As to the omnibus driver, he is more amiable, more easy-going, less sarcastic than his counterpart in London. Nobody would ever hear an omnibus driver in Paris say, as one has been heard to say in London, when a lady passenger requested to be put down at 339½ — Street, "Certainly, madam, and would you like me to drive upstairs?" Nor is the Paris cabman so extortionate as his London brother; for the fare-regulations, by which there is one fixed charge for the conveyance of a passenger any distance within a certain radius, precludes the inevitable dispute which awaits the lady or gentleman who in our metropolis dares to take a four-wheeler or a hansom. Already in the sixteenth century hackney carriages were driven in the streets of Paris; and any differences arising between the cocher and his passenger were at this period referred to the lieutenant of the police. The private coachmen, attached to the service of the nobility, found their position a somewhat perilous one in an age when quarrels were so frequent on the question of social precedence. If two

aristocratic carriages met in some narrow street, barring each other's way, the footmen would get down and fight for a passage. Serious wounds were sometimes inflicted, and even the master would now and then step out of his vehicle and, with drawn sword, join in the affray. The coachman, meanwhile, prouder in livery than his master in braided coat, remained motionless on his box in spite of the blows which were being dealt around. It is related that when on one occasion a party of highwaymen attacked the carriage of Benserade, poet, wit, and dramatic author, his coachman sat calmly at his post, and amused himself with whistling whilst his master was being stripped of everything. From time to time he turned towards the robbers and said, "Gentlemen, shall you soon have finished, and can I continue my journey?"

From early towns to booming metropolises, *The Complete Cities of Ancient Egypt* explores every facet of urban life in ancient Egypt with a leading authority in the field as a guide. Ancient Egyptian cities and towns have until recently been one of the least-studied and least-published aspects of this great ancient civilization. Now, new research and excavation are transforming our knowledge. This is the first book to bring these latest discoveries to a wide audience and to provide a comprehensive overview of what we know about ancient settlement during the dynastic period. The cities range in date from early urban centers to large metropolises. From houses to palaces to temples, the different parts of Egyptian cities and towns are examined in detail, giving a clear picture of the urban world. The inhabitants, from servants to Pharaoh, are vividly brought to life, placed in the context of the civil administration that organized every detail of their lives. Famous cities with extraordinary buildings and fascinating histories are also examined here through detailed individual treatments, including: Memphis, home of the pyramid-building kings of the Old Kingdom; Thebes, containing the greatest concentration of monumental buildings from the ancient world; and Amarna, intimately associated with the pharaoh Akhenaten. An analysis of information from modern excavations and ancient texts recreates vibrant ancient communities, providing range and depth beyond any other publication on the subject. A fully illustrated guide to Deborah Harkness's #1 New York Times bestselling *All Souls* trilogy—"an irresistible . . . wonderfully imaginative grown-up fantasy" (People). Look for the hit TV series "A Discovery of Witches," streaming on AMC Plus, Sundance Now and Shudder. *A Discovery of Witches* introduced Diana Bishop, Oxford scholar and reluctant witch, and vampire geneticist Matthew Clairmont. *Shadow of Night* and *The Book of Life* carried Deborah Harkness's series to its spellbinding conclusion. In *The*

World of All Souls, Harkness shares the rich sources of inspiration behind her bewitching novels. She draws together synopses, character bios, maps, recipes, and even the science behind creatures, magic, and alchemy--all with her signature historian's touch. Bursting with fascinating facts and dazzling artwork, this essential handbook is a must-have for longtime fans and eager newcomers alike. #1 NEW YORK TIMES BESTSELLER • ONE OF TIME MAGAZINE'S 100 BEST YA BOOKS OF ALL TIME

The extraordinary, beloved novel about the ability of books to feed the soul even in the darkest of times. When Death has a story to tell, you listen. It is 1939. Nazi Germany. The country is holding its breath. Death has never been busier, and will become busier still. Liesel Meminger is a foster girl living outside of Munich, who scratches out a meager existence for herself by stealing when she encounters something she can't resist—books. With the help of her accordion-playing foster father, she learns to read and shares her stolen books with her neighbors during bombing raids as well as with the Jewish man hidden in her basement. In superbly crafted writing that burns with intensity, award-winning author Markus Zusak, author of *I Am the Messenger*, has given us one of the most enduring stories of our time. “The kind of book that can be life-changing.” —The New York Times “Deserves a place on the same shelf with *The Diary of a Young Girl* by Anne Frank.” —USA Today

DON'T MISS BRIDGE OF CLAY, MARKUS ZUSAK'S FIRST NOVEL SINCE THE BOOK THIEF. Dr. Seuss's wonderfully wise *Oh, the Places You'll Go!* is the perfect gift to celebrate all of our special milestones—from graduations to birthdays and beyond! From soaring to high heights and seeing great sights to being left in a Lurch on a prickly perch, Dr. Seuss addresses life's ups and downs with his trademark humorous verse and whimsical illustrations. The inspiring and timeless message encourages readers to find the success that lies within, no matter what challenges they face. A perennial favorite and a perfect gift for anyone starting a new phase in their life!

Walking London is the essential companion for any urban explorer—visitor or native—committed to discovering the true heart of one of the world's greatest capital cities. In 30 original walks, distinguished historian Andrew Duncan reveals miles of London's endlessly surprising landscape. From wild heathland to formal gardens, cobbled mews to elegant squares and arcades, bustling markets to tranquil villages—Duncan reveals the pick of the famous sights, but also steers walkers off the tourist track and into the city's hidden corners. Handsomely illustrated with specially commissioned color photographs and complete route maps, the book provides full details of

addresses, opening times and the best bars and restaurants to visit en route. Take a walk in the wild with Crinkleroot! Include useful safety tips for avoiding ticks, poison plants, and other hazards. Madeleine L'Engle's groundbreaking science fiction and fantasy classic, now a major motion picture. It was a dark and stormy night; Meg Murry, her small brother Charles Wallace, and her mother had come down to the kitchen for a midnight snack when they were upset by the arrival of a most disturbing stranger. "Wild nights are my glory," the unearthly stranger told them. "I just got caught in a downdraft and blown off course. Let me sit down for a moment, and then I'll be on my way. Speaking of ways, by the way, there is such a thing as a tesseract." A tesseract (in case the reader doesn't know) is a wrinkle in time. To tell more would rob the reader of the enjoyment of Miss L'Engle's unusual book. A Wrinkle in Time, winner of the Newbery Medal in 1963, is the story of the adventures in space and time of Meg, Charles Wallace, and Calvin O'Keefe (athlete, student, and one of the most popular boys in high school). They are in search of Meg's father, a scientist who disappeared while engaged in secret work for the government on the tesseract problem. A Wrinkle in Time is the winner of the 1963 Newbery Medal. It is the first book in The Time Quintet, which consists of A Wrinkle in Time, A Wind in the Door, A Swiftly Tilting Planet, Many Waters, and An Acceptable Time. A Wrinkle in Time is now a movie from Disney, directed by Ava DuVernay, starring Storm Reid, Oprah Winfrey, Reese Witherspoon and Mindy Kaling. This title has Common Core connections. Books by Madeleine L'Engle A Wrinkle in Time Quintet A Wrinkle in Time A Wind in the Door A Swiftly Tilting Planet Many Waters An Acceptable Time A Wrinkle in Time: The Graphic Novel by Madeleine L'Engle; adapted & illustrated by Hope Larson Intergalactic P.S. 3 by Madeleine L'Engle; illustrated by Hope Larson: A standalone story set in the world of A Wrinkle in Time. The Austin Family Chronicles Meet the Austins (Volume 1) The Moon by Night (Volume 2) The Young Unicorns (Volume 3) A Ring of Endless Light (Volume 4) A Newbery Honor book! Troubling a Star (Volume 5) The Polly O'Keefe books The Arm of the Starfish Dragons in the Waters A House Like a Lotus And Both Were Young Camilla The Joys of Love Set in the future when "firemen" burn books forbidden by the totalitarian "brave new world" regime. Maps have been a part of human culture since the days of scratching on cave walls, and this richly illustrated history chronicles the road from simple diagrams used to avoid danger to the complex, navigational charts used today. Displaying an array of historic atlases and a variety of cartography styles, this book allows young readers to

test their map-reading skills while discovering the intricate beauty and the wealth of information held within. Geographical concepts are spotlighted through an assortment of guided activities--including finding the elevation of hills, plotting a course with a magnetic compass, creating three-dimensional land models using a contour map, and performing a plot survey. Drawing the conclusion that the study of geography and maps is crucial to understanding an ever-changing planet, this handbook discloses the ways in which technological advances in cartography can further discussions on climate change, warfare, environmental conservation, population growth, and other timely topics.

- Van vacations and van living has attracted a new following at a time of increased outdoor-oriented travel - An attractively priced re-issue of *The Rolling Home Presents the Culture of Vanlife* - An inspiring book about the freedom and mobility of van life written and compiled by the editors the *Rolling Home Journal* From the fringes of society to the envy-inducing images on social media, how and why has vanlife become more popular than ever before? #1 NEW YORK TIMES BESTSELLER ONE OF BARACK OBAMA'S FAVORITE BOOKS OF THE YEAR NAMED A BEST BOOK OF 2020 BY THE NEW YORK TIMES * THE WASHINGTON POST * NPR * PEOPLE * TIME MAGAZINE* VANITY FAIR * GLAMOUR 2021 WOMEN'S PRIZE FINALIST

“Bennett’s tone and style recalls James Baldwin and Jacqueline Woodson, but it’s especially reminiscent of Toni Morrison’s 1970 debut novel, *The Bluest Eye*.” —Kiley Reid, *Wall Street Journal* “A story of absolute, universal timelessness ...For any era, it's an accomplished, affecting novel. For this moment, it's piercing, subtly wending its way toward questions about who we are and who we want to be...” – *Entertainment Weekly*

From The New York Times-bestselling author of *The Mothers*, a stunning new novel about twin sisters, inseparable as children, who ultimately choose to live in two very different worlds, one black and one white. The Vignes twin sisters will always be identical. But after growing up together in a small, southern black community and running away at age

sixteen, it's not just the shape of their daily lives that is different as adults, it's everything: their families, their communities, their racial identities. Many years later, one sister lives with her black daughter in the same southern town she once tried to escape. The other secretly passes for white, and her white husband knows nothing of her past. Still, even separated by so many miles and just as many lies, the fates of the twins remain intertwined. What will happen to the next generation, when their own daughters' storylines intersect? Weaving together multiple strands and generations of this family, from the Deep South to California, from the 1950s to the 1990s, Brit Bennett produces a story that is at once a riveting, emotional family story and a brilliant exploration of the American history of passing. Looking well beyond issues of race, *The Vanishing Half* considers the lasting influence of the past as it shapes a person's decisions, desires, and expectations, and explores some of the multiple reasons and realms in which people sometimes feel pulled to live as something other than their origins. As with her New York Times-bestselling debut *The Mothers*, Brit Bennett offers an engrossing page-turner about family and relationships that is immersive and provocative, compassionate and wise. The seventh edition of *ARCHAEOLOGY* reflects the most recent research and changes in the field, while making core concepts easy to understand through an engaging writing style, personalized examples, and high-interest topics. This text pairs two of archaeology's most recognized names, Robert L. Kelly and David Hurst Thomas, who together have over 75 years of experience leading excavations. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version. This carefully crafted ebook: "British Mystery Classics - Complete Collection (Including Martin Hewitt Series, The Dorrington Deed Box & The Green Eye of Goona) - Illustrated" is formatted for your eReader with a functional and detailed table of contents. Arthur Morrison (1863-1945) was an English writer and journalist known for his detective stories, featuring the detective Martin Hewitt, low-key, realistic, lower class answer to Sherlock Holmes. Martin Hewitt stories are similar in style to those of Conan Doyle, cleverly plotted and very amusing. Morrison is also known for his realistic novels and stories about working-class life in London's East End, *A Child of the Jago* being the best known. Table of Contents: Martin Hewitt Series: Martin Hewitt, Investigator The Lenton Croft Robberies The Loss of Sammy Crockett The Case of Mr. Foggatt The Case of the Dixon Torpedo The Quinton Jewel Affair The Stanway Cameo Mystery The Affair of the Tortoise Chronicles of Martin Hewitt The Ivy

Cottage Mystery The Nicobar Bullion Case The Holford Will Case The Case of the Missing Hand The Case of Laker, Absconded The Case of the Lost Foreigner Adventures of Martin Hewitt The Affair of Mrs. Seton's Child The Case of Mr. Geldard's Elopement The Case of the Dead Skipper The Case of the "Flutterbat Lancers" The Case of the Late Mr. Rewse The Case of the Ward Lane Tabernacle The Red Triangle The Affair of Samuel's Diamonds The Case of Mr. Jacob Mason The Case of the Lever Key The Case of the Burnt Barn The Case of the Admiralty Code The Adventure of Channel Marsh Other Detective Stories: The Dorrington Deed Box The Narrative of Mr. James Rigby The Case of Janissary The Case of "The Mirror of Portugal" The Affair of the "Avalanche Bicycle & Tyre Co., Ltd." The Case of Mr. Loftus Deacon Old Cater's Money The Green Eye of Goona The First Magnum Mr. Norie's Magnum Mr. Clifton's Magnum The Steward's Magnum—and Another Mr. Pooley's Magnum A Box of Oddments Mr. Smith's Magnums The Green Eye An encyclopedia designed especially to meet the needs of elementary, junior high, and senior high school students. The idea of "The Green Book" is to give the Motorist and Tourist a Guide not only of the Hotels and Tourist Homes in all of the large cities, but other classifications that will be found useful wherever he may be. Also facts and information that the Negro Motorist can use and depend upon. There are thousands of places that the public doesn't know about and aren't listed. Perhaps you know of some? If so send in their names and addresses and the kind of business, so that we might pass it along to the rest of your fellow Motorists. You will find it handy on your travels, whether at home or in some other state, and is up to date. Each year we are compiling new lists as some of these places move, or go out of business and new business places are started giving added employment to members of our race. Since the passage of the Wilderness Act of 1964, Congress has designated 41 wilderness areas in Colorado, totaling some 3.4 million acres ranging from desert sagebrush to alpine crags. In addition, other undeveloped areas and national parklands have been proposed for wilderness status. In its newly revised second edition, The Complete Guide to Colorado's Wilderness Areas continues to serve as the foremost guide to these magnificent wild places. Ghosts, spirits, and the science of contacting the dead through séances have long held people's attention. The book includes a vast store of material on all these topics. Other topics include famous haunted sites, from historical sites to Hollywood; out-of-body experiences (and how to have them); famous ghost hunters throughout the ages, and mas... "Gillian Flynn is the real deal, a sharp,

acerbic, and compelling storyteller with a knack for the macabre." —Stephen King This exclusive ebook collection brings together the three novels from bestselling author Gillian Flynn. A #1 New York Times bestseller, *Gone Girl* is an unputdownable masterpiece about a marriage gone terribly, terribly wrong. The Chicago Tribune proclaimed that Flynn's work "draws you in and keeps you reading with the force of a pure but nasty addiction." *Gone Girl*'s toxic mix of sharp-edged wit and deliciously chilling prose creates a nerve-fraying thriller that confounds you at every turn. Flynn's second novel, *Dark Places*, is an intricately orchestrated thriller that ravages a family's past to unearth the truth behind a horrifying crime. A New York Times bestseller and *Weekend Today* Top Summer Read, *Dark Places* solidified Flynn's status as one of the most critically acclaimed suspense writers of our time. In *Sharp Objects*, Flynn's debut novel, a young journalist returns home to cover a dark assignment—and to face her own damaged family history. With its taut, crafted writing, *Sharp Objects* is addictive, haunting, and unforgettable.

"Originally published in 1982, Stephen Shore's legendary *Uncommon Places* has influenced more than a generation of photographers. Shore was among the first artists to take color beyond the domain of advertising and fashion photography, and his large-format color work on the American vernacular landscape stands at the root of what has become a vital photographic tradition over the past forty years. *Uncommon Places: The Complete Works*, published by Aperture in 2004, presents a definitive collection of the landmark series, and in the span of a decade, has become a contemporary classic. Now, for this lushly produced reissue, the artist has added twenty rediscovered images and a statement explaining what it means to expand a series now many decades old. Like Robert Frank and Walker Evans before him, Shore discovered a hitherto unarticulated vision of America via highway and camera. Approaching his subjects with cool objectivity, Shore in these images retains precise internal systems of gestures in composition and light, through which a parking lot emptied of people, a hotel bedroom, or a building on a side street assumes both an archetypal aura and an ambiguously personal importance. In contrast to his signature landscapes with which *Uncommon Places* is often associated, this expanded survey reveals equally remarkable collections of interiors and portraits." -- Publisher's description. This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it. This work is in the public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity

We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant. NOW A NETFLIX FILM, STARRING ELLE FANNING AND JUSTICE SMITH! The New York Times bestselling love story about two teens who find each other while standing on the edge. And don't miss Take Me with You When You Go, Jennifer Niven's highly anticipated new book with bestselling author David Levithan! Theodore Finch is fascinated by death. Every day he thinks of ways he might kill himself, but every day he also searches for—and manages to find—something to keep him here, and alive, and awake. Violet Markey lives for the future, counting the days until graduation, when she can escape her small Indiana town and her aching grief in the wake of her sister's recent death. When Finch and Violet meet on the ledge of the bell tower at school—six stories above the ground—it's unclear who saves whom. Soon it's only with Violet that Finch can be himself. And it's only with Finch that Violet can forget to count away the days and start living them. But as Violet's world grows, Finch's begins to shrink. . . . “A do-not-miss for fans of Eleanor & Park and The Fault in Our Stars, and basically anyone who can breathe.” —Justine Magazine “At the heart—a big one—of All the Bright Places lies a charming love story about this unlikely and endearing pair of broken teenagers.” —The New York Times Book Review “A heart-rending, stylish love story.” —The Wall Street Journal “A complex love story that will bring all the feels.” —Seventeen Magazine “Impressively layered, lived-in, and real.” —Buzzfeed Are you craving for an inner transformation? Do you want to be a better human being? Do you want answers for the challenges of life? Do you feel a continuous sense of emptiness or void in your life? Do you find yourself asking existential questions? Do you want to understand the true meaning of life? Do you want to understand about the nature and importance of suffering? Do you crave to know why you were born and the purpose of life? If you have any of the above questions but are lost on how to go about getting the wisdom or answers to the above questions, then this book is perfect for you. The author believes that rather than giving ready-made answers to the above questions, it is better to give the places where the answers to these important questions can

be found. It is better that the reader finds his own answer through his own personal experience than to be spoon fed an answer which may be someone else's experience and understanding and may not appeal to the sensibilities and understanding of the reader. This book is for millions of people who have started craving for a deeper understanding of their human life form but have got no answers to the same yet. This popular collection of books not only provides key Bible facts, character profiles, important places in history, and descriptive timelines, but it makes learning enjoyable. The Complete Book of Who's Who provides readers with a complete listing of people in the Bible with descriptions of their lives and accomplishments. The Complete Book of When and Where tells intriguing accounts of 1,001 events in Christian history and their significance. Includes a comprehensive timeline. Ghosts and spirits populate the world around us. We just need to be sensitive or psychic enough to hear and see them. In this book, author Paul Roland examines a fascinating assortment of recorded sightings from as far back in history as Roman times. This serious look at ghosts presents them not as chain-rattling spooks or clouds of cold, swirling mist, but as entities with which we share a greater reality. A comprehensive exploration of the realm of the supernatural, from ghost ships and poltergeists to out-of-body experiences and the idea of spirits as the manifestation of people still living, The Complete Book of Ghosts will challenge your beliefs and preconceptions as never before. Each site has an entry explaining its historical and cultural significance, with a description and location map.
