*This comprehensive history of the Royal Scottish Corporation covers four centuries of Scottish charity in London from 1603 to 2003. The entire history of the organization is chronicled, from its evolution alongside London's poor laws through its survival during some of the most tumultuous periods in English history. Violet Steele returns to her parents' home in small-town Nebraska to pay off school loans. But her first social activity is the celebration of life for a woman she'd dreamt would someday be her mother-in-law. Heath Banfield is haunted by memories of Violet leaving him in their youth. He ended up with a woman who never wanted motherhood, and he's become bitter and hard when it comes to love and trust. Now he's dealing with his mother's death. In her absence, he needs an after-school caregiver for his daughter. When Violet offers to tend for the eight-year-old, he's not sure he can handle her act of kindness. Violet is still in love with Heath, and helping him through his grief and caring for his delightful daughter is a welcome opportunity. But Heath is wary, and she'll have to muster every ounce of kindness she has. Will Violet's deliberate holiday deeds lead to romance, or will Heath's hurt deepen his bitterness? Kindness isn't merely about getting along with people and being nice. It's a game changer in business, the door-opener to opportunity, and the key to authenticity and confidence. When Clinton Giddings Brown (1882–1964) retired from a long and successful career as a trial lawyer in San Antonio, Texas, fishing on the Gulf Coast was out—by doctor's orders. So he sat on the front gallery of his house in San Antonio and fished with a lead pencil in the richly stocked memories of his professional life. "Some days I didn't get a nibble, but some mornings they were biting fine." The resultant and delightful catch is the story of a full, merry, and successful life. From the day in 1906 when "Mr. Clint" hung out his shingle in a little office over his father's bank, through the long succession of "fine scraps, rough and tumble, no holds barred," which were the jury cases he tried for defendant corporations in personal-injury damage suits, there was not much about the law and about human nature that he did not have the opportunity to learn. The first client in the little office was Charlie Ross, a Pullman porter who wanted to make sure that the title on his new house was clear. The fee was \$15, and Charlie was his friend for life. In the pages that follow the reader will meet many other unforgettable characters, including Dr. John Brinkley, the man who made a million dollars a year from his goat-gland operation until Dr. Morris Fishbein called him a "quack"; old Jim Wheat, who killed a white man, and Jim's little grandson Lige, who knew what God would do to him if he told lies in court; Bosco, who forgot his complete paralysis when the lady lure came into the picture; and pretty little Mary, whom the jury loved. Brown was elected district attorney for Bexar County, Texas, in 1913 and became mayor of San Antonio the following year; in the latter office he served two terms, resigning to join the Army in the First World War. On his return from France he was invited to work with a law firm that represented many large corporations, among them the Public Service Company, which ran San Antonio's streetcar and bus lines, and the Southern Pacific Railroad. Soon made a partner, he remained with the firm until his retirement, and through a quarter of a century tried about as many jury cases as any other attorney in the city.

You May Take the Witness is a book for anyone who has ever felt the fascination of courtrooms and trials, and who has not? It is also a book in which lawyers will find an excellent refresher course for both mind and spirit. Here are invaluable tips on all the ins-and-outs of jury trial, not from the flat dimensions of a law-school text but from the full, real world of actual trials and the men and women involved. Brown tells how to handle witnesses and to pick juries, when to object and when not to object. The most important lesson of all, he says, is to value the jury and be an honest person before them. "The jury is decent, so you be decent, and 'be yourself.'" It is clear that Clinton Giddings Brown succeeded as a lawyer because he succeeded as a human being, just as it is clear that he knows how to tell story after fine story because he enjoyed living each episode of his life to its fullest. What do you mean by dispersing? Firing at them. Two decades after a massacre of local Aboriginal people, the former residents of a Queensland town have reunited to celebrate the progress and prosperity of their community. Tom Dorahy, returning to his hometown, is having none of it: he wants those responsible to own up to their actions. A reckoning with oppression, guilt and the weight of the past, A Kindness Cup is one of Thea Astley's greatest achievements. Thea Astley was born in Brisbane in 1925. Her first novel, Girl with a Monkey, was published in 1958 and her third, The Well Dressed Explorer (1962), won the Miles Franklin Literary Award. Many notable books followed, among them the groundbreaking A Kindness Cup (1974), which addressed frontier massacres of Indigenous Australians, and It's Raining in Mango (1987). Her last novel was Drylands (1999), her fourth Miles Franklin winner. Her fiction is distinguished by vivid imagery and metaphor; a complex, ironic style; and a desire to highlight oppression and social injustice. One of the most distinctive and influential Australian novelists of the twentieth century, Astley died in 2004. 'Smart, compassionate.' New York Times 'One of the earliest and most empathetic postwar engagements by a white Australian writer with the horrors of nineteenth-century racial violence.' Australian Book Review 'This timely and attractively priced reissue is a welcome chance to reconsider [Astley's] rich oeuvre. Astley's work is characterised by her irony and unflinching scrutiny of social injustice. In A Kindness Cup, she was at the top of her impressive form...This short novel is one of Australia's finest.' Stuff NZ color version Word count 11,205 Mitchell Alexander Jackson's contemporary thought, in response to the "change" brought on by a "change" of the U.S. administration, was breathed forth-Shorn Sharer. While the author was soaking up the "flavor" of Wyoming, in the historic city of Sheridan, non-Election 2000 happened. Unfortunately its fruits remain within and without the borders of our United States of America-ever engulfing. Following the locking of the ballot box, the constricting of the rights of the American people, and the diluting of the past glory of America's heritage concerning Truth, Honor, and Integrity are there presently an eager embracing of intolerance, faint displays of justice, and new forms of exclusionary practices. Perhaps that self same Spirit that issued in the book Shorn Sharer "sees" merit in this present work bearing "The Flying Africans" motif. "This long ago documented account of a small band of enslaved Africans and their "escape" is Southern legendary folklore that passed into myth, only to become the best kept legendary secret in American culture. While in Southern fields, so speaks the records of the unique incident, a band of "flying Africans" dropped their hoes, danced about in a ring, and lifted up and flew away home--back to Africa. Mr. Jackson utilizes "The Flying Africans" motif of flight to freedom to underline its "spiritual" thread of "awakening," awareness and growth. He unveils his trilogy through the narrative entitled A Random Act Of Kindness, a combination mystery/thriller/suspense, with a heavy heaping of romance. The first novel of the trio is The Loving Cup. The Loving Cup, a different type of Southern flavor, launches the plight of the abandoned youth, Mildred Loveless, who is suddenly venerable to every underworld figure with designs of immediate profit and immeasurable power. The saga begins: The local police of Savannah, Georgia are in the midst of an International threat to the survival of U.S. America. A New York Times Bestseller For Lady Gaga, kindness is the driving force behind everything she says and does. The quiet power of kindness can change the way we view one another, our communities, and even ourselves. She embodies this mission, and through her work, brings more kindness into our world every single day. Lady Gaga has always believed in the importance of being yourself, being kind to yourself, and being kind to others, no matter who they are or where they come from. With that sentiment in mind, she and her mother, Cynthia Germanotta, founded Born This Way Foundation, a nonprofit organization dedicated to making the world a kinder and braver place. Through the years, they've collected stories of kindness, bravery and resilience from young people all over the world, proving that kindness truly is the universal language. And now, we invite you to read these stories and follow along as each and every young author finds their voice just as Lady Gaga has found hers. Within these pages, you'll meet young changemakers who found their inner strength, who prevailed in the face of bullies, who started their own social movements, who decided to break through the mental health stigma and share how they felt, who created safe spaces for LGBTQ+ youth, and who have embraced kindness with every fiber of their being by helping others without the expectation of anything in return. In one story, you'll read about a young person with an autoimmune disease, who after being bullied at school, learned how to practice self-love and started an organization with the mission of educating others about the importance of self-love, too; and in another story, you'll meet a young person who decided to start a movement to help eliminate the stigma surrounding mental health and encouraged others to talk about their feelings openly and honestly, a reminder that kindness and mental wellness go hand in hand. Not only were we moved by these individual acts of kindness, but we were also touched by the many stories of organizations, neighborhoods, and

entire communities that fully dedicated themselves to helping those in need and found new, innovative ways to make our world a kinder and braver place. Individually and collectively, these stories prove that kindness not only saves lives but builds community. Kindness is inclusion, it is pride, it is empathy, it is compassion, it is self-respect and it is the guiding light to love. Kindness is always transformational, and its never-ending ripples result in even more kind acts that can change our lives, our communities, and our world. A heaping cup of Kindness Two cups of love and caring One cup of understanding One cup of sharing A level cup of patience One cup of thoughtful insight One cup of gracious listening One cup of sweet forgiveness One cup of obedience Mix all ingredients together Toss in big smiles and laughter Some tension is okay, but if you are freaking out, get help. Psychological science shows being happy at work has more to do with being respected than with your pay. Serve to everyone you know With love forever after. "An Empty Cup of Kindness " by George M. Cochran is a spectacularly romantic work of fiction. In her 39th year, Mary Templeton Powell is beset with grief. As she mourns the loss of a stillborn child and cheating husband, Mary books a flight that she doesn't yet know will alter her life forever. On New Year's Eve, 1999, as she heads east at 500 miles per hour, she meets the handsome architect, Michael Bowland, with whom she shares a cup of champagne as they celebrate every turn of the century from Calcutta to Seattle. Plagued with a secret only she can contend with, and as she falls deeper in love, Mary must embrace vulnerability to reveal her truest self. Retired DGA commercial film director George Cochran's debut novel, *An Empty Cup of Kindness* grapples with love, loss and sense of self with a cunning dexterity that will embolden even the most callous reader to embrace the depths of emotion penned in this tender story. This is a powerful story of community, compassion, and generosity of spirit—perfect for sharing! Kindness is sometimes a cup and a card, or a ladder, a truck, and a tree. A scratch and a cuddle.
