In the medieval kingdom of Gwynedd, strife has long existed between the human population and the Deryni, a powerful race of magic-users. For more than a decade, a fragile peace has held under the rule of King Cinhil. The former monk reluctantly ascended the throne with the help of Camber of Culdi, Gwynedd's most revered Deryni lord, who in turn sacrificed his identity and physical form for the good of all people, earning sainthood in the process. But now Cinhil is dying, and a dark cloud is descending upon the land. The king's heir is a mere boy of twelve, and the malevolent regents who will rule until young Alroy comes of age are determined to eliminate all Deryni. Suddenly, the future of Gwynedd hangs in the balance, and Camber--once adored as a saint, but now reviled as a heretic--must find a way to protect his people before everything and everyone he loves is destroyed in the all-consuming flames of intolerance and hate. Lost At Sea Caramon, Sturm, and Tasslehoff, on an innocent ship's errand, are blown thousands of miles off course by a magic windstorm and transported to the eastern Bloodsea. Caramon and Sturm are left for dead while Tasslehoff mysteriously turns against his friends. . . . Kang will have to use draconian measures to defeat his foes and save his race. They'd better be enough -- the fate of his entire race hangs in the balance. Years have passed since the end of the War of the Lance. The people of Ansalon have rebuilt their lives, their houses, their families. The Companions of the Lance, too, have returned to their homes, raising children and putting the days of their heroic deeds behind them. But peace on Krynn comes at a price. The forces of darkness are ever vigilant, searching for ways to erode the balance of power and take control. When subtle changes begin to permeate the fragile peace, new lives are drawn into the web of fate woven around all the races. The time has come to pass the sword -- or the staff -- to the children of the Lance. They are the Second Generation. Collects eleven stories set during the War of Souls about forbidding places and dangerous creatures, including dragons, Qualinesti rebels, gnomes, and ghosts. Flint soon discovers that to bring his brother's killer to justice, he must either die or become king. He's not sure which choice might be worse. The Chronicles retold--from evil's point of view. The story starts in Neraka, where Kitiara Uth Matar and Emperor Ariakas hatch a plan to retrieve a dragon orb and thereby destroy Solamnia and the Companions in one fell swoop. But the guardian of the dragon orb, Highlord Feal-That, disagrees with this plan. Kitiara must go to Ice Wall to force him to accept Ariakas' will, but her journey does not end there. Thrown out of favor, she conceives a daring plan to enlist the aid of the most feared beings on Krynn--Lord Soth and the Dark Queen. Meanwhile, Laurana and the Companions retrieve the dragon orb and take it back to Solamnia--not knowing that they bring their allies' doom with them.
