One of America's top physicians traces the history of risk in medicine—with powerful lessons for today Every medical decision—whether to have chemotherapy, an X-ray, or surgery—is a risk, no matter which way you choose. In *You Bet Your Life*, physician Paul A. Offit argues that, from the first blood transfusions four hundred years ago to the hunt for a COVID-19 vaccine, risk has been essential to the discovery of new treatments. More importantly, understanding the risks is crucial to whether, as a society or as individuals, we accept them. Told in Offit's vigorous and rigorous style, *You Bet Your Life* is an entertaining history of medicine. But it also lays bare the tortured relationships between intellectual breakthroughs, political realities, and human foibles. Our pandemic year has shown us, with its debates over lockdowns, masks, and vaccines, how easy it is to get everything wrong. *You Bet Your Life* is an essential read for getting the future a bit more right. Every aspect of life is governed by universal laws that were created out of love and promise the potential of a life of prosperity and joy. Learn how to use these laws to connect with one's higher self, improve finances, attract loving relationships, and create harmony. **WHAT ARE YOU DOING WITH YOUR LIFE? J. KRISHNAMURTI TEACHINGS FOR TEENS**, edited by Dale Carlson. Teens learn to understand the self, the purpose of life, work, education, relationships. Through paying attention rather

than accepting the authority of their conditioning, they can find out for themselves about love, sex, marriage, work, education, the meaning of life and how to change themselves and the world. The Dalai Lama calls Krishnamurti "One of the greatest thinkers of the age." "How the insights of an 18th century economist can help us live better in the 21st century. Adam Smith became famous for *The Wealth of Nations*, but the Scottish economist also cared deeply about our moral choices and behavior--the subjects of his other brilliant book, *The Theory of Moral Sentiments* (1759). Now, economist Russ Roberts shows why Smith's neglected work might be the greatest self-help book you've never read. Roberts explores Smith's unique and fascinating approach to fundamental questions such as: - What is the deepest source of human satisfaction? - Why do we sometimes swing between selfishness and altruism? - What's the connection between morality and happiness? Drawing on current events, literature, history, and pop culture, Roberts offers an accessible and thought-provoking view of human behavior through the lenses of behavioral economics and philosophy"-- Since her debut in 1989, A. M. Homes, author of the forthcoming novel *The Unfolding*, has been among the boldest and most original voices of her generation, acclaimed for the psychological accuracy and unnerving emotional intensity of her storytelling. Her ability to explore how extraordinary the ordinary can be is at the heart of her touching and funny new novel, her first in six years. *This Book Will Save Your Life* is a vivid, uplifting, and revealing story about compassion, transformation, and what can happen if you are willing to lose yourself and open up to the world around you. With a voice that is both sophisticated and deeply Southern, author John Rowell evokes the memory of the great Truman Capote in this wonderful collection of short stories, peopled with unforgettable, endearing characters and filled with wry insights. Drawn from the emotional well of a young man who grew up in love with the glittery, glamorous world of music and movies and theater--far removed from his own more prosaic life in North Carolina--and informed with honesty and compassion, the seven short stories that comprise *The Music of Your Life* showcase the talent of a remarkably gifted writer. Compulsively readable and always accessible, each story takes the reader into the mind and heart of its central character, whether a young boy suffering from Lawrence Welk damage and teetering precariously on the edge of puberty ("*The Music of Your Life*") or a not-so-young-anymore man for whom fantasy and reality have become a terrifying blur and who finds himself slipping over the edge toward total meltdown ("*Wildlife of Coastal Carolina*"). Nostalgia plays a part in these stories as a somewhat jaded New York film critic looks back on his life and the movies that shaped him ("*Spectators in Love*"), and an aging flower-shop owner ruefully assesses the love he found and lost when, as an eighteen-year-old, he embarked on a Hollywood career that

never soared but did include one particularly memorable appearance on the I Love Lucy television show ("Who Loves You?") These stories all create entire worlds within which the characters live and struggle to find their way. Funny, touching, serious, and tender, the tales within The Music of Your Life are sure to appeal to anyone who has ever known the awkwardness of being "different," and while life is often harsh for the stories' characters, the bold determination with which they persevere offers inspiration to all. Pocket Change Collective was born out of a need for space. Space to think. Space to connect. Space to be yourself. And this is your invitation to join us. "Wow! Leo's vulnerability and authenticity allowed me to experience his pain and triumph. A great testament to the positive power of skateboarding and the dangers of gender." --Elissa Steamer (skateboarding pioneer) "In Skate for Your Life, Leo Baker invites us on the intimate journey toward self-realization. Leo's deep passion for skateboarding is beautifully communicated while bringing to light the difficult reality of breaking the mold on a public stage. This book synthesizes what so many LGBTQIA people can relate to--the lifelong journey of seeking out spaces where we fit in, and when we don't find them, making new ones." --JD Samson (musician, producer, and songwriter) In this moving, personal story, professional skateboarder Leo Baker shares their journey within the sport and the importance of authenticity and allyship as a non-binary athlete. Pocket Change Collective is a series of small books with big ideas from today's leading activists and artists. "Your authenticity is your superpower." That's the motto that professional skateboarder Leo Baker lives by and champions. But like any hero's journey, learning about their power didn't come easy. In this installment of the Pocket Change Collective, Baker takes the reader on a complicated, powerful journey through the world of skate and competitive sport as a non-binary athlete. In the spring of 2010, Harvard Business School's graduating class asked HBS professor Clay Christensen to address them—but not on how to apply his principles and thinking to their post-HBS careers. The students wanted to know how to apply his wisdom to their personal lives. He shared with them a set of guidelines that have helped him find meaning in his own life, which led to this now-classic article. Although Christensen's thinking is rooted in his deep religious faith, these are strategies anyone can use. A delicious and fortifying picture book inspired by the author's family, featuring the Mexican tradition of holiday tamale-making "What is the recipe?" I ask. Abuela laughs. "It is in my heart, Rosie. I use mis ojos, my eyes, to measure. Mis manos, my hands, to feel. Mi boca, my mouth, to taste. My abuela gave it to me, and I am giving it to you." Each year on Christmas Eve, Rosie's abuela, mamá, tía, sister, and cousins all gather together in Abuela's kitchen to make tamales—cleaning corn husks, chopping onions and garlic, roasting chilis, kneading cornmeal dough, seasoning the filling, and folding it all—and tell stories. Rosie learns from her abuela not only how to make a delicious tamale, but how to make a delicious life, one filled with love, plenty of spice, and family.

Wendy Ida guides women from hopelessness to getting the body they want with her 3-pronged approach in her 90-day Take Back Your Life Results Program that speaks to the needs of women whose lives have spun out of control due to the physical changes that occur during midlife and the many major life transitions that hinder weight loss and leave women feeling unattractive and powerless. Unlike other fitness books, she lays out no excuse zones, empowering mind games and sex and life adaptations. She shares her own life experiences, including stories, tips and tricks that enabled her to reinvent herself, drop four dress sizes and develop six-pack abs after age 40 - and hold onto them as a grandmother. Ryan Speedo Green had a tough upbringing in southeastern Virginia: his family lived in a trailer park and later a bullet-riddled house across the street from drug dealers. His father was absent; his mother was volatile and abusive. At the age of twelve, Ryan was sent to Virginia's juvenile facility of last resort. He was placed in solitary confinement. He was uncontrollable, uncontainable, with little hope for the future. In 2011, at the age of twenty-four, Ryan won a nationwide competition hosted by New York's Metropolitan Opera, beating out 1,200 other talented singers. Today, he is a

rising star performing major roles at the Met and Europe's most prestigious opera houses. **SING FOR YOUR LIFE** chronicles Ryan's suspenseful, racially charged and artistically intricate journey from solitary confinement to stardom. Daniel Bergner takes readers on Ryan's path toward redemption, introducing us to a cast of memorable characters--including the two teachers from his childhood who redirect his rage into music, and his long-lost father who finally reappears to hear Ryan sing. Bergner illuminates all that it takes--technically, creatively--to find and foster the beauty of the human voice. And **Sing for Your Life** sheds unique light on the enduring and complex realities of race in America. **Live the life you've always dreamed of!** America's #1 personal coach offers an inspiring, practical seven-step program to help you create the life you want. Imagine finding time to do all the things you want to do. Having plenty of energy for family and friends. Having control over your income and finances. From the beloved host and creator of NPR's All Songs Considered and Tiny Desk Concerts comes an essential oral history of modern music, told in the voices of iconic and up-and-coming musicians, including Dave Grohl, Jimmy Page, Michael Stipe, Carrie Brownstein, Smokey Robinson, and Jeff Tweedy, among others—published in association with NPR Music. Is there a unforgettable song that changed your life? NPR's renowned music authority Bob Boilen posed this question to some of today's best-loved musical legends and rising stars. In *Your Song Changed My Life*, Jimmy Page (Led Zeppelin), St. Vincent, Jónsi (Sigur Rós), Justin Vernon (Bon Iver), Cat Power, David Byrne (Talking Heads), Dave Grohl (Nirvana, Foo Fighters), Jeff Tweedy (Wilco), Jenny Lewis, Carrie Brownstein (Portlandia, Sleater-Kinney), Yusuf Islam (Cat Stevens), Colin Meloy (The Decemberists), Trey Anastasio (Phish), Jackson Browne, Valerie June, Philip Glass, James Blake, and other artists reflect on pivotal moments that inspired their work. For Wilco's Jeff Tweedy, it was discovering his sister's 45 of The Byrds' "Turn, Turn, Turn." A young St. Vincent's life changed the day a box of CDs literally fell off a delivery truck in front of her house. Cat Stevens was transformed when he heard John Lennon cover "Twist and Shout." These are the momentous yet unmarked events that have shaped these and many other musical talents, and ultimately the sound of modern music. A diverse collection of personal experiences, both ordinary and extraordinary, *Your Song Changed My Life* illustrates the ways in which music is revived, restored, and revolutionized. It is also a testament to the power of music in our lives, and an inspiration for future artists and music lovers. Amazing contributors include: Jimmy Page (Led Zeppelin), Carrie Brownstein (Sleater-Kinney, Portlandia, Wild Flag), Smokey Robinson, David Byrne (Talking Heads), St. Vincent, Jeff Tweedy (Wilco), James Blake, Colin Meloy (The Decemberists), Trey Anastasio (Phish), Jenny Lewis (Rilo Kiley), Dave Grohl (Nirvana, Foo Fighters), Yusuf Islam (Cat Stevens), Sturgill Simpson, Justin Vernon (Bon Iver), Cat Power, Jackson Browne, Michael Stipe (R.E.M.), Philip Glass, Jónsi (Sigur Rós), Hozier, Regina Carter, Conor Oberst (Bright Eyes, and others), Courtney Barnett, Chris Thile (Nickel Creek, Punch Brothers), Leon Bridges, Sharon Van Etten, and many more. How can we find real happiness amidst the chaos, where we don't reach our life's end and feel we missed out? In *Stop Missing Your Life*, mindfulness teacher Cory Muscara takes us on a journey into the heart of what is required for real change, growth, and happiness. He exposes how the phrase “be present” has become little more than a platitude, imbued with the misguided message to be present just for the sake of being present, and reveals how to achieve true Presence: a quality of being that is unmistakably attractive about a person, and one that only comes when we've peeled back the layers of guarding that prevent us from being our full, honest, and integrated selves in the world. Muscara shows how we build internal walls, what he describes as a “Pain Box” inhibiting us from living a deeply connected and meaningful life. He offers a four-part FACE model (Focus, Allow, Curiosity, and Embodiment) that helps chip away at those walls and builds our capacity to experience the richness of our lives. *Stop Missing Your Life* ultimately teaches how we can find peace in the chaos and become better people for our family, our communities, and our world. “Your Life by Design is an inspired book about choosing your life instead of living by default. Estes offers insightful strategies and practical tools that will empower readers to claim what so rightly belongs to them—a passionate and fulfilling life!” “With a fine combination of humor, compassion and vast knowledge, Talya Miron-Shatz offers clear and useful guidance for the hardest decisions of life.” -Daniel Kahneman, Nobel award-winning author of *Thinking, Fast and Slow* A top expert on decision-making explains why it's so hard to make good choices—and what you and your doctor can do to make better ones In recent years, we have gained unprecedented control over choices about our health. But these choices are hard and often full of psychological traps. As a result, we're liable to misuse medication, fall for pseudoscientific cure-alls, and undergo needless procedures. In *Your Life Depends on It*, Talya Miron-Shatz explores the preventable ways we make bad choices about everything from nutrition to medication, from pregnancy to end-of-life care. She reveals how the medical system can set us up for success or failure and maps a model for better doctor-patient relationships. Full of new insights and actionable guidance, this book is the definitive guide to making good choices when you can't afford to make a bad one. “What are you reading?” That's the question Will Schwalbe asks his mother, Mary

Anne, as they sit in the waiting room of the Memorial Sloan-Kettering Cancer Center. In 2007, Mary Anne returned from a humanitarian trip to Pakistan and Afghanistan suffering from what her doctors believed was a rare type of hepatitis. Months later she was diagnosed with a form of advanced pancreatic cancer, which is almost always fatal, often in six months or less. This is the inspiring true story of a son and his mother, who start a "book club" that brings them together as her life comes to a close. Over the next two years, Will and Mary Anne carry on conversations that are both wide-ranging and deeply personal, prompted by an eclectic array of books and a shared passion for reading. Their list jumps from classic to popular, from poetry to mysteries, from fantastic to spiritual. The issues they discuss include questions of faith and courage as well as everyday topics such as expressing gratitude and learning to listen. Throughout, they are constantly reminded of the power of books to comfort us, astonish us, teach us, and tell us what we need to do with our lives and in the world. Reading isn't the opposite of doing; it's the opposite of dying. Will and Mary Anne share their hopes and concerns with each other—and rediscover their lives—through their favorite books. When they read, they aren't a sick person and a well person, but a mother and a son taking a journey together. The result is a profoundly moving tale of loss that is also a joyful, and often humorous, celebration of life: Will's love letter to his mother, and theirs to the printed page. This eBook edition includes a Reading Group Guide.

#1 NEW YORK TIMES BEST SELLER • At last, a book that shows you how to build—design—a life you can thrive in, at any age or stage Designers create worlds and solve problems using design thinking. Look around your office or home—at the tablet or smartphone you may be holding or the chair you are sitting in. Everything in our lives was designed by someone. And every design starts with a problem that a designer or team of designers seeks to solve. In this book, Bill Burnett and Dave Evans show us how design thinking can help us create a life that is both meaningful and fulfilling, regardless of who or where we are, what we do or have done for a living, or how young or old we are. The same design thinking responsible for amazing technology, products, and spaces can be used to design and build your career and your life, a life of fulfillment and joy, constantly creative and productive, one that always holds the possibility of surprise. You are what you eat. Food and diet have an enormous influence on your health and well-being, but eating the right amount of the right things - and not too much of the wrong things - isn't easy. But, as in most walks of life, knowledge is power. This book will empower you to eat healthily, lose weight, and sort the fads from the science facts. This is the New Scientist take on a "New Year, New You" book: an eye-opening and myth-busting guide to everything from sugar to superfoods, from fasting to eating like a caveman and from veganism to your gut microbiome.

Forget faddy diet books or gimmicky exercise programs, this is what is scientifically proven to make you live longer and to be healthier and happier. With anecdotes and interviews from some of today's greatest icons in business, sports, and academia, including Phoenix Suns' star Steve Nash, Yankees' star Alex Rodriguez, Grant Hill of the Orlando Magic, and former New York City mayor Rudy Giuliani, *Read for Your Life* will help readers discover how reading can enhance their lives personally and professionally. In *Love Your Life, Not Theirs*, Rachel Cruze shines a spotlight on the most damaging money habit we have: comparing ourselves to others. Then she unpacks seven essential money habits for living the life we really want--a life in line with our values, where we can afford the things we want to buy without being buried under debt, stress, and worry. The Joneses are broke. Life looks good, but hidden beneath that glossy exterior are credit card bills, student loans, car payments, and an out-of-control mortgage. Their money situation is a mess, and they're trying to live a life they simply can't afford. So why exactly do we try so hard to keep up with the Joneses? Are we really living the lives we want, or are we chasing someone else's dream, just trying to keep up appearances on social media, at church, and in our community? Why are we letting other people set the pace for our own family's finances? In *Love Your Life, Not Theirs*, Rachel shows you how to buy and do the things that are important to you--the right way. That starts by choosing to quit the comparisons, reframing the way you think about money, and developing new habits like avoiding debt, living on a plan, watching your spending, saving for the future, having healthy conversations about money, and giving. These habits work, and Rachel is living proof. Now, she wants to empower you to live the life you've always dreamed of without creating the debt, stress, and worry that are all too often part of the deal. Social media isn't real life, and trying to keep up with the Joneses will never get you anywhere. It's time to live--and love--your life, not theirs. "I've never read a book about money that takes this approach--and that's a good thing! Comparison has a way of weaving itself throughout all aspects of our lives, including our money. In *Love Your Life, Not Theirs*, Rachel Cruze outlines the seven money habits that really matter--and they have nothing to do with keeping up with the Joneses!" Candace Cameron-Bure Actress, author, and co-host of *The View* "Love Your Life, Not Theirs is full of the kind of practical, straightforward advice we've come to expect from Rachel Cruze. She offers guidance on paying down debt, smart saving, and the right way to talk to your spouse about money. These indispensable tips can help with day-to-day spending decisions and put you on a path to establishing healthy financial habits." Susan Spencer Editor-in-Chief for *Woman's Day* "Cruze's self-deprecating and honest voice is a great resource for anyone wanting to take charge of their money. With humor

and approachability, she helps her readers set themselves up for success and happiness, no matter what current financial state they may be in." Kimberly Williams-Paisley New York Times best-selling author of *Where the Light Gets In* "In today's world of social media, the temptation to play the comparison game is stronger than ever. *Love Your Life, Not Theirs* is the perfect reminder that, when it comes to money, comparison is a game you can't win. A terrific--and much needed--read." Jean Chatzky Financial Editor, NBC TODAY and Host of *HerMoney with Jean Chatzky Podcast* Is the year ahead looking much the same as the last? An inspiring guide to finding your life's purpose—what spiritual teachers call dharma—through mindfulness and self-exploration. Stephen Cope says that in order to have a fulfilling life you must discover the deep purpose hidden at the very core of your self. The secret to unlocking this mystery, he asserts, can be found in the pages of a two-thousand-year-old spiritual classic called the *Bhagavad Gita*—an ancient allegory about the path to dharma, told through a timeless dialogue between the fabled archer, Arjuna, and his divine mentor, Krishna. Cope takes readers on a step-by-step tour of this revered tale and highlights well-known Western lives that embody its central principles—including such luminaries as Jane Goodall, Walt Whitman, Susan B. Anthony, John Keats, and Harriet Tubman, along with stories of ordinary people as well. If you're feeling lost in your own life's journey, *The Great Work of Your Life* may help you to find and to embrace your true calling. Praise for *The Great Work of Your Life* "Keep a pen and paper handy as you read this remarkable book: It's like an owner's manual for the soul."—Dani Shapiro, author of *Devotion* "A masterwork . . . You'll find inspiration in these pages. You'll gain a better appreciation of

divine guidance and perhaps even understand how you might better hear it in your own life.”—Yoga Journal “I am moved and inspired by this book, the clarity and beauty of the lives lived in it, and the timeless dharma it teaches.”—Jack Kornfield, author of *A Path with Heart* “A rich source of contemplation and inspiration [that] encourages readers . . . to discover and fully pursue their inner self’s calling.”—Publishers Weekly “Fabulous . . . If you have ever wondered what your purpose is, this book is a great guide to help you on your path.”—YogaHara Drooling fanatic, n. 1. One who drools in the presence of beloved rock stars. 2. Any of a genus of rock-and-roll wannabes/geeks who walk around with songs constantly ringing in their ears, own more than 3,000 albums, and fall in love with at least one record per week. With a life that’s spanned the phonographic era and the digital age, Steve Almond lives to Rawk. Like you, he’s secretly longed to live the life of a rock star, complete with insane talent, famous friends, and hotel rooms to be trashed. Also like you, he’s content (sort of) to live the life of a rabid fan, one who has converted his unrequited desires into a (sort of) noble obsession. *Rock and Roll Will Save Your Life* traces Almond’s passion from his earliest (and most wretched) rock criticism to his eventual discovery of a music-crazed soul mate and their subsequent production of two little superfans. Along the way, Almond reflects on the delusional power of songs, the awkward mating habits of drooling fanatics, and why Depression Songs actually make us feel so much better. The book also includes: • sometimes drunken interviews with America’s finest songwriters • a recap of the author’s terrifying visit to Graceland while stoned • a vigorous and credibility-shattering endorsement of Styx’s Paradise Theater • recommendations you will often choose to ignore • a reluctant exegesis of the Toto song “Africa” • obnoxious lists sure to piss off rock critics But wait, there’s more. Readers will also be able to listen to a special free mix designed by the author, available online at www.stevenalmond.com, for the express purpose of eliciting your drool. For those about to rock—we salute you! We all want to be happier, more successful and less stressed, but what really works? From improving creativity to building confidence, self-care to self-esteem, forming better habits and feeling happier, *Fix Your Life* debunks the fads and explores the real science of self-help. Can you learn to make better decisions? Or break bad habits and form new ones? What should you eat to feel happier? How do you learn a skill faster? Does mindfulness really work? Dispelling mental health myths and self-help fads, here is the truth about meditation, making smarter choices, addiction, CBT, Tai Chi, success, diet, healthy relationships, anxiety, antidepressants, intelligence, willpower and much more. Full of the latest research and ground-breaking evidence, packed with useful advice, this book really could fix your life. Every person has a mission and a God-

given potential to impact the world, whether they recognize it or not. But the stuff of life--the loss of a job, the death of a friend or a loved one, the inability to focus due to bad moods or self-sabotaging tendencies--presents challenges and traps us in a helpless, hopeless loop of anxiety and fear. These are the kinds of things we face that turn on the dark for any thoughts of a future. In this book bestselling author and pastor Levi Lusko gives a step-by-step process to take back your life, which includes a new introduction and perspective from Pastor Levi stories and testimonies from those whose lives have been changed by his messages, and an action plan with journaling space to turn your thoughts into real change. With a unique blend of message and practical tools, using themes and teachings from his bestselling *Through the Eyes of a Lion* and the more recent *I Declare War*, Lusko gives readers an interactive forty-day journey of learning how to think right so they can live right. The co-author of The Celestine Prophecy Experiential Guide helps readers uncover the unsuspected, untapped power of synchronicity and intuition that will bring success, satisfaction, and serenity. Everyone really has a purpose in life, says Carol Adrienne in her new guide to harnessing the power inside yourself. The question is: How do you learn to go with the flow and let your true nature guide you? Chapter by chapter, The Purpose of Your Life explains how to locate the source of your innate energy and focus it, how to align yourself with the natural forces that swirl around us always, and how to develop the intuition that fosters synchronicity. The book is packed with illuminating anecdotes and profiles of fascinating people -- from artists to urban planners to Zen masters -- who describe how they found their own purposes. There are practical exercises throughout, along with charts, self-questionnaires, and other tools that help you understand yourself and your deepest aspirations. As you learn to recognize and trust the voice of intuition, you'll find new doors opening and new possibilities everywhere. You'll feel invigorated by the potential you've unleashed, a power that will only grow with each new accomplishment. And you'll discover the serenity and satisfaction that come only to those who are living life to the fullest. The Force is with you -- all you have to do is reach out and start to use it. "Simple text and color photographs illustrate the human life cycle"--Provided by publisher. Empowering and validating, Your Life Matters reassures Black children everywhere that no matter what they hear, no matter what they experience, no matter what they're told, their lives matter. Written by national speaker Chris Singleton, who lost his own mother in the 2015 Charleston church shooting, Your Life Matters teaches kids to stand tall in the face of racial adversity and fight for the life they dream of. Each page depicts a famous hero from Black history mentoring a child of today and encouraging them to use their mind, heart, voice, and hands in that fight. Hero-mentors in the book include: Maya Angelou, Jackie Robinson, Martin Luther King, Jr., Aretha Franklin, Katherine Johnson, Harriet Tubman, Frederick Douglas, Mary McLeod Bethune, George Washington Carver, and others. "Scot believes that his life of perceived struggle and unfortunate circumstances are the RULE in today's society, not the exception, with that said, Scot says "I am the average American that has suffered the common problems of the world at large, but what makes me different is how I ended up after going through these problems". Scot believes that there is hope for all who choose to take responsibility for their life's present circumstances, and get into action, which is what this book is focused on."--Cover.
